City Commission Agenda Memo
REGULAR MEETING**

#22-0255

TO: Honorable Mayor & Members of the
Fort Lauderdale City Commission

FROM: Chris Lagerbloom, ICMA-CM, City Manager

DATE: April 5, 2022

TITLE: Public Hearing – First Reading of an Ordinance Establishing Geographical
Boundaries of the Four City Commission Districts - **(Commission Districts
1, 2, 3 and 4)**

Recommendation

Staff recommends the City Commission approve on first reading an ordinance reestablishing geographical boundaries of the four City Commission districts so that, pursuant to Section 7.12 of the City Charter, those districts shall be as approximately equal in population as is practicable.

Background

The redistricting consultants from Florida Atlantic University (FAU) analyzed the current commission districts and the 2020 U.S. Census data and presented its findings at the March 15, 2022, City Commission Conference Meeting. A public redistricting workshop was held on March 17, 2022, for City residents to provide comments on new district boundaries. The FAU consultants developed four district map options for the City Commission's consideration and for a vote to adopt one with the new geographical boundaries.
