Presented to

VIVIAN M. DEMPSEY

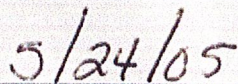

The "Tree Lady" of South Middle River

MAY 2005

This one-of-a-kind certificate has been presented to a very fine lady who is also one-of-a-kind. Vivian Dempsey – or "Miss Vivian" as she is respectfully and affectionately known by many – has been a resident of South Middle River since 1953. As a dedicated and very active member of the South Middle River Civic Association, she has served as chairperson of its Beautification Committee and has been responsible for the procurement, planting and mulching of approximately 1,500 free trees throughout our community's swales. Even more importantly, however, she has always been there for anyone who has ever needed her in any way. Vivian Dempsey truly embodies the heart, spirit and beauty of South Middle River. And for that, we thank you. But, most of all, we want to thank you for being the loving, generous person you are.

President
South Middle River Civic Association, Inc.

Re: Street Name Change/NW 18th Street/Vivian Dempsey Path

Dear City of Fort Lauderdale,

As President of South Middle River Civic Association, we are excited to support the above street name change.

Vivian was a longtime resident and a strong influence in our neighborhood since 1953, and helped so many people along the way. "The Tree Lady", as she was known managed to plant over 1500 trees in our community.

Those of us who knew Vivian, miss her dearly. Those of us who lived near her, miss seeing her on her morning walk on NW 18th Street, soon to be "Vivian Dempsey Path" and keeping this wonderful person's memory alive. As it should be!

Sincerely,

Lin Morgan, President SMRCA

Re: Street Name Change/NW 18th Street/Vivian Dempsey Path

As Commissioner of District 2, I hereby support the Secondary Street Name of Vivian Dempsey Path, be added to NW 18th Street, Fort Lauderdale, Florida 33311.

Since 1953, Vivian Dempsey had been a resident of our city of Fort Lauderdale. She lived in South Middle River and has been awarded Certificates of Appreciation from the City as "The Tree Lady" for planting at least 2,000 trees herself. She was a huge supporter of SMRCA for many years and was an inspiration to everyone she met.

For those living on NW 18th Street, she was the example of unity. She was humble and every day she would be seen, early in the morning, picking up trash from the street. She supported every endeavor aimed at the beautification of City. She deserves this Honor.

Sincerely,

Steve Glassman
