- Standard factory warranty is 1-year on electrical components and 2-year prorated on electrode stacks.
- Shipping charges are included in the above price.
- No monthly service visits
- No remote monitoring

CES is the exclusive Florida factory representative and service center for ChlorKing, and we look forward to implementing this safe and highly efficient green technology on the Hall of Fame project.

We look forward to working with you.

Sincerely,

Alvaro G. Mendoza  
President, CEO
