None.

~~I. CALL TO ORDER / PLEDGE OF ALLEGIANCE~~

~~Chair Scott called the meeting to order at 6:00 p.m. Roll was called and the Pledge of Allegiance was recited. The Chair introduced the Board members present, and Urban Design and Planning Manager Ella Parker introduced the Staff members present.~~

~~II. APPROVAL OF MINUTES / DETERMINATION OF QUORUM~~

~~sidewalks. She reiterated that the facility would provide a shuttle or golf cart so employees are not asked to walk.~~

~~Ms. Fertig asked if provision of the shuttle was considered a mitigating circumstance. It was clarified that if shuttle service was provided from all parking spaces as a condition of approval, this would mitigate the issue; however, having employees cross the train tracks made the proposition unacceptable.~~

~~Ms. Toothaker also clarified that there is a bus stop for public transportation "very close" to the subject property. The 36, 21, and 10 bus lines serve an area within a four-minute walk of the site, including one stop on Sunrise Boulevard.~~

~~There being no other questions from the Board at this time, Chair Scott opened the public hearing. As there were no individuals wishing to speak on the Item, the Chair closed the public hearing and brought the discussion back to the Board.~~

~~**Motion** made by Ms. Fertig, seconded by Mr. Shechtman, to approve, adopting the conditions in the Staff Report and the shuttle during the hours of operation, to transport all the patrons or employees, whoever needs to get to the location; the parking agreements need to be executed and recorded, and a parking reduction order must be recorded in public records at the Applicant's expense.~~

~~Ms. Fertig commented that the neighborhood surrounding the facility is very active, and that the appropriate civic association and neighbors across the street have provided the Applicant with letters of support. She felt the association would have considered all negatives associated with the project, and that the shuttle service made a significant difference.~~

~~Mr. Shechtman observed that the City's Downtown area is becoming increasingly dense, and expressed concern with the need for barricades that would prevent pedestrians from stepping onto the railroad tracks. He suggested that the Board discuss this further at the end of the meeting.~~

~~Assistant City Attorney Shari Wallen read the following Resolution into the record:~~

~~A Resolution of the Planning and Zoning Board of the City of Fort Lauderdale, Florida, approving a Site Plan Level III development permit for a catering services facility and a parking reduction for the property located at 1115 NE 9th Avenue, Fort Lauderdale, Florida, and 1123 NE 9th Avenue, Fort Lauderdale, Florida, in the Heavy Commercial/Light Industrial Business zoning District, Case UDP-S20010.~~

~~In a roll call vote, the **motion** passed 7-2 (Mr. Barranco and Mr. Weymouth dissenting).~~

~~Vice Chair Cohen left the meeting at 6:38 p.m.~~
