PUBLIC HEARINGS

PH-1 13-1413 QUASI-JUDICIAL - FIRST READING OF ORDINANCE - REAPPORTIONMENT FOR CITY COMMISSION DISTRICTS IN RELATION TO U.S. CENSUS BUREAU 2010 REPORT - DEFERRED UNTIL NOVEMBER 19, 2013

Vice-Mayor Roberts believed there will more proposals coming forward. He asked whether they should be sent to the Reapportionment Committee. Mayor Seiler questioned why they were not submitted. He emphasized the need for a submission deadline. Commissioner Trantalis said the people who submitted these alternative proposals were not involved in the process or aware of it. When he brought to their attention that they would be moved to another district, they became concerned and provided a scientific and well-stated proposal. He felt it deserves recognition. Mayor Seiler did not want to undermine the work of the committee. Commissioner DuBose said allowing one group or neighborhood to submit information could prompt others to do the same. If it is to be referred to the committee, Mayor Seiler suggested it be sent with a firm deadline for final submissions and make such an announcement. Commissioner Rogers commented that because the chair resigned, extraordinary steps would have to be taken for more proposals to be reviewed. Vice-Mayor Roberts indicated he did not realize this. Commissioner Rogers felt it is an insult to the committee to continue delaying. Moreover with the impending vacancy in District III, it is only fair for those candidates to know the district boundaries.

Motion made by Commissioner Rogers and seconded by Vice-Mayor Roberts to defer the item to November 19, 2013.

DEFERRED TO NOVEMBER 19, 2013
