Delta G office has a total of 20 engineers and support staff, including four Registered Professional Engineers, two C.I.P.E.'s, and eight LEED Accredited Professional.

Our design and investigative services are provided to:

1. Architects
2. Developers
3. Industry
4. Municipal and Governmental Agencies
5. Residential and Commercial Building Owners

We are experienced in low-rise, mid-rise and high-rise residential building design, fire stations, airports, K-12, library, municipal, retail, hotel, and single family custom homes design. The Delta G is centrally located to serving clients in Miami-Dade, Monroe, Broward and Palm Beach Counties. Possessing a firm understanding of large-scale projects, Delta G professionals bring to the design team strong relationships with major institutional clients and an in-depth knowledge of the market.

Clients trust us to conduct research, present options, and deliver thorough, accurate, timely documents.

GOALS AND PHILOSOPHY

Our team based approach, engineering knowledge and excellent skills inspire confidence and enhance our accountability to our clients.

LEED Experience

Eighty Seven percent (87%) of our engineering staff are LEED AP's. Soon we reach our goal of 100% of AP's on staff. Delta G is the premier LEED firm in Florida with over 1,061,000 s.f. of LEED built environment already in place. Our LEED accredited professionals have the level of experience you would expect to find only in the most environmentally advanced nations, yet we are right here in South Florida. We deliver results beyond your expectations.

Our CAD facilities are state of the art 2.8 GHz Pentium D workstations with 1 GB Ram and 39" viewable monitors fully networked. We are currently operating with AutoCAD Release 2004, and Revit 2012.

COMPANY PROFILE

We live in an age of continual and increasingly rapid change. Our aim is not to keep pace with this change, but to help lead it. Bryntesen Structural Engineers has served Florida for over 30 years. We attribute success to our commitment to provide the highest quality professional services. Our staff includes licensed professional engineers, engineer interns, designers, CAD-drafters, and expert consultants of multinational origin who work in close collaboration. Our fundamental values remain unchanged since the founding – we encourage initiative and deliver results.

Our project mix is diverse. We have designed many high-rise and mid-rise buildings serving as condominiums, hotels, office buildings, and apartments. Our designs also include retail centers, warehouses, car dealerships, churches and synagogues, parking garages, private and public schools, rental communities, single-family housing developments, and custom residences. Many of our projects have been recognized for architectural, engineering and community design awards.

As a result of project diversity, we design and specify virtually every type of structural system available on the market today, including concrete, steel, timber, masonry, composite and proprietary structural systems. Our specialized project teams are selected based upon the type of structural system to be utilized and the building type. Our client list includes every type of architectural practice of note, school boards, governmental agencies, Fortune 500 companies and small business owners, publicly traded and private developers, general contractors, and custom home owners.

A team approach is the firm's cornerstone. We strive to secure the best talent and encourage close collaboration with the project team members and clients in solving project challenges.

Consider our history, experience, and diversity; Bryntesen Structural Engineers is the source for engineering excellence.

Miller Legg Company Profile

Miller Legg is a statewide award-winning consulting firm that brings together the elements of engineering, planning, landscape architecture and urban design, surveying, subsurface utility engineering (SUE), environmental wetlands consulting, environmental engineering and geographic information systems services.

Miller Legg works successfully to improve communities and create environments for a variety of clients. Client sectors include transportation, municipal and county government, healthcare, education, federal and international. This offers our clients a firm of seasoned professionals who are leaders in the Florida consulting industry.

Miller Legg, established in 1965, employs a staff of 60 professionals and technicians and is wholly owned by its employees. The firm has locations in Ft. Lauderdale, Miami, Port St. Lucie and Winter Park.

The firm's engineering services include: utilities design and modeling (such as surface water management, drainage system design, water and sanitary sewer design and permitting, and pump station design), utility coordination, traffic engineering, streets and highways design, street lighting design, pavement marking and signage design, parks and recreation design, master planning, municipal engineering, construction monitoring and full Construction Engineering Inspection (CEI) and management services.

The firm has completed numerous municipal, county, state and federal projects ranging from neighborhood improvement and redevelopment projects, regional water and sewer utilities, educational facilities site planning, cemeteries, neighborhood parks, and golf course designs to aviation facilities, streetscapes, and streets and highways.

Additionally, the firm has successfully completed several thousand private sector projects including residential developments from two to 7,000 acres, industrial and office sites, hotels and theme park facilities, hospitals and medical office complexes, commercial properties, retail shopping centers and franchise properties.

The firm has been involved with more than 100,000 acres of project design development in Florida. Our approach to each project is best characterized by a "partnering relationship." We dedicate ourselves to learning the culture of our clients, and their specific concerns, desires and needs, much like an extension of their own offices. We consistently strive to maintain time schedules and to provide factual and frequent communication.

Miller Legg prides itself on its team approach to the interdisciplinary needs unique to the project and client. We provide responsive, personalized, quality service to value-conscious private clients and select government agencies, who desire the very best in planning and design.

12. NON-COLLUSION STATEMENT

NON-COLLUSION STATEMENT:

By signing this offer, the vendor/contractor certifies that this offer is made independently and *free* from collusion. Vendor shall disclose below any City of Fort Lauderdale, FL officer or employee, or any relative of any such officer or employee who is an officer or director of, or has a material interest in, the vendor's business, who is in a position to influence this procurement.

Any City of Fort Lauderdale, FL officer or employee who has any input into the writing of specifications or requirements, solicitation of offers, decision to award, evaluation of offers, or any other activity pertinent to this procurement is presumed, for purposes hereof, to be in a position to influence this procurement.

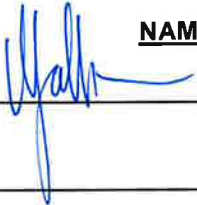

For purposes hereof, a person has a material interest if they directly or indirectly own more than 5 percent of the total assets or capital stock of any business entity, or if they otherwise stand to personally gain if the contract is awarded to this vendor.

In accordance with City of Fort Lauderdale, FL Policy and Standards Manual, 6.10.8.3,

3.3. City employees may not contract with the City through any corporation or business entity in which they or their immediate family members hold a controlling financial interest (e.g. ownership of five (5) percent or more).

3.4. Immediate family members (spouse, parents and children) are also prohibited from contracting with the City subject to the same general rules.

Failure of a vendor to disclose any relationship described herein shall be reason for debarment in accordance with the provisions of the City Procurement Code.

<u>NAME</u>	<u>RELATIONSHIPS</u>
	

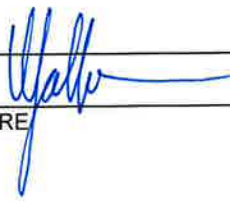

In the event the vendor does not indicate any names, the City shall interpret this to mean that the vendor has indicated that no such relationships exist.

LOCAL BUSINESS PREFERENCE CERTIFICATION STATEMENT

The Business identified below certifies that it qualifies for the local business preference classification as indicated herein, and further certifies and agrees that it will re-affirm its local preference classification annually no later than thirty (30) calendar days prior to the anniversary of the date of a contract awarded pursuant to this ITB. Violation of the foregoing provision may result in contract termination.
