**Recommendation**

Staff recommends the City Commission consider a resolution approving a development agreement between the City of Fort Lauderdale and KT Seabreeze Atlantic, LLC. for the development known as “Selene” formerly known as “Alhambra” Planned Development District (PDD) and authorizing the City Manager to execute the agreement. This item was deferred from the June 21, 2022 to the July 5, 2022 at the request of the applicant.

**Background**

The applicant, KT Seabreeze Atlantic, LLC., received approval from the City Commission on October 6, 2020, for a Planned Development District (PDD) and associated site plan for the project known as “Selene” formerly known as “Alhambra” through City Ordinance C-20-33. Subsequent to approval, the applicant submitted an amendment to the PDD and site plan to amend certain development standards as well as revisions to the development program, Case No. UDP-A21031. The proposed PDD amendment is an associated item on the City Commission agenda. A Location Map is attached as Exhibit 1.

The Unified Land Development Code (ULDR), Section 47-37A, Planned Development Districts, more specifically Section 47-37A.13, Agreements, states that applicants seeking a PDD shall execute agreements, easements, and other documents necessary with regard to implementation of conditions imposed by the PDD consistent with the development plans and for continuing operation and maintenance of such. Specifically, the development agreement ensures the construction of the site plan and off-site improvements referenced as the “Triangular Open Space Parcel” for landscape, hardscape, and art installations. The applicant is seeking approval of the development agreement consistent with this ULDR section. The Development Agreement is attached as Exhibit 2.
