DATE: October 3, 2022

TITLE: Motion Accepting Florida Department of Transportation Grant - \$83,390.44
(**Commission Districts 1, 2, 3 and 4**)

Recommendation

Staff recommends the City Commission approve a Subgrant Agreement with the University of North Florida Training and Services Institute, Inc., d/b/a Institute of Police Technology and Management ("IPTM") for assisting the police department in conducting a public awareness and enforcement campaign related to pedestrian and bicycle safety and providing reimbursement for overtime of officer participating in the campaign.

Background

In July 2022, the City submitted an application to FDOT in response to a solicitation for proposals from law enforcement agencies to deliver public awareness and enforcement campaigns related to pedestrian and bicyclist safety, which is a component of Florida's Bicycle/Pedestrian Focused Initiative Communication & High Visibility Enforcement Implementation Project under the direction of FDOT and the Institute of Police Technology and Management. The contract's enforcement activities are being implemented to remind and educate pedestrians, bicyclists, and motorists of safe behaviors. The delivery of services must begin within 30 days of contract execution and must end on or before May 12, 2023. The grant reimburses overtime costs for specified officers who participate in the public awareness and enforcement campaign. IPTM will also provide training to participating officers and educational materials that will be provided to citizens as part of the public awareness and enforcement campaign.
