FROM: Chris Lagerbloom, ICMA-CM, City Manager

DATE: June 21, 2022

TITLE: Public Hearing Approving the Fiscal Year 2022-2023 Housing and
Community Development Annual Action Plan - **(Commission Districts 1,
2, 3 and 4)**

Recommendation

Staff recommends the City Commission approve the 2022-2023 Annual Action Plan and funding allocation as proposed by the Community Services Board (CSB) and authorize the City Manager to execute the necessary documents and agreements associated with each entitlement funding source for submittal to the U.S. Department of Housing and Urban Development (HUD).

Background

Annually, the City is required to submit an action plan associated with the five-year consolidated plan for 2020-2024. The consolidated plan provides a comprehensive strategy of how the City will utilize entitlement funding to address housing, economic, social and community development needs. The attached annual action plan identifies specific activities with associated funding amounts that are designed to achieve the goals identified in the consolidated plan.

The annual action planning process serves as the framework that has been established based on community-wide dialogues. These dialogues identify commission top priorities that align with the consolidated plan and support the HUD national objective for: Community Development Block Grant (CDBG), Housing Opportunities for Persons with AIDS (HOPWA), and HOME Investment Partnerships (HOME) Program.

Exhibit 1 provides a comprehensive outline of the community organizations to be funded, the proposed funding amount and a brief description of the program and services to be provided:

Resource Impact

There is no fiscal impact to the General Fund. The federal grant will reimburse the City for the funding expended on eligible activities.
