#22-0025

TO: Honorable Mayor & Members of the
Fort Lauderdale City Commission

FROM: Chris Lagerbloom, ICMA-CM, City Manager

DATE: January 5, 2022

TITLE: Resolution Supporting Legislation that would Authorize the Prohibition of
Smoking on Public Beaches and in Public Parks - **(Commission Districts
1, 2, 3 and 4)**

Recommendation

It is recommended that the City Commission consider adopting a resolution urging all members of the Florida Legislature and Governor Ron DeSantis to support Senate Bill 224 (Gruters) and House Bill 105 (Fine and Altman) in the 2022 legislative session, and any other similar legislation that would authorize the prohibition of smoking on public beaches and in public parks and directing the City's state lobbyists to advocate in favor of Senate Bill 224 and House Bill 105.

Background

Senate Bill 224 and House Bill 105, which are pending in the 2022 legislative session, if enacted, would authorize the prohibition of smoking on public beaches and in public parks. The City Commission directed a resolution supporting this legislation be brought forward for further consideration and possible adoption.

Resource Impact

The adoption of this Resolution has no direct fiscal impact on the City of Fort Lauderdale.
