**WHEREAS**, the United States Department of Transportation, Federal Highway Administration (FHWA), requires any use of airspace above, and/or below the highway's established gradeline, lying within the approved right of way limits on a Federal Aid System, to be accomplished pursuant to a right of way use and occupancy agreement in accordance with 23 CFR, Part 710, and

**WHEREAS**, the Department has acquired sufficient legal right, title, and interest in the right of way of A-1-A / 17<sup>th</sup> Street Causeway which includes the property described in Exhibit "A" attached hereto and made a part hereof, which right of way is part of a highway on a Federal Aid System; and

**WHEREAS**, the proposed use will not impair the full use and safety of the highway, require or permit vehicular access to such space directly from the established gradeline of said highway, or interfere with the free flow of traffic on said highway.

**NOW, THEREFORE**, in consideration of the premises made a part hereof, and the covenants, promises, understandings, and agreements made by each party to the other as set forth herein, the Department and the Lessee do hereby mutually agree as follows:

1. Premises

The premises hereto are true and correct and form an integral part of this Agreement.

2. Term

d. Lessee shall be responsible for all state, county, city, and local taxes that may be assessed, including real property taxes and special assessments. In the event that no rent is specified herein, then it has been determined that either the use by Lessee is a nonproprietary use by a governmental agency or an exception from the current fair market rental value requirement (23 U.S.C. Section 156) has been obtained for social, environmental, or economic mitigation (SEE) purposes. In the event that it should be determined at any time that the use is not a nonproprietary use by a governmental agency or that the SEE exception does not apply or has been revoked, Lessee agrees to pay, at that time, rent as determined to be the fair market rental value by an independent appraiser certified by the Department, and Lessee further agrees to pay such rent, under the remaining terms and conditions of this Paragraph 3, for the remaining term (including renewals) of this Agreement.

---

c. The general design for the use of the real property interest, including any facilities to be constructed, and the maps, plans, and sketches setting out the pertinent features of the use of the real property interest in relation to the highway facility are set forth in composite Exhibit "B" attached hereto and by this reference made a part hereof. In addition, said composite Exhibit "B" also contains a three-dimensional description of the space to be used, unless the use is of a surface area beneath an elevated highway structure or adjacent to a highway roadway for recreation, public park, beautification, parking of motor vehicles, public mass transit facilities, or other similar uses, in which case, a metes and bounds description of the surface area, together with appropriate plans or cross sections clearly defining the vertical use limits, may be substituted for said three-dimensional description in said composite Exhibit "B".

d. Any change in the authorized use of the real property interest or revision in the design or construction of the facility described in Exhibit "B" shall require prior written approval from the appropriate District Secretary of the Department, subject to concurrence by the FHWA.

e. The Department, through its duly authorized representatives, employees, and contractors, and any authorized FHWA representative, may enter the facility at any time for the purpose of inspection, maintenance, or reconstruction of the highway and adjacent facilities, when necessary; or for the purpose of surveying, drilling, monitoring well installations, sampling, remediation, and any other action which is reasonable and necessary to conduct an environmental assessment or to abate an environmental hazard.

f. Lessee, at Lessee's sole cost and expense, shall maintain the facility to occupy the real property interest so as to assure that the structures and the area within the highway right of way boundaries will be kept in good condition, both as to safety and appearance. Such maintenance will be accomplished in a manner so as to cause no unreasonable interference with the highway use. Lessee shall ensure vertical and horizontal access to the Department for maintenance purposes. In the event that Lessee fails to so maintain the facility, the Department, through its duly authorized representatives, employees, and contractors, may enter the facility to perform such work, and the cost thereof shall be chargeable to the Lessee and shall be immediately due and payable to the Department upon the performance of such work.

g. Portable or temporary advertising signs are prohibited.

h. The design, occupancy, and use of the real property interest shall not adversely affect the use, safety, appearance, or enjoyment of the highway by lights, sounds, wireless frequencies, smoke, fumes, vapors, odors, droppings, or any other objectionable discharges, or emissions, or nuisances of any kind therefrom.

i. When, for the proposed use of the real property interest, the highway requires additional highway facilities for the proper operation and maintenance of the highway, such facilities shall be provided by the Lessee without cost to either the Department or the FHWA and subject to both Department and FHWA approval.

j. The proposed use shall not cause or allow any changes in the existing drainage on the property under the real property interest.

k. Lessee shall not occupy, use, permit, or suffer the real property interest, the property, the facility, or any part thereof to be occupied or used for any illegal business use or purpose, for the manufacture or storage of flammable, explosive, or hazardous material, or any other hazardous activity, or in such manner as to constitute a nuisance of any kind, nor for any purpose or in any way in violation of any present or future federal, state, or local laws, orders, directions, ordinances, or regulations.

l. Any activities in any way involving hazardous materials or substances of any kind whatsoever, either as those terms may be defined under any state or federal laws or regulations, or as those terms are understood in common usage, are specifically prohibited. The use of petroleum products, pollutants, and other hazardous materials affecting the property is prohibited. Lessee shall be held responsible for the performance of and payment for any environmental remediation that may be necessary, as determined by the Department. Similarly, if any contamination either spread to or was released onto adjoining property as a result of Lessee's use of the real property interest under lease, the Lessee shall be held similarly responsible. The Lessee shall indemnify, defend, and hold harmless the Department from any claim, loss, damage, cost, charge, or expense arising out of any such contamination.

m. Existing utilities and all corresponding easements shall remain in place and Lessee shall not disturb or interfere with the same.

5. Indemnification. (select applicable paragraph)

☒ **Lessee is a Governmental Agency**

To the extent provided by law, Lessee shall indemnify, defend, and hold harmless the Department and all of its officers, agents, and employees from any claim, loss, damage, cost, charge, or expense arising out of any act, error, omission, or negligent act by Lessee, its officers, agents, or employees, during the performance of the Agreement, except that neither Lessee, its agents, or its employees will be liable under this paragraph for any claim, loss, damage, cost, charge, or expense arising out of any act, error, omission, or negligent act by the Department or any of its officers, agents, or employees during the performance of the Agreement.

When the Department receives a notice of claim for damages that may have been caused by Lessee in the performance of services required under this Agreement, the Department will immediately forward the claim to Lessee. Lessee and the Department will evaluate the claim and report their findings to each other within fourteen (14) working days and will jointly discuss options in defending the claim. After reviewing the claim, the Department will determine whether to require the participation of Lessee in the defense of the claim or to require that Lessee defend the Department in such claim as described in this section. The Department's failure to promptly notify Lessee of a claim shall not act as a waiver of any right herein to require the participation in or defense of the claim by Lessee. The Department and Lessee will each pay its own expenses for the evaluation, settlement negotiations, and trial, if any.

☐ **Lessee is not a Governmental Agency**

Lessee shall indemnify, defend, save, and hold harmless the Department, its agents, officers, and employees, from any losses, fines, penalties, costs, damages, claims, demands, suits, and liabilities of any nature, including attorney's fees (including regulatory and appellate fees), arising out of or because of any acts, action, neglect, or omission by Lessee, or due to any accident, happening, or occurrence on the leased property or arising in any manner from the exercise or attempted exercise of Lessee's rights hereunder whether the same regards person or property of any nature whatsoever, regardless of the apportionment of negligence, unless due to the sole negligence of the Department.

Lessee's obligation to indemnify, defend, and pay for the defense or at the Department's option, to participate, and to associate with the Department in the defense and trial of any claim and any related settlement negotiations, shall be triggered by the Lessor's notice of claim for indemnification to Lessee. Lessee's inability to evaluate liability or its evaluation of liability shall not excuse Lessee's duty to defend and indemnify within seven days after such notice by the Department is given by registered mail. Only an adjudication or judgment after the highest appeal is exhausted specifically finding the Department solely negligent shall excuse performance of this provision by Lessee. Lessee shall pay all costs and fees related to this obligation and its enforcement by the Department. The Department's failure to notify Lessee of a claim shall not release Lessee of the above duty to defend.

6. Insurance. Lessee at its expense, shall maintain at all times during the term of this Agreement, public liability insurance protecting the Department, FHWA, and Lessee against any and all claims for injury and damage to persons and property, and for the loss of life or property occurring in, on, or about the land arising out of the act, negligence, omission, nonfeasance, or malfeasance of Lessee, its employees, agents, contractors, customers, licensees, and invitees. Such insurance shall be carried in a minimum amount of not less than \*\* See Addendum (\$                     ) for bodily injury or death to any one person or any number of persons in any one occurrence and not less than \*\* See Addendum (\$                     ) for property damage, or a combined coverage of not less than \*\* See Addendum (\$                     ). All such policies shall be issued by companies licensed to do business in the State of Florida and all such policies shall contain a provision whereby the same cannot be canceled or modified

unless the Department is given at least sixty (60) days prior written notice of such cancellation or modification. Lessee shall provide the Department certificates showing such insurance to be in place and showing the Department and FHWA as additional insured under the policies. If self-insured or under a risk management program, Lessee represents that such minimum coverage for liability will be provided for the property.

#### 7. Termination

a. This Agreement may be terminated by either party without cause upon ninety ( 90 ) days prior written notice to the other party.

b. It is understood and agreed to by the Lessee that the Department reserves the right to terminate this Agreement immediately without prior notice, in the event the Lessee violates any of the conditions of this Agreement and such violation is not corrected within a reasonable time after written notice of noncompliance has been given. In the event the Agreement is terminated and the Department deems it necessary to request the removal of the facility on the property, the removal shall be accomplished by the Lessee in a manner prescribed by the Department at no cost to the Department or the FHWA.

c. The Lessee must notify the Department of its intention to renew this Agreement not later than thirty (30) days prior to the expiration of the original term. Lessee's failure to comply with the foregoing notice provision may result in the Department's refusal to renew the Agreement.

d. Upon termination of this Agreement, Lessee shall deliver the property to the Department, or its agents, in the condition existing at the commencement of this Agreement, normal wear and tear excepted, unless a facility, any improvement, or any part thereof has been constructed on the property.

e. If removal of the facility, improvements, or any part thereof is requested by the Department, any such structures shall be removed by the Lessee at Lessee's expense by midnight of the day of termination of this Agreement and the property restored as nearly as practicable.

f. This Agreement is terminable by the Department in the event that the facility ceases to be used for its intended purpose, is abandoned, or if use of the facility is required by the Department for transportation, maintenance or emergency purposes.

#### 8. Eminent Domain

Lessee acknowledges and agrees that its relationship with the Department under this Agreement is one of landlord and tenant and no other relationship either expressed or implied shall be deemed to apply to the parties under this Agreement. Termination of this Agreement for any cause shall not be deemed a taking under any eminent domain or other law so as to entitle Lessee to compensation for any interest suffered or lost as a result of termination of this Agreement, including any residual interest in the Agreement or any other facts or circumstances arising out of or in connection with this Agreement.

Lessee hereby waives and relinquishes any legal rights and monetary claims which it might have for full compensation, or damages of any sort, including special damages, severance damages, removal costs, or loss of business profits, resulting from Lessee's loss of occupancy of the property specified in this Agreement, or any such rights, claims, or damages flowing from adjacent properties owned or leased by Lessee as a result of Lessee's loss of occupancy of the property specified in this Agreement. Lessee also hereby waives and relinquishes any legal rights and monetary claims which it might have for full compensation, or damages of any sort as set out above, as a result of Lessee's loss of occupancy of the property, when any or all adjacent properties owned or leased by Lessee are taken by eminent domain proceedings or sold under the threat thereof. This waiver and relinquishment applies whether this Agreement is still in existence on the date of taking or sale or has been terminated prior thereto.

In the event of any conflict between the terms and conditions hereof and the provisions of the Addendum(s), the provisions of the Addendum(s) shall control, unless the provisions thereof are prohibited by law.

e. This Agreement constitutes the complete and final expression of the parties with respect to the subject matter hereof and supersedes all prior agreements, understandings, or negotiations with respect thereto. Any provision hereof found to be unlawful or unenforceable shall be severable and shall not affect the validity of the remaining portions hereof.

4. Meet all requirements for retaining the public records and transfer, at no cost, to the Department all the public records in possession of Lessee upon termination of this Agreement and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements.
