If, following that notice, LICENSEE fails to take timely action to correct the emergency situation, and allowing the emergency situation to continue would pose an imminent threat to health or safety to Persons or property, CITY may undertake such limited actions as are necessary to eliminate the emergency; and CITY shall be entitled to recover its reasonable costs of cure from LICENSEE in accordance with provisions hereof. For the purposes of this Paragraph, LICENSEE's Contact Person shall be **Whitt Markum, Project Executive**; cell phone number: **954-830-4372**; e-mail address: **whitt.markum@stiles.com**; and address: **201 East Las Olas Boulevard, Suite 1200, Fort Lauderdale, Florida 33301**. These provisions shall be deemed a notice under Section 713.10(1), Florida Statutes (2020) of the "non-liability" of the CITY.

14. **Removal.** Except as may otherwise be expressly provided herein, LICENSEE shall remove all Project Improvements constructed or Project materials, rubbish, or equipment within the License Areas and any components thereof, exclusive of utilities facilities constructed and installed, upon revocation or termination of this License and upon demand of CITY for removal of such Project Improvements or Project materials, rubbish, or equipment, and LICENSEE shall restore the License Areas to the condition(s) that existed prior to LICENSEE's installation of any such Project or Project Improvements within the License Areas. Such removal shall be at LICENSEE's sole cost and expense. In the event LICENSEE fails to remove all or any part of the Project Improvements or Project materials, rubbish, or equipment within the License Area, exclusive of utilities facilities constructed and installed, contemplated herein within fifteen (15) days after written demand by the CITY to do so, the CITY is hereby authorized to remove such Project Improvements or Project materials, rubbish, or equipment and restore License Area to the condition that existed prior to the LICENSEE's construction or installation of the improvements in the License Areas, and all reasonable costs associated with the removal and restoration thereof shall be fully reimbursed to CITY by LICENSEE. Notwithstanding the foregoing, LICENSEE shall have the obligation of immediately removing any equipment or materials or temporary fencing within the License Areas upon termination of this License, in the event LICENSEE fails to do so, CITY shall have the right to remove same, recouping the reasonable cost thereof from LICENSEE in the manner set forth herein.

15. **Damage and Destruction.** LICENSEE shall not by its possession, use, occupancy, operation, maintenance or repair of the License Areas, cause damage to the License Areas or to the adjacent real property or public rights-of-way. If during the term of this Revocable License the structures, Improvements, fixtures or personal property within the License Areas or adjacent public rights-of-way shall be damaged, destroyed or deteriorated in whole or in part by fire, casualty, obsolescence, failure to maintain or any other cause, and whether or not such destruction or damage is covered by any insurance policy on the Project, LICENSEE shall give to CITY immediate notice thereof, and LICENSEE shall:

(a) seek the necessary permits and approvals from CITY and any other regulatory agency with jurisdiction over the License Areas or adjacent real property or adjacent public rights-of-way to repair, replace and rebuild the same or cause the same to be repaired, replaced or rebuilt as nearly as possible to their original condition; or

(b) to the extent that such destruction or damage affected the structures and improvements within the License Areas or real property or public rights-of-way adjacent thereto, or any part thereof, if LICENSEE elects to remove such structures and Project Improvements (exclusive of utilities facilities constructed and installed), or any part thereof, LICENSEE shall seek the necessary permits and approvals from CITY and any other regulatory agency with jurisdiction over the subject matter to promptly remove or demolish said structures and improvements and restore the License Areas as nearly as possible to its original condition.

All such repair, restructure and replacement shall be hereafter referred to as "Restoration". The cost of Restoration shall be paid solely by LICENSEE.

16. **License, not Lease.** It is acknowledged and stipulated by and between the parties hereto that this Revocable License shall not be deemed a lease of the License Areas by CITY but rather a License granted to LICENSEE by CITY for the nonexclusive possession, use, occupancy, operation, maintenance and repair of the License Areas for the conduct of the Project under the terms and conditions stated herein, such terms and conditions including termination of the License in the manner set forth herein. LICENSEE acknowledges and understands the provisions of § 8.05 and 8.09 of the CITY Charter with respect to Leases.

17. **Indemnity.**

17.1 LICENSEE shall protect, defend, indemnify and hold harmless the CITY, its officers, employees, volunteers, and agents from and against any and all lawsuits, penalties, damages, settlements, judgments, decrees, costs, charges and other expenses including reasonable attorney's fees or liabilities of every kind, nature or degree arising out of or in connection this Agreement or in connection with the actions, inactions, rights, responsibilities and obligations of LICENSEE under this Revocable License (collectively, "Claims"), conditions contained therein, the location, construction, repair, removal, demolition, maintenance, use or occupancy of the License Area, or the breach or default by LICENSEE of any covenant or provision of this Revocable License, arising out of or resulting from any act(s) or omission(s) of the LICENSEE, its officers, agents, employees or subcontractors. Except the LICENSEE shall not be responsible for the intentional torts or gross negligence of the CITY, its officers, agents and employees acting within the course and scope of their employment. Without limiting the foregoing, any and all such claims, suits, causes of action relating to personal injury, death, damage to property, defects in construction, rehabilitation, operation, maintenance, repair or restoration of the License Area or Property, alleged infringement of any patents, trademarks, copyrights or of any other tangible or intangible personal or real property right, or any actual or alleged violation of any applicable statute, ordinance, administrative order, rule or regulation or decree of any court, is included in the indemnity.

17.2 LICENSEE further agrees to investigate, handle, respond to, provide defense for, and defend any such Claims at its sole expense and agrees to bear all other costs and expenses related thereto even if the claim is groundless, false or fraudulent and if called upon by the CITY, LICENSEE shall assume and defend not only itself but also the CITY in connection with any Claims, suits, or causes of action, and any such defense shall be at no cost or expense whatsoever to CITY, provided that the CITY (exercisable by the CITY's Risk Manager) shall retain the right to select counsel of its own choosing. The indemnification obligations set forth herein shall survive termination of this Revocable License for a period coincident with the statute of limitations period applicable to the offending act, omission or default.

18. **Insurance.** At all times during the term of this Revocable License Agreement, LICENSEE, at its expense, shall keep or cause to be kept in effect the following insurance coverages:

(a) A general liability insurance policy, in standard form, insuring LICENSEE and CITY as an additional insured, against any and all liability for bodily injury or property damage arising out of or in connection with this Revocable License and the license granted herein with a policy limit of not less than One Million Dollars (\$1,000,000.00) per occurrence and Two Million Dollars (\$2,000,000.00) general aggregate and shall name the CITY as an additional insured. All such policies shall cover the Project activities and the possession, use, occupancy and maintenance of the License Areas. This policy shall not be affected by any other insurance carried by CITY.

(b) Workers' Compensation Insurance to apply to all LICENSEE's employees and employees of contractors retained by LICENSEE for the Project, said coverage to be in compliance with the "Workers' Compensation Law" of the State of Florida and all applicable federal laws. In addition, the policy(ies) shall include Employers Liability with a limit of One Hundred Thousand Dollars (\$100,000.00) for each accident.

(c) Business Automobile Liability for all vehicles owned by LICENSEE and LICENSEE's contractors that are involved in the operation of the Project with limits of Three Hundred Thousand Dollars (\$300,000.00) per occurrence, combined single limit for Bodily Injury Liability and Property Damage Liability.

(d) All of the policies of insurance provided for in this Revocable License:

- (i) shall be in the form and substance approved by the Florida Office of Insurance Regulation ("FOIR"); and
- (ii) shall be issued only by companies licensed by FOIR; and
- (iii) Certificates of Insurance pertaining to same shall be delivered to CITY, at least fourteen (14) days prior to the commencement of the License Term; and
- (iv) shall be with a carrier having an A Best's Rating of not less than A, Class VII; and
- (v) shall bear endorsements showing the receipt by the respective companies of the premiums thereon or shall be accompanied by other evidence of payment of such premiums to the insurance companies, including evidence of current annual payment, if on any installment payment basis, and
- (vi) shall provide that they may not be canceled by the insurer for thirty (30) days after service of notice of the proposed cancellation upon CITY and shall not be invalidated as to the interest of CITY by any act, omission or neglect of LICENSEE; and

(vii) The insurance coverage under subparagraphs (a) and (c) above shall be for a period coincident with the applicable indemnification obligations set forth above.

(e) In any case where the original policy of any such Insurance shall be delivered to LICENSEE, a duplicated original of such policy shall thereupon be delivered to CITY. All insurance policies shall be renewed by LICENSEE, and certificates evidencing such renewals, bearing endorsements or accompanied by other evidence of the receipt by the respective insurance companies of the premiums thereon, shall be delivered to CITY, at least twenty (20) days prior to their respective expiration dates.

(f) CITY does not in any way represent that the types and amounts of insurance required hereunder are sufficient or adequate to protect LICENSEE's or Contractor's interests or liabilities but are merely minimum requirements established by CITY's Risk Management Division. CITY reserves the right to require any other insurance coverages that CITY deems necessary depending upon the risk of loss and exposure to liability.

19. Special Exception. It is agreed that this Revocable License is granted to LICENSEE for LICENSEE'S benefit, is a special exception to the City's general policy and it is stipulated between the parties that this Revocable License shall be construed most strictly in favor of the CITY and against LICENSEE.

20. Remedies of CITY.

20.1 In the event the LICENSEE fails to perform or violates any of the terms or conditions of this Revocable License or is in breach or default in any term or condition hereof, CITY shall provide notice thereof to LICENSEE and LICENSEE shall cure such violation within twenty (20) days of such Notice, which such time for cure shall be reasonable in light of all the circumstances.

20.1.1 In the event the Contract Administrator finds that the LICENSEE has failed to timely cure such violation, the Contract Administrator shall provide Notice thereof to LICENSEE and impose or assess a fine of \$1,000.00 per day for each and every day the violation continues beyond the date set in the Notice under Section 20.1.

20.1.2 LICENSEE shall provide written Notice to CITY when the violation has been cured. In the event the Contract Administrator finds the violation was not cured on the date alleged by LICENSEE, Contract Administrator shall provide LICENSEE with Notice thereof. Contract Administrator shall provide Notice to LICENSEE when Contract Administrator finds that the violation has been cured.

20.1.3 In the event LICENSEE disagrees with the Contract Administrator's (a) finding that a violation exists or continues to exist, or (b) imposition or assessment of a per diem fine, or (c) determination of the date of compliance or

noncompliance, LICENSEE shall file a written Notice of Appeal to the City Manager within five (5) days of receiving notice of (a), (b) or (c) above.

20.1.4 Within ten (10) days of receiving a Notice of Appeal under Section 20.1.3, the City Manager shall hear presentations thereon and render a written Final Order thereon, serving a copy thereof upon LICENSEE. In deciding an Appeal filed under Section 20.1.3, the City Manager may affirm, reverse or modify, in whole or in part, the findings of the Contract Administrator. The City Manager may equitably adjust any fines in the interests of justice.

20.1.5 In the event LICENSEE contests the Final Order of the City Manager under Section 20.1.4 above, LICENSEE may file a Notice of Appeal with the City Clerk including all written arguments in support of contesting the Final Order. The City Commission shall review the Notice of Appeal and the written arguments in support of contesting the Final Order as soon as a hearing thereon may be reasonably scheduled. At the hearing on the Appeal, the City Commission shall hear presentations by the LICENSEE and City Manager and shall render an Order ("Order on Appeal") thereon affirming, reversing or modifying the Final Order in whole or in part.

20.1.6 Any fines resulting from the process set forth in Sections 20.1.1 through 20.1.5 shall be paid to CITY within sixty (60) days from the final adjudication resulting from that process.

20.1.7 LICENSEE hereby waives all right, title and interest to the issuance of any temporary, partial or final Certificate of Occupancy for the Development Project during the period that any violations of the terms or conditions of this License still exist.

20.1.8 LICENSEE hereby waives all right, title and interest in Issuance of any temporary, partial or final Certificate of Occupancy for the Development Project during the period that any fines imposed have not been paid.

20.1.9 LICENSEE hereby waives all right, title and interest in and to any further building or engineering Inspections during the period that any violations of the terms or conditions of this License still exist.

20.2 In the event the LICENSEE falls to timely cure the violation within the time specified in Section 20.1, the CITY, as an alternative to the procedures set forth in Sections 20.1.1 through 20.1.9, may:

20.2.1 revoke or terminate this License; or

20.2.2 take any equitable action to enforce the terms and conditions of this Revocable license, it being stipulated by the parties that since this Revocable License deals with the right to use a public right-of-way, a violation or breach of

any term or condition of the Revocable License constitutes an irreparable injury to the public and CITY for which there is no adequate remedy at law; or

20.2.3 take such curative action that was required to be taken by the LICENSEE under the Revocable License and the cost and expense incurred in CITY's curative actions shall be passed on to and owed by LICENSEE, in which case LICENSEE shall be liable for payment to CITY for all reasonable and necessary costs and expenses incurred by CITY in connection with the performance of the action or actions. LICENSEE shall reimburse CITY within thirty (30) days following written demand for payment thereof. Interest shall accrue on the unpaid amount at the rate of twelve percent (12%) per annum, compounded monthly, but in no event shall interest exceed the highest amount allowed by Florida law. The demand shall include reasonable documentation supporting the expenses incurred by CITY. If a dispute arises as to the need for, or amount due to the CITY for repairs, maintenance or removal undertaken by CITY in accordance with this License, and such dispute is not resolved within forty-five (45) days after the date that CITY makes the original written demand for payment, the LICENSEE shall pay to CITY the undisputed amount and shall provide CITY with a bond or other security acceptable to CITY for the disputed amount pending a resolution of the dispute by negotiation or litigation. In addition to any other remedies available to CITY, in the event of litigation between the parties, CITY shall be entitled to recover from LICENSEE all costs of collection, including reasonable attorneys' fees and court costs incurred at all tribunal and appellate levels, provided CITY ultimately prevails in such proceedings.

20.2.4 If LICENSEE does not make the payments required under this Section 20 within the sixty (60) day period set forth herein, then CITY shall have a right to record a Claim of Lien upon the Property, which lien may be either:

(a) for the total amount of the fines resulting from the procedures set forth in Sections 20.1.1 through 20.1.6; or

(b) for all reasonable and necessary costs and expenses of any cure undertaken by CITY in accordance with this Section, the cost of any interim insurance policy as provided herein, and reasonable attorneys' fees and costs associated therewith. The Lien shall be effective upon the recording of a Claim of Lien in the Public Records of Broward County, Florida, which Claim of lien shall state all amounts due and owing to CITY. The Lien may be foreclosed by CITY in the same manner as provided by law for foreclosure of mortgage liens. The Lien shall continue until payment to CITY of the amounts set forth in the Lien (at which time CITY shall record a satisfaction of such lien). In addition to the Lien, CITY shall have all other rights and remedies granted to it at law or in equity for LICENSEE's failure to pay the fines owed or reimburse CITY for curative actions taken by CITY. LICENSEE shall be entitled to pursue all legal and equitable remedies to contest the amount or existence of any such lien.

20.2.5 The remedies found within this Section 20, including all subsections thereof, are cumulative. The exercise of one does not preclude the exercise of any other remedy.

21. **Requirement for Notice.** LICENSEE shall give CITY prompt written notice of any accidents on, in, over, within, under and above the License Areas in which damage to property or injury to a person occurs.

22. **Notices.**

(a) Except as provided in subparagraph (c) below, whenever it is provided herein that notice, demand, request or other communication shall or may be given to, or served upon, either of the parties by the other, or either of the parties shall desire to give or serve upon the other any notice, demand, request or other communication with respect hereto or with respect to any matter set forth in this Revocable License, each such notice, demand, request or other communication shall be in writing and any law or statute to the contrary notwithstanding shall not be effective for any purpose unless the same shall be given by mailing the same by (i) registered or certified mail, postage prepaid, return receipt requested, addressed, or (ii) an overnight air mail service such as Federal Express, UPS, or similar carrier addressed to the party at the address set forth below, or at such other address or addresses and to such other person or firm as CITY may from time to time designate by notice as herein provided.

(b) All notices, demands, requests or other communications hereunder shall be deemed to have been given or served for all purposes hereunder forty-eight (48) hours after the time that the same shall be deposited in the United States mail, postage prepaid; in the manner aforesaid, provided, however, that for any distance in excess of five hundred (500) miles, air mail service or Federal Express or similar carrier shall be utilized, if available.
