

**CITY OF FORT LAUDERDALE
City Commission Agenda Memo
REGULAR MEETING**

#24-0426

TO: Honorable Mayor & Members of the
Fort Lauderdale City Commission

FROM: Susan Grant, Acting City Manager

DATE: June 18, 2024

TITLE: Public Hearing Approving the Issuance of a Certificate of Public
Convenience and Necessity for Your Golf Cart Concierge to Operate One
Low Speed Vehicle within the City of Fort Lauderdale - **(Commission
Districts 1, 2, 3, and 4)**

Recommendation

Staff recommends the City Commission approve the issuance of a Certificate of Public Convenience and Necessity authorizing Your Golf Cart Concierge to operate one (1) for-hire low speed vehicle within the City of Fort Lauderdale.

Background

Per Chapter 27 of the City's Code of Ordinances, it is unlawful for any person to engage in, or carry on the business of operating for-hire transportation services within the City without obtaining a Certificate of Public Convenience and Necessity. Vehicle for Hire applications are reviewed by staff for sufficiency before they are scheduled for City Commission approval. Risk Management will review the Certificate of Insurance prior to the issuance of any permits.

Your Golf Cart Concierge applied to provide service in the City utilizing one (1) six-passenger low speed vehicle, which is registered with the State of Florida as a four-wheeled vehicle capable of speeds up to 25 MPH and may operate on streets where the posted speed limit is 35 MPH or less and is not considered a golf cart per Florida State Statute 320.01(22). Staff reviewed the application (Exhibit 1) in which the applicant proposes to operate with the sole purpose of providing a private, for-hire transportation service. Staff has found the application to be acceptable and recommends the approval to operate on City roadways.

Resource Impact

There is no fiscal impact associated with this action.

Strategic Connections

This item supports the *Press Play Fort Lauderdale 2029* Strategic Plan, specifically advancing:

- The Infrastructure and Resilience Focus Area, Goal 4: Facilitate an efficient, multimodal transportation network.
