## CALL TO ORDER

Mayor Trantalis called the meeting to order at 1:38 p.m.

## QUORUM ESTABLISHED

**Commission Members Present:** Vice Mayor Heather Moraitis, Commissioner Steven Glassman, Commissioner Robert L. McKinzie (arrived at 1:53 p.m.), Commissioner Sorensen (participated in-person and via communications technology), and Mayor Dean J. Trantalis

**Also Present:** City Manager Chris Lagerbloom, City Clerk Jeffrey A. Modarelli, City Attorney Alain E. Boileau and City Auditor John Herbst

## COVID PROTOCOL DISCUSSION

Mayor Trantalis discussed the need to address the resurgence of COVID. City Attorney Boileau explained that the *Broward County State of Emergency (State of Emergency)* is the only existing *State of Emergency* in place. He provided an overview and components of Governor Ron DeSantis and the State Legislature actions.

In response to Mayor Trantalis' questions, City Attorney Boileau explained his legal perspective regarding the ability to require Staff and members of the public to wear masks in City Hall. City Attorney Boileau commented on enforcement and possible legal challenges. Mayor Trantalis noted *Center for Disease Control (CDC) COVID Guidelines*.

Vice Mayor Moraitis provided her viewpoint regarding requiring COVID-related mandates and suggested utilizing communications technology for Commission Meeting participation.

City Attorney Boileau explained details of the existing Commission Resolution addressing remote Commission Meeting participation via communications technology. He commented on a related Florida State Attorney General Opinion. Further comment ensued.

Vice Mayor Moraitis commented on the desire to make everyone feel comfortable while participating in Commission Meetings but said she did not support mask or vaccination mandates.

Commissioner McKinzie confirmed his concerns and suggested using the word *recommend* versus *require* for COVID safety measures. He

commented on the impact on employees and proposed that management lead by example. Further comment and discussion ensued.

Commissioner McKinzie recommended reinstalling hand sanitizers at elevators, separation circles in elevators and posting signs in City Hall recommending mask wearing. City Attorney Boileau reiterated his earlier comments. Further discussion ensued.

Commissioner Glassman concurred with the recommendations expressed.

In response to Commissioner Glassman's question, City Attorney Boileau reiterated aspects of the existing City Resolution regarding remote Commission attendance at Commission Meetings. City Attorney Boileau said due to the *Broward County State of Emergency* which is renewed weekly by Broward County Administrator Bertha Henry, technically, the Commission could meet via communications technology.

Mayor Trantalis suggested resuming remote participation at Commission Meetings via communications technology for a trial period. Commissioner Glassman concurred, expounding on his viewpoint. Further comment and discussion ensued on additional safety options and accessibility to City Hall. City Attorney Boileau explained Staff could take an individual's temperature but not legally require vaccination documentation or testing for access.

Commissioner Sorensen provided an update on current *CDC COVID* guideline recommendations.

In response to Commissioner Sorensen's questions, City Attorney Boileau restated the ability to travel under the *Broward County State of Emergency* and utilize communications technology to resume allowing Commission Meeting participation in a virtual format for Commission Members and members of the public. Mayor Trantalis requested Commission agreement, and there was a consensus.

City Attorney Boileau discussed the legal position of Broward County and other area municipalities, acting in the role as proprietor and employer, to mandate mask wearing in government buildings. Further comment and discussion ensued. City Attorney Boileau said the words *require* and *mandate* in this context were the same, expounding on his viewpoint.

Commissioner Sorensen concurred with the recommendation to resume

virtual Commission Meetings and follow Broward County and other area municipalities' mask requirements for employees and members of the public in City public buildings.

Mayor Trantalis commented on his viewpoint and recommended resuming participation via virtual technology at meetings, mask wearing in City buildings and COVID testing.

In response to Mayor Trantalis' question, Fire-Rescue Chief Rhoda Mae Kerr explained fifteen (15) minute COVID tests were donated from the *State of Florida Emergency Management Division* and confirmed these tests are available to all City employees. A COVID test site is located on the northwest corner of the City Hall north parking lot. Further comment and discussion ensued on COVID testing available to the public and challenges related to requiring COVID tests for members of the public coming into City Hall.

Commissioner Sorensen recommended requiring mask wearing at City Hall. City Attorney Boileau confirmed and reiterated the risk of legal challenges. Mayor Trantalis confirmed a mask requirement would be implemented at City Hall. Vice Mayor Moraitis did not concur and suggested using the word *recommend*. Further comment and discussion ensued.

In response to Commissioner Sorensen's request to continue his participation in this Commission Meeting remotely, City Manager Lagerbloom confirmed the Information Technology Services Department could provide Commissioner Sorensen with a link to participate remotely.

Commissioner Sorensen left in-person meeting attendance at 2:19 p.m. and rejoined the meeting via communications technology at 2:32 p.m.

## PRESENTATIONS

**PRES-** [21-0654](#)  
**1**

Senator Perry E. Thurston, Jr. - Post Legislative Session Update

Florida Senator Perry E. Thurston, Jr. commented on his perspective supporting Commission COVID discussions. Senator Thurston noted the impact of COVID on the State Legislature and explained details and legislative actions regarding COVID during the last legislative session.

Senator Thurston expounded on the impact of two pieces of legislation which he opposed during the recent legislative session: *Senate Bill 90*

regarding election law; and *House Bill 1* regarding the right to protest. Both bills were signed into law and are being challenged in court.

Senator Thurston explained during the next legislative session in January 2022, it is anticipated that the Legislature will be addressing home rule preemption issues related to mask mandates and redistricting and reapportionment based upon the *2020 Census*.

Senator Thurston explained historic aspects and details related to the *2010 Census* that required redistricting by 2012. The *Fair Districting Constitutional Amendment* enacted in 2010, gave power to the *Florida Supreme Court* that ultimately resulted in a judge redrawing district maps. He commented on this precedent impacting 2022 redistricting.

Senator Thurston commented on successful State Legislation impacting City appropriations, i.e., funding for *Community Court* and stormwater improvements for the *Historic Dorsey-Riverbend Civic Association* community.

## COMMUNICATIONS TO THE CITY COMMISSION

Communications to the City Commission - (Commission Districts 1, 2, 3 and 4)

***Marine Advisory Board***  
***Thursday, July 1, 2021***

### **Communications to City Commission**

*Motion made by Vice Chair Strobel, seconded by Mr. Harrison, to send the following communication to the City Commission:*

*The seawall adjacent to The Wharf is in desperate need of repair and is a major liability to the City. The area is still being used by the public. The Winterfest Boat Parade has been informed it is not safe to be used to stage for the 50th anniversary parade in December. Repair should be a priority before an accident happens.*

*Signs have been erected multiple times to prohibit docking, which have been removed and ignored. We recommend putting a physical barrier up to block access to the unsafe condition that exists and prioritizing this repair to be done as soon as possible.*

*In a voice vote, the motion passed unanimously.*

In response to Mayor Trantalis' questions, City Manager Lagerbloom said funds have been proposed for seawalls. Staff contemplates this seawall being the largest priority, and design work needs to be done.

Commissioner Sorensen joined the meeting remotely at 2:32 p.m.

## **CITY COMMISSION REPORTS**

### ***Members of the Commission announced recent and upcoming events and matters of interest.***

Vice Mayor Moraitis discussed her participation at a *Florida League of Cities* Board Member meeting in Orlando, Florida, and her visit to *Full Sail University (University)* to obtain information related to *E-Sports* and proposed implementation of an *E-Sports Tournament* facility at a *Lockhart Park* Community Center.

Mayor Trantalis commented on his visit to the *University* that is an academy teaching audiovisual studio production techniques. He expounded on details of *University E-Sports* competitions. *E-Sports* is a rapidly expanding sport with a thriving industry in the United States and a good fit for another *Lockhart Park* sport. It couples well with technical goals and draws a young generation and supports an *E-Sports* facility in the *Lockhart Park* area. Mayor Trantalis expounded on aspects of technology important to the City and funding options. Further comment and discussion ensued on how to achieve private entity funding.

Vice Mayor Moraitis confirmed her vision and commitment to maintaining community park space at *Lockhart Park*. She emphasized the need to separate and maintain the community area of *Lockhart Park* for public use. Vice Mayor Moraitis expounded on concerns related to the involvement of a private entity and public access. She requested Commission Member input.

Commissioner Glassman commented on the need for additional public input and provided his input about the anticipated timeline for *Inter Miami CF (Inter Miami)* remaining at *Lockhart Park* into 2024. He recommended pursuing a National Women's Soccer League team for *Lockhart Park* and commented on a push for this idea.

Commissioner Glassman discussed his vision for *Lockhart Park*, a National Women's Soccer League team with a full-size training center

and playing field, dog park, community fields that include Stranahan High School and Fort Lauderdale High School fields, walking trails, an *E-Sports* Center and a skate park. He recommended moving forward with a Commission decision.

Commissioner Glassman commented on his *Lockhart Park* vision as a City-wide Sports Complex destination in this industrial area. He concurred with Mayor Trantalis' recommendation for *Inter Miami* to lead with the *E-Sports Center*. Commissioner Glassman said parking needs to be realistically addressed and part of discussions.

Vice Mayor Moraitis responded and noted the lack of adequate space. She said a women's soccer team, programmed and operated by a separate entity, would inhibit public access to areas planned for community use.

As an alternative to Commissioner Glassman's suggestion, Vice Mayor Moraitis noted a national women's soccer team could purchase seven (7) acres at *Fort Lauderdale Executive Airport*. She explained the lack of parks in District 1 and the willingness of residents to drive to a destination park. Vice Mayor Moraitis invited Commissioner Glassman to participate and share his proposal with District 1 residents. Further comment and discussion ensued on the lack of public access to existing fields at *Lockhart Park*.

In response to Mayor Trantalis' question, Vice Mayor Moraitis confirmed *Stranahan High School* and *Fort Lauderdale High School* fields are programmed fields. The public cannot access for them for other activities, i.e., lacrosse and yoga.

In response to Mayor Trantalis' question, Commissioner Glassman explained his understanding of an interest in bringing a National Women's Soccer League team to the City and making *Lockhart Park* a Sports Complex, expounding on details. Vice Mayor Moraitis reemphasized there is not adequate space. Further comment and discussion ensued.

Mayor Trantalis noted the ability to amend the existing *Comprehensive Agreement* with *Miami Beckham United, LLC* expounding on details. Vice Mayor Moraitis confirmed her support of existing plans. She explained taxpayers fund \$1,000,000 per year over eight (8) years allowing *Inter Miami* use of its area of *Lockhart Park* and to which the public does not have access. City Attorney Boileau confirmed and explained the City had bought out the *Federal Aviation Administration's*

restrictive covenants.

Vice Mayor Moraitis explained her support of *Inter Miami* at *Lockhart Park* and the *Comprehensive Agreement* commitment to building out the remaining twenty (20) acre community park located on the south side of *Lockhart Park* for public use. According to State Statute, a public/private partnership (P3) requires a public purpose. Further comment and discussion ensued.

Commissioner Glassman said there is a vast public purpose, noting the public attends *Lockhart Park* sporting events. In response to Commissioner Glassman's question, Vice Mayor Moraitis confirmed she does not support giving away any additional *Lockhart Park* property for a National Women's Soccer League team. She explained her vision to use City land for a public purpose. Commissioner Glassman expounded on his position that this is not a giveaway, citing examples. He noted moving forward with a National Women's Soccer League team could save \$25,000,000 in *Parks Bond* funding. Further comment ensued.

Commissioner McKinzie commented on his perspective regarding District Commissioner oversight of their respective Districts. He discussed concerns regarding details not included in the *Comprehensive Agreement* and the response from City Attorney Boileau regarding the inability to amend. Commissioner McKinzie expounded on his initial input and related information. He recommended scheduling this topic for Commission discussion at a future Conference Meeting.

City Attorney Boileau noted the ability to amend the *Comprehensive Agreement* should both parties agree, and the project remains a qualified project as defined therein.

Mayor Trantalis said this topic should be scheduled for a future Conference Meeting after pertinent information is obtained. Commissioner Glassman requested City Manager Lagerbloom bring in all stakeholders to ascertain facts regarding a Women's National Soccer League team.

In response to Commissioner McKinzie's question, Vice Mayor Moraitis confirmed the time-sensitive nature of the *Comprehensive Agreement* noting the three-year deadline for *Inter Miami* to build out the City portion of *Lockhart Park* unless there are renegotiations.

In response to Commissioner McKinzie's question, Anthony Fajardo,

Department of Sustainable Development Director, said Inter Miami game parking is insufficient. Further comment and discussion ensued.

In response to Commissioner Sorensen's question, Commissioner Glassman confirmed the possible proposal discussed to include a National Women's Soccer League training facility and training field, and a community use field. The National Women's Soccer League would play its games in *Inter Miami Stadium*.

Commissioner Sorensen commented on his interest in exploring a National Women's Soccer League team, an E-Sports facility, dog park and walking trail. He requested Staff evaluate the potential use of Park facilities. City Manager Lagerbloom explained needing time before a Commission presentation. Further comment and discussion ensued on obtaining additional information.

Commissioner McKinzie thanked Commission Members for their condolences and support regarding the loss of his mother.

Commissioner McKinzie commented on his perspective regarding the *Enterprise Resource Planning (ERP)* computer system and costs. City Auditor Herbst confirmed \$6,500,000 costs to date and anticipated costs above \$10,000,000 over the next ten (10) years. City Manager Lagerbloom said this item would be scheduled for an upcoming Commission Meeting.

Commissioner Glassman commented on the *Breakers Avenue* project, anticipation of a federal grant and efforts of Congressman Ted Deutch. He confirmed an upcoming meeting on Thursday, August 19, 2021 with representatives of *The Boat Show* and *Bahia Mar* tenant to find common ground and ensure everyone is on the same page.

In response to Commissioner Glassman's question regarding Staff attending or monitoring the *Broward County Condominium Structural Issues Committee (BCCSIC)*, Anthony Fajardo, Department of Sustainable Development Director, confirmed his understanding that Building Official John Travers attended the *BCCSIC* and would confirm.

Mayor Trantalis commented the *BCCSIC* mission is to bring recommendations to the State Legislature and his perspective regarding *BCCSIC* resistance to making significant change. He noted the need to be proactive, i.e., more frequent inspections and below ground inspections. This topic should be scheduled for a future Conference Meeting to discuss action going forward.

Commissioner McKinzie commented on his perspective regarding the collapse of the condominium in Surfside, Florida, and efforts of condominium boards to address structural needs.

Commissioner Glassman noted the need to ensure the Commission does what it needs to protect condominium residents.

In response to Commissioner Sorensen's request, Ben Rogers, Department of Transportation and Mobility Director, provided an update on the secondary re-naming of *Rubin Stacy Boulevard*. He asked for Commission input regarding holding a related event. Commissioner McKinzie suggested waiting until all City and County signs are installed, followed by an event to honor Mr. Stacy, including the family. Mr. Rogers confirmed.

In response to Commissioner Sorensen's inquiry regarding having a virtual participation option for the August 23, 2021 *LauderTrail* Meeting, City Manager Lagerbloom confirmed.

In response to Commissioner Sorensen's question regarding details of the swearing-in ceremony for Police Chief Larry Sciotto, City Manager Lagerbloom confirmed it would be held at noon on Friday, August 20, 2021 at the *First Baptist Church of Fort Lauderdale Global Events Center*.

Mayor Trantalis announced he and City Manager Lagerbloom would travel to Pascagoula, Mississippi, for the *USS Fort Lauderdale* christening.

Mayor Trantalis announced the first Commission Meeting in September 2021 was rescheduled to Thursday, September 9, 2021.

### **OLD/NEW BUSINESS**

#### **BUS-2 [21-0463](#)**

Noise Ordinance Overview, Enforcement Challenges, and Recommended Solutions - (Commission Districts 1, 2, 3 and 4)

Mayor Trantalis recognized John Roth on behalf of *Lauderdale Tomorrow*. Mr. Roth explained his experience with noise measurements and frequency ranges, sound monitoring and associated details. He provided several examples of music at various decibel levels, explained their impact and discussed *Occupational Health and Safety Administration (OHSA)* guidelines. Mr. Roth expounded on his

perspective regarding regulating noise and the related impact on neighbors.

Mayor Trantalis recognized Marilyn Mammano, 1819 SE 17th Street. Ms. Mammano raised the following items for Commission consideration towards resolving noise concerns: violations and complaints; hours of enforcement and related items; and impact of excessive noise on the quality of life and resident health.

She recommended additional funding for implementation of a task force to address resident concerns and achieving common ground between residents and businesses.

Mayor Trantalis recognized Michael Stephan, 347 North New River Drive a/k/a *The Water Garden Condominium (The Water Garden)*. Mr. Stephan discussed the negative impact of noise from *YOLO Restaurant (YOLO)* and confirmed correspondence to Commission Members and City Manager Lagerbloom that included related details.

In response to Mayor Trantalis' question, Mr. Stephan confirmed the north side upper-level condominiums of *The Water Garden* are the most impacted by *YOLO* noise.

Mayor Trantalis recognized Steven Rifkin, 347 North New River Drive. Mr. Rifkin concurred with Mr. Stephan's comments regarding sound emanating from *YOLO*. He explained outreach to the *YOLO* owner and City Attorney Boileau and commented on the lack of noise violation enforcement.

Mayor Trantalis recognized Jerry Jordan, 1109 SE 4th Street, former President of *Colee Hammock Homeowner's Association*. Mr. Jordan concurred and explained *Colee Hammock* residents' noise concerns and his outreach to area restaurant/bar noise venues (venues). He cited examples and noted the need to tweak the ordinance to address various neighborhoods close to venues.

Mayor Trantalis recognized Bruce Cimino, Las Olas Beach Club. Mr. Cimino discussed the impact of noise emanating from music volume and speeding vehicles. He requested Police Department enforcement. Mayor Trantalis concurred, citing his experience.

Mayor Trantalis recognized Charlotte Russell. Ms. Russell stated her intention not to harm businesses important to the City but to allow harmonious coexistence between businesses and neighbors. She

expounded on her experience, the negative impact of untenable noise during the past eighteen months and cited examples.

Mayor Trantalis recognized Susan Behar. Ms. Behar concurred with previous resident comments and cited examples. She noted concerns regarding lack of enforcement.

Mayor Trantalis recognized Jeremy Shir, Esq., One East Broward Boulevard, on behalf of *Las Olas Grand Condominium Association (Las Olas Grand)*. Mr. Shir explained the negative noise impact on *Las Olas Grand* residents from SALT 7, concerns related to decibel levels and recommendations.

In response to Commission McKinzie's questions, Mr. Shir explained details related to his legal representation of *Las Olas Grand*. He confirmed he would provide the number of residents supporting the position of *Las Olas Grand*.

Mayor Trantalis recognized Dane Hancock, P.E., 516 Bontona Avenue. Mr. Hancock discussed the definitive, generic nature of the current *Noise Ordinance* and explained his perspective. He referenced Mr. Roth's earlier decibel presentation and commented on the need for *Noise Ordinance* enforcement, expounding on related recommendations.

Mayor Trantalis recognized Joe Dawson, 500 West Las Olas. Mr. Dawson explained he owns a bar owner located on SW 2nd Street in the *Himmarshee Entertainment District (HED)* and employs sound levelers to maintain permitted sound. He noted *HED* establishments exceeding decibel levels and recommended empowerment of Staff for scrupulous policing of the existing *Noise Ordinance* versus modifications towards solving concerns.

Mayor Trantalis recognized Jacquelyn Scott, President of *Colee Hammock Homeowner's Association*. Ms. Scott concurred with Mr. Jordan's comments. She noted the unique nature of *Colee Hammock*, area businesses which had not cooperated and recommended stakeholder meetings to solve noise concerns.

Mayor Trantalis recognized Stan Eichelbaum, 411 N New River Drive. Mr. Eichelbaum discussed his perspective regarding enforcement, history of violations, need for neighborhood compatibility and Special Magistrate action on this topic.

City Manager Lagerbloom requested the opportunity for Code Enforcement to present on this topic.

Mayor Trantalis recognized Porshia Williams, Department of Sustainable Development Assistant Director and Code Compliance Manager. Ms. Williams narrated a presentation entitled *Noise Ordinance Overview, Enforcement Challenges, and Recommended Solutions - Chapter 17 of the Code of Ordinances of the City of Fort Lauderdale*.

***A copy is part of the backup to this Agenda item.***

Mayor Trantalis commented on the need to supply Code Enforcement with a greater arsenal of authority for *Noise Ordinance* enforcement.

Vice Mayor Moraitis commented on District 1 residents' *Fort Lauderdale Executive Airport (FXE)* aircraft noise complaints. In response to Vice Mayor Moraitis' question, Ms. Williams confirmed those noise complaints are *not* included in the presentation's District 1 complaint chart.

In response to Vice Mayor Moraitis' questions, Mayor Trantalis commented on addressing noise concerns with a consultant and a task force that would include all stakeholders, i.e., residents and business owners involved with noise complaints. Vice Mayor Moraitis recommended a noise consultant should work with the task force.

Anthony Fajardo, Department of Sustainable Development Director, clarified the scope of technical work with a consultant would include outreach to neighbors and businesses. Vice Mayor Moraitis commented on the use of drones to address noise concerns.

Commissioner McKinzie commented on the number of noise complaints and his opposition to involving a consultant, citing examples of garbage trucks and leaf blowers. He recommended working with Code Enforcement moving forward and expounded on his viewpoint to address specific *Noise Ordinance* violators.

In response to Commissioner Glassman's questions regarding District noise violations listed in the presentation, Ms. Williams confirmed she would provide accurate District breakdowns to Commission Members:

Ms. Williams explained Noise Ordinance totals over the past three years:

- 2020: 246 noise complaints - 31 in violation of the Noise Ordinance;

- 2021: 115 noise complaints - 11 in violation of the Noise Ordinance; and
- 2019: 180 noise complaints - 22 in violation of the Noise Ordinance

Commissioner Glassman concurred with previous comments and said he would like a committee of residents and businesses meet and arrive at a common ground versus expending funds for a consultant.

Commissioner Sorensen confirmed receipt of a considerable number of noise complaints in the downtown area. He concurred with the establishment of a working group or task force comprised of residents and business owners. Further comment ensued.

In response to Commissioner Sorensen's request, Ms. Williams reviewed aspects of the presentation addressing the *Las Olas Grand* and *SALT* restaurant that have a 65 decibels maximum sound limit currently being measured from the complainant's property line towards the noise source. Ms. Williams expounded on details regarding measuring decibels from complainant balconies.

City Attorney Boileau explained a 65-decibel limit applies to the *Las Olas Grand* area during the day and a 50-decibel limit applies from 10:00 p.m. until 7:00 a.m. He explained his legal perspective and expounded on his legal interpretation. The residential complainant sound level limit is utilized for decibel measurements.

Mr. Fajardo explained mixed-use development and residential zoning under the Unified Land Development Regulations (ULDR). Regional Activity Centers (RACs) are not considered residential zoning districts. They are deemed non-residential or commercial.

City Attorney Boileau explained his legal viewpoint looks at *use* versus *zoning*. Mayor Trantalis confirmed this viewpoint and said decibel levels and certain geographical areas need to be addressed by the proposed task force. Commissioner Sorensen concurred and noted time is of the essence. Further comment and discussion ensued.

Mayor Trantalis commented on his perspective and the need to meet expectations of residents and entertainment venue visitors. He expounded on *Entertainment Districts*, related details and cited examples towards minimizing nuisances.

Mayor Trantalis confirmed a consensus to establish a community task

force to address the topic. Each District Commissioner would appoint two (2) individuals, one from a business and one (1) from an area resident living in an impacted property. Commissioner Sorensen concurred. City Attorney Boileau confirmed Staff would need to create related legislation that would include parameters. Mayor Trantalis confirmed time is of the essence.

Due to time constraints, Mayor Trantalis requested rescheduling Agenda items BUS-1 and BUS-3 for a future Commission Conference Meeting. City Manager Lagerbloom confirmed.

**BUS-1** [21-0391](#)
