6. CASE: UDP-T21012

REQUEST: * Amend City of Fort Lauderdale Unified Land Development Regulations (ULDR) Section 47-13.20.D.7, Downtown RAC Review Process and Special Regulations, and Section 47-24, Development Permits and Procedures, Providing For Correction to Scrivener's Errors
APPLICANT: City of Fort Lauderdale
GENERAL LOCATION: Citywide
CASE PLANNER: Jim Hetzel

Mr. Hetzel advised that this Item would correct two sections of Code: Section 47-13.20, which addresses the Downtown Regional Activity Center (RAC) review process, and Section 47-24, which involves development permits and procedures. Both items would correct scriveners' errors and other minor mistakes.

Ms. Fertig recalled that on September 16, 2020, the Board proposed a number of amendments to the Downtown Master Plan, which were sent to the City Commission. The minutes of the November 4, 2020 City Commission meeting indicate that Staff informed the Commission they had not had sufficient time to research these proposed amendments. She asked if this research has been completed.

Ms. Fertig further clarified that the proposed amendments addressed the following:

- Tower separation
- Minimum unit size
- Parking

Ms. Parker replied that Staff adopted a parking standard which has come before the Planning and Zoning Board some months ago. Staff also addressed the remaining items and sent a communication to the City Commission identifying a number of issues on which they were not moving forward, based on analysis. This included tower separation, which was adopted with a proposed separation distance of 60 ft.

There being no other questions from the Board at this time, Chair Scott opened the public hearing. As there were no individuals wishing to speak on the Item, the Chair closed the public hearing and brought the discussion back to the Board.

Motion made by Ms. McCartney, seconded by Mr. Ganon, to approve. In a roll call vote, the **motion** passed 8-0.

5. ~~CASE: UDP-T21002~~

~~REQUEST:~~ * ~~Amend City of Fort Lauderdale Unified Land Development Regulations (ULDR) Section 47-21, Landscape and Tree Preservation Requirements~~

~~APPLICANT:~~ ~~City of Fort Lauderdale~~

~~GENERAL LOCATION:~~ ~~Citywide~~

~~CASE PLANNER:~~ ~~Glen Hadwen and Mark Williams | Public Works Sustainability Division~~

~~Glen Hadwen, Sustainability Manager, showed a presentation on proposed amendments to Section 47-21 of the ULDR, which address landscape and tree preservation. These revisions were initiated in response to City Commission concerns with the preservation of specimen growth trees and the application of existing tree preservation Code to tree removal during development.~~

~~It was clarified that the area referred to in the motion was intended to be the South RAC.~~

~~Ms. Fertig reiterated that every neighborhood association in all the areas under discussion should be informed of the proposed changes.~~

~~Attorney Spence requested clarification that the motion would recommend approval of the proposed Ordinance, excluding all provisions referencing the South RAC. It was confirmed that this was correct.~~

~~In a roll call vote, the motion passed 8-0.~~

~~V. COMMUNICATION TO THE CITY COMMISSION~~

~~None.~~

~~VI. FOR THE GOOD OF THE CITY OF FORT LAUDERDALE~~

~~Ms. Fertig asserted that she was troubled by any assumption that the Board was "just going to pass on what is brought before us." She requested clarification of the Board's responsibilities, and asked that the members be made aware of any time limits that may apply to the items they discuss. Mr. Barranco stated that he agreed with Ms. Fertig on this issue.~~
