

Tabulation Of Bids

Event # : 88

Version: 4

Name: Las Olas Blvd and SE 15th Intersection modifications

Description: The City of Fort Lauderdale, Florida (City) is seeking bids from qualified bidders, hereinafter referred to as the Contractor, to provide construction services for the Transportation and Mobility Department, in accordance with the terms, conditions, and specifications contained in this Invitation To Bid (ITB).

This project consists of the construction to modify the vehicular traffic movement patterns at the intersection E Las Olas Blvd and SE 15th Ave. This will be done by converting the southbound right through traffic lane along SE 15 Ave to a tri-movement (right-through-left) lane. This will convert the southbound movement from single left turn to dual left turn. The project involves milling and resurfacing for re-striping purposes, signing and pavement marking modifications, and signal modifications to the existing strain-wire structures.
