**Recommendation**

Staff recommends the City Commission approve the issuance of a Certificate of Public Convenience and Necessity authorizing Dreamride, LLC to operate four (4) for-hire transportation vehicles (Mercedes-Benz Sprinter Transportation Vans) within the City of Fort Lauderdale.

**Background**

The Code of Ordinances of the City of Fort Lauderdale makes it unlawful for any person to engage in, or carry on, the business of operating for hire vehicles within the City without first obtaining from the City, a Certificate of Public Convenience and Necessity. Applications are reviewed by the Transportation and Mobility Department staff for sufficiency. Thereafter, the application is forwarded to the City Commission for review and approval. Risk Management will review the Certificate of Insurance for sufficiency prior to the issuance of the permits.

Dreamride, LLC applied to provide service in the City of Fort Lauderdale utilizing four (4) Mercedes-Benz Sprinter Passenger vans. Staff has reviewed the application (Exhibit 1) in which the applicant proposes to operate with the sole purpose of providing a private, for-hire transportation service.
