Recommendation

It is recommended the City Commission approve a resolution authorizing the submittal of a grant application to the Florida Department of Environmental Protection for the Florida Recreation Development Program.

Background

The Florida Recreation Development Program is a reimbursement grant. The City is requesting a grant in the amount of \$85,000 with a required 1 to 1 cash match in the amount of \$85,000. Matching funds have been identified in the Excise Tax Bond Fund under P10720.344 ADA Improvements.

Grant funds will be used to reconstruct the west lake boardwalk at Snyder Park. The boardwalk is damaged and in need of repair. If funded, awarded projects will have up to three years to be completed from the start of the state's fiscal year in which funds are appropriated.

Special Conditions

Funding for the 2014/2015 grant period is contingent upon appropriation by the Florida Legislature.

Project planning expenses, such as engineering and permitting fees, may not exceed fifteen percent of project costs.

Resource Impact

There is an anticipated positive fiscal impact to the city in the amount of \$85,000 which would allow for project implementation. Matching funds have been identified in project P10720.344.
