Uptown Rezoning Application  
6210-6282 North Andrews Avenue  
Case No. UDP-Z22001

**RE: Rezoning from B-3 (county zoning) to Uptown Urban Village Northeast District (UUV-NE)  
6210-6282 North Andrews Avenue - ULDR Rezoning Criteria Responses**

The property owner, Double Mountain Dev Ventures, LLC., is requesting to rezone 89,826 square feet (2.06 acres) of land located at 6210-6282 North Andrews Avenue from B-3 (county zoning) to Uptown Urban Village Northeast (UUV- NE) to permit the development of a mixed-use project on the site. The City of Fort Lauderdale staff is processing the rezoning on behalf of the property owner.

Pursuant to the City's Unified Land Development Regulations (ULDR) Section 47-24.4.D, Rezoning Criteria, an applicant must demonstrate that the application for a rezoning meet the following criteria:

1. The zoning district proposed is consistent with the City's Comprehensive Plan.

The property is currently zoned B-3 (county zoning) and has an underlying land use designation of Commercial which is intended to allow for uses such as business, service, office, and other commercial enterprises. The proposed UUV-NE zoning district is consistent with this land use designation. Please refer to the Comprehensive Plan Consistency section within this report for additional information.

2. The changes anticipated by the proposed rezoning will not adversely impact the character of development in or near the area under consideration.

The development in the surrounding area is characterized mainly by office, hotel, and commercial uses with a lack of residential and mixed-use developments. Rather than adversely impacting the character of development in the area with more intense uses such as industrial manufacturing, the proposed rezoning to UUV-NE will have a positive impact by allowing for mixed-use development that will create a stronger tax base, add residential to the area, and will further the live, work, play environment that the City envisions for the area.

3. The character of the area proposed is suitable for the uses permitted in the proposed zoning district and is compatible with surrounding districts and uses.

The UUV-NE zoning district permitted uses are compatible with the surrounding zoning districts permitted uses in such that office, hotel, commercial, and warehouse are permitted in both the existing and proposed zoning, with the addition of residential use permitted in the proposed zoning district as a mixed-use development. The City explicitly adopted the Uptown Master Plan to promote residential and mixed-use for the area. Furthermore, the Uptown Master Plan identifies specific character subareas that residential and mixed-use should be allowed which are more suitable, which is applicable in this request.
