Order Description

PCD Communications and Platinum Plan for Competition, Dive, and Training Pools
Competition and Diving Pools to Share 1 PCD and Service Plan
This plan Includes Monthly site visits. All onsite preventive maintenance for NexGen Chlorinators

Plan is inclusive of parts for all 3 of Nex Gen Units. Cell Stacks would be quoted separately at time of determination of a failure.

Order Items

Line Item Code	Description	Quantity	Unit Price	Item Total
PMA977 - Site Assessment	Site Assessment PMA977	60	1,466.00	87,960.00

CES Site Assessment Preventive Maintenance Program
This On-site Preventive Maintenance Program includes:
50-Point site assessment service for a single pool, spa, or water feature,
complete water testing using a Digital Photometer, and a comprehensive review
of all operating parameters including DOH-required instrumentation, mechanical equipment
check, and DOH code compliance check. Includes suggested measures, Action Items, & Summary. Also includes full training on all equipment and all
aspects of pool operation.

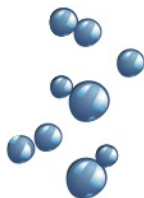

***These agreements will automatically renew for successive one (1) year terms thereafter (each Renewal Term). They can be canceled with a
written Thirty (30) day notice prior to the end of the Term.

PMA695 - Chlorking	Chlorking NexGen Chlorinator PMA695	60	0.00	0.00
<i>Annual Controller Maintenance program Competition, Dive, and Training Pools</i>				

The Preventive Maintenance Program includes the following:
Overall inspection of the Chlorking NexGen system, cleaning of cell stacks, strainer, and rectifier assembly, Inspection and testing of of salinity
levels, all incoming and outgoing voltages, dilution fan and proving switch, pressure and flow switches, float valve, and pump impeller. Replacement
of Salt and Acid feeder peristaltic tubing, peristaltic pump phenolic gear, shaft, cleaning and greasing of peristaltic pumps, replacement of 1/4" feeder
tubing, ferrules, and injectors if needed, and a complete water test.

***These agreements will automatically renew for successive one (1) year terms thereafter (each Renewal Term). They can be canceled with a
written Thirty (30) day notice prior to the end of the Term.

PMA971 - Chemical Controller	Chemical Controller PMA971	15	261.49	3,922.35
-------------------------------------	-----------------------------------	----	--------	----------

CES Chemical Controller Preventive Maintenance Program
This On-site Preventive Maintenance Program includes parts and labor for:
inspection, testing of controller and water chemistry, calibration, cleaning of probes, chemical dosing charts, system operation charts, site operation maintenance charts and an operator training session on controller.
***These agreements will automatically renew for successive one (1) year terms thereafter (each Renewal Term). They can be canceled with a written Thirty (30) day notice prior to the end of the Term.

CB ComPkg	Open Architecture Communications Package	1	0.00	0.00
------------------	---	---	------	------

The proposed system features an "Open-Architecture" Communication Package

With an Ethernet connection and static IP address, CES/BECS chemistry controller will provide: remote monitoring of all enabled parameters with 24/7 electronic record keeping, remote control of all parameters, and a powerful email and text-based alert notification package. Also can be interfaced via smart phone or tablet. Connection can be established via wired ethernet or a wireless connection to a locally available wi-fi signal located within an reasonable proximity to the swimming pool.

CES/BECS will supply technical support and required controller software in order to facilitate connectivity.

CE PrecisionPCD	CES Precision Communication Device PCD Wireless	2	0.00	0.00
------------------------	--	---	------	------

CES Precision Communication Device (PCD)
Stand alone Wireless Cellular Interactive Communication package for multiple systems including:
RCM, MR2-C, MR3C, BECSys3C, BECSys5, BECSys7, and BECSysBW control systems.
Provides off-network connectivity to controllers with Static IP, Router, and Port Management Control for CES's exclusive on-line monitoring, remote control, digital log-keeping and alert notification programs.
Free installation with new control systems, \$199 on retrofit basis.
Free trial for 60 days to allow internal IT department to complete permanent Ethernet connection.
Available on a 2 Year contract at \$124.99/month including monitoring services.
Can service multiple equipment rooms within 348' with long range Ethernet cabling by others.
Weatherproof Nema 3R enclosure, 10"H x 10"W x 4"D, 10 lbs
Not Available for Sale

CES Platinum Monitoring	Platinum Plan / Water Quality Monitoring & Cyber Service Program	60	124.99	7,499.40
--------------------------------	---	----	--------	----------

Competition Pool & Diving Pool

CES provides all Interactive Controller customers with free software and operating instructions that allows them to set up, program, download and store logs, monitor readings and alarms, and provide alert notification for their pools. We also provide apps for smartphones and tablets that help keep customers connected to their equipment rooms at all times. Billing is per pool/ per month. Programed is billed annually.

Highlights of Platinum Plan

- >Preferred Customer Status discounts on 10,000+ support items from CES, including PM programs and network platform upgrades
 - >Communications set-up: Enabling Controller settings and working with Network Administrators for proper connection.
 - >Initial Set up of alert notification tree: Email/Text based on list provided by end-user
 - >Alert of and resolution support for dropped Ethernet connections
 - >Downloading of all control logs and status reports
 - >Record Retrieval*
 - >CES tech inclusion in alert notification tree
 - >Secure Cloud Storage of control logs and status reports
 - >Ongoing IT department interface
 - >Ongoing administration of alert notification tree
 - >Analytical review of control logs*
 - >Real time cyber support*
 - >Detailed lab analysis with submission of water sample*
 - >PCD (Precision Communication Device) includes data**
- *Restrictions apply

These agreements will automatically renew for successive one (1) year terms thereafter (each Renewal Term). They can be canceled with a written Thirty (30) day notice prior to the end of the Term.
