TITLE: Resolution Levying the Fiscal Year 2023 Operating Millage Rate of 0.6250 and Debt Service Millage Rate of 0.4450 of the Downtown Development Authority (DDA) of the City of Fort Lauderdale – **(Commission Districts 2 and 4)**

Recommendation

Staff recommends the City Commission adopt a resolution levying the operating millage rate of 0.6250 and debt service millage rate of 0.4450 of the Downtown Development Authority (DDA) of the City of Fort Lauderdale for the Fiscal Year 2023 beginning October 1, 2022 and ending September 30, 2023.

Background

The special act that created Downtown Development Authority (DDA) of the City of Fort Lauderdale authorizes the City to levy ad valorem taxes on behalf of the DDA. The DDA prepares its own budget, conducts public hearings in accordance with Florida State Statutes, and determines the millage and debt service necessary to fund its operations. The DDA's public hearings were held on September 7, 2022 and September 21, 2022. The millage and budget adopted by the DDA establishes the property tax rates as follows:

	Adopted Millage
Operating Tax Rate	0.6250
Debt Service Rate	0.4450
Total Millage	1.0700

The adopted operating millage represents an increase of 13.20% over the rolled-back rate of 0.5521. The DDA is below its maximum allowable millage rate for operating purposes of 1 mill established in the special act. The DDA has provided the City with a copy of the approved millage rate, budget and corresponding resolutions.

Resource Impact

There is no fiscal impact to the City of Fort Lauderdale associated with this action. DDA revenues are collected by the City and wired to the DDA.
