If any Series 2022A Bond is mutilated, destroyed, stolen or lost, the City or its agent may, in its discretion (i) deliver a duplicate replacement Series 2022A Bond, or (ii) pay a Series 2022A Bond that has matured or is about to mature. A mutilated Series 2022A Bond shall be surrendered to and cancelled by the Bond Registrar. The Bondholder must furnish the City or its agent proof of ownership of any destroyed, stolen or lost Series 2022A Bond; post satisfactory indemnity; comply with any reasonable conditions the City or its agent may prescribe; and pay the City's or its agent's reasonable expenses.

Any such duplicate Series 2022A Bond shall constitute an original contractual obligation on the part of the City whether or not the destroyed, stolen or lost Series 2022A Bond be at any time found by anyone, and such duplicate Bond shall be entitled to equal and proportionate benefits and rights as to lien on, and source of payment of and security for payment from, the funds pledged to the payment of the Series 2022A Bond so mutilated, destroyed, or stolen or lost.

E. The Series 2022A Bonds shall be subject to redemption prior to maturity at the option of the City, in whole or in part at any time, at such times, and at the redemption prices, as approved and determined by the City Manager, as shall be set forth in the Details Certificate of the City Manager; provided, however, that the redemption price of the Series 2022A Bonds shall not exceed one hundred percent (100%) of the principal amount of the Series 2022A Bonds to be redeemed. Notice of redemption shall be given by deposit in the U.S. mails of a copy of a redemption notice, postage prepaid, at least thirty (30) days before the redemption date to all registered owners of the Series 2022A Bonds or portions of the Series 2022A Bonds to be redeemed at their addresses as they appear on the registration books to be maintained in accordance with the provisions hereof. Failure to mail any such notice to a registered owner of a Series 2022A Bond, or any defect therein, shall not affect the validity of the proceedings for

redemption of any Series 2022A Bond or portion thereof with respect to which no failure or defect occurred.

Such notice shall set forth the date fixed for redemption, the rate of interest borne by each Series 2022A Bond being redeemed, the date of publication, if any, of a notice of redemption, the name and address of the Bond Registrar and Paying Agent, the redemption price to be paid and, if less than all of the Series 2022A Bonds then Outstanding shall be called for redemption, the distinctive numbers and letters, including CUSIP numbers, if any, of such Series 2022A Bonds to be redeemed and, in the case of Series 2022A Bonds to be redeemed in part only, the portion of the principal amount thereof to be redeemed. If any Series 2022A Bond is to be redeemed in part only, the notice of redemption which relates to such Series 2022A Bond shall also state that on or after the redemption date, upon surrender of such Series 2022A Bond, a new Series 2022A Bond or Series 2022A Bonds in a principal amount equal to the unredeemed portion of such Series 2022A Bond will be issued. If the optional redemption of any of the Series 2022A Bonds is conditioned upon the occurrence or non-occurrence of an event, including, without limitation, the receipt of sufficient moneys to effectuate the redemption, the notice of redemption which relates to such Series 2022A Bonds or portions thereof shall also state that the redemption is so conditioned and provide a brief description of the condition to such redemption.

Notwithstanding the above, so long as the Series 2022A Bonds are held in a book-entry only system maintained by DTC, such notice of redemption shall only be sent to DTC or its designee.

Any notice mailed as provided in this Section shall be conclusively presumed to have been duly given, whether or not the owner of such Series 2022A Bond receives such notice.

The Bond Registrar shall not be required to transfer or exchange any Series 2022A Bond after the mailing of a notice of redemption nor during the period of fifteen (15) days next preceding mailing of a notice of redemption.

F. Notice having been given in the manner and under the conditions hereinabove provided, the Series 2022A Bonds or portions of Series 2022A Bonds so called for redemption shall, on the redemption date designated in such notice, become and be due and payable at the redemption price provided for redemption for such Series 2022A Bonds or portions of Series 2022A Bonds on such date; provided, however, that the Series 2022A Bonds or portions of Series 2022A Bonds called for optional redemption and which such redemption is conditioned upon the receipt of sufficient moneys, shall not become due and payable on the redemption date if sufficient moneys to pay the redemption price of such Series 2022A Bonds or portions of such Series 2022A Bonds have not been received by the Paying Agent on or prior to the redemption date. On the date so designated for redemption, moneys for payment of the redemption price being held in separate accounts by the Paying Agent in trust for the registered owners of the Series 2022A

Bonds or portions thereof to be redeemed, all as provided in this Bond Resolution, interest on the Series 2022A Bonds or portions of Series 2022A Bonds so called for redemption shall cease to accrue, such Series 2022A Bonds and portions of Series 2022A Bonds shall cease to be entitled to any lien, benefit or security under this Bond Resolution and shall be deemed paid hereunder, and the registered owners of such Series 2022A Bonds or portions of Series 2022A Bonds shall have no right in respect thereof except to receive payment of the redemption price thereof and, to the extent provided in the next subsection, to receive Series 2022A Bonds for any unredeemed portions of the Series 2022A Bonds.

G. In case part, but not all, of an outstanding fully registered Series 2022A Bond shall be selected for redemption, the registered owners thereof shall present and surrender such Series 2022A Bond to the City or its designated Paying Agent for payment of the principal amount thereof so called for redemption, and the City shall execute and deliver to or upon the order of such registered owner, without charge therefor, for the unredeemed balance of the principal amount of the Series 2022A Bonds so surrendered, a new Series 2022A Bond or Series 2022A Bonds fully registered as to principal and interest.

H. Series 2022A Bonds or portions of Series 2022A Bonds that have been duly called for redemption under the provisions hereof, and with respect to which amounts sufficient to pay the principal of, redemption premium, if any, and interest to the date fixed for redemption shall be delivered to and held in separate trust accounts by an escrow agent, any Authorized Depository or any Paying Agent in trust for the registered owners thereof, as provided in this Bond Resolution, shall not be deemed to be Outstanding under the provisions of this Bond Resolution and shall cease to be entitled to any lien, benefit or security under this Bond Resolution, except to receive the payment of the redemption price on or after the designated date of redemption from moneys deposited with or held by the escrow agent, Authorized Depository or Paying Agent as the case may be, for such redemption of the Series 2022A Bonds and, to the extent provided in the preceding subsection, to receive Series 2022A Bonds for any unredeemed portion of the Series 2022A Bonds.

I. If the date for payment of the principal of, redemption premium, if any, or interest on the Series 2022A Bonds or the date for the taking of any action in connection with the Series 2022A Bonds shall be a Saturday, Sunday, legal holiday or a day on which banking institutions in the city where the designated corporate trust office of the Paying Agent is located are authorized by law or executive order to close, then the date for such payment or for the taking of such action shall be the next succeeding day which is not a Saturday, Sunday, legal holiday or a day on which such banking institutions are authorized to close, and payment or the taking of such action on such day shall have the same force and effect as if made or taken on the nominal date specified for the payment or action.

J. The text of the Series 2022A Bonds, the form of assignment for such Series 2022A Bonds and the authentication certificate to be endorsed thereon shall be substantially in the form set forth in Exhibit "A" attached hereto and by this reference incorporated herein, with such omissions, insertions and variations as may be necessary or desirable and authorized by this Bond Resolution or as may be approved and made by the officers of the City executing the same, such execution to be conclusive evidence of such approval, including, without limitation, such changes as may be required for the issuance of uncertificated public obligations.

SECTION 7. APPLICATION OF SERIES 2022A BOND PROCEEDS. The proceeds, including premium, if any, received from the sale of the Series 2022A Bonds shall be applied by the City, simultaneously with delivery of the Series 2022A Bonds, as follows:

A. Accrued interest or capitalized interest, if any, shall be deposited in the account designated "City of Fort Lauderdale, Florida General Obligation Bonds, Series 2022A (Parks and Recreation Projects) Principal and Interest Account" (the "Principal and Interest Account") which is hereby established with the Paying Agent, who shall apply such moneys to pay interest on the Series 2022A Bonds as the same becomes due on the first interest payment date therefor.

B. An amount set forth in a certificate of the Director of Finance delivered concurrently with the delivery of the Series 2022A Bonds (the "Series 2022A Proceeds Certificate") shall be deposited in a separate account designated "City of Fort Lauderdale, Florida General Obligation Bonds, Series 2022A (Parks and Recreation Projects) Construction Account" (the "Construction Account") which is hereby established with the City and shall be disbursed to pay the costs of the Parks and Recreation Projects, including, with respect to the Series 2022A Bonds, reimbursement to the City of funds advanced for costs incurred with respect to the Parks and Recreation Projects to be financed, in whole or in part, with proceeds of the Series 2022A Bonds, which may be reimbursed pursuant to the Code under the Reimbursement Resolution. Any balance remaining after payment or provision for payment of all such costs of the Parks and Recreation Projects to be financed with the proceeds of the Series 2022A Bonds shall be transferred to the Paying Agent for deposit in the Principal and Interest Account and used solely to pay principal of and interest on the Series 2022A Bonds.

C. The remainder of the proceeds shall be deposited in a separate account designated "City of Fort Lauderdale, Florida General Obligation Bonds, Series 2022A (Parks and Recreation Projects) Cost of Issuance Account" (the "Costs of Issuance Account") which is hereby established with the City and shall be disbursed for payment of expenses incurred in issuing the Series 2022A Bonds (including payment of the expenses of the City). Any balance remaining in the Costs of Issuance Account after payment or provision for payment of such costs and expenses has been made shall be transferred to either the Construction Account for the payment of costs of the Parks and Recreation Projects to be financed with the proceeds of the Series 2022A Bonds

or to the Paying Agent for deposit in the Principal and Interest Account and used solely to pay principal of and interest on the Series 2022A Bonds.

SECTION 8. INVESTMENT OF PROCEEDS OF THE SERIES 2022A BONDS. All proceeds of the Series 2022A Bonds and other moneys held under the provisions of this Bond Resolution may be invested by the City and, with respect to the Principal and Interest Account, shall be invested by the Paying Agent at the direction of the Director of Finance, in Permitted Investments; provided, however, that with respect to the investment of moneys in the Principal and Interest Account, the maturities of any Permitted Investments shall not be later than the relevant principal and/or interest payment dates of the Series 2022A Bonds, unless such Permitted Investments consist of investments that are described in clause (k), (l) or (m) of the definition of Permitted Investments.

SECTION 9. LEVY OF AD VALOREM TAX; PAYMENT AND PLEDGE. In each Fiscal Year while any of the Series 2022A Bonds are outstanding there shall be assessed, levied and collected a tax, without limitation as to rate or amount, on all taxable property within the corporate limits of the City (excluding exemptions as provided by applicable law), in addition to all other taxes, sufficient in amount to pay the principal of and interest on the Series 2022A Bonds as the same shall become due.

The tax assessed, levied and collected for the security and payment of the Series 2022A Bonds shall be assessed, levied and collected in the same manner and at the same time as other taxes are assessed, levied and collected and the proceeds of said tax shall be applied solely to the payment of the principal of, premium, if any, and interest on the Series 2022A Bonds. On or before each interest or principal payment date for the Series 2022A Bonds, the City shall transfer to the Paying Agent for deposit in the Principal and Interest Account an amount sufficient to pay the principal of, redemption premium, if any, and interest on the Series 2022A Bonds then due and payable (including, without limitation, the amortization requirements in respect of Term Bonds, if any) and the Paying Agent is hereby authorized and directed to apply such funds to said payment.

The City may at any time use the moneys held in the Principal and Interest Account for the payment of amortization requirements to purchase any Series 2022A Bonds that are Term Bonds or portions thereof, whether or not such Term Bonds or portions thereof shall then be subject to redemption, at the most advantageous price obtainable with reasonable diligence, which price shall not exceed the redemption price for such Term Bonds on the next redemption date if such Term Bonds or portions thereof should be called for redemption on such date. The principal amount of any Term Bond so purchased shall be credited toward the next amortization installment. However, if by the application of moneys in the Principal and Interest Account the City shall purchase or call for redemption in any year Term Bonds in excess of the amortization installment due for such year, such excess Term Bond so purchased or redeemed shall be

credited in such manner and at such times as the Director of Finance shall determine over the remaining payment dates.

The full faith, credit and taxing power of the City are hereby irrevocably pledged to the punctual payment of the principal of, redemption premium, if any, and interest on the Series 2022A Bonds as the same shall become due and payable.

The City will diligently enforce its right to receive tax revenues and will diligently enforce the collection of such taxes. The City will not take any action that will impair or adversely affect its rights to levy, collect and receive said taxes, or impair or adversely affect in any manner the pledge made herein or the rights of the Bondholders.

SECTION 10. Compliance With Tax Requirements. The City hereby covenants and agrees, for the benefit of the owners from time to time of the Series 2022A Bonds, to comply with the requirements applicable to it contained in the Code to the extent necessary to preserve the exclusion of interest on the Series 2022A Bonds from gross income for federal income tax purposes, and not to take any actions that would adversely affect that exclusion. In furtherance of the foregoing covenant, the City agrees that it will comply with the provisions of an arbitrage and tax certificate to be prepared by Bond Counsel to be executed and delivered on the date of the issuance of the Series 2022A Bonds. Specifically, without intending to limit in any way the generality of the foregoing, the City covenants and agrees:

(a) to pay to the United States of America from the funds and sources of revenues pledged to the payment of the Series 2022A Bonds, and from any other legally available funds, at the times required pursuant to Section 148(f) of the Code, the excess of the amount earned on all nonpurpose investments (as defined in Section 148(f)(6) of the Code) over the amount which would have been earned if such nonpurpose investments were invested at a rate equal to the yield on the Series 2022A Bonds, plus any income attributable to such excess (the "Rebate Amount");

(b) to maintain and retain all records pertaining to and to be responsible for making or causing to be made all determinations and calculations of the Rebate Amount and required payments of the Rebate Amount as shall be necessary to comply with the Code;

(c) to refrain from using proceeds from the Series 2022A Bonds in a manner that would cause the Series 2022A Bonds to be classified as private activity bonds under Section 141(a) of the Code; and

(d) to refrain from taking any action that would cause the Series 2022A Bonds, or any of them, to become arbitrage bonds under Section 148 of the Code.

The City understands that the foregoing covenants impose continuing obligations on the City to comply with the requirements of the Code so long as such requirements are applicable.

SECTION 11. APPROVAL OF FORM OF PAYING AGENT AND BOND REGISTRAR AGREEMENT; DESIGNATION OF PAYING AGENT AND BOND REGISTRAR. The execution and delivery of the Paying Agent and Bond Registrar Agreement is hereby authorized and approved. The City Commission hereby authorizes and directs the City Manager to determine the final provisions of the Paying Agent and Bond Registrar Agreement. The Mayor or the City Manager is hereby authorized to execute and the City Clerk is hereby authorized to attest to, seal and deliver the Paying Agent and Bond Registrar Agreement in substantially the form approved at this meeting and attached hereto as Exhibit "C," subject to such changes, insertions and omissions and such filling in of blanks therein as hereinafter may be approved and made by the City Manager upon the advice of the City Attorney and Bond Counsel. The execution, attestation and delivery of the Paying Agent and Bond Registrar Agreement, as described herein, shall be conclusive evidence of the City Commission's approval of any such determinations, changes, insertions, omissions or filling in of blanks. Wilmington Trust, National Association, Buffalo, New York, is hereby designated to serve as initial Paying Agent and Bond Registrar for the Series 2022A Bonds under this Bond Resolution.

SECTION 12. PRELIMINARY OFFICIAL STATEMENT; OFFICIAL STATEMENT. The printing and use of a Preliminary Official Statement in connection with the marketing of the Series 2022A Bonds is hereby authorized. The Preliminary Official Statement in substantially the form attached hereto as Exhibit "D" is hereby approved with such changes, insertions and omissions and such filling in of blanks therein as may be approved by the City Manager. The Mayor and the City Manager are hereby authorized to approve and execute, on behalf of the City, an Official Statement relating to the Series 2022A Bonds with such changes from the Preliminary Official Statement, within the authorizations and limitations contained herein, as the Mayor and the City Manager, in their sole discretion, may approve, upon the advice of the City Attorney, Disclosure Counsel and Bond Counsel, such execution to be conclusive evidence of such approval. The City Manager is hereby authorized to deem the Preliminary Official Statement final for the purposes of Rule 15c2-12 of the Securities and Exchange Commission (the "Rule").

SECTION 13. CONTINUING DISCLOSURE. For the benefit of the holders and beneficial owners from time to time of the Series 2022A Bonds, the City agrees, in accordance with and as the only obligated person with respect to the Series 2022A Bonds under the Rule, to provide or cause to be provided such financial information and operating data, financial statements and notices, in such manner, as may be required for purposes of paragraph (b)(5) of the Rule. In order to describe and specify certain terms of the City's continuing disclosure undertaking, including provisions for enforcement, amendment and termination thereof, the City Commission hereby authorizes the execution and delivery of the Continuing Disclosure Commitment and appoints Digital Assurance Certification, LLC to serve as the initial Dissemination Agent under the

Continuing Disclosure Commitment. The agreement formed, collectively, by this paragraph and the Continuing Disclosure Commitment shall be the City's continuing disclosure agreement for purposes of the Rule. Notwithstanding any other provisions of this Bond Resolution, any failure by the City to comply with any provisions of the Continuing Disclosure Commitment or this Section 13 shall not constitute a default under this Bond Resolution and the remedies therefor shall be solely as provided in the Continuing Disclosure Commitment.

In order to implement the continuing disclosure covenants contained in this Section 13 with respect to the Series 2022A Bonds, the City Commission hereby authorizes and directs the Mayor or the City Manager to execute and the City Clerk to attest to, seal and deliver the Continuing Disclosure Commitment in substantially the form approved at this meeting and attached hereto as Exhibit "E," subject to such changes, insertions and omissions and such filling in of blanks therein as hereafter may be approved by the City Manager upon the advice of the City Attorney, Disclosure Counsel and Bond Counsel. The execution, attestation and delivery of the Continuing Disclosure Commitment by the Mayor or the City Manager and the City Clerk shall be conclusive evidence of the City Commission's approval of any changes, insertions, omissions or filling in of blanks in the Continuing Disclosure Commitment.

The Director of Finance is further authorized and directed to establish, or cause to be established, procedures to ensure compliance by the City with the Continuing Disclosure Commitment, including the timely provision of information and notices. Prior to making any filing in accordance with such agreement, the Director of Finance shall consult with, as appropriate, the City Attorney, Disclosure Counsel or Bond Counsel. The Director of Finance, acting in the name and on behalf of the City, shall be entitled to rely upon any legal advice provided by the City Attorney, Disclosure Counsel or Bond Counsel in determining whether any filing should be made.

**SECTION 14. FURTHER AUTHORIZATIONS.** The Mayor, the City Manager, the Director of Finance, the City Attorney and the City Clerk or any of them and such other officers and employees of the City as may be designated by the Mayor or the City Manager are each designated as agents of the City in connection with the sale, issuance and delivery of the Series 2022A Bonds and are authorized and empowered, collectively or individually, to take all action and steps and to execute all instruments, documents and contracts on behalf of the City, including, but not limited to, the execution and delivery of documentation required in connection with the public sale of the Series 2022A Bonds by competitive bids through an internet bidding process, that are necessary or desirable in connection with the sale, execution and delivery of the Series 2022A Bonds, and which are specifically authorized or are not inconsistent with the terms and provisions of this Bond Resolution or any action relating to the Series 2022A Bonds heretofore taken by the City. Such officers and those so designated are hereby charged with the responsibility for the issuance of the Series 2022A Bonds.

SECTION 15. MODIFICATION OR AMENDMENT. This Bond Resolution may be modified and amended and all appropriate blanks appearing herein may be completed by the City from time to time prior to the issuance of the Series 2022A Bonds. Thereafter, no modification or amendment of this Bond Resolution or of any resolution or ordinance amendatory hereof or supplemental hereto materially adverse to the Bondholders may be made without the consent in writing of the owners of not less than a majority in aggregate principal amount of the Outstanding Bonds, but no modification or amendment shall permit a change (a) in the maturity of the Series 2022A Bonds or a reduction in the rate of interest thereon, (b) in the amount of the principal obligation of any Series 2022A Bond, (c) that would affect the unconditional promise of the City to levy and collect taxes as herein provided, or (d) that would reduce such percentage of holders of the Series 2022A Bonds required above for such modifications or amendments, without the consent of all of the Bondholders. For the purpose of Bondholders' voting rights or consents, the Series 2022A Bonds owned by or held for the account of the City, directly or indirectly, shall not be counted.

The foregoing notwithstanding, a resolution adopted by the City Commission to add a new Parks and Recreation Project or to substitute for a Parks and Recreation Project on the initial list of Parks and Recreation Projects listed in Schedule "A" hereto, shall not be considered an amendment of this Bond Resolution that must comply with the provisions of this Section 15.

SECTION 16. DEFEASANCE AND RELEASE. If, at any time after the date of issuance of the Series 2022A Bonds (a) all Series 2022A Bonds secured hereby or any maturity thereof shall have become due and payable in accordance with their terms or otherwise as provided in this Bond Resolution, or shall have been duly called for redemption, or the City shall have given irrevocable instructions directing the payment of the principal of, redemption premium, if any, and interest on such Series 2022A Bonds at maturity or at any earlier redemption date scheduled by the City, or any combination thereof, (b) the full amount of the principal, redemption premium, if any, and the interest so due and payable upon all of such Series 2022A Bonds then Outstanding or any portion of such Series 2022A Bonds, at maturity or upon redemption, shall be paid, or sufficient moneys or Government Obligations which are not callable prior to maturity and which mature not later than the maturity or redemption dates of such principal, redemption premium, if any, and interest, which, together with the income realized on such investments, shall be sufficient (which sufficiency shall be verified by a firm with a favorable reputation for the preparation of verification reports selected by the City) to pay all such principal, redemption premium, if any, and interest on said Series 2022A Bonds at the maturity thereof or the date upon which such Series 2022A Bonds are to be called for redemption prior to maturity, shall be held by an Authorized Depository or the Paying Agent in irrevocable trust for the benefit of such Bondholders (whether or not in any accounts created hereby), and (c) provision shall also be made for paying all other sums payable hereunder by the City, including compensation due the Bond Registrar and the Paying Agent, then and in that case such Series 2022A Bonds shall be deemed paid, satisfied and discharged and the right, title and interest of such Bondholders hereunder shall thereupon cease, terminate and become void; otherwise, this Bond Resolution shall be, continue and remain

in full force and effect. Notwithstanding anything in this Section 16 to the contrary, however, the obligations of the City under Section 9 hereof shall remain in full force and effect until such time as such obligations are fully satisfied.

Notwithstanding the foregoing, all references to the discharge and satisfaction of Series 2022A Bonds shall include the discharge and satisfaction of any portion of the Series 2022A Bonds, and in such case, this Bond Resolution shall continue and remain in full force and effect with respect to the Series 2022A Bonds which have not been discharged and satisfied.

**SECTION 17. DEFAULT AND REMEDIES.** The following events shall each constitute an event of default under this Bond Resolution and the Series 2022A Bonds:

(a) failure to pay the principal of or interest or redemption premium, if any, on the Series 2022A Bonds as and when the same shall become due and payable;

(b) the dissolution or liquidation of the City, or the filing by the City of a voluntary petition in bankruptcy, or the commission by the City of any act of bankruptcy, or adjudication of the City as a bankrupt, or assignment by the City for the benefit of its creditors, or appointment of a receiver for the City, or the entry by the City into an agreement of composition with its creditors, or the approval by a court of competent jurisdiction of a petition applicable to the City in any proceeding for its reorganization instituted under the provisions of the federal Bankruptcy Act, as amended, or under any similar act in any jurisdiction which may be in effect or hereafter enacted; or

(c) the City shall default in the due and punctual performance of any other of the covenants, conditions, agreements and provisions contained in the Series 2022A Bonds or in this Bond Resolution on the part of the City to be performed, and such default shall continue for a period of thirty (30) days after written notice of the existence of such default is given to the City by the Bondholders of not less than twenty-five per cent (25%) of the aggregate principal amount of the Series 2022A Bonds then Outstanding.

The Bondholders may, during the continuance of such an event of default, either at law or in equity, by suit, mandamus or other proceedings in any court of competent jurisdiction, protect and enforce any and all rights under the laws of the State of Florida, or granted or contained in the Series 2022A Bonds or this Bond Resolution, and may enforce and compel the performance of all duties required by this Bond Resolution and the Series 2022A Bonds or by any applicable statute to be performed by the City or any officer thereof. The foregoing notwithstanding, the Series 2022A Bonds shall not be subject to acceleration.

**SECTION 18. SEVERABILITY.** If any one or more of the covenants, agreements or provisions of this Bond Resolution shall be held contrary to any express provisions of law or contrary to the policy of express law, though not expressly prohibited, or against public policy, or shall for any

reason whatsoever be held invalid by a court of competent jurisdiction, then such covenants, agreements or provisions shall be null and void and shall be deemed separate from the remaining covenants, agreements or provisions of this Bond Resolution or of the Series 2022A Bonds.

SECTION 19. NO THIRD PARTY BENEFICIARIES. Except as herein otherwise expressly provided, nothing in this Bond Resolution expressed or implied is intended or shall be construed to confer upon any person, firm or corporation other than the parties hereto and the owners and holders of the Series 2022A Bonds issued under and secured by this Bond Resolution, any right, remedy or claim, legal or equitable, under or by reason of this Bond Resolution or any provision hereof, this Bond Resolution and all its provisions being intended to be and being for the sole and exclusive benefit of the parties hereto and the owners and holders from time to time of the Series 2022A Bonds.

SECTION 20. CONTROLLING LAW, MEMBERS OF CITY COMMISSION, OFFICIALS, AGENTS, EMPLOYEES OF THE CITY NOT LIABLE. All covenants, stipulations, obligations and agreements of the City contained in this Bond Resolution shall be deemed to be covenants, stipulations, obligations and agreements of the City to the full extent authorized and provided by the Act. No covenant, stipulation, obligation or agreement contained herein shall be deemed to be a covenant, stipulation, obligation or agreement of any present or future member of the City Commission, or official, agent or employee of the City in his or her individual capacity, and neither the members of the City Commission nor any official executing the Series 2022A Bonds nor any official, agent or employee of the City shall be liable personally on the Series 2022A Bonds or this Bond Resolution or shall be subject to any personal liability or accountability by reason of the issuance of the Series 2022A Bonds or the execution thereof.

SECTION 21. QUALIFICATION FOR THE DEPOSITORY TRUST COMPANY. There is hereby established a system of book-entry only, uncertificated registration with respect to the Series 2022A Bonds, as permitted by Chapter 279, Florida Statutes. The system shall be as described in the Official Statement. The City reserves the right to amend, discontinue or reinstitute this system from time to time, subject to the covenants with the beneficial owners of the Series 2022A Bonds. Neither the City nor the Bond Registrar shall be liable for the failure of the depository of the Series 2022A Bonds to perform its obligations as described in the Official Statement, nor for the failure of any participant in the system maintained by the depository to perform any obligation the participant may incur to a beneficial owner of any Series 2022A Bond.

Notwithstanding any other provision hereof, the City, the Bond Registrar and the Paying Agent are hereby authorized to take such actions as may be necessary to qualify the Series 2022A Bonds for deposit with DTC, including but not limited to those actions as may be required under the Blanket Issuer Letter of Representations, wire transfers of interest and principal payments with respect to the Series 2022A Bonds, utilization of electronic book entry data received from DTC in place of actual delivery of Series 2022A Bonds and provisions of notice with respect to

Series 2022A Bonds registered by DTC (or any of its designees identified to the City, the Bond Registrar or the Paying Agent) by overnight delivery, courier service, telegram, telecopy or other similar means of communication. The Blanket Issuer Letter of Representations is hereby ratified, confirmed and re-approved.

SECTION 22. REPEAL OF INCONSISTENT RESOLUTIONS. All resolutions or parts of resolutions in conflict herewith are hereby repealed to the extent of such conflict.

SECTION 23. EFFECTIVE DATE. This Bond Resolution shall take effect immediately upon its adoption.

Notice of call for redemption is to be given by mailing a copy of the redemption notice by registered or certified mail at least thirty (30) days prior to the date fixed for redemption to the Registered Owner of each Bond to be redeemed at the address shown on the registration books maintained by Wilmington Trust, National Association, Buffalo, New York, as Bond Registrar, or any successor Bond Registrar appointed by the City pursuant to the Bond Resolution. Failure to give such notice by mailing to any bondholder, or any defect therein, shall not affect the validity of the proceedings for the redemption of any Bond or portion thereof with respect to which no such failure or defect has occurred. All such Bonds called for redemption and for the retirement of which funds are duly provided will cease to bear interest on such redemption date. The Bond Resolution authorizes the City to give a conditional notice of optional redemption pursuant to which the City retains the right to rescind such notice on or prior to the scheduled redemption date upon the occurrence or non-occurrence of a particular event as described in such conditional notice of redemption.

So long as this Bond is held by The Depository Trust Company or its designee, all such notices of redemption shall only be sent to The Depository Trust Company or its designee.

This Bond may be transferred upon the registration books of the City upon delivery thereof to the designated corporate trust office of the Bond Registrar accompanied by a written instrument or instruments of transfer in form and with guaranty of signature satisfactory to the Bond Registrar, duly executed by the Registered Owner of this Bond or by his attorney-in-fact or legal representative, containing written instructions as to the details of transfer of this Bond, along with the social security number or federal employer identification number of such transferee. In all cases of a transfer of a Bond, the Bond Registrar shall at the earliest practical time in accordance with the provisions of the Bond Resolution enter the transfer of ownership in the registration books and shall deliver in the name of the new transferee or transferees a new fully registered Bond or Bonds of the same maturity and of authorized denomination or denominations, for the same

aggregate principal amount and payable from the same source of funds. The City and the Bond Registrar may charge the owner of such Bond for the registration of every transfer or exchange of a Bond an amount sufficient to reimburse them for any tax, fee or any other governmental charge required (other than by the City) to be paid with respect to the registration of such transfer, and may require that such amounts be paid before any such new Bond shall be delivered.

If the date for payment of the principal of, redemption premium, if any, or interest on this Bond or the date for the taking of any action in connection with this Bond shall be a Saturday, Sunday, legal holiday or a day on which banking institutions in the city where the designated corporate trust office of the Paying Agent is located are authorized by law or executive order to close, then the date for such payment or the taking of such action shall be the next succeeding day which is not a Saturday, Sunday, legal holiday or a day on which such banking institutions are authorized to close, and payment or the taking of such action on such day shall have the same force and affect as if made or taken on the nominal date specified for the payment or action.

The City has established a book-entry system of registration for the series of Bonds of which this is one. Except as specifically provided otherwise in the Bond Resolution, an agent will hold this Bond on behalf of the beneficial owner hereof. By acceptance of a confirmation of purchase, delivery or transfer, the beneficial owner of this Bond shall be deemed to have agreed to such arrangement.

It is hereby certified and recited that this Bond is authorized by and is issued in conformity with the requirements of the Constitution and statutes of the State of Florida; that all acts, conditions and things required to exist, to happen, and to be performed precedent to the issuance of this Bond exist, have happened and have been performed in regular and due form and time as required by the laws and Constitution of the State of Florida applicable hereto; that the issuance of the Bonds of this issue does not violate any constitutional or statutory limitation or provision; that due provision has been made for the levy and collection of an annual tax, without limitation as to rate or amount, upon all taxable property within the corporate limits of the City (excluding exemptions as provided by applicable law), in addition to all other taxes sufficient to pay the principal of and interest on the Bonds as the same shall become due and payable, which tax shall be assessed, levied and collected at the same time and in the same manner as other taxes are assessed, levied and collected within the corporate limits of the City; and that the full faith, credit and taxing power of the City are pledged to the punctual payment of the principal of, redemption premium, if any, and interest on the Bonds, as the same shall become due and payable.

The Series 2022A Bonds shall be issued only as fully registered bonds without coupons in the denominations of \$5,000 or any integral multiple thereof, shall be dated their date of delivery, and shall bear interest as set forth in this Official Notice of Bond Sale and in the Preliminary Official Statement, payable semi-annually on January 1 and July 1 of each year until paid, commencing on July 1, 2023.

The Series 2022A Bonds will be initially issued by means of a book-entry system with no physical distribution of bond certificates made to the public. One bond certificate for each maturity will be issued to The Depository Trust Company, New York, New York (“DTC”) and immobilized in its custody. The book-entry system will evidence ownership interests in the Series 2022A Bonds in the principal amount of \$5,000 or any integral multiple thereof, with transfers of ownership

interests affected on the records of DTC and its participants pursuant to rules and procedures established by DTC and its participants. The successful bidder, as a condition to delivery of the Series 2022A Bonds, shall be required to deposit the certificates with DTC, registered in the name of Cede & Co., its nominee. Transfer of principal and interest payments to participants of DTC will be the responsibility of DTC, and transfer of principal and interest payments to beneficial owners of the Series 2022A Bonds by participants of DTC will be the responsibility of such participants and other nominees of beneficial owners. Principal of the Series 2022A Bonds will be payable upon presentation and surrender thereof at the designated corporate office of the Paying Agent (described below) on the dates, in the years and amounts established in accordance with the award of the Series 2022A Bonds, as the same may be adjusted as described under “ADJUSTMENT OF PRINCIPAL AMOUNTS OF MATURITIES” herein. Interest on the Series 2022A Bonds is payable on the dates stated above and as shown in the Summary Table set forth herein (the “Summary Table”). The Paying Agent will mail interest payments on the Series 2022A Bonds on each interest payment date to the owners of the Series 2022A Bonds, as described in the Bond Resolution (as defined herein). So long as DTC or its nominee is the registered owner of the Series 2022A Bonds, payments of principal of and interest on the Series 2022A Bonds will be made to DTC or its nominee.

In the event that (a) DTC determines not to continue to act as securities depository for the Series 2022A Bonds or (b) the City determines that it should not continue the book-entry system of evidence and transfer of ownership of the Series 2022A Bonds, the City will discontinue the book-entry system with DTC. If the City fails to identify another qualified securities depository to replace DTC, the City will deliver replacement Series 2022A Bonds in the form of fully registered certificates.

**ADJUSTMENT OF PRINCIPAL AMOUNTS OF MATURITIES**

The City may cancel the sale of the Series 2022A Bonds or adjust the principal amounts of the maturities. The City may increase or decrease the principal amount of any maturity of the Series 2022A Bonds as shown in the Summary Table provided that the aggregate principal amount of Series 2022A Bonds issued does not exceed \$62,000,000. The City will consult with the successful bidder before adjusting the principal amount of any maturity of the Series 2022A Bonds; however, the City reserves the sole right to make adjustments, within the limits described above, or cancel the sale of all of the Series 2022A Bonds.

Adjustment to the principal amounts of the maturities of the Series 2022A Bonds within the limits described above does not relieve the purchaser from its obligation to purchase all of the Series 2022A Bonds offered by the City.

Each bid must specify the interest rate and the initial reoffering price to the public of each maturity of Series 2022A Bonds, and the total purchase price of all of the Series 2022A Bonds. Adjustments may be made to the principal amounts based on the reoffering prices shown on PARITY®. In determining whether there will be any revision to the principal amount of the maturities of the Series 2022A Bonds subsequent to the bid opening and award, the City expects that changes may be made that are necessary to increase or decrease the principal amount of the

Series 2022A Bonds to meet the City's funding objectives, all subject to the limitations set forth above.

In the event that the principal amount of any maturity of the Series 2022A Bonds is revised after the award, the interest rate and reoffering price for each maturity and the Underwriter's Discount on the Series 2022A Bonds as submitted by the successful bidder shall be held constant. The "Underwriter's Discount" shall be defined as the difference between the purchase price of the Series 2022A Bonds submitted by the bidder and the price at which the Series 2022A Bonds will be issued to the public, calculated from information provided by the bidder, divided by the par amount of the Series 2022A Bonds bid.

## **RATINGS**

S&P Global Ratings and Moody's Investors Services, Inc. have assigned ratings of ["AAA"] [stable] outlook and ["Aa1"] ([positive] outlook), respectively, to the Series 2022A Bonds. The Series 2022A Bonds will not be insured by a municipal bond insurance policy.

## **OFFICIAL STATEMENT**

The Preliminary Official Statement, copies of which may be obtained as described below, is in a form "deemed final" by the City for purposes of clause (b)(1) of Rule 15c2-12 of the Securities and Exchange Commission ("Rule 15c2-12") but is subject to revision, amendment and completion in a final Official Statement in accordance with Rule 15c2-12. Upon the sale of the Series 2022A Bonds, the City will prepare a final Official Statement dated the date of the sale in substantially the same form as the Preliminary Official Statement (the "Final Official Statement"). Up to 200 copies of the Final Official Statement will be provided, at the City's expense, on a timely basis in such quantities as may be necessary for the successful bidder's regulatory compliance. The successful bidder will be furnished, without cost, the opinion of the Law Offices of Steve E. Bullock, P.A., Disclosure Counsel to the City ("Disclosure Counsel"), to the effect that, based solely on the participation of Disclosure Counsel in the preparation of the Final Official Statement and the examination of certain information by Disclosure Counsel, as described in such opinion, and excluding any financial, statistical or demographic data and information contained in the Final Official Statement, nothing has come to the attention of Disclosure Counsel which would lead Disclosure Counsel to believe that the Final Official Statement contains an untrue statement of material fact or omits to state a material fact required to be stated therein or necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading in any material respect.

## **ELECTRONIC BIDDING PROCEDURES**

Only electronic bids submitted via *PARITY*® will be accepted. No other provider of electronic bidding services will be accepted. No bid delivered in person or by facsimile directly to the City will be accepted. Bidders are permitted to submit bids for the Series 2022A Bonds during the bidding time period, provided they are eligible to bid as described under "GENERAL" above.

Each electronic bid submitted via *PARITY*® shall be deemed an irrevocable offer in response to this Official Notice of Bond Sale and shall be binding upon the bidder as if made by a

signed, sealed bid delivered to the City. All bids remain firm until an award is made. The successful bidder must confirm the details of such bid by a signed Official Confirmation of Bid Form, the form of which is attached hereto as Exhibit A, delivered by email to PFM Financial Advisors LLC, Financial Advisor to the City by email at [masvidals@pfm.com](mailto:masvidals@pfm.com) no later than one hour after being notified by the City of being the winning bidder, the original of which must be received by the Financial Advisor to the City on the following business day at 2222 Ponce de Leon Boulevard, Coral Gables, Florida 33134. Failure to deliver the Official Confirmation of Bid Form does not relieve the bidder of the obligation to purchase the Series 2022A Bonds.

## **FORM OF BID**

Bidders must bid to purchase all maturities of the Series 2022A Bonds. Each bid must specify (1) an annual rate of interest for each maturity, (2) the reoffering price for each maturity and (3) a dollar purchase price for the entire issue of the Series 2022A Bonds. No more than one (1) bid from any bidder will be considered.

A bidder must specify the rate or rates of interest per annum (with no more than one rate of interest per maturity), which the Series 2022A Bonds are to bear, to be expressed in multiples of 1/8 or 1/20 of 1%. Any number of interest rates may be named, but the Series 2022A Bonds of each maturity must bear interest at the same single rate for all bonds of that maturity. Ascending coupon rates are not required.

Each bid for the Series 2022A Bonds must meet the maximum coupon criteria and minimum and maximum reoffering price criteria shown in the Summary Table on a maturity and aggregate basis.

The winning bidder must assist the City in establishing the issue price of the Series 2022A Bonds as set forth in this Official Notice of Bond Sale under “ESTABLISHMENT OF ISSUE PRICE.” Reoffering prices presented as a part of the bids will not be used in computing the bidder’s true interest cost. As promptly as reasonably possible after bids are received, the City will notify the successful bidder that it is the apparent winner.

## **AWARD OF BID**

The City expects to provide written award of the Series 2022A Bonds to the winning bidder as soon as practicable after the bids are opened on the sale date, but only after the winning bidder has wire transferred the Good Faith Deposit to the City and the City has confirmed receipt of same. See “GOOD FAITH DEPOSIT” herein. Bids may not be withdrawn prior to the award. Unless all bids are rejected, the Series 2022A Bonds will be awarded by the City on the sale date to the bidder whose bid complies with this Official Notice of Bond Sale and results in the lowest true interest cost (“TIC”) to the City, but not exceeding the Maximum TIC permitted by the Bond Resolution. The lowest TIC will be determined by doubling the semi-annual interest rate, compounded semi-annually, necessary to discount the debt service payments from the payment dates to the dated date of the Series 2022A Bonds and to the aggregate purchase price of the Series 2022A Bonds. Only the final bid submitted by any bidder through *PARITY*® will be considered. The right reserved to the City shall be final and binding upon all bidders with respect to the form and adequacy of any proposal received and as to its conformity to the terms of this Official Notice of Bond Sale.

## **RIGHT OF REJECTION**

The City reserves the right, in its discretion, to reject any and all bids and to waive irregularity or informality in any bid.

## **DELIVERY AND PAYMENT**

It is anticipated that the Series 2022A Bonds in definitive form will be available for delivery on or about the delivery date shown in the Summary Table in New York City at DTC, or such other date and place to be mutually agreed upon by the successful bidder and the City against payment of the purchase price therefor, to be delivered in Federal Reserve funds without cost to the City. The City intends to conduct the closing by telephone.

## **GOOD FAITH DEPOSIT**

If the City selects a winning bid, then the successful bidder is required to submit a “Good Faith Deposit” (the “Deposit”) to the City in the form of a wire transfer in the amount of \$620,000.00 (Six Hundred Twenty Thousand and 00/100 Dollars). Such Deposit must be submitted to the City no later than 1:00 p.m. Eastern Standard Time on the same day as the sale date. The City will provide written award to the winning bidder upon confirmation that the Deposit has been received. If the Deposit is not received by 1:00 p.m. EST on the sale date, the City reserves the right to withdraw the award to the successful bidder and award to a qualified bidder having submitted the second lowest TIC or to solicit new bids for the purchase of the Series 2022A Bonds. The Deposit of the successful bidder will be collected and the proceeds thereof retained by the City to be applied in partial payment of the purchase price for the Series 2022A Bonds. No interest will be allowed or paid upon the amount of the Deposit, but in the event the successful bidder shall fail to comply with the terms of the bid, the Deposit will be retained as liquidated damages, without waiving the City’s other rights at law or in equity.

Payment of the Deposit shall be made by the winning bidder to the City by wire transfer in accordance with the wire transfer instructions that will be provided to the winning bidder on the sale date. Please email [sugrant@fortlauderdale.gov](mailto:sugrant@fortlauderdale.gov), with a copy to [masvidals@pfm.com](mailto:masvidals@pfm.com), to confirm amount wired and time wire sent.

## **CLOSING DOCUMENTS**

The City will furnish to the successful bidder, upon delivery of the Series 2022A Bonds, the following closing documents in a form satisfactory to Greenberg Traurig, P.A., Bond Counsel: (1) signature and no-litigation certificate; (2) arbitrage and tax certificate; (3) certificate regarding information in the Official Statement; (4) continuing disclosure certificate; and (5) seller’s receipt as to payment. A copy of the transcript of the proceedings authorizing the Series 2022A Bonds will be delivered to the successful bidder of the Series 2022A Bonds upon completion of the bound transcripts. Copies of the form of such closing papers and certificates may be obtained from the City.

## ESTABLISHMENT OF ISSUE PRICE<sup>1</sup>

(a) The winning bidder shall assist the City in establishing the issue price of the Series 2022A Bonds and shall execute and deliver to the City upon issuance of the Series 2022A Bonds (the “Closing Date”) an “issue price” or similar certificate setting forth the reasonably expected initial offering price to the public or the sales price or prices of the Series 2022A Bonds, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as Exhibit B, with such modifications as may be appropriate or necessary, in the reasonable judgment of the winning bidder, the City and Bond Counsel. All actions to be taken by the City under this Official Notice of Bond Sale to establish the issue price of the Series 2022A Bonds may be taken on behalf of the City by the City’s Financial Advisor, PFM Financial Advisors LLC, and any notice or report to be provided to the City may be provided to the City’s Financial Advisor.

(b) The City intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining “competitive sale” for purposes of establishing the issue price of the Series 2022A Bonds) will apply to the initial sale of the Series 2022A Bonds (the “competitive sale requirements”) because:

- (i) the City shall disseminate this Official Notice of Bond Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters;
- (ii) all bidders shall have an equal opportunity to bid;
- (iii) the City may receive bids from at least three underwriters of municipal bonds who represent to have established industry reputations for underwriting new issuances of municipal bonds; and
- (iv) the City anticipates awarding the sale of the Series 2022A Bonds to the bidder who submits a firm offer to purchase the Series 2022A Bonds at the highest price (or lowest interest cost), as set forth in this Official Notice of Bond Sale.

Any bid submitted pursuant to this Official Notice of Bond Sale shall be considered a firm offer for the purchase of the Series 2022A Bonds, as specified in the bid. In the event that the competitive sale requirements described herein are satisfied, the City’s Financial Advisor shall execute and deliver on the Closing Date a Certificate of Financial Advisor substantially in the form attached hereto as Exhibit C.

(c) In the event that the competitive sale requirements are not satisfied, the City shall so advise the winning bidder. The City may determine to treat (i) the first price at which 10% of a maturity of the Series 2022A Bonds (the “10% test”) is sold to the public as the issue price of that maturity and/or (ii) the initial offering price to the public as of the sale date of any maturity of the Series 2022A Bonds as the issue price of that maturity (the “hold-the-offering-price rule”), in each case applied on a maturity-by-maturity basis. The winning bidder shall advise the City if any maturity of the Series 2022A Bonds satisfies the 10% test as of the date and time of the award of

---

<sup>1</sup> Note: 10% or Hold-the-Offering-Price Rule may apply if Competitive Sale Requirements are not satisfied.

the Series 2022A Bonds. The City shall promptly advise the winning bidder, at or before the time of award of the Series 2022A Bonds, which maturities of the Series 2022A Bonds shall be subject to the 10% test or shall be subject to the hold-the-offering-price rule. Bids will not be subject to cancellation in the event that the City determines to apply the hold-the-offering-price rule to any maturity of the Series 2022A Bonds. Bidders should prepare their bids on the assumption that some or all of the maturities of the Series 2022A Bonds will be subject to the hold-the-offering-price rule in order to establish the issue price of the Series 2022A Bonds.

(d) By submitting a bid, the winning bidder shall (i) confirm that it and all other underwriters that are participating in the winning bidder's bid have offered or will offer the Series 2022A Bonds to the public on or before the date of award at the offering price or prices (the "initial offering price"), or at the corresponding yield or yields, set forth in the bid submitted by the winning bidder and (ii) agree, on behalf of itself and all other underwriters participating in the winning bidder's bid for the purchase of the Series 2022A Bonds, that the underwriters will neither offer nor sell unsold Series 2022A Bonds of any maturity to which the hold-the-offering-price rule shall apply to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (A) the close of the fifth (5<sup>th</sup>) business day after the sale date; or
- (B) the date on which the underwriters have sold at least 10% of that maturity of the Series 2022A Bonds to the public at a price that is no higher than the initial offering price to the public.

The winning bidder will advise the City promptly after the close of the fifth (5<sup>th</sup>) business day after the sale date whether it has sold 10% of that maturity of the Series 2022A Bonds to the public at a price that is no higher than the initial offering price to the public.

(e) If the competitive sale requirements are not satisfied, then until the 10% test has been satisfied as to each maturity of the Series 2022A Bonds, the winning bidder agrees to promptly report to the City the prices at which the unsold Series 2022A Bonds of that maturity have been sold to the public. That reporting obligation shall continue, whether or not the Closing Date has occurred, until either (i) all the Series 2022A Bonds of that maturity have been sold or (ii) the 10% test has been satisfied as to the Series 2022A Bonds of that maturity, provided that, the winning bidder's reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the City or bond counsel.

(f) The City acknowledges that, in making the representations set forth above, the winning bidder will rely on (i) the agreement of each underwriter to comply with the requirements for establishing issue price of the Series 2022A Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Series 2022A Bonds, as set forth in an agreement among underwriters and the related pricing wires, (ii) in the event a selling group has been created in connection with the initial sale of the Series 2022A Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the requirements for establishing issue price of the Series 2022A Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Series 2022A Bonds, as set forth in a selling group agreement and the related pricing wires, and (iii) in the event that an underwriter or dealer who is a member of the selling group is a party to a third-party distribution

agreement that was employed in connection with the initial sale of the Series 2022A Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the requirements for establishing issue price of the Series 2022A Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Series 2022A Bonds, as set forth in the third-party distribution agreement and the related pricing wires. The City further acknowledges that each underwriter shall be solely liable for its failure to comply with its agreement regarding the requirements for establishing issue price of the Series 2022A Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Series 2022A Bonds, and that no underwriter shall be liable for the failure of any other underwriter, or of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a third-party distribution agreement to comply with its corresponding agreement to comply with the requirements for establishing issue price of the Series 2022A Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule if applicable to the Series 2022A Bonds.

(g) By submitting a bid, each bidder confirms that:

(i) any agreement among underwriters, any selling group agreement and each third-party distribution agreement (to which the bidder is a party) relating to the initial sale of the Series 2022A Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such third party distribution agreement, as applicable:

(A)(1) to report the prices at which it sells to the public the unsold Series 2022A Bonds of each maturity allocated to it, whether or not the Closing Date has occurred until either all Series 2022A Bonds of that maturity allocated to it have been sold or until it is notified by the winning bidder that the 10% test has been satisfied as to the Series 2022A Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the winning bidder and (2) to comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the winning bidder and as set forth in the related pricing wires.

(B) to promptly notify the winning bidder of any sales of Series 2022A Bonds that, to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the initial sale of the Series 2022A Bonds to the public (each such term being used as defined below), and

(C) to acknowledge that, unless otherwise advised by the underwriter, dealer or broker-dealer, the winning bidder shall assume that each order submitted by the underwriter, dealer or broker-dealer is a sale to the public.

(ii) any agreement among underwriters or selling group agreement relating to the initial sale of the Series 2022A Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter or dealer that is a party to a third-party distribution agreement to be employed in connection with

the initial sale of the Series 2022A Bonds to the public to require each broker-dealer that is a party to such third-party distribution agreement to (A) report the prices at which it sells to the public the unsold Series 2022A Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Series 2022A Bonds of that maturity allocated to it have been sold or it is notified by the winning bidder or such underwriter that the 10% test has been satisfied as to the Series 2022A Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the winning bidder or such underwriter and (B) comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the winning bidder or the underwriter and as set forth in the related pricing wires.

(h) Sales of any Series 2022A Bonds to any person that is a related party to an underwriter participating in the initial sale of the Series 2022A Bonds to the public (each such term being used as defined below) shall not constitute sales to the public for purposes of this Official Notice of Bond Sale. Further, for purposes of this Official Notice of Bond Sale:

- (i) “public” means any person other than an underwriter or a related party,
- (ii) “underwriter” means (A) any person that agrees pursuant to a written contract with the City (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Series 2022A Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Series 2022A Bonds to the public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Series 2022A Bonds to the public),
- (iii) a purchaser of any of the Series 2022A Bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (A) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and
- (iv) “sale date” means the date that the Series 2022A Bonds are awarded by the City to the winning bidder, which is expected to be December 6, 2022.

## **DISCLOSURE OBLIGATIONS OF THE PURCHASER**

Section 218.38(1)(b)(2), Florida Statutes, requires that the successful bidder file a statement with the City containing information with respect to any fee, bonus or gratuity paid, in

connection with the Series 2022A Bonds, by any underwriter or financial consultant to any person not regularly employed or engaged by such underwriter or consultant. Receipt of such statement is a condition precedent to the delivery of the Series 2022A Bonds to such successful bidder. The successful bidder must (1) **complete the Truth-in-Bonding Statement (the form of which is attached hereto as Exhibit D), pursuant to Section 218.385, Florida Statutes, as amended, and submit such form to the City, by email at [sugrant@fortlauderdale.gov](mailto:sugrant@fortlauderdale.gov), with a copy to [masvidals@pfm.com](mailto:masvidals@pfm.com), at the time it is determined that such bidder's bid is the winning bid (but prior to the official award), stating the amount of the total interest to be paid over the life of the Series 2022A Bonds**, and (2) indicate whether such successful bidder has paid any finder's fee to any person in connection with the sale of the Series 2022A Bonds in accordance with Section 218.386, Florida Statutes.

## **LEGAL OPINION**

The successful bidder will be furnished, without cost, with the approving opinion of Bond Counsel to the effect that, based on existing law (i) assuming continuing compliance with certain covenants and the accuracy of certain representations, interest on the Series 2022A Bonds is excludable from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals under the Internal Revenue Code of 1986, as amended (the "Code"); provided that for purposes of the alternative minimum tax imposed by Section 55(b)(2) of the Code on applicable corporations (as defined in Section 59(k) of the Code), interest on the Series 2022A Bonds is not excluded from the determination of adjusted financial statement income; and (ii) the Series 2022A Bonds and the interest thereon are not subject to taxation under the laws of the State of Florida, except as to estate taxes and taxes imposed by Chapter 220, Florida Statutes, as amended, on interest, income or profits on debt obligations owned by corporations as defined therein.

## **CUSIP NUMBERS**

It is anticipated that CUSIP identification numbers will be printed on the Series 2022A Bonds, but neither the failure to print such number on any Series 2022A Bond nor any error with respect thereto shall constitute cause for failure or refusal by the successful bidder to accept delivery of and pay for the Series 2022A Bonds in accordance with its agreement to purchase the Series 2022A Bonds. Bond Counsel will not review or express any opinion as to the correctness of such CUSIP numbers. The policies of the CUSIP Service Bureau will govern the assignment of specific numbers to the Series 2022A Bonds. All expenses in relation to the printing of CUSIP numbers on the Series 2022A Bonds shall be paid for by the City. The City's Financial Advisor will request the assignment of CUSIP numbers in accordance with MSRB Rule G-34.

## **BLUE SKY**

The City has not undertaken to register the Series 2022A Bonds under the securities laws of any state, nor investigated the eligibility of any institution or person to purchase or participate in the underwriting of the Series 2022A Bonds under any applicable legal investment, insurance, banking or other laws. By submitting a bid for the Series 2022A Bonds, the successful bidder represents that the sale of the Series 2022A Bonds in states other than Florida will be made only under exemptions from registration or, wherever necessary, the successful bidder will register the Series 2022A Bonds in accordance with the securities laws of the state in which the Series 2022A

Bonds are offered or sold. The City agrees to cooperate with the successful bidder, at the successful bidder's written request and expense, in registering the Series 2022A Bonds or obtaining an exemption from registration in any state where such action is necessary; provided, however, that the City shall not be required to consent to suit or to service of process in any jurisdiction.

## **CONTINUING DISCLOSURE**

As further described in the Preliminary Official Statement, the City will covenant for the benefit of holders of the Series 2022A Bonds to provide certain financial information and operating data relating to the City not later than May 31 of each fiscal year (the "Annual Report"), and to provide, or cause to be provided, notices of the occurrence of certain enumerated events. The Annual Report and notices of material events will be filed by the City with the Municipal Securities Rulemaking Board. The covenants mentioned herein have been undertaken by the City in order to assist the successful bidder in complying with clause (b)(5) of Rule 15c2-12.

In order to implement its continuing disclosure obligations and facilitate compliance with the continuing disclosure requirements of Rule 15c2-12, the City will execute and deliver a Continuing Disclosure Commitment for the benefit of the holders of the Series 2022A Bonds. The City expects to appoint Digital Assurance Certification, LLC as the initial Disclosure Dissemination Agent under the Continuing Disclosure Commitment.

The undersigned, on behalf of PFM Financial Advisors LLC (the “Financial Advisor”), as the financial advisor to the City of Fort Lauderdale, Florida (the “Issuer”) in connection with the issuance of the above-captioned obligations (the “Series 2022A Bonds”), has assisted the Issuer in soliciting and receiving bids from potential underwriters in connection with the sale of the Series 2022A Bonds in a competitive bidding process in which bids were requested for the purchase of the Series 2022A Bonds at specified written terms, and hereby certifies as set forth below with respect to the bidding process and award of the Series 2022A Bonds.

(a) The Series 2022A Bonds were offered for sale at specified written terms more particularly described in the Official Notice of Bond Sale, which was distributed to potential bidders, a copy of which is attached to this certificate as Attachment 1.

(b) The Official Notice of Bond Sale was disseminated electronically through IHS Markit’s BiDCOMP/Parity® Competitive Bidding System and a summary of the Official Notice of Bond Sale was published in The Bond Buyer<sup>©</sup> newspaper on November \_\_, 2022. These methods of distribution of the Official Notice of Bond Sale are regularly used for purposes of disseminating notices of sale of new issuances of municipal bonds, and notices disseminated in such manner are widely available to potential bidders.

(c) To the knowledge of the Financial Advisor, all bidders were offered an equal opportunity to bid to purchase the Series 2022A Bonds so that, for example, if the bidding process afforded any opportunity for bidders to review other bids before providing a bid, no bidder was given an opportunity to review other bids that was not equally given to all other bidders (that is, no exclusive “last-look”).

(d) The Issuer received bids from at least three bidders, each of whom, by submitting a bid in accordance with the Official Notice of Bond Sale, represented that they have established industry reputations for underwriting new issuances of municipal bonds. ### TRUTH-IN-BONDING STATEMENT

For purpose of Section 218.385(2) and (3), Florida Statutes, as amended, we submit the following truth-in-bonding statement with respect to the Series 2022A Bonds: the City of Fort Lauderdale, Florida (the "City") is proposing to issue \$\_\_\_\_\_ of its General Obligation Bonds, Series 2022A (Parks and Recreation Projects) (the "Series 2022A Bonds") for the purpose of providing funds to (i) pay a portion of the cost of the Parks and Recreation Projects and (ii) pay the costs of issuance of the Series 2022A Bonds. This debt or obligation is expected to be repaid over a period of approximately 30 years. At an average interest rate of \_\_\_\_\_%, total interest paid over the life of the Series 2022A Bonds will be \$\_\_\_\_\_.

The source of repayment or security for the Series 2022A Bonds is a pledge of voter-approved ad valorem taxes, without limitation as to rate or amount, on all taxable property within the corporate limits of the City (excluding exemptions as provided by applicable laws), in addition to all other taxes, sufficient in amount to pay the principal of and interest on the Series 2022A Bonds as the same shall become due. This will result in approximately \$\_\_\_\_\_ of such taxes not being available annually to finance the other capital projects or services of the City for each year for approximately 30 years (it being understood that as voter-approved ad-valorem taxes, those taxes are expressly authorized for the payment of debt service on the Series 2022A Bonds and would not otherwise be available to the City for other purposes.)

The computations above are submitted for informational purposes and are not a part of this bid.

Furthermore, pursuant to Section 218.386, Florida Statutes, as amended, the names, addresses and estimated amounts of compensation of any person who has entered into an understanding with the managing underwriter or, to the managing underwriter's knowledge, the City, or both, for any paid or promised compensation or valuable consideration, directly or indirectly, express or implied, to act solely as an intermediary between the City and the managing underwriter or who exercises or attempts to exercise any influence to effect a transaction in the purchase of the Series 2022A Bonds, are set forth below in the space provided. If no information is provided below, the City shall presume no such compensation was paid.

[none]

Capitalized terms used but not defined herein shall have the meaning given to such terms in the Preliminary Official Statement dated November \_\_, 2022 relating to the Series 2022A Bonds.

As Paying Agent the Bank shall, provided adequate collected funds have been provided to it for such purpose by or on behalf of the City (if by check, at least five (5) business days prior to each payment date and if by wire, at least one (1) business day prior to each payment date) pay on behalf of the City on the payment date the interest on the Series 2022A Bonds when due by computing the amount of interest to be paid each Bondholder and (i) prepare and mail checks by first-class mail, postage prepaid, to the Bondholders of the Series 2022A Bonds (or their Predecessor Bonds) on the Record Date, addressed to their address appearing on the Bond Register; provided, however, that if ownership of the Series 2022A Bonds is maintained in a book-entry only system by a securities depository, such payment may be made by automated wire transfer to such securities depository or its nominee or (ii) wire funds to the Bondholders who have requested payment by wire transfer in accordance with Section 6.A. of the Bond Resolution, or (iii) utilize such other customary banking arrangements to which the Bondholders and the Bank agree.

The Bank expressly acknowledges its understanding and acceptance of its duties as Paying Agent under the Bond Resolution.

SECTION 4.02. **Payment Dates.**

The City hereby instructs the Bank to pay the principal of and interest on the Series 2022A Bonds on the dates specified or provided for in the Bonds, the Bond Resolution and other pertinent

documents relating to the Series 2022A Bonds from the account to be established with the Bank as Paying Agent designated the “Principal and Interest Account.”

## **ARTICLE V**

### **BOND REGISTRAR**

#### **SECTION 5.01.      Transfer and Exchange.**

The City shall keep and maintain at the Bank the Bond Register to provide for the registration and transfers of the Series 2022A Bonds. The Bank is hereby appointed “Bond Registrar” for the purpose of registering Bonds and transfers of Bonds as herein provided. The Bank agrees to maintain the Bond Register while it is Bond Registrar.

Upon surrender for transfer of any Bond at the designated corporate trust office of the Bank, the Bank shall, not more than three (3) business days after request and presentation, register and deliver, in the name of the designated transferee or transferees, one or more new fully registered Bonds of the same series, same maturity, of any authorized denominations, and of a like aggregate principal amount. To the extent so provided with respect to the Series 2022A Bonds, at the option of the Bondholder, Bonds may be exchanged for other Bonds of the same series, same maturity, of any authorized denominations, and of like aggregate principal amount, upon surrender of the Series 2022A Bonds to be exchanged at the corporate trust office of the Bank. Whenever any Bonds are to be surrendered for exchange, the City shall execute and the Bank shall authenticate, register and deliver the Series 2022A Bonds which the Bondholder making the exchange is entitled to receive.

All Bonds issued upon any transfer or exchange, after authentication by the Bank, shall be the valid obligations of the City, evidencing the same debt, and entitled to the same benefits hereunder and under the Bond Resolution, as the Series 2022A Bonds surrendered upon such transfer or exchange.

Every Bond surrendered for transfer or exchange shall be duly endorsed or accompanied by a written instrument of transfer, the signature on which has been guaranteed by an officer of a federal or state bank or a member of the Financial Industry Regulatory Authority, in form satisfactory to the Bank, duly executed by the Bondholder thereof or his attorney duly authorized in writing, and shall be numbered in order of their authentication by the Bank. The Bond Registrar may request any supporting documentation necessary to effect a re-registration.

No service charge shall be made to the Bondholder for any registration, transfer, or exchange of Bonds, but the City or the Bond Registrar may require payment of a sum sufficient to cover any tax, fee or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds.

#### **SECTION 5.02.      Certificates.**

In the event that the book-only entry system for the Series 2022A Bonds is terminated, the City shall provide an adequate inventory of unauthenticated Bond certificates to facilitate transfers of the Series 2022A Bonds. The Bank shall maintain any such Bond certificates in safekeeping

and will use reasonable care in maintaining such Bonds in safekeeping, being not less than the care which it takes in connection with other governments or corporations for which it serves as registrar, or which it maintains for its own securities.

SECTION 5.03. **Form of Bond Register.**

The Bank, as Bond Registrar, will maintain the record of the Bond Register in accordance with the Bank's general practices and procedures in effect from time to time. The Bank shall not be obligated to maintain such Bond Register in any form other than those which the Bank has currently available and currently utilizes at the time.

The Bond Register may be maintained in written form or in any other form capable of being converted into written form within a reasonable time.

SECTION 5.04. **List of Bondholders.**

The Bank will provide the City, at any time requested by the City, upon payment of any copying costs and costs of any reports, a copy of the information contained in the Bond Register. The City may also inspect the Bond Register at any time the Bank is customarily open for business, provided that reasonable time is allowed the Bank to provide a current listing or to convert the information into written form.

The Bank will not release or disclose the content of the Bond Register to any person other than to, or at the written request of, an Authorized Representative of the City, except upon receipt of a subpoena or court order. Upon receipt of a subpoena or court order the Bank will, if not prohibited by such subpoena or court order, notify the City so that the City may contest such subpoena or court order.

SECTION 5.05. **Return of Cancelled Certificates.**

The Bank will surrender to the City, if ownership of the Series 2022A Bonds is not maintained in a book-entry only system by a securities depository, at such reasonable intervals as it determines, certificates of destruction in lieu of which or in exchange for which other Bonds have been issued, or which have been paid.

SECTION 5.06. **Mutilated, Destroyed, Lost, or Stolen Bonds.**

The City hereby instructs the Bank to authenticate and deliver Bonds in exchange for or in lieu of mutilated, destroyed, lost, or stolen Bonds as long as the same does not result in an over-issuance, all in conformance with the requirements of the Bond Resolution.

If any Bond shall be reported lost, stolen or destroyed, evidence as to the ownership and the loss, theft or destruction thereof shall be submitted to the City and/or the Bank, and subject to indemnity provided pursuant to this Section 5.06, the City shall execute and thereupon the Bank will authenticate and deliver a new Bond in exchange for a mutilated Bond surrendered to it. The Bank will issue a new Bond in lieu of a Bond for which it received written representation from the Bondholder that the certificate representing such Bond is destroyed, lost or stolen, without the surrender or production of the original certificate. The Bank will pay on behalf of the City the

principal of a Bond for which it receives written representation that such Bond is destroyed, lost or stolen following the Stated Maturity of the Bond, without surrender or production of the original certificate.

The Bank will not issue a replacement Bond or pay such replacement Bond unless there is delivered to the Bank such security or indemnity as it may require (which may be by the Bank's blanket bond) to save both the Bank and the City harmless.

On satisfaction of the Bank and the City, the certificate number on the Bond will be cancelled with a notation on the Bond Register that it has been mutilated, destroyed, lost, or stolen, and a new Bond will be issued of the same series and of like tenor and principal amount bearing a number (according to the Bond Register) not contemporaneously outstanding.

The Bank may charge the Bondholder the Bank's reasonable fees and expenses in connection with issuing a new Bond in lieu of or exchange for a mutilated, destroyed, lost or stolen Bond.

SECTION 5.07.        **Transaction Information to City.**

The Bank will, within a reasonable time after receipt of a written request from the City, furnish the City information as to the Series 2022A Bonds it has paid pursuant to Section 4.01 hereof, Bonds it has delivered upon the transfer or exchange of any Bonds pursuant to Section 5.01 hereof, and Bonds it has delivered in exchange for or in lieu of mutilated, destroyed, lost or stolen Bonds pursuant to Section 5.06 hereof.

**ARTICLE VI**

**THE BANK**

SECTION 6.01.        **Duties of the Bank.**

The Bank undertakes to perform the duties of Paying Agent and Bond Registrar as set forth herein and in the Bond Resolution and agrees to use reasonable care in the performance thereof, and in the event of conflict with the Bond Resolution and this Agreement, the terms of the Bond Resolution shall govern. The Bank hereby agrees to use the funds deposited with it for payment of the principal of and interest on the Series 2022A Bonds, to pay the Series 2022A Bonds as the same shall become due and further agrees to establish and maintain all accounts and funds as may be required for the Bank to function as Paying Agent. The City will open an account with the Bank to hold the funds for the payment of the principal of and interest on the Series 2022A Bonds and designated the "City of Fort Lauderdale, Florida General Obligation Bonds, Series 2022A (Parks and Recreation Projects) Principal and Interest Account" (the "Principal and Interest Account").

SECTION 6.02.        **Reliance on Documents, Etc.**

(a) The Bank shall not be liable for any error of judgment made in good faith by a Responsible Officer. Notwithstanding any other provision of this Agreement or the Bond Resolution, the Bank shall not be liable for other than its negligence or willful misconduct in connection with any act or omission hereunder.

(b) No provisions of this Agreement shall require the Bank to expend or risk its own funds or otherwise incur any financial liability for performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity satisfactory to it against such risks or liability is not assured to it.

(c) The Bank may rely and shall be protected in acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note, security or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties. The Bank shall not be bound to make any investigation into the facts or matters stated in a resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note, security or other paper or document supplied by the City.

(d) The Bank may consult with counsel and the written advice of such counsel or any written opinion of counsel shall be full and complete authorization and protection with respect to any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(e) The Bank may exercise any of its powers hereunder and perform any duties hereunder either directly or by or through agents or attorneys of the Bank.

SECTION 6.03. **Recitals of the City.**

The recitals contained herein, in the Bond Resolution and in the Series 2022A Bonds shall be taken as the statements of the City and the Bank assumes no responsibility for their correctness.

The Bank shall in no event be liable from its own funds to the City, any Bondholder or Bondholders of any Bond or any other Person for any amount due on any Bond.

SECTION 6.04. **Bank May Hold Bonds.**

The Bank, in its individual or any other capacity, may become the owner or pledgee of Bonds and may otherwise deal with the City with the same rights it would have if it were not the Paying Agent and Bond Registrar.

SECTION 6.05. **Moneys Held by Bank.**

Money held by the Bank hereunder shall be segregated from any other funds of the Bank and the City, and such money shall be held for the benefit of the Bondholders of the Series 2022A Bonds. The Bank shall have no duties with respect to investment of funds deposited with it other than as directed by the Director of Finance, in accordance with Section 8 of the Bond Resolution.

Any money deposited with the Bank for the payment of the principal of or interest on any Bonds and remaining unclaimed three (3) years after payment thereof becomes due shall be paid by the Bank to the City, and the Bondholder of such Bonds shall thereafter look only to the City for payment thereof, and all liability of the Bank with respect to such moneys shall thereupon cease.

SECTION 6.06. **Bank Not a Trustee.**

This Agreement shall not be construed to require the Bank to enforce any remedy which any Bondholder may have against the City during any default or event of default under any agreement between any Bondholder and the City, including the Bond Resolution, or to act as trustee for such Bondholder.

SECTION 6.07. **Bank Not Responsible for Bonds.**

The Bank shall not be accountable for the use of any Bonds or for the use or application of the proceeds thereof.

SECTION 6.08. **Interpleader.**

The City and the Bank agree that the Bank may seek adjudication of any adverse claim, demand, or controversy over its person as well as funds on deposit, waive personal service of any process and agree that service of process by certified or registered mail, return receipt requested, to the addresses set forth in Section 7.03 hereof shall constitute adequate service. The City and the Bank further agree that the Bank has the right to file a Bill of Interpleader in any court of competent jurisdiction to determine the rights of any person claiming any interest herein.

SECTION 6.09 **Indemnification.**

To the extent authorized by law, the City shall indemnify the Bank, its officers, directors and employees ("Indemnified Parties") for, and hold them harmless against any loss, cost, claim, liability or expense arising out of or in connection with the Bank's acceptance or administration of the Bank's duties hereunder (except any loss, liability or expense as may be adjudged by a court of competent jurisdiction to have been caused by the Bank's negligence or willful misconduct), including the cost and expense (including its counsel fees) of defending itself against any claim or liability in connection with the exercise or performance of any of its powers, rights or duties under this Agreement. Such indemnity shall survive the termination or discharge of this Agreement or discharge of the Series 2022A Bonds. The indemnification provided for by this Section 6.09 may not exceed the limits established in Section 768.25, Florida Statutes. This Section 6.09 shall be interpreted and construed in a manner to comply with any applicable Florida Statutes, including, without limitation, Sections 725.06 and 725.08, Florida Statutes, if applicable.

In any case where notice to Bondholders is given by mail, neither the failure to mail such notice nor any defect in any notice so mailed to any particular Bondholder shall affect the sufficiency of such notice with respect to all other Bondholders. Where this Agreement provides for notice in any manner, such notice may be waived in writing by the Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Bondholders shall be filed with the Bank, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original and all of which shall constitute one and the same Agreement.

SECTION 7.10. **Termination.**

Subject to the Bond Resolution, this Agreement will terminate on the date the Bank issues its check or wire transfer for the final payment of principal of and interest on the Series 2022A Bonds.

This Agreement may be earlier terminated by either party with or without cause. Upon notice of such termination, the City reserves the right to appoint a successor Paying Agent and Bond Registrar. Such removal shall be effective thirty (30) days (or such longer period as may be set forth in such instrument) after delivery of an instrument in writing executed by the City; provided, however, that no such removal shall be effective until the successor Paying Agent and Bond Registrar appointed hereunder shall execute, acknowledge and deliver to the City and Bank an instrument accepting such appointment hereunder. If no such successor shall have accepted such appointment within thirty (30) days after such removal, the resigning or removed Paying Agent and Bond Registrar may petition a court of competent jurisdiction for the appointment of a successor. The Bank shall deliver all records and any unclaimed funds to the City or such successor without a right of set off for any fees, charges or expenses due to the Bank. However, the Bank is entitled to payment of all outstanding fees and expenses before delivering records to the City. In the event this Agreement is terminated by giving written notice, then the Bank agrees, upon request by the City, to give notice by first class mail to all registered Bondholders of the name and address of the successor Paying Agent and Bond Registrar. *In the opinion of Greenberg Traurig, P.A., Bond Counsel, under existing statutes, regulations, rulings and court decisions and assuming the accuracy of certain representations and continuing compliance with certain covenants, interest on the Series 2022A Bonds (as hereinafter defined) is excludable from gross income for federal income tax purposes, and, furthermore, interest on the Series 2022A Bonds is not an item of tax preference for purposes of the alternative minimum tax imposed on individuals. Bond Counsel is also of the opinion that the Series 2022A Bonds and the income thereon are not subject to taxation under the laws of the State of Florida, except as to estate taxes and taxes under Chapter 220, Florida Statutes, on interest, income or profits on debt obligations owned by corporations as defined in Chapter 220, Florida Statutes. For a more complete description of such opinions of Bond Counsel, see “TAX MATTERS” herein.*

The Series 2022A Bonds are being issued pursuant to and under the authority of the Constitution and laws of the State of Florida (the “State”), including, without limitation, Article VII, Section 12 of the Florida Constitution, Chapter 166, Part II, Florida Statutes, as amended, and, to the extent not inconsistent with and not repealed by the provisions of Section 166.021, Florida Statutes, the Charter of the City (collectively, the “Act”). The Series 2022A Bonds are also being issued pursuant to Resolution No. 18-261 adopted by the City Commission of the City (the “City Commission”) on December 18, 2018 (the “Referendum Resolution”) and Resolution No. 22-\_\_\_\_ adopted by the City Commission on November \_\_\_, 2022 (the “Series 2022A Resolution” and, collectively with the Referendum Resolution, the “Bond Resolution”). A referendum to issue up to \$200,000,000 of general obligation bonds for the purpose of financing Parks and Recreation Projects (as hereinafter defined) (the “Referendum”) was presented to the qualified voters of the City pursuant to the terms of the Referendum Resolution. The Referendum was approved by the qualified voters of the City in a special election held on March 12, 2019. On February 12, 2020, the City issued the first series of Bonds pursuant to the authorization provided by the Referendum. Bonds as the same shall become due and payable. **The full faith, credit and taxing power of the City have been irrevocably pledged to the punctual payment of the principal of and interest on the Series 2022A Bonds.** See “SECURITY AND SOURCES OF PAYMENT” herein.

Simultaneously with the issuance of the Series 2022A Bonds, assuming favorable market conditions, the City expects to issue its General Obligation Refunding Bonds, Series 2022B (Fire-Rescue Facilities) (the “Series 2022B Bonds”) in an aggregate principal amount not to exceed \$15,000,000. If issued, the Series 2022B Bonds will provide funds, together with other legally available moneys of the City, for the current refunding of all\* of the City’s outstanding General Obligation Bonds, Series 2011A (Fire-Rescue Facilities) (the “Series 2011A Bonds”). The Series 2011A Bonds were issued pursuant to a referendum approved by the qualified voters of the City in a general election held on November 2, 2004 to issue general obligation bonds for fire-rescue facilities. The Series 2011A Bonds constituted the final series of bonds issued pursuant to the November 2, 2004 referendum to finance fire-rescue facilities. If issued, the Series 2022B Bonds will be issued pursuant to an authorization and Official Statement separate from the Series 2022A Bonds.

This introduction is intended to serve as a brief description of this Official Statement and is expressly qualified by reference to this Official Statement as a whole. A full review should be made of this entire Official Statement, as well as the documents and reports summarized or described herein. The description of the Series 2022A Bonds, the documents authorizing and securing the same, including, without limitation, the Bond Resolution, and the information from various reports contained herein are not comprehensive or definitive. All references herein to such documents and reports are qualified by the entire, actual content of such documents and reports. See “ESTIMATED SOURCES AND USES OF FUNDS” herein.

### **Parks and Recreation Projects**

The Parks and Recreation Projects to be financed with proceeds of the Series 2022A Bonds consist of the following, as more specifically described in the Bond Resolution:

---

\* Preliminary, subject to change.

**SHORT DESCRIPTION OF EACH PROJECT TO BE INSERTED, WHEN PROVIDED**

The dollar amounts set forth below for the Parks and Recreation Projects are good faith estimates of the cost of the improvements currently contemplated to be undertaken. See “APPENDIX C - The Series 2022A Resolution.” The foregoing notwithstanding, the City may, in its sole discretion, in accordance with Section 3 of the Referendum Resolution, modify or amend all or any portion of the Parks and Recreation Projects listed in Schedule A to the Series 2022A Resolution or any component thereof, to (i) delete one or more of such Parks and Recreation Projects or any component thereof, if the City determines it is not feasible or is otherwise not in the best interests of the City to pursue or (ii) substitute or modify one or more of such Parks and Recreation Projects, if the City determines such substitution or modification better serves City purposes.

Any such resolution shall not be considered an amendment of the Series 2022A Resolution that is required to comply with the amendment provisions set forth in the Series 2022A Resolution.

The portion of the proceeds of the Series 2022A Bonds to be used to provide for payment of the costs of Parks and Recreation Projects shall be deposited in the City of Fort Lauderdale, Florida General

## DESCRIPTION OF THE SERIES 2022A BONDS

### General

The Series 2022A Bonds will be dated their date of delivery and will bear interest at the rates and mature on the dates and in the amounts set forth on the inside cover page of this Official Statement. Interest on the Series 2022A Bonds will be payable semiannually on January 1 and July 1 of each year, commencing July 1, 2023. Such interest will be calculated on the basis of a 360-day year consisting of twelve 30-day months. The City has appointed Wilmington Trust, National Association, Buffalo, New York, to serve as the paying agent for the Series 2022A Bonds (the “Paying Agent”) and as the bond registrar for the Series 2022A Bonds (the “Bond Registrar”).

The Series 2022A Bonds will be issued as fully registered bonds, without coupons, in denominations of \$5,000 or any integral multiple thereof, and when issued, will be registered in the name of Cede & Co., as registered owner and nominee of The Depository Trust Company, New York, New York

("DTC"). Purchases of beneficial interests in the Series 2022A Bonds will be made in book-entry only form, without certificates. Unless a securities depository other than DTC is selected by the City, so long as the Series 2022A Bonds shall be in book-entry only form, the principal of and interest on the Series 2022A Bonds will be payable to Cede & Co. (or such other nominee selected by DTC), as registered owner thereof, and will be distributed by DTC and the DTC Participants to the Beneficial Owners (as such terms are hereinafter defined). See "DESCRIPTION OF THE SERIES 2022A BONDS - Book-Entry Only System" herein.

If the date for payment of the principal of or interest on the Series 2022A Bonds or the date for the taking of any action in connection with the Series 2022A Bonds shall be a Saturday, Sunday, legal holiday or a day on which banking institutions in the city where the designated corporate trust office of the Paying Agent is located are authorized by law or executive order to close, then the date for such payment or for the taking of such action shall be the next succeeding day which is not a Saturday, Sunday, legal holiday or a day on which such banking institutions are authorized to close, and payment or the taking of such action on such day shall have the same force and effect as if made or taken on the nominal date specified for the payment or action.

## Redemption Provisions

### Optional Redemption

The Series 2022A Bonds maturing on or before July 1, 2032 are not subject to redemption prior to maturity. The Series 2022A Bonds maturing on or after July 1, 2032, as a whole or in part at any time, and if in part as selected by the City among maturities and by lot within a maturity if less than an entire maturity is to be redeemed, at a redemption price of one hundred percent (100%) of the principal amount of the Series 2022A Bonds to be redeemed, plus accrued interest from the most recent interest payment date to the redemption date.

### Mandatory Sinking Fund Redemption

The Series 2022A Bonds maturing on July 1, 20\_\_ are subject to mandatory sinking fund redemption in part prior to maturity by lot, through the application of amortization requirements to be deposited in the Series 2022A Principal and Interest Account, at a redemption price equal to one hundred percent (100%) of the principal amount thereof, plus accrued interest to the redemption date, on July 1 of each year in the following amounts and in the years specified:

<u>Due (July 1)</u>	<u>Amortization Requirement</u>
*	\$
_____	

\* Final maturity.

The City may at any time use money held in the Series 2022A Principal and Interest Account for the payment of amortization requirements to purchase any Series 2022A Bonds that are Term Bonds, or portions thereof, whether or not such Term Bonds or portions thereof shall then be subject to redemption, at the most advantageous price obtainable with reasonable diligence, which price shall not exceed the redemption price for such Term Bonds on the next redemption date if such Term Bonds or portions thereof

should be called for redemption on such date. The principal amount of any Term Bonds so purchased shall be credited toward the next amortization installment. However, if by the application of moneys in the Series 2022A Principal and Interest Account the City shall purchase or call for redemption in any year Term Bonds applicable to such account in excess of the amortization installments due for such year, such excess Term Bonds so purchased or redeemed shall be credited to the Series 2022A Bonds in such manner and at such times as the Director of Finance for the City shall determine over the remaining payment dates.

#### Notice of Redemption

Notice of redemption shall be given by deposit in the U.S. mails of a copy of a redemption notice, postage prepaid, at least thirty (30) days before the redemption date to all registered owners of the Series 2022A Bonds or portions of the Series 2022A Bonds to be redeemed at their addresses as they appear on the registration books to be maintained in accordance with the provisions of the Series 2022A Resolution. Failure to mail any such notice to a registered owner of a Series 2022A Bond, or any defect therein, shall not affect the validity of the proceedings for redemption of any Series 2022A Bond or portion thereof with respect to which no failure or defect occurred. Such notice shall set forth the date fixed for redemption, the rate of interest borne by each Series 2022A Bond being redeemed, the date of publication, if any, of a notice of redemption, the name and address of the Bond Registrar and the Paying Agent, the redemption price to be paid and, if less than all of the Series 2022A Bonds then Outstanding shall be called for redemption, the distinctive numbers and letters, including CUSIP numbers, of such Series 2022A Bonds to be redeemed and, in the case of Series 2022A Bonds to be redeemed in part only, the portion of the principal amount thereof to be redeemed.

If any Series 2022A Bond is to be redeemed in part only, the notice of redemption which relates to such Series 2022A Bond shall also state that on or after the redemption date, upon surrender of such Series 2022A Bond, a new Series 2022A Bond or Series 2022A Bonds in a principal amount equal to the unredeemed portion of such Series 2022A Bond will be issued. If the optional redemption of any of the Series 2022A Bonds is conditioned upon the occurrence or non-occurrence of an event, including, without limitation, the receipt of sufficient moneys to effectuate the redemption, the notice of redemption which relates to such Series 2022A Bonds or portions thereof shall also state that the redemption is so conditioned and provide a brief description of the condition of such redemption.

Any notice of redemption that is mailed in accordance with the provisions of the Series 2022A Resolution shall be conclusively presumed to have been duly given, whether or not the owner of the Series 2022A Bond called for redemption receives such notice. The Bond Registrar shall not be required to transfer or exchange any Series 2022A Bond after the mailing of a notice of redemption nor during the period of fifteen (15) days next preceding the mailing of a notice of redemption.

Notwithstanding the foregoing, so long as the Series 2022A Bonds are held in a book-entry only system maintained by DTC, notices of redemption shall only be sent to DTC or its designee. See "DESCRIPTION OF THE SERIES 2022A BONDS - Book-Entry Only System" herein.

#### Effect of Redemption

Notice having been given in the manner and under the conditions described above, the Series 2022A Bonds or portions of Series 2022A Bonds so called for redemption shall, on the redemption date designated in such notice, become and be due and payable at the redemption price provided for redemption of such Series 2022A Bonds or portions of Series 2022A Bonds on such date; provided, however, that Series 2022A Bonds or portions of Series 2022A Bonds called for optional redemption and which redemption is conditioned upon the receipt of sufficient moneys, shall not become due and payable on the

redemption date if sufficient moneys to pay the redemption price of such Series 2022A Bonds or portions of such Series 2022A Bonds have not been received by the Paying Agent on or prior to the redemption date. On the date so designated for redemption, moneys for payment of the redemption price being held in separate accounts by the Paying Agent in trust for the registered owners of the Series 2022A Bonds or portions thereof to be redeemed, interest on the Series 2022A Bonds or portions of Series 2022A Bonds so called for redemption shall cease to accrue, such Series 2022A Bonds and portions of Series 2022A Bonds shall cease to be entitled to any lien, benefit or security under the Bond Resolution and shall be deemed paid thereunder, and the registered owners of such Series 2022A Bonds or portions of Series 2022A Bonds shall have no right in respect thereof except to receive payment of the redemption price thereof and, to the extent provided in the Series 2022A Resolution, to receive Series 2022A Bonds for any unredeemed portions of the Series 2022A Bonds.

In case part, but not all, of an outstanding fully registered Series 2022A Bond shall be selected for redemption, the registered owners thereof shall present and surrender such Series 2022A Bond to the City or its designated Paying Agent for payment of the principal amount thereof so called for redemption, and the City shall execute and deliver to or upon the order of such registered owner, without charge therefor, for the unredeemed balance of the principal amount of the Series 2022A Bonds so surrendered, a new Series 2022A Bond or Series 2022A Bonds fully registered as to principal and interest.

Series 2022A Bonds or portions of Series 2022A Bonds that have been duly called for redemption under the provisions of the Series 2022A Resolution, and with respect to which amounts sufficient to pay the principal and interest to the date fixed for redemption shall be delivered to and held in separate trust accounts by an escrow agent, any Authorized Depository or any Paying Agent in trust for the registered owners thereof, as provided in the Series 2022A Resolution, shall not be deemed to be Outstanding under the provisions of the Series 2022A Resolution and shall cease to be entitled to any lien, benefit or security under the Series 2022A Resolution, except to receive the payment of the redemption price on or after the designated date of redemption from moneys deposited with or held by the escrow agent, Authorized Depository or Paying Agent as the case may be, for such redemption of the Series 2022A Bonds and, to the extent provided in the immediately preceding paragraph, to receive Series 2022A Bonds for any unredeemed portion of the Series 2022A Bonds.

### **Book-Entry Only System**

*The following description of the procedures and record keeping with respect to beneficial ownership interests in the Series 2022A Bonds, payment of the principal of and interest on the Series 2022A Bonds to DTC Participants or Beneficial Owners (as such terms are hereinafter defined) of the Series 2022A Bonds, confirmation and transfer of beneficial ownership interest in the Series 2022A Bonds and other related transactions by and between DTC, the DTC Participants and the Beneficial Owners of the Series 2022A Bonds is based solely on information furnished by DTC on its website for inclusion in this Official Statement. Accordingly, neither the City nor the Underwriters can make any representation concerning these matters or take any responsibility for the accuracy or completeness of such information.*

DTC will act as securities depository for the Series 2022A Bonds. The Series 2022A Bonds will be issued as fully-registered securities registered in the name of Cede & Co., as DTC's partnership nominee, or such other name as may be requested by an authorized representative of DTC. One fully-registered Series 2022A Bond certificate will be issued for each maturity of the Series 2022A Bonds, in the aggregate principal amount issued for such maturity, as set forth on the inside cover page of this Official Statement, and will be deposited with DTC.

DTC, the world's largest depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments from over one hundred (100) countries that its participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts, thereby eliminating the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants" and, together with Direct Participants, "DTC Participants"). DTC has a S&P Global Ratings, a division of Standard & Poor's Financial Services LLC, rating of AA+. The DTC rules applicable to the DTC Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at [www.dtcc.com](http://www.dtcc.com).

Purchases of Series 2022A Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2022A Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2022A Bond ("Beneficial Owner") is in turn to be recorded on the DTC Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase but Beneficial Owners are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the DTC Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2022A Bonds are to be accomplished by entries made on the books of DTC Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Series 2022A Bonds, except in the event that use of the book-entry system for the Series 2022A Bonds is discontinued.

To facilitate subsequent transfers, all Series 2022A Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Series 2022A Bonds with DTC and their registration in the name of Cede & Co., or such other DTC nominee, will not effect any change in beneficial ownership of the Series 2022A Bonds. DTC has no knowledge of the actual Beneficial Owners of the Series 2022A Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2022A Bonds are credited, which may or may not be the Beneficial Owners. The DTC Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by DTC Participants to Beneficial Owners, will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2022A Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2022A Bonds, such as redemptions, defaults and proposed amendments to the documents securing the Series 2022A Bonds. For

example, Beneficial Owners of the Series 2022A Bonds may wish to ascertain that the nominee holding the Series 2022A Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the Bond Registrar and request that copies of notices are provided directly to them.

Redemption notices shall be sent by the Bond Registrar to DTC. If less than all of the Series 2022A Bonds within each series of the issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Series 2022A Bonds unless authorized by a Direct Participant in accordance with DTC's Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the City as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2022A Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and interest payments on the Series 2022A Bonds will be made to Cede & Co., or to such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the City or the Paying Agent on the payable date in accordance with their respective holdings shown on DTC's records. Payments by DTC Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, nor its nominee, the Paying Agent or the City, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the City or the Paying Agent, disbursement of such payments to Direct Participants shall be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners shall be the responsibility of DTC Participants.

When reference is made to any action which is required or permitted to be taken by the Beneficial Owners, such reference shall only relate to those permitted to act (by statute, regulation or otherwise) on behalf of such Beneficial Owners for such purposes. When notices are given, they shall be sent by the City only to DTC.

**NEITHER THE CITY, THE BOND REGISTRAR, NOR THE PAYING AGENT WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO ANY DIRECT OR INDIRECT PARTICIPANT OR THE PERSONS FOR WHOM THEY ACT AS NOMINEES WITH RESPECT TO THE SERIES 2022A BONDS IN RESPECT OF THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY DIRECT OR INDIRECT PARTICIPANT, THE PAYMENT BY DTC OR ANY DIRECT OR INDIRECT PARTICIPANT OF ANY AMOUNT IN RESPECT OF THE PRINCIPAL OF OR INTEREST ON THE SERIES 2022A BONDS, ANY NOTICE WHICH IS PERMITTED OR REQUIRED TO BE GIVEN TO BONDHOLDERS UNDER THE RESOLUTION, THE SELECTION BY DTC OR ANY DIRECT OR INDIRECT PARTICIPANT OR ANY PERSON TO RECEIVE PAYMENT IN THE EVENT OF A PARTIAL REDEMPTION OF THE SERIES 2022A BONDS, OR ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS BONDHOLDER. SO LONG AS CEDE & CO. IS THE REGISTERED OWNER OF THE SERIES 2022A BONDS, AS NOMINEE OF DTC, REFERENCES IN THIS OFFICIAL STATEMENT TO THE BONDHOLDERS OR REGISTERED OWNERS OF THE SERIES 2022A BONDS SHALL MEAN CEDE & CO., AND SHALL NOT MEAN THE BENEFICIAL OWNERS OF THE SERIES 2022A BONDS.**

## **Discontinuance of Book-Entry Only System**

In the event the City determines that it is in the best interest of the Beneficial Owners to obtain Series 2022A Bond certificates, the City may notify DTC and the Bond Registrar, whereupon DTC will notify the DTC Participants, of the availability through DTC of Series 2022A Bond certificates. In such event, the City shall prepare and execute, and the Bond Registrar shall authenticate, transfer and exchange, Series 2022A Bond certificates as requested by DTC in appropriate amounts and within the guidelines set forth in the Series 2022A Resolution. DTC may also determine to discontinue providing its services with respect to the Series 2022A Bonds at any time by giving written notice to the City and the Bond Registrar and discharging its responsibilities with respect thereto under applicable law. Under such circumstances (if there is no successor securities depository), the City and the Bond Registrar shall be obligated to deliver Series 2022A Bond certificates as described herein.

In the event Series 2022A Bond certificates are issued, the provisions of the Series 2022A Resolution shall apply to, among other things, the transfer and exchange of such certificate and the method of payment of principal of and interest on such certificates. Whenever DTC requests the City and the Bond Registrar to do so, the City will direct the Bond Registrar to cooperate with DTC in taking appropriate action after reasonable notice to (i) make available one or more separate certificates evidencing the Series 2022A Bonds to any DTC Participant having Series 2022A Bonds credited to its DTC account; or (ii) arrange for another securities depository to maintain custody of certificates evidencing the Series 2022A Bonds.

## **Registration, Transfer and Exchange**

In the event that the book-entry only system of registration for the Series 2022A Bonds is discontinued, the following provisions will apply:

Payments of interest on the Series 2022A Bonds shall be paid by check or draft drawn upon the Paying Agent and mailed to the registered owners of the Series 2022A Bonds at the addresses as they appear on the registration books maintained by the Bond Registrar at the close of business on the fifteenth (15<sup>th</sup>) day (whether or not a business day) of the month next preceding the interest payment date (the "Record Date"), irrespective of any transfer or exchange of such Series 2022A Bonds subsequent to such Record Date and prior to such interest payment date (or, if interest on such Series 2022A Bonds is in default, a special record date established pursuant to the applicable provisions of the Series 2022A Resolution). Notwithstanding the foregoing, upon written request of the holder of \$1,000,000 or more in principal amount of Series 2022A Bonds, payments of interest on such Series 2022A Bonds may be made by wire transfer to the bank and bank account specified in writing by such holder (such bank being a bank within the continental United States), if such holder has advanced to the Paying Agent the amount necessary to pay the cost of the wire transfer or authorized the Paying Agent to deduct the cost of the wire transfer from the payment due such holder.

Principal of the Series 2022A Bonds shall be payable upon presentation and surrender of the Series 2022A Bonds to the designated principal office of the Paying Agent. The Series 2022A Bonds may be transferred or exchanged by the Bond Registrar, upon the payment of any transfer tax, fee or other governmental charges required (other than by the City) to be paid with respect to such transfer or exchange and in accordance with applicable provisions of the Series 2022A Resolution.

## **SECURITY AND SOURCES OF PAYMENT**

The Series 2022A Bonds constitute general obligations of the City. In each Fiscal Year while any of the Series 2022A Bonds are Outstanding, there shall be assessed, levied and collected a tax, without limitation as to rate or amount, on all taxable property within the corporate limits of the City (excluding exemptions as provided by applicable law), in addition to all other taxes, sufficient in amount to pay the principal of and interest on the Series 2022A Bonds as the same shall become due and payable.

The tax assessed, levied and collected for the security and payment of the Series 2022A Bonds shall be assessed, levied and collected, in the same manner and at the same time as other ad valorem taxes are assessed, levied and collected, and the proceeds of said tax shall be applied solely to the payment of the principal of and interest on the Series 2022A Bonds. On or before each interest or principal payment date for the Series 2022A Bonds, the City shall transfer to the Paying Agent for deposit in the Series 2022A Principal and Interest Account an amount sufficient to pay the principal of and interest on the Series 2022A Bonds then due and payable.

The full faith, credit and taxing power of the City are irrevocably pledged to the punctual payment of the principal of and interest on the Series 2022A Bonds. See “AD VALOREM TAXATION” herein.

**AD VALOREM TAXATION**

**General**

Under Florida law, the assessment of all properties and the collection of all county, school district, special taxing district, and municipal property taxes are consolidated in the offices of the county property appraiser and county tax collector. The Florida Constitution limits the aggregate rate of ad valorem taxes that may be levied on real and personal property. The limitation, except as noted below, is ten (10) mills each for all county and municipal purposes. A mill is equal to one-tenth of one cent of one dollar or \$1.00 for every \$1,000 of assessed value. Notwithstanding the foregoing, no limitation exists as to the rate or amount of ad valorem taxes that may be levied for the payment of indebtedness approved by referendum. Consequently, limitations otherwise applicable to the amount of ad valorem taxes that can be levied do not apply to taxes required to be levied to pay debt service on the City's general obligation bonds, including the Series 2022A Bonds.

The millage rate of each taxing authority, except as limited by law, is established on the basis of estimates of revenue needs and total taxable property valuations within each taxing authority's jurisdiction. Ad valorem taxes are not levied in excess of actual budget requirements. In setting millage rates, the applicable governmental unit is required by State law to assume not less than ninety-five percent (95%) of the taxable value of the property within its jurisdiction, as certified by the county property appraiser.

In 1973, the State enacted legislation to encourage public awareness of spending and taxing decisions made by local elected officials. That legislation was amended in 1980 by the Truth in Millage or "TRIM BILL," now codified as Section 200.065, Florida Statutes. The legislation provides that, if the tax rate established by the governing board exceeds the rolled-back tax rate, the taxing authority shall publish notice of the proposed tax increase prior to the public hearing required to be held for the adoption of the final budget and millage rate. Under Section 200.065, a "rolled back tax rate" is defined as the

millage rate that would produce the same amount of ad valorem taxes in each current year as were levied in the prior year, exclusive of any increase in assessments resulting from new construction and geographic boundary changes.

### **Property Assessment Procedures**

Pursuant to the Charter of Broward County, Florida (the “County”), the Department of Finance and Administrative Services of the County (the “Department”) serves in lieu of the County Tax Collector. The Department has delegated the responsibilities of County Tax Collector to the County’s Division of Revenue Collection (the “Division”). Real and personal property valuations are determined each year as of January 1 by the office of the County Property Appraiser. That office certifies the tax rolls to the Division and mails to each property owner a notice of proposed property taxes indicating the assessed property value as well as the rollback rate, which is the millage rate that would produce the same ad valorem tax revenue for each taxing unit in the County as was levied during the prior year, exclusive of new construction, additions to structures, deletions, and property added due to geographic boundary changes. The property owner has the right to file an appeal with the Clerk of the Value Adjustment Board if the assessed property value, as determined by the County Property Appraiser, is inconsistent with the value determined by the property owner. All appeals of such valuation determinations are heard by the Value Adjustment Board, which consists of members of the Broward County School Board and the Board of County Commissioners of the County. The Value Adjustment Board certifies the assessment roll upon completion of the hearing of all appeals so filed. Millage rates are then computed by the various taxing authorities and certified to the County Property Appraiser, who applies the millage rates to the final assessment roll. This procedure creates the tax roll that is then annually delivered to the Division on or about the first Monday in October of each year.

State law requires that all non-exempt property be assessed at one hundred percent (100%) of fair market value, with certain exceptions. Real property used for religious, educational, charitable, scientific, literary and governmental purposes are generally exempt from ad valorem taxation. In addition, Florida law provides special exemptions for widows, hospitals, nursing homes, certain disabled persons, homesteads, homes for the aged, disabled veterans and low-income senior citizens. Under Florida law, the first \$25,000 of the assessed valuation of a homestead is exempt from taxation for a residence occupied by the owner on a permanent basis. In addition, several amendments to the Florida Constitution have been made to provide homeowners additional exemptions from taxation for certain homestead properties. See “AD VALOREM TAXATION - Recent Property Tax Reform” herein. Agricultural land, noncommercial recreational land, inventory and livestock are assessed at less than one hundred percent (100%) of fair market value.

The taxes of all governmental units, including the City, are billed together and each landowner in the County is required to pay all such taxes without preference as to any particular increment. Under current administrative rules, the Division cannot accept partial payment of a tax bill.

Set forth below is a table that shows the assessed value of all taxable property in the City for Fiscal Years 2012 to 2021. For information concerning the millage rates established by the City and by overlapping governments for the collection of taxes on all taxable property in the City, see “APPENDIX A - General Information regarding the City of Fort Lauderdale, Florida and Broward County, Florida.”

### **Levy of Ad Valorem Taxes**

In October, a notice is mailed to each property owner on the tax roll for the taxes levied by counties, school boards, municipalities and other taxing authorities. Taxes may be paid upon receipt of such notice, with discounts at the rate of four percent (4%) if paid in the month of November, three percent (3%) if paid in the month of December, two percent (2%) if paid in the month of January, and one percent (1%) if paid in the month of February. Taxes paid during the month of March are without discount.

All taxes are due and payable on November 1 of each year or as soon thereafter as the certified tax roll is received by the county tax collector. Taxes become delinquent on April 1 following the year in which they are assessed or sixty (60) days after mailing of the original tax notice, whichever is later. If the delinquency date for ad valorem taxes is later than April 1 of the year following the year in which taxes are assessed, all dates or time periods specified in the Florida Statutes relative to the collection of, or administrative procedures regarding, delinquent taxes shall be extended a like number of days.

Except as noted below under the subheading “Recent Property Tax Reform,” exemptions from the ad valorem tax include (i) the first \$25,000 of assessed value for a permanent residence (the “homestead property”); (ii) property owned by certain permanently and totally disabled persons; (iii) renewable energy source improvements; (iv) inventory; (v) property used by hospitals, nursing homes, homes for special

services, and property used by nonprofit homes for the aged; (vi) education property; (vii) property owned by certain charitable, literary, religious or scientific organizations; (viii) property owned by not-for-profit sewer and water companies; and (ix) the first \$500 of property of every widow, blind person or disabled person. An additional homestead exemption of up to \$50,000 of assessed value may be granted by a city or county for persons 65 or older, subject to certain income limitations.

## **Tax Collection**

Except as otherwise described under “AD VALOREM TAXATION - Levy of Ad Valorem Taxes” herein, all ad valorem taxes become due and payable on November 1 and become delinquent on the following April 1. Once delinquent, ad valorem tax payments bear interest at not more than eighteen percent (18%) per annum until a tax certificate is sold, with respect to real property taxes, or until paid, with respect to personal property taxes. All taxes collected are distributed to the governmental unit levying the taxes. The Division is required to distribute taxes collected to each governmental unit in the County, including the City, at least four (4) times during the first two (2) months after the tax roll is delivered to the Division and once a month thereafter.

It is the duty of the Division on or before June 1 of each year to advertise and sell tax certificates on real property tax delinquencies extending from the previous April 1. Delinquent taxes may be paid by property owners prior to the sale of tax certificates upon payment of all costs, delinquent taxes and interest at the rate of not more than eighteen percent (18%) per annum. A tax certificate must be for an amount not less than the taxes due on the applicable property, plus interest from the date of delinquency to the date of sale of the certificate, together with the cost of advertising and expense of the sale. Each tax certificate is awarded to the bidder paying the above amounts and who accepts the lowest interest to be borne by the tax certificate after its sale. If there are no bidders, the County must hold, but not pay for, such tax certificates. Thereafter, the County may sell such tax certificates to the public at any time at the principal amount thereof plus interest at not more than eighteen percent (18%) per annum and a fee. The proceeds of tax certificates, plus interest, are required to be distributed by the Division, on or prior to sixty (60) days after the tax certificates sale, to the various taxing authorities, including the City.

With respect to personal property tax delinquencies, such delinquent taxes must be advertised within forty-five (45) days after delinquency. After May 1, personal property for which taxes are delinquent is subject to warrant, levy, seizure and sale.

Tax certificates held by persons other than the County may be redeemed and cancelled by any person prior to the time a tax deed is issued upon payment of the face amount of the tax certificate, plus interest, costs and other charges. Holders of tax certificates, other than the County, which have not been redeemed may, at any time after two (2) years but prior to seven (7) years from the date of issue, file an application for a tax deed with the Division upon payment of all other outstanding tax certificates on such property, plus interest, any omitted taxes plus interest, and delinquent taxes plus interest covering the real property. Thereafter, the property is advertised for public sale at auction to the highest bidder, subject to certain minimum bids. If there are no other bidders, the holder of the tax certificate receives title to the property. If the tax certificate is held by the County and the County has not succeeded in selling it within two (2) years, the County may apply for a tax deed upon payment of all applicable costs and fees but not any amount to redeem the tax certificate. Such property is then also advertised for public sale to the highest bidder, subject to certain minimum bids. If there are no other bidders, the County may purchase the property for the minimum bid. In the case of unsold properties, after seven (7) years the County will take title to such properties.

The tables below set forth historical data pertaining to the levy and collection of ad valorem real property taxes on a County-wide and City-wide basis and the principal property taxpayers in the City for Fiscal Year 2021, as compared to Fiscal Year 2012. No assurance can be given that the future collection of taxes will follow historical trends at the City or County level.

## **Recent Property Tax Reform**

Amendments have been adopted to the provisions of the Florida Constitution affecting the assessment of property or the collection of ad valorem tax revenues. Several of such amendments are summarized below.

### Save Our Homes Constitutional Amendment

By voter referendum held on November 3, 1992, Article VII, Section 4 of the Florida Constitution was amended to add a subsection which, in effect, limits the increases in assessed just value of homestead property to the lesser of (a) three percent (3%) of the assessment for the prior year or (b) the percentage change in the Consumer Price Index, as further defined therein. The Amendment is commonly referred to as the “Save Our Homes Amendment.” Further, the Save Our Homes Amendment provides that (i) no assessment shall exceed just value; (ii) after any change of ownership of homestead property or upon termination of homestead status, such property shall be reassessed at just value as of January 1 of the year following the year of sale or change of status; (iii) new homestead property shall be assessed at just value as of January 1 of the year following the establishment of the homestead; and (iv) changes, additions, reductions or improvements to homestead property shall initially be assessed as provided for by general law, and thereafter as provided in the amendment.

### 2006 Constitutional Amendments

In the November 7, 2006 general election, Florida voters approved an amendment to the State Constitution to provide an increase in the homestead exemption, from \$25,000 to \$50,000, for certain low-income seniors, effective January 1, 2007. An amendment to the State Constitution was also approved in the November 7, 2006 election to provide a discount for certain permanently disabled veterans from the amount of ad valorem taxes collected from such veterans. The disabled veterans amendment became effective on December 7, 2006.

### Rollback Law

In June 2007, the Florida legislature enacted Chapter 2007-321, Laws of Florida (2007) (the “Rollback Law”). The Rollback Law took effect immediately and affected governmental budgets prepared for fiscal year 2007-2008 and subsequent fiscal years. The Rollback Law required all counties, cities and special districts to “roll back” their fiscal year 2008 tax rates so that such governmental entities collected the same revenue in fiscal year 2008 that they collected in fiscal year 2007, plus a further zero percent (0%) to nine percent (9%) tax cut from fiscal year 2007 figures, depending on tax increases adopted by the individual county, city or special district since fiscal year 2002. Using the formula set forth in the Rollback Law, the City reduced its ad valorem tax rate for the collection of general fund operating revenues in Fiscal Year 2008 by 8.52% from its Fiscal Year 2007 collections. The Rollback Law further provides that, after fiscal year 2009, property tax rate growth in cities, counties and special districts cannot exceed the growth of new construction and per capita personal income. The City can exceed the new statutory cap on property tax rate growth (i) by up to ten percent (10%) following a two-thirds (2/3) majority vote of the City Commission or (ii) by an unlimited amount following a three-fourths (3/4) majority vote of the City Commission or approval by the electors of the City via referendum.

### January 2008 Constitutional Amendments

In the January 29, 2008 special election, Florida voters approved amendments to the State Constitution to exempt certain portions of a property’s assessed value from taxation, and in certain cases

limit increases in assessed value of non-homestead property. Certain provisions from such amendments are summarized below. Generally, the amendments approved January 29, 2008:

1. Provide for an additional \$25,000 exemption for the assessed value of homestead property to increase the homestead exemption, for property owners using the standard homestead exemption, to \$50,000 (thus doubling the existing homestead exemption for property with an assessed value equal to \$50,000 or greater and increasing the homestead exemption to \$75,000 for property owners eligible to use one of the special homestead exemptions and having property with an assessed value equal to or greater than \$75,000). The additional \$25,000 exemption, however, does not apply to school district taxes.

2. Permit owners of homestead property to transfer their "Save Our Homes" benefit (up to \$500,000) to a new homestead property purchased within two (2) years of the sale of their previous homestead property to which such benefit applied if the just value of the new homestead is greater than or is equal to the just value of the prior homestead property. If the just value of the new homestead property is less than the just value of the prior homestead property, then owners of homestead property may transfer a proportional amount of their "Save Our Homes" benefit, such proportional amount being equal to the just value of the new homestead property divided by the just value of the prior homestead property, multiplied by the assessed value of the prior homestead property.

3. Exempt from ad valorem taxation \$25,000 of the assessed value of property subject to tangible personal property tax.

4. Limit increases in the assessed value of non-homestead property to ten percent (10%) per year, subject to certain adjustments. The cap on annual increases is effective for a ten (10) year period, subject to extension by an affirmative vote of the Florida electorate. The limitation on increases in assessed value of non-homestead property, however, does not apply to school district taxes.

The amendments approved in January 2008 became effective for the 2008 tax year (2008-2009 fiscal year for local governments).

#### November 2008 Constitutional Amendments

In the November 4, 2008 general election, Florida voters approved amendments to the State Constitution to provide the Florida legislature with the authority to create exemptions or protections from special assessment for certain types of property subject to ad valorem taxation, including (i) exemptions for conservation lands and residential wind damage resistance and renewable energy source improvements and (ii) restrictions on the assessment of working waterfront properties.

#### November 2010 Constitutional Amendment

In the November 2, 2010 general election, Florida voters approved an amendment to Article VII, Section 4 of the State Constitution to provide an additional homestead exemption to members of the military deployed on active duty outside the United States during the preceding year. The exemption equals the percentage portion of the year that the member of the military was deployed outside the United States. The deployed military amendment became effective on January 1, 2011.

#### 2012 Legislative Amendments

In 2012, the Florida Legislature enacted Chapter 2012-193, Laws of Florida (HB 7097). Section 17 of HB 7097 provides that the base \$25,000 homestead exemption and the additional \$25,000 non-school

levy homestead exemption apply before all other homestead exemptions, which are then to be applied in a manner that results in the lowest taxable value. Section 25 of HB 7097 provides that land, buildings and other improvements to real property used exclusively for educational purposes shall be deemed owned by an educational institution for the purpose of an ad valorem exemption if the entity owning one hundred percent (100%) of the land is (i) a nonprofit entity and the land is used, under a ground lease or other contractual arrangement, by an educational institution that owns the buildings and other improvements to the real property; (ii) a nonprofit entity under Section 501(c)(3) of the Internal Revenue Code; and (iii) provides education limited to students in pre-kindergarten through eighth grade. Section 26 of HB 7097 grants an exemption to all property of municipalities if used as an essential ancillary function of a facility constructed with financing obtained in part by pledging proceeds from the convention development tax, which facility is upon exempt or immune federal, state, or county property.

#### November 2012 Constitutional Amendment

In the November 6, 2012 general election, three (3) legislatively-referred Constitutional amendments were approved by the requisite percentage of Florida voters. Generally, the amendments approved November 6, 2012:

1. Allow totally or partially disabled veterans who were not Florida residents at the time of entering military service to qualify for the combat-related disabled veteran's ad valorem tax discount on homestead property.

2. Provide the Florida legislature with the authority to:

(a) create ad valorem tax relief (up to the total amount of ad valorem tax owed on the homestead property) for (i) the surviving spouse of a veteran who died from service-connected causes while on active duty as a member of the United States Armed Forces and (ii) the surviving spouse of a first responder who died in the line of duty.

(b) permit counties and municipalities, by ordinance, to grant an additional homestead tax exemption (up to the assessed value of the homestead property) to certain low income seniors; provided (i) the homestead property has a just value of less than \$250,000; and (ii) the owner (A) is at least sixty-five (65) years old, (B) has title to the property, (C) has maintained the homestead property as his or her permanent residence for at least twenty-five (25) years, and (D) has an annual household income less than \$27,300 (which may be adjusted annually, based on the cost of living index).

The above described amendments approved by the voters of Florida on November 6, 2012 became effective on January 1, 2013. The Florida legislature created the ad valorem tax relief for the surviving spouse of a veteran, as described in subparagraph 2(a) above, in Florida Statutes Section 196.081. In addition, Broward County and the City have each enacted ordinances to grant up to an additional \$50,000 homestead exemption to low income seniors meeting the conditions of the Constitutional amendment described in subparagraph 2(b) above.

#### 2013 Legislative Amendments

Senate Bill 1830. In 2013, the Florida Legislature enacted Senate Bill 1830 ("SB 1830"), which creates a list of changes to laws affecting ad valorem taxation. Such changes became effective as of July 1, 2013. Some of the changes clarified drafting errors to make laws previously enacted consistent with the intent when enacted. Changes created by SB 1830 were, among others, the following:

1. Long-term lessees were provided the ability to retain the homestead exemption on the property leased, and related assessment limitations and exemptions, in certain instances.

2. The time for property owners to appeal value adjustment board decisions on transfers of assessment limitations was extended to conform with general court filing time frames.

3. An automatic renewal for assessment reductions related to certain additions to homestead properties used as living quarters for a parent or grandparent was created, with an alignment of related appeal and penalty provisions to those for other homestead exemptions.

4. A statutory requirement that the owner of Florida real property permanently reside upon such property in order to qualify for a homestead exemption was deleted. This change conformed the statute at issue with the Florida Constitution by allowing non-resident owners of property to claim a homestead exemption if a person legally or naturally dependent upon the owner permanently resides on the homestead property.

5. A residency requirement that a senior disabled veteran must have been a Florida resident at the time such veteran entered the service to qualify for certain property tax exemptions was removed.

6. The ability was repealed for a limited liability partnership with a general partner that is a charitable 501(c)(3) organization to qualify for the affordable housing property tax exemption.

7. An exemption from property taxes was created for property used exclusively for educational purposes when the entities that own the property and the educational facility are owned by the same natural persons.

House Bill 277. In 2013, the Florida Legislature enacted House Bill 277 (“HB 277”), which provides that certain renewable energy devices are exempt from being considered when calculating the assessed value of residential property. HB 277 only applies to devices installed on or after January 1, 2013. The exemption created by HB 277 took effect on July 1, 2013.

House Bill 1193. In 2013, the Florida Legislature enacted House Bill 1193 (“HB 1193”), which eliminated three (3) ways in which the property appraiser had authority to reclassify agricultural land as non-agricultural land. Additionally, HB 1193 relieved the value adjustment board of the authority to review applications for exemptions on its own motion. The changes in HB 1193 were retroactive to January 1, 2013.

Senate Bill 342. In 2013, the Florida Legislature enacted Senate Bill 342 (“SB 342”), which provides for the rental of homestead property for up to thirty (30) days per calendar year without the property being considered abandoned as a homestead. If the homestead property is rented for more than thirty (30) days for two (2) consecutive years, it is considered abandoned as a homestead, and homestead-related ad valorem tax benefits will be lost. SB 342 became effective on July 1, 2013.

#### 2015 Legislative Amendment

In 2015, the Florida Legislature enacted HB 361 (“HB 361”), granting certain leasehold interests and improvements to land owned by the United States or an agency thereof, a branch of the U.S. Armed Forces, or a quasi-governmental agency, an exemption from ad valorem taxation. HB 361 exempts such leasehold interests and improvements without the need to apply for the exemption or for the property

appraiser to approve the exemption. HB 361 was signed into law on May 21, 2015 and applies retroactively to January 1, 2007.

#### November 2016 Constitutional Amendments

In the November 8, 2016 general election, Florida voters approved an amendment to the State Constitution to specify the calculation method a county or municipality may use in determining just value for purposes of the homestead exemption for persons sixty-five (65) years old or older whose household income falls within statutory limitations. The amendment allows a low-income, long-time resident age sixty-five (65) or older to continue receiving an additional \$25,000 exemption if the value of the homestead property rises \$250,000, either due to changes in the market or because of additions or improvements to the property. In addition, individuals who were granted the exemption in prior years but became ineligible because their homestead property value rose above \$250,000, may regain the exemption if they otherwise still qualify. The amendment operates retroactively to January 1, 2013 for any person that received an exemption prior to January 1, 2017.

Also in the November 8, 2016 general election, Florida voters approved an amendment to the State Constitution to authorize a first responder who is totally and permanently disabled as a result of an injury sustained in the line of duty to receive relief from ad valorem taxes assessed on homestead property. The amendment took effect on January 1, 2017.

#### November 2018 Constitutional Amendments

In the November 6, 2018 general election, Florida voters approved an amendment to the State Constitution to limit increases in the assessed value of non-homestead property to ten percent (10%) per year, subject to certain adjustments. The cap on annual increases was originally approved for a ten (10) year period as part of the January 2008 Constitutional amendments. The approval on November 6, 2018 made the ten percent (10%) limitation permanent. The limitation on annual increases in the assessed value of non-homestead property became effective on January 1, 2019.

The amendments to the Florida Constitution and Florida Statutes described above affect the assessed value of real property subject to ad valorem taxation and the rates that may be used to tax such assessed value. However, such amendments and laws do not affect the City's ability to levy ad valorem taxes (without limitation as to rate or amount) to make all required payments of debt service on its general obligation bonds, including the Series 2022A Bonds.

#### **Proposed Amendments**

There have been numerous amendments to the Constitution of the State affecting ad valorem property taxes in Florida. See "AD VALOREM TAXATION - Recent Property Tax Reform" herein. In addition, Constitutional amendments and legislative measures to expand exemptions from taxation or further restrict ad valorem tax payment requirements have been proposed during most of the recent election cycles and sessions of the Florida legislature. To become effective, amendments to the Constitution of the State, which are required to modify, or to provide the authority to modify, existing ad valorem tax requirements, must be approved by at least sixty percent (60%) of the voters of the State in a general election.

There is no way to predict, with any reasonable degree of certainty, if any of the amendments to the Florida Constitution affecting ad valorem taxation that may be presented actually will be presented to and passed by the Florida Legislature, signed by the Governor or approved by sixty percent (60%) of the

voters of the State when presented in the next general election. There is also no way to predict, with any reasonable degree of certainty, the actual impact on available ad valorem tax revenues if any of the amendments to the Florida Constitution that may be presented becomes a ballot question that is approved by sixty percent (60%) of the voters of Florida. However, the City is not aware of any planned legislative measure or amendment to the Florida Constitution that would have a material, adverse impact on its collection of ad valorem tax revenues. Moreover, passage of any proposed amendment would not legally prevent the City from levying ad valorem taxes (without limitation as to amount) to make all required payments of debt service on its general obligation bonds, including the Series 2022A Bonds.

### **Voter Approved Debt**

The City has the authority to increase its millage levy for debt supported by unlimited ad valorem taxes, which includes the Series 2022A Bonds. Any limitations, exemptions or adjustments pertaining to millage rates otherwise provided in State law do not affect the ability of the City to levy and collect ad valorem taxes in amounts sufficient to pay the principal of, and interest on, the Series 2022A Bonds.

In addition the City may present referenda to its electors in the future to authorize the issuance of general obligation bonds to finance the costs of acquiring, constructing or implementing the capital projects described in such referenda. The general obligation bonds approved by referendum, when issued, will be secured by the City's separate irrevocable pledge of its full faith, credit and taxing power to the punctual payment of the principal of and interest on such bonds, in the same manner as the Series 2022A Bonds. See "SECURITY AND SOURCES OF PAYMENT" herein.

## **PENSION PLANS**

### **Defined Benefit Plans**

#### General Employees Retirement System

*General.* The General Employees Retirement System (the "GERS") is a single-employer defined benefit plan administered by an eight (8) member board of trustees (the "GERS Board of Trustees"). The GERS covers all City employees, except police and firefighters. Through collective bargaining with the general, supervisory and professional City employees, a new single-employer defined contribution pension plan was established for Teamster Union employees hired on or after October 1, 2007, supervisory union employees hired on or after November 7, 2007, and all other non-union employees hired on or after February 20, 2008. The GERS was then closed to new entrants.

Under Ordinance No. C-11-34 adopted by the City Commission on December 6, 2011, a Bonus Incentive Program was offered to members of the GERS eligible for either early or normal retirement as of December 1, 2011. Eligible members were granted thirty (30) additional months of service for both benefit and eligibility purposes if, during the election period from December 7, 2011 through February 1, 2012, they elected to retire between December 14, 2011 and March 16, 2012. There were 134 members who elected to retire under the Bonus Incentive Program for GERS members. The impact of the Bonus Incentive Program reflects the replacement of twenty percent (20%) of the members who retired under the program with promotions of the highest-paid remaining active members. The salaries of expected promoted members were increased by five percent (5%).

The City's payroll for employees covered by the GERS after the plan change applicable to the September 30, 2013 actuarial valuation was approximately \$57,217,000. The total City payroll at that time

was approximately \$158,475,000. As of the September 30, 2021 valuation date, employee membership data related to the GERS was as follows:

**GERS Employee Membership**

Retirees and beneficiaries currently receiving benefits	1,456
Terminated employees entitled to benefits but not yet receiving them	77
Fully, partially and non-vested active plan participants	505
Participants in DROP	<u>11</u>
Total	<u><u>2,049</u></u>

Source: City of Fort Lauderdale, Florida General Employees Retirement System Actuarial Report  
as of September 30, 2021, Gabriel Roeder Smith & Company, March 8, 2022.

Under the vesting provisions of the GERS, employees are entitled to one hundred percent (100%) of normal retirement benefits after five (5) years of service. Employees who are terminated prior to vesting are entitled to a refund of employee contributions, plus interest at three percent (3.0%) per year. Employees are eligible to retire after thirty (30) years of service, regardless of age, or at age fifty-five (55), with five (5) years of service. Members who continue in employment past normal retirement may either accrue larger pensions or freeze their accrued benefit and enter the Deferred Retirement Option Plan (the "DROP"). Each participant of the GERS in the DROP has an account credited with benefits not received, plus interest. Participation in the DROP must end no later than thirty-six (36) months after normal retirement. Certain employees hired on or after October 1, 1983 electing reduced benefits are entitled to one hundred (100%) of normal retirement benefits after ten (10) years of service, beginning at age sixty-five (65).

Employees contribute from four to six percent (4.0% to 6.0%) of their earnings to the plan. The City is required to contribute the remaining amounts necessary to fund the plan, based on an amount determined by the plan's actuaries as of September 30 each year. For Fiscal Year 2021, the City's contribution rate, as a percentage of annual covered payroll, was 22.70% or \$8,940.886.

The investment return assumption for the GERS was lowered from 7.00% to 6.75% for the Fiscal Year ended September 30, 2021. Such assumption change, together with assumption changes to reflect (i) lower observed real salary increases (net of actual observed inflation), on average, than expected, and a reduction in the inflation component of the salary increase assumption from 2.50% to 2.25%, (ii) lower observed average retirement experience than expected, and (iii) lower observed average separation from employment experience than expected, increased the required City contribution by about \$761,000.

Beginning in Fiscal Year 2013, the GERS Board of Trustees lowered the base of the amortization period for new unfunded actuarial accrued liability for the GERS from 29 years to 28 years. Such base has been lowered by one (1) year in each year following Fiscal Year 2013 and, unless determined otherwise by the GERS Board of Trustees, will continue to be lowered by one (1) year for each year in the future. As of September 30, 2021, such base has been lowered from 22 years to 21 years.

*Annual Pension Cost and Net Pension Liability.* Annual pension cost is a measure of the periodic cost of an employer's participation in a defined benefit pension plan. The annual pension costs for the GERS for the Fiscal Years ended September 30, 2017 through 2021, and estimated for the Fiscal Year ended September 30, 2022, are as follows:

### Police and Firefighters Retirement System

*General.* In addition to the GERS, the City provides pension coverage for all of its police and firefighters through the Police and Firefighters Retirement System (the "PFRS"). The PFRS is a single-employer defined benefit plan administered by an eight (8) member board of trustees. The City's payroll for employees covered by the PFRS applicable to the October 1, 2021 actuarial valuation was approximately \$75,995,114. The total City payroll at that time was approximately \$184,449,424. As of the valuation date, employee membership data related to the PFRS was as follows:

#### **PFRS Employee Membership**

Retirees and beneficiaries currently receiving benefits	912
Terminated employees entitled to benefits but not yet receiving them	34
Fully, partially and non-vested active plan participants	789
Participants in DROP	<u>210</u>
Total	<u>1,945</u>

Source: City of Fort Lauderdale Police and Firefighters' Retirement System Actuarial Valuation Report as of October 1, 2021, Foster & Foster, Inc., May 16, 2022.

Under the vesting provisions of the PFRS, employees are entitled to one hundred percent (100%) of normal retirement benefits after ten (10) years of service. Employees who are terminated prior to vesting are entitled to a refund of employee contributions, plus interest at three percent (3.0%) per year. Employees are eligible to retire after twenty (20) years of service, regardless of age, or at age fifty-five (55), with ten (10) years of service. Members who continue in employment after completion of twenty (20) years of service may either accrue larger pensions or freeze their accrued benefit and enter the DROP. Each participant of the PFRS in the DROP has an account credited with benefits not received, plus interest. Participation in the DROP must end no later than sixty (60), seventy-two (72), eighty-four (84) or ninety-six (96) months after normal retirement, depending on years of service. DROP participants shall contribute ten percent (10.0%), one and three-quarters percent (1.75%) or one and one-half percent (1.50%) of their earnings to the PFRS, depending upon such participant's number of years of service and length of time participating in DROP. Employees covered by the PFRS do not receive a refund of contributions made while participating in DROP.

Effective October 1, 2018 for firefighters and October 1, 2017 for police officers, employees covered by the PFRS are required to contribute ten percent (10.0%) of their earnings to the plan, up from the eight and one-quarter percent (8.25%) to eight and one-half percent (8.50%) previously required. In

addition, contributions in the amount of \$4,750,365 were received from the State from fire and casualty insurance premium taxes. These on-behalf payments were also recognized as tax revenues and public safety expenditures in the General Fund. The City is required to contribute the remaining amounts necessary to fund the plan, based on an amount determined by the plan's actuaries as of October 1 each year. According to the City's Annual Comprehensive Financial Report for the Fiscal Year ended September 30, 2021, for Fiscal Year 2021, the City's and the State's contribution rates, as percentages of annual covered payroll, were 27.32% (\$19,757,218) and 6.57% (\$4,750,365), respectively. See "APPENDIX B - Excerpts from Annual Comprehensive Financial Report of the City of Fort Lauderdale, Florida for the Fiscal Year Ended September 30, 2021" and, in particular, Item 2 in Note 15 of the Notes to the Financial Statements. Based on the City's most recent actuarial report for the PFRS prepared by Foster & Foster, Inc., dated April 3, 2020 (the "PFRS Actuarial Report"), the required City contribution for the Fiscal Year ending September 30, 2023, as a percentage of annual covered payroll, will be 28.3%, an increase of 0.5% compared to 27.8% for the Fiscal Year ending September 30, 2022. The PFRS Actuarial Report provides that the City's dollar contribution will be approximately \$21,471,852 for Fiscal Year 2023, as compared to \$20,544,628 for Fiscal Year 2022, with a contribution from the State estimated at \$4,828,958 in each year.

In connection with the ratification of the City's collective bargaining agreement with the International Association of Fire Fighters on June 16, 2015, the retirement benefits of the PFRS were modified for new City employees hired as firefighters. For the accrual of normal retirement benefits, the PFRS provides a formula of 3.38% of a firefighters' average final compensation during the highest two (2) years of creditable service, up to a maximum of eighty-one percent (81%) of such average final compensation. Firefighters under the PFRS may elect to have their full retirement benefits paid to their spouse for up to one (1) year following the firefighter's death, with sixty percent (60%) of such benefits paid to the spouse thereafter, until such spouse's death or remarriage. If a firefighter ceases to be employed by the City after ten (10) years of creditable service, such firefighter is entitled to have vested retirement benefits returned, plus three percent (3.0%) interest on the returned amount.

Effective June 16, 2015, all firefighters hired on or after October 1, 2014 shall, among other changes:

1. accrue retirement benefits at the rate of three percent (3.0%) of the firefighters' average final compensation, instead of 3.38%, up to a maximum of seventy-five percent (75%) of such compensation, instead of eighty-one percent (81%);
2. have their average final compensation calculated based on the firefighter's average compensation for the five (5) highest years of compensation during all of the firefighter's years of creditable service, instead of the two (2) highest years of compensation;
3. have retirement benefits payable for ten (10) years following employment, with a life annuity provided thereafter, instead of having full benefits paid during the life of the retiree, with certain benefits paid to the surviving spouse thereafter;
4. have the ninety-six (96) month maximum DROP participation reduced by one (1) month for every month of employment after twenty-five (25) years of creditable service; and
5. have vested retirement benefits returned to them if they leave City employment prior to normal retirement, but without the payment of interest on such vested retirement benefits, instead of being entitled to receive three percent (3.0%) interest.

In addition to the changes applicable to firefighters hired on or after October 1, 2014, as of June 16, 2015, all firefighters under the PFRS shall have the funds made available for firefighters pursuant to Florida Statutes, Chapter 175 retained by the City. The amount retained shall be based on the special formula set forth in the PFRS to determine the amount of Chapter 175 premium tax revenues that the City will be able to utilize to offset its funding requirements, effective for the plan year beginning on October 1, 2014. Prior to the June 16, 2015 changes, Florida Statutes, Chapter 175 premium tax revenues available to the City were deposited into the Firefighters Supplemental Share Plan and held as a separate benefit for the City's firefighters under the PFRS.

The changes in the PFRS described above for firefighters hired on and after October 1, 2014 were also adopted on December 3, 2013 for police officers hired after March 31, 2014. At such time the City also determined that, instead of depositing all of the premium tax revenues made available for police officers pursuant to Florida Statutes, Chapter 185 into a separate account for the benefit of the City's police officers, it would retain a portion of such premium tax revenues to offset its annual required contribution to the PFRS. Based on projections prepared by actuarial consultants for the City, it is anticipated that the revisions to the PFRS for firefighters, in connection with the approval of the firefighters' collective bargaining agreement on June 16, 2015, and for police officers, in connection with the approval of the police officers' collective bargaining agreements on December 3, 2013 (taking into consideration salary growth changes already approved for police officers), will generate a combined total of approximately \$198 million in pension savings over the thirty (30) year period following such revisions.

In addition to the changes in the PFRS described above, see "APPENDIX B - Excerpts from Annual Comprehensive Financial Report of the City of Fort Lauderdale, Florida for the Fiscal Year Ended September 30, 2021" and, in particular, the section "Changes of benefit terms" under Item 2 in Note 9 of the Notes to the Financial Statements and the section "Notes to Schedule of Changes in Net Pension Liability and Related Ratios" in Required Supplementary Information for a description of changes that became effective for the measurement date September 30, 2020.

The investment return assumption for the PFRS for the most recent actuarial valuation is 7.25%, which was lowered from the 7.30% assumption used in the prior year's actuarial valuation. The board of trustees has approved a five (5) basis point decrease in the investment return assumption for the PFRS each year until the assumed rate reaches 7.0%. In addition, for the September 30, 2020 measurement date, the inflation assumption rate for the PFRS was lowered from 2.75% to 2.25% and remained at 2.25% for the September 30, 2021 measurement date. For the Fiscal Year 2021 measurement period, the inflation assumption rate of the investment advisor for the PFRS was 2.75%.

#### **Defined Contribution Plans**

The City maintains three (3) separate single-employer defined contribution plans administered by ICMA Retirement Corporation ("ICMA-RC"). The General Employees Defined Contribution Plan ("GEDC"), the General Employees Special Class Plan ("GESC"), and the Non-classified Employees Retirement Plan ("NCER") cover all City employees hired on or after October 1, 2007 and before January 1, 2021, except police and fire.

The City's contribution to the GEDC, GESC, and NCER is paid on a biweekly basis based on earnings of participants at the rate of 9%, 20.98%, and 19.89%, respectively, that amounted to \$4,455,683 for Fiscal Year 2021. Employee contributions are neither required nor permitted under the plans.

Employees become fully vested in the plans upon entry. These benefit provisions and all other requirements are established by City ordinance.

All plans closed to new entrants after December 31, 2020. The City's current year payroll for employees covered by the plans was approximately \$56,898,586. The total City payroll for Fiscal Year 2021 was approximately \$223,071,620.

## **GASB STATEMENT NO. 75**

### **OPEB Plan Description**

In accordance with Section 112.0801, Florida Statutes, the City is required to permit eligible retirees and their eligible dependents to participate in the City's health insurance program at a cost to the retirees that is no greater than the cost at which coverage is available for active employees. In June 2015, the Governmental Accounting Standard's Board ("GASB") issued Statement No. 75, "Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions" ("GASB 75"). GASB 75 replaced the requirements of GASB Statement No. 45, "Accounting and Financial Reporting by Employers for Postemployment Benefits Other Than Pensions," as amended, and GASB Statement No. 57, "OPEB Measurements by Agent Employers and Agent Multiple-Employer Plans." The objective of GASB 75 is to improve the financial reporting by state and local governments for postemployment benefits other than pensions ("OPEB") and improve information for OPEB that is provided by other entities. The provisions of GASB 75 were effective beginning with the financial statements of the City for the Fiscal Year ended September 30, 2018. While GASB 75 requires recognition and disclosure of the unfunded OPEB liability, there is no requirement that the liability of such plan be funded.

The City provides a single employer defined benefit post-employment health insurance benefit for its general employees, sworn police officers and certified firefighters. Employees entitled to the benefit are paid from \$100 to \$400 per month upon normal retirement for the purchase of health insurance. However, non-union management and confidential employees hired on or after October 1, 2012 are not eligible for OPEB contribution from the City. Employees hired under the Fraternal Order of Police and the Federation of Public Employees on or after April 1, 2014 also are no longer eligible for OPEB contribution from the City. In addition, Teamsters' employees hired on or after December 17, 2014 and employees hired under the International Association of Firefighters on or after June 16, 2015 are not eligible for OPEB contribution from the City. The OPEB contribution from the City for eligible employees continues until age sixty-five (65). The cost of the benefit is funded by the City on a pay-as-you-go basis.

In addition to the OPEB contribution from the City for eligible employees, pursuant to Section 112.0801, Florida Statutes, retiring general employees and certified firefighters are eligible to continue their participation in one of the City's health and/or dental insurance plans at the same premium applicable to active employees. Since retiree claims are expected to result in higher costs to the plans, on average, than those for active employees on an actuarial basis, there is an implicit subsidy included in the premiums for the retirees. Benefits constituting OPEB totaled \$2,338,054 for Fiscal Year 2021. Retiree implicit subsidies amounted to \$932,222 of that total.

The City established an OPEB Trust Fund on September 16, 2014 for the purpose of receiving and investing contributions made by the City to reduce the unfunded portion of the City's actuarially determined OPEB annual required contribution. The OPEB Trust Fund covers former City employees who are eligible for certain post employment benefits. The fund is administered by the City, with the City Commission serving as the Board of Trustees and a Trust Administrator responsible for daily administration. As of September 30, 2021, \$43,040,991 was invested in the OPEB Trust Fund.

As of September 30, 2021, the City's OPEB plan participation consisted of the following:

### **OPEB Plan Participation**

### **Funding of OPEB Plan**

Provisions concerning OPEB and related City contribution requirements are established and may be amended by the City Commission. Historically, the City has been able to satisfy its annual OPEB obligation and currently expects that it will continue to have funds available to satisfy such obligation in the foreseeable future. Also, the City's practice historically has been to provide approximately \$1,000,000 each year toward the unfunded liability portion of its actuarially determined OPEB annual required contribution. Such practice provides for an annual increase in the OPEB annual required contribution. For September 30, 2021, actual OPEB contributions totaled \$1,414,300.

Set forth below is a description of the City's annual OPEB costs for the Fiscal Years ended September 30, 2018 through September 30, 2021 and the amount contributed annually by the City to such costs.

## Post-Retirement Pay Step Plan

*General.* In addition to the defined benefits for the City's police and firefighters described under "PENSION PLANS - Defined Benefit Plans - Police and Firefighters Retirement System" herein, during Fiscal Year 2019 the City created a post-retirement payments plan for police and firefighters to provide five (5) steps for the payment of certain benefits to eligible retirees. The five (5) pay steps are known as the post-retirement pay steps (the "PPS"), as described in Ordinance No. C-18-40 enacted by the City Commission on December 4, 2018. To be eligible for the PPS, a member of the PFRS must have attained a normal service retirement from the City and separated from the City for a period of three (3) years. Entry into DROP and the term of any DROP participation does not count toward such three (3) year period. The value of any individual PPS shall be based on the normal retirement benefit of the member, exclusive of any amount paid from the DROP.

The initial PPS shall be equal to three percent (3.0%) of an eligible member's base retirement benefit. Each subsequent PPS shall be three percent (3.0%) of the preceding step. Each succeeding pay step will be calculated by multiplying the preceding amount by 1.03. The steps shall be payable annually and each step shall take effect every third year until five (5) steps have been achieved. Following attainment of the highest PPS, the PPS shall remain at that amount and shall not increase for the life of the member and any survivor. Future changes in the PPS occurring after the separation of a member from service shall not apply to the separated member.

Based on the GASB Statement No. 67 and No. 68 Disclosure Information prepared by Foster & Foster, Inc., dated January 31, 2022, employee membership data as of October 1, 2020 (which is the most recent date for which employee membership data for the PPS has been provided) was as follows:

Source: City of Fort Lauderdale, Florida GASB Statement No. 67 and No. 68 Disclosure Information for Post Retirement Pay Steps Plan, prepared by Foster & Foster, Inc., dated January 31, 2022.

The City shall pay the PPS directly to eligible members based on the retirement benefit amount provided by the PFRS. However, the PPS was not established as a provision of, or a benefit under, the PFRS. The PPS is not entitled to be considered a retirement plan or as an accrued or vested benefit under the PFRS. Payment of the PPS requires a direct appropriation by the City, in the same manner as the employee payroll. The PPS is required to be funded through the OPEB Trust Fund, or any other direct appropriation of the City, and will not be an actuarial liability or obligation of the PFRS.

The PPS applies to PFRS member retirees, including DROP participants, who were employed on or after October 1, 2017 (with respect to police officers) or on or after October 1, 2018 (with respect to

firefighters). Payment of PPS benefits began in Fiscal Year 2021 (with respect to police officers) and in Fiscal Year 2022 (with respect to firefighters).

The PPS may be altered or eliminated in the future, based on negotiations between the City and the union representing the City's police and firefighters. However, any person who has qualified for the PPS prior to its alteration or elimination shall have a continued right to receive the benefit in the future. In the event a state or federal regulatory agency determines the PPS is a retirement plan or benefit under the PFRS or otherwise, the City and the union representing the City's police and firefighters have agreed that the PPS will be immediately terminated and no longer be payable by the City. In such event, the City and the union representing the City's police and firefighters have agreed to bargain over the impact of terminating the PPS. If the PPS is terminated, the agreement for PFRS members to make certain increased employee pension contributions will also terminate. For the Fiscal Year ended September 30, 2021, contributions to the PPS totaled \$1,291,185.

Annual Cost and Net Liability. The annual cost and net liability for the PPS as of September 30, 2021 were as follows:

## **INVESTMENT CONSIDERATIONS**

### **Infectious Disease Outbreak**

In December, 2019 a respiratory disease caused by a novel strain of coronavirus was first reported in China. The disease was declared a Public Health Emergency of International Concern on January 30, 2020, named "COVID-19" on February 11, 2020, and declared a pandemic on March 10, 2020, each by the World Health Organization. The number of people reported to have been infected by COVID-19 and the number of reported deaths from COVID-19 infections have been substantially higher in the United States than in any other country. Currently, no proven cure exists for COVID-19. Several vaccines have been developed and are currently available that significantly decrease the likelihood of infection and the severity of impact if a vaccinated person becomes infected. Locations to test for the virus and places where the vaccinations can be received are available in the City and throughout the County.

To address the health concerns presented by COVID-19, state and local governments implemented unprecedented, formal restrictions to limit human contact. During the month of March, 2020, emergency declarations were issued by the federal government, the State, the County and municipalities within the County, including the City. Pursuant to such declarations, far-reaching social distancing measures were adopted, which, among other things, generally required the closure of all public areas and facilities, public and private schools, and businesses that were not considered to be critical or essential. Commercial establishments, government buildings and public areas and facilities were opened in phases in 2020, with restrictions placed on the manner in which access would be allowed. State and local government-imposed restrictions were lifted throughout the State, including within the City, in 2021. Some federal restrictions remain in effect and some businesses continue to maintain certain restrictions or policies designed to inhibit the spread of the virus.

The outbreak of COVID-19 affected travel, commerce and financial markets globally. The continued spread of the disease, containment, and efforts designed to mitigate its effects have had, and may further have, a negative impact on the financial and operating condition of the City. During Fiscal Year 2021, the City identified an estimated \$19.2 million revenue shortfall in its General Fund for Fiscal Year 2020 and, in response, undertook certain reduction strategies to its General Fund to offset projected revenue shortfalls. For example, the City (i) implemented a hiring slowdown for non-public safety vacancies that was designed to result in an estimated \$1.8 million in savings to the General Fund; (ii) decreased operating expenditures associated with having non-essential City operations closed during the COVID-19 crisis, which saved approximately \$5.8 million during Fiscal Year 2020; and (iii) reduced or deferred Community Investment Plan projects that could be delayed or cancelled due to changes that have occurred since funding was originally appropriated, which was designed to save approximately \$11.5 million. Such cost reduction strategies for the General Fund were also applied to other funds of the City to lessen the impact of COVID-19 during Fiscal Year 2020 and Fiscal Year 2021.

While the cost reduction strategies described above helped the City address certain anticipated negative impacts of COVID-19 on the financial and operating condition of the City, the total or long-term negative impact on the City of COVID-19 cannot be predicted with any reasonable degree of certainty at this time. The continued spread of the disease, containment, and efforts designed to mitigate its effects could have a significant negative affect on revenues of the City generally, its financial position or its operations, including the assessed value of property within the City and the revenue such property is able to generate. While the foregoing describes certain effects related to the current outbreak of COVID-19, similar effects could result from an outbreak of some other contagious disease, epidemic or pandemic. No assurance can be given that the changes produced by the outbreak of COVID-19, if the spread of the disease were to continue in significant numbers and health consequences, would not materially adversely impact real estate values in the City or the ability of the City to collect ad valorem tax revenues as currently contemplated, or that an outbreak of some other contagious disease, epidemic or pandemic would not have a similar or even greater negative impact. However, see “SECURITY AND SOURCES OF PAYMENT” herein.

## **Climate Change**

The State is naturally susceptible to the effects of extreme weather events and natural disasters, including floods, droughts and hurricanes. The occurrence of such events and natural disasters can produce significant negative ecological, environmental and economic impacts on coastal communities like the City. Such impacts can be exacerbated by a longer-term shift in the climate over several decades (commonly referred to as climate change), including increasing global temperatures and rising sea levels.

Numerous scientific studies on global climate change conclude that, among other effects on the global ecosystem, extreme and abnormal temperature fluctuations have occurred globally and, without the implementation of measures to address the phenomenon, will continue to occur. Such occurrences have been determined by scientific studies to be the primary reason for current and projected increases in sea levels and for extreme weather events to occur in higher frequency and intensity. Projected changes in weather and tidal patterns place coastal areas like the City at risk of substantial wind or flood damage over time, affecting private development and public infrastructure, including roads, utilities, emergency services, schools, and parks. As a result, global climate change increases the potential of considerable financial loss to the City, including, without limitation, substantial losses in tax revenues. In addition, many residents, businesses and governmental operations could be severely disabled for significant periods of time or displaced, and the City could be required to mitigate these effects at a potentially material cost.

The City is keenly aware of the risks from hurricanes and sea level rise, as are officials at the County and throughout South Florida. In an effort to address the repercussions of climate change in Southeast Florida communities, the first Southeast Florida Climate Leadership Summit was held in the City in 2009. Local elected officials from throughout the region came together at the Summit to discuss challenges and strategies for responding to the impacts of climate change. The Summit resulted in the formation of the Southeast Florida Regional Climate Compact (the “Compact”). The Compact was executed by Broward, Miami-Dade, Monroe and Palm Beach Counties in January 2010 to coordinate climate change mitigation and adaptation activities across county lines. Among other benefits of its participation in the Compact, the City was instrumental in the development of the climate change strategies described in the Compact’s Regional Climate Action Plan (the “RCAP”). The RCAP was the result of a two (2) year collaborative process involving nearly one hundred (100) subject matter experts representing public and private sectors, universities and not-for-profit organizations.

In November 2012 the City was the first municipality to adopt the Mayors’ Climate Action Pledge in support of the RCAP. Following the City, thirty-four (34) municipalities in Broward, Miami-Dade, Monroe and Palm Beach Counties have officially adopted the Mayors’ Climate Action Pledge to document their commitment to implement measures and develop objectives designed to reduce global warming and the negative impacts of climate change, in support of the goals, objectives, strategies and actions described in the RCAP. The RCAP, adopted for Broward County in October 2012, may be viewed on the Compact’s website at: <http://southeastfloridacompact.org/>.

The City uses a series of documents to develop, among other things, local policy making, ordinances, building code provisions and infrastructure improvement in support of the initiatives described in the RCAP. Efforts are made to factor climate change impacts, and specifically sea level rise, into all of the City’s functional plans and operations. The City endeavors to implement programs and projects to respond to those anticipated impacts and to update its infrastructure accordingly. Innovations such as tidal control valves, stormwater preserves, and pervious paving bioswales are examples of sustainable public works and projects currently being planned or implemented by the City.

In April 2013, the City Commission unanimously approved *Fast Forward Fort Lauderdale 2035*, providing a multi-year vision for the City. Such multi-year vision may be viewed on the City’s website at: <https://www.fortlauderdale.gov/home/showdocument?id=4202>. The first set of goals and objectives to facilitate implementation of the vision are contained in the City’s five-year strategic plan, *Press Play Fort Lauderdale 2018*. The City’s five-year strategic plan may be viewed on the City’s website at: <https://www.fortlauderdale.gov/home/showdocument?id=10999>. Included as an integral component of the City’s five-year strategic plan is a Sustainability Action Plan. The City’s Sustainability Action Plan focuses on system-wide goals to promote resiliency, with accompanying scorecards that track the implementation of individual adaptation and mitigation strategies. A more detailed description of the Sustainability Action Plan is available on the City’s website at:

<https://gyr.fortlauderdale.gov/greener-government/sustainability-action-plan>.

Projections of the effects of global climate change on the City are complex and depend on many factors that are outside the control of the City. The various scientific studies that forecast climate change and its adverse effects, including severe storms, sea level rise and flooding risks, are based on assumptions contained in such studies. Actual events, however, may vary materially from such forecasts. In addition, the scientific understanding of climate change and its effects continues to evolve. Accordingly, the City is not able to forecast when sea level rise or other adverse effects of climate change (e.g., the occurrence and frequency of 100-year storm events, hurricanes, and king tides) will occur. In particular, the City is not able to predict the timing or precise magnitude of adverse economic effects, including, without

limitation, material adverse effects on the business operations or financial condition of the City and the local economy during the term of the Series 2022A Bonds. While the negative effects of climate change may be avoided or lessened by the City's past and future investment in adaptation and mitigation strategies, the City cannot provide any assurance about the net effects of those strategies and whether the City will be required to take additional adaptation or mitigation measures. If necessary, such additional measures could require significant capital resources in excess of the resources already contemplated to be spent on combating the negative impacts of climate change.

## **Utility Infrastructure**

Since December 2019, the City has experienced a series of sewer line breaks in several neighborhoods, resulting in approximately 200 million gallons of wastewater discharge being spilled into City streets and waterways and creating a need for the City to undertake sewer line repairs and environmental remediation. The City managed and responded to these incidents with an "all hands on deck" effort, which involved multiple City agencies implementing the National Incident Management System approach to emergency events. The breaks in the sewer lines have been fixed by utilizing various emergency repairs, while long-term corrections and sewer line replacements are being implemented. The Florida Department of Environmental Protection has announced that it is fining the City approximately \$1.8 million for the series of sewer line breaks the City has experienced since December 2019.

The City is proactively addressing the sewer system infrastructure needs through the construction of a new, redundant sewer main and force main replacements at an approximate cost of \$60 million. Funding for these projects will be provided from proceeds of the City's Water and Sewer Revenue Bonds issued in 2018 in the amount of \$196 million (the "2018 Water and Sewer Revenue Bonds"). Approximately \$81.3 million of the proceeds of the 2018 Water and Sewer Revenue Bonds had originally been allocated for sewer system general repairs. A portion of such allocation has been reassigned to address the City's emergent sewer needs. The 2018 Water and Sewer Revenue Bonds were part of the City's implementation of its Comprehensive Utility Strategic Master Plan (CUSMP) completed in 2017, which originally estimated that \$1.2 billion would be needed over the ensuing twenty (20) years to update and maintain the City's water and sewer system.

In addition to its sewer system needs, the City has a detailed plan to improve its water transmission, treatment and distribution facilities as well.

The City is also taking action to address its stormwater needs, which have become more pressing as a result of the consequences of climate change. As part of its stormwater master plan, the City is planning to commence work in eight (8) neighborhoods determined to be most prone to flooding. The City estimates that this work will cost approximately \$200 million over the next five (5) years. The City has developed a new rate-setting methodology that is expected to provide the revenues needed to support its planned long-term borrowings for the required stormwater system improvements. While its long-term financing plans are readied, the City has obtained a \$70.5 million line of credit to provide interim financing for its stormwater needs and has drawn \$130,000.00 thus far under such line of credit.

The City estimates that more than \$600 million will be required within approximately the next five (5) years to address its water, sewer and stormwater infrastructure needs. The funding for these projects is expected to be derived from the City's water and sewer enterprise fund and its stormwater enterprise fund, respectively, or from borrowings currently contemplated to address water, sewer and stormwater infrastructure needs.

## Cybersecurity

### General

Computer networks and systems used for information transmission and collection are essential to the efficient operations of the City. Protecting the assets of City systems and storing information of customers, constituents and employees is considered of vital importance to the City. Cybersecurity is rapidly evolving and the City regularly investigates new software and hardware designed to protect the integrity of system assets and information. Policies and procedures have been implemented and training is provided to employees to increase the level of security within the City's infrastructure.

### Protocols

The City currently utilizes a federal government approved information security framework to guide the development and growth of its cybersecurity protections. In addition, the City uses Gartner Research, one of the world leaders in providing business and technology systems research and advisory services, for implementing best practices. For its core infrastructure, the City relies on, among other protections, a combination of industry leading, enterprise grade firewalls, network access controls, intrusion detection and protection systems, vulnerability management, email and web filtering, endpoint protections, and encryption. Proactive assessment of internal and external systems is conducted regularly, with real time monitoring solutions and the use of computer security best practices. The City provides yearly mandated security training for all City staff, ongoing instruction and certifications for technical staff, and participation in industry acknowledged educational conferences and training. The City reviews its cybersecurity protocols frequently to stay abreast of emerging and effective procedures and measures.

### Threat Response

The City can respond to cybersecurity threats in many ways, depending on the severity and mode of attack. The City has internal internet technology staff that it can use to respond to a cybersecurity threat, including, without limitation, network administrators, database administrators, system administrators and analysts and field technicians. Additionally, the City has internet security vendors as managed service providers and on retainer via cyber insurance to provide industry expertise that can be quickly accessed to respond to and remedy a cybersecurity incident. Budgetary funds are also available to secure the services of other professional consultants to respond to a cybersecurity incident, if needed. The City's Information Security team monitors computer and network logs for cybersecurity issues, constantly scanning infrastructure for vulnerabilities. In addition, the City has other systems to monitor inbound and outbound traffic and to respond automatically with counter measures when cybersecurity abnormalities occur.

The City regularly refines and seeks to improve its cybersecurity risk management policies and procedures and regularly trains employees to comply with cybersecurity regulatory requirements. It also maintains cyber risk insurance to help mitigate its exposure to security attacks that are known to cripple an organization's technology system and/or fraudulently confiscate funds. Cybersecurity safeguards are tested annually by an outside service provider along with weekly internal testing and monitoring of the network. The City has not experienced any cybersecurity incidents that affected the City's systems. The City regularly encounters phishing scams and similar attempts to improperly access the City's systems. Such attempts are addressed on a case by case basis.

While City cybersecurity and operational safeguards are periodically tested, no assurances can be given that such measures will ensure against all cybersecurity threats or attacks. Cybersecurity breaches

could damage or compromise the City's computer network and the confidentiality, integrity, or availability of the City's computer system or information. The potential disruption, access, modification, disclosure or destruction of information could result in the interruption of City commerce, the initiation of legal claims or proceedings, liability under laws that protect the privacy of personal information, regulatory penalties, and the loss of confidence in City functions, which could adversely affect City revenues or cause a material disruption in the City's operations or the appropriate provision of City services. The costs of remedying any such damage or protecting against future attacks could be substantial and in excess of the maximum amount of the City's cyber risk insurance policy. Further, the litigation to which the City could be exposed following a cybersecurity breach could be significant, which could cause the City to incur material costs related to such legal claims or proceedings.

## **LEGAL MATTERS**

Certain legal matters incident to the issuance of the Series 2022A Bonds, including their legality and enforceability and the exclusion of interest on the Series 2022A Bonds from gross income for federal income tax purposes, are subject to the legal opinion of Greenberg Traurig, P.A., Miami, Florida, Bond Counsel, whose legal services as Bond Counsel have been retained by the City. The signed legal opinion of Bond Counsel, substantially in the form attached hereto as APPENDIX D, dated and premised on law in effect as of the original delivery of the Series 2022A Bonds, will be delivered to the City and the Underwriters on the date of issuance of the Series 2022A Bonds.

The actual legal opinion to be delivered may vary from the form attached hereto to reflect facts and law on the date of delivery. The opinion will speak only as of its date, and subsequent distribution of the opinion by recirculation of this Official Statement or otherwise shall create no implication that Bond Counsel has reviewed or expresses any opinion concerning any of the matters referenced in the opinion subsequent to its date of issuance.

Certain legal matters incident to the issuance of the Series 2022A Bonds relating to disclosure will be passed on for the City by the Law Offices of Steve E. Bullock, P.A., Miramar, Florida, whose legal services as Disclosure Counsel have been retained by the City. The signed legal opinion, dated and premised on law in effect as of the date of original delivery of the Series 2022A Bonds, will be delivered to the City and the Underwriters on the date of issuance of the Series 2022A Bonds.

The proposed text of the legal opinion of Disclosure Counsel is set forth as APPENDIX E to this Official Statement. The actual legal opinion to be delivered may vary from the text attached hereto if necessary to reflect facts and law on the date of delivery. The opinion will speak only as of its date, and subsequent distribution of it by recirculation of this Official Statement or otherwise shall create no implication that Disclosure Counsel has reviewed or expresses any opinion concerning any of the matters referenced in the opinion subsequent to its date of issuance.

Certain legal matters will be passed on for the City by Alain E. Boileau, Esquire, Fort Lauderdale, Florida, City Attorney.

The legal opinions and other letters of counsel to be delivered concurrently with the delivery of the Series 2022A Bonds express the professional judgment of the attorneys rendering the opinions or advice regarding the legal issues and other matters expressly addressed therein. By rendering a legal opinion or advice, the giver of such opinion or advice does not become an insurer or guarantor of the result indicated by that opinion, or the transaction on which the opinion or advice is rendered, or of the future performance of parties to the transaction. Nor does the rendering of an opinion guarantee the outcome of any legal dispute that may arise out of the transaction.

## **LITIGATION**

Concurrently with the delivery of the Series 2022A Bonds, the City will deliver a certificate which states that there is no litigation pending that seeks to restrain or enjoin the issuance or delivery of the Series 2022A Bonds or the proceedings or authority under which they are to be issued and neither the creation, organization nor existence of the City is contested.

The City experiences routine litigation and claims incidental to the conduct of its municipal affairs. In the opinion of the City, there are no lawsuits presently pending or, to the best of the City's knowledge, threatened, the adverse outcome of which would impair the City's ability to perform its obligations to the owners of the Series 2022A Bonds.

## **ENFORCEABILITY OF REMEDIES**

The remedies available to the owners of the Series 2022A Bonds upon an event of default under the Series 2022A Resolution are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, the remedies specified by the Series 2022A Resolution and the Series 2022A Bonds may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2022A Bonds (including Bond Counsel's approving opinion) will be qualified, as to the enforceability of the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery and to general principles of equity (whether sought in a court of law or equity).

## **TAX MATTERS**

### **General**

The Internal Revenue Code of 1986, as amended (the "Code"), includes requirements which the City must continue to meet after the issuance of the Series 2022A Bonds in order that the interest on the Series 2022A Bonds be and remain excludable from gross income for federal income tax purposes. The City's failure to meet these requirements may cause the interest on the Series 2022A Bonds to be included in gross income for federal income tax purposes retroactive to the date of issuance of the Series 2022A Bonds. The City has covenanted to take the actions required by the Code in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Series 2022A Bonds.

In the opinion of Bond Counsel, under existing statutes, regulations, rulings and court decisions and assuming the accuracy of certain representations and certifications of the City and continuing compliance with the covenants described in the preceding paragraph, interest on the Series 2022A Bonds is excludable from gross income of the owners thereof for federal income tax purposes, and, furthermore, interest on the Series 2022A Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals. Bond Counsel is also of the opinion that the Series 2022A Bonds and the income thereon are not subject to taxation under the laws of the State of Florida, except as to estate taxes and taxes under Chapter 220, Florida Statutes, on interest, income or profits on debt obligations owned by corporations as defined in Chapter 220, Florida Statutes. Bond Counsel will express no opinion as to any other tax consequences regarding the Series 2022A Bonds. Prospective purchasers of the Series 2022A Bonds should consult their own tax advisors as to the status of interest on the Series 2022A Bonds under the tax laws of any state other than the State of Florida.

The above opinion on federal tax matters with respect to the Series 2022A Bonds will be based on and will assume the accuracy of certain representations and certifications of the City and compliance with certain covenants of the City to be contained in the transcript of proceedings and that are intended to evidence and assure the foregoing, including that the Series 2022A Bonds will be and will remain obligations, the interest on which is excludable from gross income of the owners thereof for federal income tax purposes. Bond Counsel will not independently verify the accuracy of those representations and certifications. Bond Counsel will express no opinion as to any other consequences regarding the Series 2022A Bonds.

Bond Counsel's opinions are based on existing law, which is subject to change. Such opinions are further based on factual representations made to Bond Counsel as of the date thereof. Bond Counsel assumes no duty to update or supplement its opinions to reflect any facts or circumstances that may thereafter come to Bond Counsel's attention, or to reflect any changes in law that may thereafter occur or become effective. Moreover, Bond Counsel's opinions are not a guarantee of a particular result, and are not binding on the Internal Revenue Service or the courts. Rather, such opinions represent Bond Counsel's professional judgment based on its review of existing law, and in reliance on the representations and covenants that it deems relevant to such opinion.

Except as described above under this heading "TAX MATTERS," Bond Counsel will express no opinion regarding the federal income tax consequences resulting from the receipt or accrual of the interest on the Series 2022A Bonds, or the ownership or disposition of the Series 2022A Bonds. Prospective purchasers of Series 2022A Bonds should be aware that the ownership of Series 2022A Bonds may result in other collateral federal tax consequences, including (a) the denial of a deduction for interest on indebtedness incurred or continued to purchase or carry the Series 2022A Bonds, (b) the reduction of the loss reserve deduction for property and casualty insurance companies by the applicable statutory percentage of certain items, including the interest on the Series 2022A Bonds, (c) the inclusion of the interest on the Series 2022A Bonds in the earnings of certain foreign corporations doing business in the United States of America for purposes of a branch profits tax, (d) the inclusion of the interest on the Series 2022A Bonds in the passive income subject to federal income taxation of certain Subchapter S corporations with Subchapter C earnings and profits at the close of the taxable year, and (e) the inclusion of interest on the Series 2022A Bonds in the determination of the taxability of certain Social Security and Railroad Retirement benefits to certain recipients of such benefits. The nature and extent of the other tax consequences described above will depend on the particular tax status and situation of each owner of the Series 2022A Bonds. Prospective purchasers of the Series 2022A Bonds should consult their own tax advisors as to the impact of these other tax consequences.

### **Original Issue Discount and Premium**

The Series 2022A Bonds maturing on July 1 in the years \_\_\_\_\_ (collectively, the "Discount Bonds") were offered and sold to the public at an original issue discount ("OID"). OID is the excess of the stated redemption price at maturity (the principal amount) over the "issue price" of a Discount Bond determined under Code Section 1273 or 1274 (i.e., for obligations issued for money in a public offering, the initial offering price to the public (other than to bond houses and brokers) at which a substantial amount of the obligation of the same maturity is sold pursuant to that offering). For federal income tax purposes, OID accrues to the owner of a Discount Bond over the period to maturity based on the constant yield method, compounded semiannually (or over a shorter permitted compounding interval selected by the owner). The portion of OID that accrues during the period of ownership of a Discount Bond (i) is interest excludable from the owner's gross income for federal income tax purposes to the same extent, and subject to the same considerations discussed above, as other interest on the Series 2022A Bonds, and (ii) is added

to the owner's tax basis for purposes of determining gain or loss on the maturity, redemption, prior sale or other disposition of that Discount Bond.

The Series 2022A Bonds maturing on July 1 in the years \_\_\_\_\_ (collectively, the "Premium Bonds") were offered and sold to the public at a price in excess of their stated redemption price (the principal amount) at maturity (or earlier for certain Premium Bonds callable prior to maturity). That excess constitutes bond premium. For federal income tax purposes, bond premium is amortized over the period to maturity of a Premium Bond, based on the yield to maturity of that Premium Bond (or, in the case of a Premium Bond callable prior to its stated maturity, the amortization period and yield may be required to be determined on the basis of an earlier call date that results in the lowest yield on that Premium Bond), compounded semiannually (or over a shorter permitted compounding interval selected by the owner). No portion of that bond premium is deductible by the owner of a Premium Bond. For purposes of determining the owner's gain or loss on the sale, redemption (including redemption at maturity) or other disposition of a Premium Bond, the owner's tax basis in the Premium Bond is reduced by the amount of bond premium that accrues during the period of ownership. As a result, an owner may realize taxable gain for federal income tax purposes from the sale or other disposition of a Premium Bond for an amount equal to or less than the amount paid by the owner for that Premium Bond.

*Owners of Discount Bonds and Premium Bonds should consult their own tax advisors as to the determination for federal income tax purposes of the amount of OID or bond premium properly accruable in any period with respect to the Discount Bonds or Premium Bonds and as to other federal tax consequences, and the treatment of OID and bond premium for purposes of state and local taxes on, or based on, income.*

### **Information Reporting and Backup Withholding**

Interest paid on tax-exempt obligations such as the Series 2022A Bonds is subject to information reporting to the Internal Revenue Service in a manner similar to interest paid on taxable obligations. This reporting requirement does not affect the excludability of interest on the Series 2022A Bonds from gross income for federal income tax purposes. However, in connection with that information reporting requirement, the Code subjects certain noncorporate owners of Series 2022A Bonds, under certain circumstances, to "backup withholding" at the rates set forth in the Code, with respect to payments on the Series 2022A Bonds and proceeds from the sale of Series 2022A Bonds. Any amount so withheld would be refunded or allowed as a credit against the federal income tax of such owner of Series 2022A Bonds. This withholding generally applies if the owner of Series 2022A Bonds (a) fails to furnish the payor such owner's social security number or other taxpayer identification number, (b) furnishes the payor an incorrect taxpayer identification number, (c) fails to properly report interest, dividends or other "reportable payments" as defined in the Code or, (d) under certain circumstances, fails to provide the payor or such owner's securities broker with a certified statement, signed under penalty of perjury, that the taxpayer identification number provided is correct and that such owner is not subject to backup withholding. Prospective purchasers of the Series 2022A Bonds may also wish to consult with their tax advisors with respect to the need to furnish certain taxpayer information in order to avoid backup withholding.

### **Changes in Federal and State Tax Law**

From time to time, there are legislative proposals in the Congress and in the states that, if enacted, could alter or amend the federal and state tax matters referred to under this heading "TAX MATTERS" or adversely affect the market value of the Series 2022A Bonds. It cannot be predicted whether or in what form any such proposal might be enacted or whether if enacted it would apply to bonds issued prior to enactment. In addition, regulatory actions are from time to time announced or proposed and litigation is

threatened or commenced which, if implemented or concluded in a particular manner, could adversely affect the market value of the Series 2022A Bonds. It cannot be predicted whether any such regulatory action will be implemented, how any particular litigation or judicial action will be resolved, or whether the Series 2022A Bonds or the market value thereof would be impacted thereby. Purchasers of the Series 2022A Bonds should consult their tax advisors regarding any pending or proposed legislation, regulatory initiatives or litigation. The opinions expressed by Bond Counsel are based on existing legislation and regulations as interpreted by relevant judicial and regulatory authorities as of the date of issuance and delivery of the Series 2022A Bonds, and Bond Counsel has expressed no opinion as of any date subsequent thereto or with respect to any pending legislation, regulatory initiatives or litigation.

**PROSPECTIVE PURCHASERS OF THE SERIES 2022A BONDS ARE ADVISED TO CONSULT THEIR OWN TAX ADVISORS PRIOR TO ANY PURCHASE OF THE SERIES 2022A BONDS AS TO THE IMPACT OF THE CODE UPON THEIR ACQUISITION, HOLDING OR DISPOSITION OF THE SERIES 2022A BONDS.**

### **CONTINUING DISCLOSURE**

For the benefit of the holders and beneficial owners from time to time of the Series 2022A Bonds, the City will covenant, in accordance with and as the only obligated person with respect to the Series 2022A Bonds under Rule 15c2-12 of the Securities and Exchange Commission (the “Rule”), to provide or cause to be provided certain financial information and operating data relating to the City, not later than 243 days following the end of each Fiscal Year (the “Annual Report”), and notices of material events, in such manner as may be required for purposes of paragraph (b)(5) of the Rule. The Annual Report and notices of material events will be electronically filed by the City with the Municipal Securities Rulemaking Board at <http://emma.msrb.org/>. The specific nature of the information to be contained in the Annual Report and the notices of material events are contained in “APPENDIX F - Form of Continuing Disclosure Commitment.” The covenants of the Continuing Disclosure Commitment have been made in order to assist the Underwriters in complying with clause (b)(5) of the Rule.

Within the last five (5) years the City has complied in all material respects with its previous undertakings made with respect to the Rule and is currently in compliance in all material respects with such undertakings. Any failure to comply with the provisions of the Continuing Disclosure Commitment shall not constitute a default under the Series 2022A Resolution and any failure of the City to comply with its previous continuing disclosure undertakings are not defaults under the authorizing resolutions or continuing disclosure commitments pursuant to which prior continuing disclosure undertakings were created.

In order to provide certain continuing disclosure with respect to the Series 2022A Bonds in accordance with the Rule, the City will retain the services of Digital Assurance Certification, LLC (“DAC”) to serve as Dissemination Agent pursuant to the City’s Continuing Disclosure Commitment. The obligation of DAC to deliver information at the times and with the contents described in the Continuing Disclosure Commitment is limited by, and in all respects subject to, the receipt by DAC of such information from the City in the time periods required for its delivery. The specific obligations and responsibilities of DAC with respect to the continuing disclosure requirements of the Rule and its duties and limitations of liability as Dissemination Agent under the Continuing Disclosure Commitment are described in “APPENDIX F - Form of Continuing Disclosure Commitment.”

## **INVESTMENT POLICY**

The City adopted a detailed written investment policy on September 6, 2000, which has been amended several times. The City's current investment policy was approved on July 9, 2019 (the "Investment Policy"). The Investment Policy was adopted and exists in compliance with Section 218.415, Florida Statutes, as amended.

The Investment Policy applies to all cash and investments held or controlled by the City and shall be identified as "general operating funds" of the City, with the exception of funds needed to meet current expenses, the City's pension funds, including those funds received pursuant to Chapters 175 and 185, Florida Statutes, as amended, OPEB funds, deferred compensation and Section 401(a) Plans, Cemetery System Trust Funds, and funds related to the issuance of debt where there are other existing policies or indentures in effect for such funds. Additionally, any future revenues, which have statutory investment requirements conflicting with the Investment Policy and funds held by State agencies (e.g., the Florida Department of Revenue), are not subject to the provisions of the Investment Policy. The general operating funds, which are characterized as: funds in excess of those needed for the purpose of meeting operational and reserve expenses, are governed by the Investment Policy.

The objectives of the Investment Policy are: (i) safety of principal, (ii) maintenance of liquidity and (iii) return on investment, with safety of principal being the expressly stated foremost objective and return on investment the least important of the three (3) objectives. The City may engage up to four (4) investment managers to assist in managing the City's investment portfolio. The City may also engage an investment advisor to oversee the activities of the City's investment managers. Such investment managers and investment advisor must be registered under the Investment Advisors Act of 1940.

The Investment Policy provides a list of the types of securities in which the general operating funds may be invested, with limitations provided for certain categories of investment and for each type of security listed, including limitations as to maximum allowable percentages, minimum rating requirements and maximum maturities. The Investment Policy also provides a list of investments which are not permitted, unless specifically authorized by statute and with the prior approval of the City Commission. After the Treasurer of the City or the City's investment managers have determined the approximate maturity date, based on cash flow needs and market conditions, and has analyzed and selected one or more optimal types of investments, in accordance with the authorizations and limitations set forth in the Investment Policy, all investment transactions shall be subject to competitive bid, either electronically or manually, and a minimum of three (3) qualified banks and/or approved broker/dealers must be contacted and asked to provide bids/offers on the securities in question. Bids will be held in confidence until the bid deemed to best meet the investment objectives is determined and selected.

The Investment Policy may be modified from time to time by the City Commission. The Investment Policy is available on the City's website at:

<https://www.fortlauderdale.gov/home/showdocument?id=29499>.

## **RATINGS**

S&P Global Ratings, a division of Standard & Poor's Financial Services LLC ("S&P") and Moody's Investors Service, Inc. ("Moody's") have assigned ratings of "\_\_\_\_," with a "\_\_\_\_ outlook," and "\_\_\_\_," with a "\_\_\_\_ outlook," respectively, in connection with the issuance of the Series 2022A Bonds. Such ratings and outlooks reflect the view of such organizations. An explanation of the significance of such ratings and outlooks may be obtained only from S&P and Moody's, respectively. An explanation of the rating and outlook assigned by S&P may be obtained from S&P at 55 Water Street, 38<sup>th</sup> Floor, New York, New York 10041, (212) 438-2124. An explanation of the rating and outlook assigned by Moody's may be obtained from Moody's at 7 World Trade Center, 250 Greenwich Street, 23<sup>rd</sup> Floor, New York, New York 10007, (212) 553-0300.

Generally, a rating agency bases its rating and outlook, if assigned, on the information and materials furnished to it and on investigations, studies and assumptions of its own. A securities rating and outlook is not a recommendation to buy, sell or hold securities. There is no assurance that the rating and outlook provided by S&P and Moody's, respectively, will continue for any given period of time or that they will not be revised downward or withdrawn entirely by such rating agencies if, in their judgment, circumstances so warrant. Any downward revision or withdrawal of such ratings or outlooks may have an adverse effect on the market price of the Series 2022A Bonds.

## **FINANCIAL ADVISOR**

The City has retained PFM Financial Advisors LLC, Coral Gables, Florida, as financial advisor with respect to the authorization and issuance of the Series 2022A Bonds (the "Financial Advisor"). The Financial Advisor has assisted in the preparation of this Official Statement and in other matters relating to the planning, structuring and issuance of the Series 2022A Bonds. The Financial Advisor is not obligated to undertake and has not undertaken to make an independent verification of, or to assume responsibility for, the accuracy, completeness or fairness of the information contained in this Official Statement.

The Financial Advisor is an independent, registered municipal advisory firm. The Financial Advisor is not engaged in the business of underwriting, marketing or trading of municipal securities. Investors should not base any investment decision on the fact that the Financial Advisor has advised the City on matters relating to the issuance of the Series 2022A Bonds.

## **UNDERWRITING**

The Series 2022A Bonds are being purchased by \_\_\_\_\_ ("\_\_\_\_\_"), as the successful bidder and representative of the syndicate for purchase of the Series 2022A Bonds consisting of \_\_\_\_\_ (collectively, the "Underwriters"). Such purchase is subject to certain terms and conditions set forth in the Official Notice of Bond Sale for the Series 2022A Bonds, including the approval of certain legal matters by Bond Counsel, delivery of a certificate from the City regarding information set forth in this Official Statement, and the existence of no material adverse change in the condition of the City from that set forth in this Official Statement.

The net aggregate purchase price payable by the Underwriters for the Series 2022A Bonds is \$ \_\_\_\_\_ (equal to the principal amount of the Series 2022A Bonds, plus a net original issue premium/discount of \$ \_\_\_\_\_, minus an Underwriters' discount of \$ \_\_\_\_\_). The Series 2022A Bonds are offered for sale to the public at the prices or yields set forth on the inside cover page of this Official Statement. The Series 2022A Bonds may be offered and sold to certain dealers at

prices lower than or yields higher than such offering prices or yields, and such public offering prices and yields may be changed, from time to time, by the Underwriters.

### **CONTINGENT FEES**

The City has retained Bond Counsel, Disclosure Counsel and the Financial Advisor with respect to the authorization, sale, execution and delivery of the Series 2022A Bonds. Payment of the fees of such professionals and an underwriting discount to the Underwriters are each contingent upon the issuance of the Series 2022A Bonds.

### **DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS**

Section 517.051, Florida Statutes, and Rule 3E400.003, Florida Administrative Code, requires the City to disclose each and every default as to payment of principal and interest after December 31, 1975 with respect to obligations issued or guaranteed by the City. Rule 3E400.003 further provides, however, that if the City in good faith believes that such disclosure would not be considered material by reasonable investors, such disclosure may be omitted. Certain obligations issued by the City in which the City has acted merely as a conduit for payment do not constitute an actual debt, liability or obligation of the City, but are instead secured by payments to be made from certain users of bond financed property. Because such other obligations are not dependent upon the City for repayment, they do not affect or reflect the strength of the City. Accordingly, any prior default with respect to such obligations issued by the City would not in the City's judgment be considered material by reasonable investors in the Series 2022A Bonds. Accordingly, the City has not taken affirmative steps to contact the various trustees of conduit bond issues of the City to determine the existence of prior defaults.

Although no affirmative steps have been taken to determine if any defaults occurred with conduit issues of the City, the City has been provided notice of the occurrence of a default with respect to one of its prior conduit issues. The City's \$3,675,000 Industrial Development Revenue Bonds, Series 1982 (Days Inn of America, Inc. Project) (the "Days Inn Bonds") went into default as to the payment of principal and interest on September 15, 1991. On November 3, 1997, First Union National Bank, as Indenture Trustee for the Days Inn Bonds, issued a "Notice of Final Distribution" as to the Days Inn Bonds. The Days Inn Bonds were special, limited obligations of the City payable solely from the revenues and other amounts derived by the City from the loan agreement with the borrower of the proceeds of the Days Inn Bonds or otherwise from the project in respect of which the Days Inn Bonds were issued. Neither the faith and credit nor the taxing power of the City was pledged to the payment of the Days Inn Bonds. There was no lien upon any property owned by or situated within the jurisdictional limits of the City, except the project in respect of which the Days Inn Bonds were issued. For the foregoing reasons, the City has concluded that all disclosures required by the aforementioned Rule pertaining to the Days Inn Bonds are not deemed material to a reasonable investor.

Except as described in the preceding paragraph, to the best knowledge of the Assistant City Manager/Director of Finance of the City, the City has not received actual notice of a default in the payment of principal or interest after December 31, 1975 with respect to any obligations issued or guaranteed by the City.

### **AUTHORIZATION OF OFFICIAL STATEMENT**

The delivery of this Official Statement has been duly authorized by the City Commission. At the time of the delivery of the Series 2022A Bonds, the Mayor and City Manager of the City will furnish a certificate to the effect that (except for information in this Official Statement relating to DTC, its operations

and the book-entry only system, as to which no opinion will be expressed) nothing has come to their attention which would lead them to believe that this Official Statement, as of its date and as of the date of delivery of the Series 2022A Bonds, contains an untrue statement of a material fact or omits to state a material fact which should be included therein for the purpose for which this Official Statement is intended to be used, or which is necessary to make the statements contained herein, in the light of the circumstances under which they were made, not misleading.

A limited number of copies of the final Official Statement will be provided, at the City's expense, on a timely basis.

### **CONCLUDING STATEMENT**

**CITY OF FORT LAUDERDALE, FLORIDA**  
**General Obligation Bonds, Series 2022A**  
**(Parks and Recreation Projects)**

Ladies and Gentlemen:

We have served as Disclosure Counsel to the City of Fort Lauderdale, Florida (the “City”) in connection with the issuance by the City of its \$ \_\_\_\_\_ General Obligation Bonds, Series 2022A (Parks and Recreation Projects) (the “Series 2022A Bonds”). The Series 2022A Bonds are being issued pursuant to and under the authority of the Constitution and laws of the State of Florida, including, without limitation, Article VII, Section 12 of the Florida Constitution, Chapter 166, Part II, Florida Statutes, as amended, and, to the extent not inconsistent with and not repealed by the provisions of Section 166.021, Florida Statutes, the Charter of the City. The Series 2022A Bonds are also being issued pursuant to Resolution No. 18-261 adopted by the City Commission of the City (the “City Commission”) on December 18, 2018 and Resolution No. 22-\_\_\_\_\_ adopted by the City Commission on November \_\_\_, 2022.

The Series 2022A Bonds are being issued with the terms and for the purposes described in the Official Statement dated December \_\_\_, 2022 relating to the Series 2022A Bonds (the “Official Statement”). All capitalized terms used in this opinion that are not defined herein and not normally capitalized shall have the meanings ascribed to such terms in the Official Statement.

In connection with the issuance and delivery of this opinion, we have considered such matters of law and fact and have relied upon such certificates and other information furnished to us as we have deemed appropriate. We are not expressing any opinion or views herein on the authorization, issuance, delivery or validity of the Series 2022A Bonds. To the extent that the opinions expressed herein relate to or are dependent upon the determination that the proceedings and actions related to the authorization, issuance and sale of the Series 2022A Bonds are lawful and valid under the laws of the State of Florida, or that the Series 2022A Bonds are valid and binding obligations of the City enforceable in accordance with their terms, or that interest on the Series 2022A Bonds is excluded from the gross income of the owners thereof for federal income tax purposes or is exempt from taxation under the laws of the State of Florida, we understand that you are relying upon the opinions delivered on the date hereof of Greenberg Traurig, P.A. and no opinion is expressed herein as to such matters.

The scope of our engagement with respect to the issuance of the Series 2022A Bonds was not to establish factual matters and, because of the wholly or partially non-legal character of many of the determinations involved in the preparation of the Official Statement, we are not passing on and do not assume any responsibility for, except as set forth in the last sentence of this paragraph, the accuracy or completeness of the contents of the Official Statement (including, without limitation, its appendices) and we make no representation that we have independently verified the accuracy, completeness or fairness of

such statements. As your counsel, we have participated in the preparation of the Official Statement and in discussions and conferences with officers of the City, Bond Counsel for the City and the Financial Advisor for the City, in which the contents of the Official Statement and related matters were discussed. Solely on the basis of our participation in the preparation of the Official Statement, our examination of certificates, documents, instruments and records relating to the City and the issuance of the Series 2022A Bonds and the above-mentioned discussions, nothing has come to our attention which would lead us to believe that the Official Statement (except for the financial, statistical and demographic data and information in the Official Statement, including, without limitation, the appendices thereto, the information relating to DTC, its operations and the book-entry only system, and the information under the caption "UNDERWRITING," as to which no opinion is expressed) contains an untrue statement of a material fact or omits to state a material fact that is necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading.

In reaching the conclusions expressed herein we have, with your concurrence, assumed and relied on the genuineness and authenticity of all signatures not witnessed by us, the authenticity of all documents, records, instruments and letters submitted to us as originals, the conformity to originals of all items submitted to us as certified or photostatic copies, the legal capacity and authority of the persons who executed such items, the accuracy of all warranties, representations and statements of fact contained in the documents and instruments submitted to us, and the continuing accuracy on this date of any certificates or other items supplied to us regarding the matters addressed herein, which assumptions we have not verified. As to questions of fact material to our opinions, we have relied upon and assumed the correctness of the public records and certificates by, and representations of, public officials and other officers, and representatives of the parties to this transaction. We have no actual knowledge of any factual information that would lead us to form a legal opinion that the public records or certificates which we have relied upon contain any untrue statement of a material fact.

The opinions expressed herein are based upon existing law as of the date hereof and we express no opinion herein as of any subsequent date or with respect to any pending legislation. We assume no obligation to supplement this opinion if any applicable laws change after the date hereof or if we become aware of any facts that might change the opinions expressed herein after the date hereof. The opinions expressed herein represent our professional judgment, are not a guarantee of result, and are limited to the laws of the State of Florida and the United States of America.

The opinions expressed herein are furnished by us as Disclosure Counsel to our client, the City, and solely for the use of the addressee named above. Such opinions shall not extend to, and may not be relied upon by, any other persons, firms, or corporations without our prior written consent. The opinions expressed herein are limited to the matters set forth herein, and to the documents referred to herein, and do not extend to any other agreements, documents or instruments executed by the City, and no other opinion should be inferred beyond the matters expressly stated herein.

Respectfully submitted,

LAW OFFICES OF STEVE E. BULLOCK, P.A.

The Series 2022A Bonds are being issued pursuant to and under the authority of the Constitution and laws of the State of Florida (the “State”), including, without limitation, Article VII, Section 12 of the Florida Constitution, Chapter 166, Part II, Florida Statutes, as amended, and, to the extent not inconsistent with and not repealed by the provisions of Section 166.021, Florida Statutes, the Charter of the City (collectively, the “Act”). The City covenants and agrees as follows:

### SECTION 3. Provision of Annual Reports.

(a) The City shall, or shall cause the Dissemination Agent to, not later than the 243<sup>rd</sup> day following the end of each Fiscal Year, commencing with the Fiscal Year ended September 30, 2022, provide to each Repository an Annual Report which is consistent with the requirements of Section 4 of this Disclosure Commitment. The Annual Report may be submitted as a single document or as separate documents comprising a package, and may cross-reference other information as provided in Section 4 of this Disclosure Commitment; provided, however, that the audited financial statements of the City may be submitted separately from the balance of the Annual Report and later than the date required above for the filing of the Annual Report if the audited financial statements are not available by that date. If the City’s Fiscal Year changes, it shall give notice of such change in the same manner as for a Listed Event under Section 5(c).

(c) If the audited financial statements of the City are prepared but not available prior to the date the Annual Report is required to be filed, the City may provide an electronic copy of

its unaudited financial statements to the Dissemination Agent and shall, when the audited financial statements of the City are available, provide in a timely manner an electronic copy of such audited financial statements to the Dissemination Agent, accompanied by any required documentation, in each case, for filing with the MSRB. Compliance with the provisions of this Section 3(c) shall constitute the City's timely filing of the Annual Report until the audited financial statements of the City are filed.

(d) In addition to filing the notice required by subsection (b) of this Section, as applicable, the Dissemination Agent shall:

(i) determine each year prior to the date for providing the Annual Report the name and address of each Repository and verify the filing specifications of such Repository; and

(ii) if the Dissemination Agent is other than the City, file a report with the City certifying that the Annual Report has been provided pursuant to the Disclosure Agreement, stating the date it was provided and listing each Repository to which it was provided.

SECTION 4. Content of Annual Reports. The City's Annual Report shall contain or include by reference the following:

(a) The audited financial statements of the City for the prior Fiscal Year, prepared in accordance with generally accepted accounting principles as promulgated to apply to governmental entities from time to time by the Governmental Accounting Standards Board, which may be a part of the City's Annual Comprehensive Financial Report. (b) To the extent such information is not otherwise included as part of the Annual Report, updated information from that set forth in the Official Statement for the Series 2022A Bonds under the caption "DEBT RATIOS," the tax levy and collection information under the caption "AD VALOREM TAXATION," the annual pension cost and funding status information under the caption "PENSION PLANS" and the annual cost and contribution information under the caption "GASB STATEMENT NO. 75."

Any or all of the items listed above may be included by specific reference to other documents, including official statements of debt issues of the City or related public entities, which have been submitted to each Repository or to the SEC. If the document included by reference is a final official statement, such final official statement must be available in electronic format from the MSRB. The City shall clearly identify each such other document so included by reference.

SECTION 5. Reporting of Significant Events.

(a) Pursuant to the provisions of this Section 5, the City shall give, or cause to be given, notice of the occurrence of any of the following events with respect to the Series 2022A Bonds in a timely manner not in excess of ten (10) Business Days of the occurrence of the event:

14. Appointment of a successor or additional Bond Registrar, Paying Agent or trustee or the change of name of a Bond Registrar, Paying Agent or trustee, if material;

(b) Notice to the Dissemination Agent of any Listed Event shall be in writing. Such notice shall (i) identify the Listed Event that has occurred; (ii) include the text of the disclosure that the City desires to make; (iii) contain the written authorization of the City for the Dissemination Agent to disseminate such information, and (iv) identify the date the City desires the Dissemination Agent to disseminate the information (provided that such date is not later than the tenth (10<sup>th</sup>) Business Day after the occurrence of the Listed Event).

(c) The Dissemination Agent is not obligated to notify the City of an event that may constitute a Listed Event. In the event the Dissemination Agent so notifies the City, the City shall, within two (2) Business Days of receipt of such notice (but in any event not later than the tenth (10<sup>th</sup>) Business Day after the occurrence of the Listed Event, if the City determines that a Listed Event has occurred), instruct the Dissemination Agent that a Listed Event either (i) has not occurred and no filing is to be made or (ii) has occurred and the Dissemination Agent shall be provided notice thereof in the manner provided in Section 5(b).

SECTION 6. Termination of Reporting Obligation. The obligations of the City under the Disclosure Agreement shall remain in effect only for such period that the Series 2022A Bonds are outstanding in accordance with their terms and the terms of the Bond Resolution and the City remains an obligated person with respect to the Series 2022A Bonds within the meaning of the Rule. The obligation of the City to provide the Annual Report and notices of Listed Events shall terminate if and when the City no longer remains such an obligated person. The Disclosure Agreement also shall terminate upon the termination of the continuing disclosure requirements of the Rule by legislative, judicial or administrative action.

SECTION 7. Amendment; Waiver. Notwithstanding any other provision of the Disclosure Agreement, the City may amend the Disclosure Agreement, and non-compliance with any provision of the Disclosure Agreement may be waived, provided the following conditions are satisfied:

(a) If the amendment or waiver relates to the provisions of Sections 3(a), 4, or 5(a) hereof (unless the amendment or waiver is necessary or appropriate for the City to achieve compliance with any applicable federal law or rule, or to cure any ambiguity, inconsistency, formal defect or omission in the provisions of the Disclosure Agreement), it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of an obligated person with respect to the Series 2022A Bonds, or the type of business conducted;

(b) The Disclosure Agreement, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the original issuance of the Series 2022A Bonds, after taking into account any applicable amendments to or official interpretations of the Rule, as well as any change in circumstances; and

(c) The amendment or waiver either (i) is approved by the Holders of the Series 2022A Bonds in the same manner as provided in the Series 2022A Resolution for amendments to the Series 2022A Resolution with the consent of Holders, or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the Beneficial Owners.

In the event of any amendment or waiver of a provision of the Disclosure Agreement, the City shall describe such amendment in the next Annual Report, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the City. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change shall be given in the same manner as for a Listed Event under Section 5(a), and (ii) the Annual Report for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

SECTION 8. Additional Information. Nothing in the Disclosure Agreement shall be deemed to prevent the City from disseminating any other information, using the means of dissemination set forth in this Disclosure Commitment or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by the Disclosure Agreement. If the City chooses to include any information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by the Disclosure Agreement, the City shall have no obligation under the Disclosure Agreement to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

SECTION 9. Remedy for Breach. The Disclosure Agreement shall be solely for the benefit of the Beneficial Owners from time to time of the Series 2022A Bonds. The exclusive remedy for any breach of the Disclosure Agreement by the City shall be limited, to the extent permitted by law, to a right of Beneficial Owners to institute and maintain, or to cause to be instituted and maintained, such proceedings as may be authorized at law or in equity to obtain the specific performance by the City of its obligations under the Disclosure Agreement. Any holder or beneficial owner may exercise individually any such right to require the City to specifically perform its obligation to provide or cause to be provided a pertinent filing if such a filing is due and has not been made. Notwithstanding any other provisions of the Bond Resolution or the Disclosure Agreement, any failure by the City to comply with any provision of the Disclosure Agreement shall not constitute a default under the Series 2022A Bonds or under the Bond Resolution.

SECTION 10. Duties, Immunities and Liabilities of Dissemination Agent.

(a) The services provided by the Dissemination Agent under or pursuant to the Disclosure Agreement shall solely relate to the execution of instructions received by the Dissemination Agent from the City and do not constitute “advice” within the meaning of the Dodd-Frank Wall Street Reform and Consumer Protection Act (“Dodd-Frank”). The Dissemination Agent shall not provide any advice or recommendation to the City or anyone on the City’s behalf

regarding the “issuance of municipal securities” or any “municipal financial product,” as such terms are defined in Dodd-Frank, and nothing in the Disclosure Agreement shall be interpreted to the contrary.

(b) For purposes of satisfying the reporting requirements of the Disclosure Agreement, the City has delegated to the Dissemination Agent the duties, functions and responsibilities of disclosing information undertaken by the City in the Disclosure Agreement. The City may, from time to time, appoint or engage an alternate or substitute Dissemination Agent to assist it in carrying out its obligations under the Disclosure Agreement, and may discharge any such Dissemination Agent, with or without appointing a successor, alternate or substitute Dissemination Agent. The Dissemination Agent (other than the City) shall not be responsible in any manner for the content of any notice or report prepared by the City pursuant to the Disclosure Agreement.

(c) Any information received by the Dissemination Agent before 6:00 p.m. Eastern time on any Business Day that it is required to file with the MSRB pursuant to the terms of the Disclosure Agreement will be filed by the Dissemination Agent with the MSRB no later than 11:59 p.m. Eastern time on the same Business Day; provided, however, the Dissemination Agent shall have no liability for any delay in filing with the MSRB if such delay is caused by a Force Majeure Event, provided that the Dissemination Agent uses reasonable efforts to make any such filing as soon as possible.

(d) The Dissemination Agent shall have only such duties as are specifically set forth in the Disclosure Agreement, and the City agrees to indemnify and save the Dissemination Agent, its officers, directors, employees and agents, harmless against loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including attorneys fees) of defending against any claim of liability, but excluding liabilities due to the Dissemination Agent’s negligence or willful misconduct. The obligations of the City under this Section shall survive resignation or removal of the Dissemination Agent and payment of the Series 2022A Bonds.

SECTION 11. Extent of Covenants; No Personal Liability. All covenants, stipulations, obligations and agreements of the City contained in the Disclosure Agreement are and shall be deemed to be covenants, stipulations, obligations and agreements of the City to the full extent authorized by law. No covenant, stipulation, obligation or agreement of the City contained in the Disclosure Agreement shall be deemed to be a covenant, stipulation, obligation or agreement of any present or future officer, agent or employee of the City in other than that person’s official capacity.

SECTION 12. Obligated Persons. If any person, other than the City, becomes an “obligated person” with respect to the Series 2022A Bonds within the meaning of the Rule, the City shall use its best efforts to require such “obligated person” to comply with all provisions of the Rule applicable to such “obligated person.”

SECTION 13. Electronic Filing. Any filing under the Disclosure Agreement with a Repository shall be made in compliance with the formal rules, notices or releases for such filings, as established by the SEC or the MSRB and, until established otherwise by such rules, notices or releases, any filing under the Disclosure Agreement shall be made electronically at <http://emma.msrb.org/> in accordance with the procedures of the MSRB for such filings.

SECTION 14. Beneficiaries. The Disclosure Agreement shall inure solely to the benefit of the City, the Dissemination Agent, the Participating Underwriter and the Beneficial Owners, and shall create no rights in any other person or entity.

SECTION 15. Severability. In case any section or provision of the Disclosure Agreement, or any covenant, stipulation, obligation, agreement, act or action, or part thereof made, assumed, entered into, or taken thereunder or any application thereof, is for any reason held to be illegal or invalid, such illegality or invalidity shall not affect the remainder thereof or any other section or provision thereof or any other covenant, stipulation, obligation, agreement, act or action, or part thereof made, assumed, entered into, or taken thereunder (except to the extent that such remainder or section or provision or other covenant, stipulation, obligation, agreement, act or action, or part thereof is wholly dependent for its operation on the provision determined to be invalid), which shall be construed and enforced as if such illegal or invalid portion were not contained therein, nor shall such illegality or invalidity of any application thereof affect any legal and valid application thereof, and each such section, provision, covenant, stipulation, obligation, agreement, act or action, or part thereof shall be deemed to be effective, operative, made, entered into or taken in the manner and to the full extent permitted by law.

SECTION 16. Headings. The headings preceding the text of the sections of this Disclosure Commitment are solely for convenience of reference and shall not affect the meaning, construction or effect of any of the provisions of the Disclosure Agreement.

IN WITNESS WHEREOF, the City has caused this Disclosure Commitment to be executed, attested and sealed by its duly authorized officers and delivered to the Participating Underwriter in connection with the original issuance and delivery of the Series 2022A Bonds, all as of the date set forth above, and the Beneficial Owners from time to time shall be deemed to have accepted the Disclosure Agreement, as contained in Section 13 of the Series 2022A Resolution and further described and specified herein, in accordance with the Rule.

(c) The Dissemination Agent is not obligated to notify the City of an event that may constitute a Listed Event. In the event the Dissemination Agent so notifies the City, the City shall, within two (2) Business Days of receipt of such notice (but in any event not later than the tenth (10<sup>th</sup>) Business Day after the occurrence of the Listed Event, if the City determines that a Listed Event has occurred), instruct the Dissemination Agent that a Listed Event either (i) has not occurred and no filing is to be made or (ii) has occurred and the Dissemination Agent shall be provided notice thereof in the manner provided in Section 5(b).

SECTION 6. Termination of Reporting Obligation. The obligations of the City under the Disclosure Agreement shall remain in effect only for such period that the Series 2022A Bonds are outstanding in accordance with their terms and the terms of the Bond Resolution and the City remains an obligated person with respect to the Series 2022A Bonds within the meaning of the Rule. The obligation of the City to provide the Annual Report and notices of Listed Events shall terminate if and when the City no longer remains such an obligated person. The Disclosure Agreement also shall terminate upon the termination of the continuing disclosure requirements of the Rule by legislative, judicial or administrative action.

SECTION 7. Amendment; Waiver. Notwithstanding any other provision of the Disclosure Agreement, the City may amend the Disclosure Agreement, and non-compliance with any provision of the Disclosure Agreement may be waived, provided the following conditions are satisfied:

(a) If the amendment or waiver relates to the provisions of Sections 3(a), 4, or 5(a) hereof (unless the amendment or waiver is necessary or appropriate for the City to achieve compliance with any applicable federal law or rule, or to cure any ambiguity, inconsistency, formal defect or omission in the provisions of the Disclosure Agreement), it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of an obligated person with respect to the Series 2022A Bonds, or the type of business conducted;

(b) The Disclosure Agreement, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the original issuance of the Series 2022A Bonds, after taking into account any applicable amendments to or official interpretations of the Rule, as well as any change in circumstances; and

(c) The amendment or waiver either (i) is approved by the Holders of the Series 2022A Bonds in the same manner as provided in the Series 2022A Resolution for amendments to the Series 2022A Resolution with the consent of Holders, or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the Beneficial Owners.

In the event of any amendment or waiver of a provision of the Disclosure Agreement, the City shall describe such amendment in the next Annual Report, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the City. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change shall be given in the same manner as for a Listed Event under Section 5(a), and (ii) the Annual Report for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

SECTION 8. Additional Information. Nothing in the Disclosure Agreement shall be deemed to prevent the City from disseminating any other information, using the means of dissemination set forth in this Disclosure Commitment or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by the Disclosure Agreement. If the City chooses to include any information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by the Disclosure Agreement, the City shall have no obligation under the Disclosure Agreement to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

SECTION 9. Remedy for Breach. The Disclosure Agreement shall be solely for the benefit of the Beneficial Owners from time to time of the Series 2022A Bonds. The exclusive remedy for any breach of the Disclosure Agreement by the City shall be limited, to the extent permitted by law, to a right of Beneficial Owners to institute and maintain, or to cause to be instituted and maintained, such proceedings as may be authorized at law or in equity to obtain the specific performance by the City of its obligations under the Disclosure Agreement. Any holder or beneficial owner may exercise individually any such right to require the City to specifically perform its obligation to provide or cause to be provided a pertinent filing if such a filing is due and has not been made. Notwithstanding any other provisions of the Bond Resolution or the Disclosure Agreement, any failure by the City to comply with any provision of the Disclosure Agreement shall not constitute a default under the Series 2022A Bonds or under the Bond Resolution.

SECTION 10. Duties, Immunities and Liabilities of Dissemination Agent.

(a) The services provided by the Dissemination Agent under or pursuant to the Disclosure Agreement shall solely relate to the execution of instructions received by the Dissemination Agent from the City and do not constitute “advice” within the meaning of the Dodd-Frank Wall Street Reform and Consumer Protection Act (“Dodd-Frank”). The Dissemination Agent shall not provide any advice or recommendation to the City or anyone on the City’s behalf regarding the “issuance of municipal securities” or any “municipal financial product,” as such terms are defined in Dodd-Frank, and nothing in the Disclosure Agreement shall be interpreted to the contrary.

(b) For purposes of satisfying the reporting requirements of the Disclosure Agreement, the City has delegated to the Dissemination Agent the duties, functions and responsibilities of disclosing information undertaken by the City in the Disclosure Agreement. The City may, from time to time, appoint or engage an alternate or substitute Dissemination Agent to assist it in carrying out its obligations under the Disclosure Agreement, and may discharge any such Dissemination Agent, with or without appointing a successor, alternate or substitute Dissemination Agent. The Dissemination Agent (other than the City) shall not be responsible in any manner for the content of any notice or report prepared by the City pursuant to the Disclosure Agreement.

(c) Any information received by the Dissemination Agent before 6:00 p.m. Eastern time on any Business Day that it is required to file with the MSRB pursuant to the terms of the Disclosure Agreement will be filed by the Dissemination Agent with the MSRB no later than 11:59 p.m. Eastern time on the same Business Day; provided, however, the Dissemination Agent shall have no liability for any delay in filing with the MSRB if such delay is caused by a Force Majeure Event, provided that the Dissemination Agent uses reasonable efforts to make any such filing as soon as possible.

(d) The Dissemination Agent shall have only such duties as are specifically set forth in the Disclosure Agreement, and the City agrees to indemnify and save the Dissemination Agent, its officers, directors, employees and agents, harmless against loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including attorneys fees) of defending against any claim of liability, but excluding liabilities due to the Dissemination Agent’s negligence or willful misconduct. The obligations of the City under this Section shall survive resignation or removal of the Dissemination Agent and payment of the Series 2022A Bonds.

SECTION 11. Extent of Covenants; No Personal Liability. All covenants, stipulations, obligations and agreements of the City contained in the Disclosure Agreement are and shall be deemed to be covenants, stipulations, obligations and agreements of the City to the full extent authorized by law. No covenant, stipulation, obligation or agreement of the City contained in the Disclosure Agreement shall be deemed to be a covenant, stipulation, obligation or agreement

of any present or future officer, agent or employee of the City in other than that person's official capacity.

SECTION 12. Obligated Persons. If any person, other than the City, becomes an "obligated person" with respect to the Series 2022A Bonds within the meaning of the Rule, the City shall use its best efforts to require such "obligated person" to comply with all provisions of the Rule applicable to such "obligated person."

SECTION 13. Electronic Filing. Any filing under the Disclosure Agreement with a Repository shall be made in compliance with the formal rules, notices or releases for such filings, as established by the SEC or the MSRB and, until established otherwise by such rules, notices or releases, any filing under the Disclosure Agreement shall be made electronically at <http://emma.msrb.org/> in accordance with the procedures of the MSRB for such filings.

SECTION 14. Beneficiaries. The Disclosure Agreement shall inure solely to the benefit of the City, the Dissemination Agent, the Participating Underwriter and the Beneficial Owners, and shall create no rights in any other person or entity.

SECTION 15. Severability. In case any section or provision of the Disclosure Agreement, or any covenant, stipulation, obligation, agreement, act or action, or part thereof made, assumed, entered into, or taken thereunder or any application thereof, is for any reason held to be illegal or invalid, such illegality or invalidity shall not affect the remainder thereof or any other section or provision thereof or any other covenant, stipulation, obligation, agreement, act or action, or part thereof made, assumed, entered into, or taken thereunder (except to the extent that such remainder or section or provision or other covenant, stipulation, obligation, agreement, act or action, or part thereof is wholly dependent for its operation on the provision determined to be invalid), which shall be construed and enforced as if such illegal or invalid portion were not contained therein, nor shall such illegality or invalidity of any application thereof affect any legal and valid application thereof, and each such section, provision, covenant, stipulation, obligation, agreement, act or action, or part thereof shall be deemed to be effective, operative, made, entered into or taken in the manner and to the full extent permitted by law.

SECTION 16. Headings. The headings preceding the text of the sections of this Disclosure Commitment are solely for convenience of reference and shall not affect the meaning, construction or effect of any of the provisions of the Disclosure Agreement.

[BALANCE OF PAGE INTENTIONALLY LEFT BLANK]

IN WITNESS WHEREOF, the City has caused this Disclosure Commitment to be executed, attested and sealed by its duly authorized officers and delivered to the Participating Underwriter in connection with the original issuance and delivery of the Series 2022A Bonds, all as of the date set forth above, and the Beneficial Owners from time to time shall be deemed to have accepted the Disclosure Agreement, as contained in Section 13 of the Series 2022A Resolution and further described and specified herein, in accordance with the Rule.
