In consideration of the mutual covenants, promises, and consideration set forth in this LOI and other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby agree as follows:

2. 3. The fully executed LOI consists of the Previous MSA (as amended by paragraphs 4) and the Sales Order(s). In the event of any inconsistency among these documents, precedence will be as follows: (1) this LOI, (2) the Previous MSA and (3) the Sales Orders.
4. The Second Amendment to Comcast Enterprise Services Master Services Agreement No. FL-294274-dkeen dated October 12, 2016 shall be void and of no further force or effect
5. Any new master service agreement between the Parties, including, without limitation, the MSA, requires the approval of the City Commission of the City of Fort Lauderdale and the approval of Comcast, such approvals to be evidenced by execution of the MSA or other master agreement by the respective Parties.
6. Upon the execution of a new master service agreement by the Parties, including, without limitation, the MSA, this LOI shall terminate, and the MSA shall govern all future sales order(s) submitted by Customer in connection with the MSA, including the Sales Order(s).

IN WITNESS WHEREOF, the Parties hereto have executed this LOI as of the day and year written below and the persons signing covenant and warrant that they are duly authorized to sign for and on behalf of the respective Parties.

In the event of an explicit conflict between this Amendment and the Agreement, the terms and conditions of this Amendment shall take precedence in the interpretation of the explicit matter in question. Unless otherwise set forth herein, all capitalized terms set forth herein shall have the same meaning as set forth in the Agreement.

**Whereas**, the Parties desire to amend the Agreement by this writing to reflect the amended or additional terms and conditions to which the Parties have agreed to;

**Now, therefore**, in consideration of the mutual covenants, promises, and consideration set forth in this Amendment, the Parties agree as follows:

Without limiting the foregoing, and to the extent permitted by Florida law, Confidential Information may include, even if not marked, the Agreement, all Licensed Software, promotional materials, proposals, quotes, rate information, discount information, subscriber information, network upgrade information and schedules, network operation information (including without limitation information about outages and planned maintenance) and invoices, as well as the Parties' communications regarding such items. Without limiting the generality of the foregoing, Confidential Information shall include information that is a trade secret pursuant to Florida law.

Service Location(s): The Customer location(s) where Comcast provides the Services, to the extent the Customer owns, leases, or otherwise controls such location(s), including Customer's rights of way."

Customer shall have thirty (30) calendar days from the invoice notice of such Revisions to provide Comcast with written notice that the Revisions adversely affect Customer's use of the Service(s). If after notice of such adverse effect Comcast is unable to reasonably mitigate the Revision's impact on such Services, then Customer may terminate the impacted Service(s) without further obligation to Comcast beyond the termination date, including Termination Charges, if any. This shall be Customer's sole and exclusive remedy."

3. Article 2.2 of the Enterprise Services General Terms and Conditions ("General Terms and Conditions") is hereby modified to read as follows:

Customer also agrees to promptly provide such other assistance as Comcast may reasonably request to respond to an inquiry from a government authority or its agent regarding the classification of Customer's traffic, including the appropriate treatment of the traffic under the FCC's Universal Service program.
  - c. Without waiving any rights of sovereign immunity and to the extent not prohibited by law, Customer agrees to defend, indemnify and hold harmless Comcast from and against any claims, liabilities, damages and expenses, including reasonable attorneys' and other professionals' fees, arising out of or relating to any violation of Comcast's USF contribution requirements or other FCC or other legal or regulatory requirements relating to Customer's certification regarding its use of the Metro Ethernet Transport Services.
2. Customer agrees to provide Comcast with documentation in support of this certification as may be needed by Comcast to respond to an inquiry from a government authority or its agent regarding the proper classification and assessment of these services.
