

**CITY OF FORT LAUDERDALE
City Commission Agenda Memo
REGULAR MEETING**

#21-1187

TO: Honorable Mayor & Members of the
Fort Lauderdale City Commission

FROM: Chris Lagerbloom, ICMA-CM, City Manager

DATE: January 5, 2022

TITLE: Motion Approving Agreement for Fiveash Water Treatment Plant Valve
Replacement – Lanzo Companies, Inc.- in the Lump Sum Amount of \$864,992
- (**Commission Districts 1, 2, 3 and 4**)

Recommendation

Staff recommends that the City Commission approve an agreement, in substantially the form attached with Lanzo Companies, Inc., for Fiveash Water Treatment Plant Valve Replacement Project in the lump sum amount of \$864,992.

Background

This project's scope includes removal and replacement of an existing 30-inch water main valve, which is currently leaking, located on one of the water transmission main lines at the Fiveash Water Treatment Plant on Powerline Road.

In addition to replacing the leaking valve, work consists of installing two (2) 30-inch, one (1) 36-inch, and one (1) 42-inch side-mounted butterfly valves on the water transmission main lines. In order to complete the work, the water main system will have to be isolated and monitored to ensure that the water pressure flow stays at normal operating conditions throughout the construction. As such, the work will be completed in phases and Plant staff will be monitoring the water flow throughout the construction activities.

The work is to be performed in the following three phases:

- Phase 1 – install a line stop on NW 42nd Street and install a new 30-inch side-mounted butterfly valve.
- Phase 2 – install a line stop on the 42-inch water main and install a new 42-inch and 30-inch butterfly valve.
- Phase 3 – install a line stop on Powerline Road and install a new 36-inch side-mounted butterfly valve and replace the leaking 30-inch valve.

On November 8, 2021, the Procurement Services Division issued Invitation to Bid No. 12609-423. The City received two (2) bids in response to the solicitation which were opened

on December 10, 2021. The bids submitted by Lanzo Companies, Inc., and David Mancini & Sons, Inc. have been deemed responsive and responsible bids. Both bidders did not identify as a Disadvantaged Business Enterprise. The bid submitted by Lanzo Companies, Inc. has met all the specifications of the solicitation, and has been deemed the lowest cost, responsive, and responsible bidder.

Resource Impact

Funds for this agreement in the amount of \$864,992 million are available in the FY 2022 Operating Budget in the account listed below.

<i>Funds available as of December 13, 2021</i>					
ACCOUNT NUMBER	INDEX NAME (Program)	CHARACTER CODE/ SUB-OBJECT NAME	AMENDED BUDGET (Character)	AVAILABLE BALANCE (Character)	AMOUNT
450-PBS060101-3437	Utilities Engineering Operations	Services/Materials/ Imp Rep & Maint	\$3,837,434	\$3,430,836	\$864,992
TOTAL AMOUNT ►					\$864,992

Strategic Connections

This item is a *2022 Top Commission Priority*, advancing the Infrastructure initiative.
