REGULAR MEETING

#22-0004

TO: Honorable Mayor & Members of the
Fort Lauderdale City Commission

FROM: Chris Lagerbloom, ICMA-CM, City Manager

DATE: January 5, 2022

TITLE: Motion Accepting FY2021 Local Law Enforcement Crime Gun Intelligence
Center Integration Program Grant - \$466,263 - **(Commission Districts 1,
2, 3 and 4)**

Recommendation

Staff recommends the City Commission approve the acceptance of a grant in the amount of \$466,263 from the United States Department of Justice.

Background

In June 2021, the City submitted an application to the United States Department of Justice in response to a solicitation for proposals from law enforcement agencies to address the incidents of serious violent crimes involving the use of illegal firearms. The City has been awarded \$466,263 in funding to institute a collaborative project with the Bureau of Alcohol, Tobacco and Firearms, the Department of Corrections, Probation and Parole and the Broward State Attorney's Office to counter a precipitous increase in gun-related violent crime in identified hot spots. The proposed project will expand ShotSpotter program coverage, provide overtime and training for detectives and crime analysts, and facilitate the acquisition of forensic equipment. The grant does not require matching funds and will end on September 30, 2024.

Resource Impact

There is an anticipated positive fiscal impact to the City in the amount of \$466,263. This item is contingent upon the approval of the Consolidated Budget Amendment CAM 21-1111.
