CITY shall

compensate CONSULTANT for such additional services as provided in Article 8.

- 10.1 The CONSULTANT, following the CITY's approval of the Construction Documents and of the Final Statement of Probable Construction Costs, shall, when so directed and authorized by the CITY, assist the CITY in estimating construction costs, reviewing proposals, and assist in awarding contracts for construction. If requested, CONSULTANT shall review and analyze the proposals received by the CITY and shall make a recommendation for any award based on the City of Fort Lauderdale Procurement Ordinance.
- 10.2 Estimates, opinions of probable construction or implementation costs, financial evaluations, feasibility studies or economic analyses prepared by CONSULTANT will represent its best judgment based on its experience and available information. The CITY recognizes that CONSULTANT has no control over costs of labor, materials, equipment or services furnished by others or over market conditions or CONSULTANT's methods of determining prices, and that any evaluation of a facility to be constructed or work to be performed is speculative. Accordingly, CONSULTANT does not guarantee that proposals, bids or actual costs will not vary from opinions, evaluations or studies submitted by CONSULTANT.
- 10.3 In the event that the lowest "best value" bid, as such term is used in the City of Fort Lauderdale Procurement Code, excluding any alternate bid items ("base bid"), exceeds the Estimated Construction Cost for a project by more than ten percent (10%), CONSULTANT shall explain, in writing, the reasons why the bids or proposals exceeded the ten percent (10%) factor following the analysis of all base bids. In such a circumstance, the CITY may at its sole discretion, exercise any one or more of the following options:

- CONSULTANT shall be required to amend at the sole cost and expense of CONSULTANT, the Construction Drawings, Technical Specifications and Supplemental Conditions to enable the project to conform to a maximum of ten (10%) above the Estimated Construction Costs of the project, such amendments to be subject to the written final acceptance and approval of same by the CITY;
- CONSULTANT shall be required to provide at the cost and expense of CONSULTANT re-bidding services and related items (including costs associated with regulatory review and approval of revised documents) as many times as requested by the CITY until the base bid of at least one “best value” bid falls within the factor of ten (10%) of the Estimated Construction Cost of the project;
- The CITY may approve an increase in the Estimated Construction Cost of the Project;
- The CITY may reject all bids or proposals and may authorize re-bidding;
- The CITY may if permitted, approve a renegotiation of the Project within a reasonable time;
- The CITY may abandon the project and terminate CONSULTANT’s work authorization and Services for the Project; or
- The CITY may select as many deductive alternatives as may be necessary to bring the award within ten percent (10%) of the Estimated Construction Costs of the Project.

It is expressly understood and agreed that the redesigning services required to keep the Project within 10% of the Estimated Construction Cost shall not be considered additional services and CONSULTANT agrees that it shall not seek compensation from the CITY for such Services.

- 10.4 The CONSULTANT may be requested to provide the CITY with a list of recommended, prospective proposers.
- 10.5 The CONSULTANT may be asked to attend all pre-bid / proposal conferences.
- 10.6 The CONSULTANT shall recommend any addenda, through the Contract Administrator, as appropriate to clarify, correct, or change proposal /bid documents.

If requested, CONSULTANT shall evaluate proposals and proposers, and make recommendations regarding any award by the CITY.
- 10.8 The CITY shall make decisions on claims regarding interpretation of the Construction Documents, and on other matters relating to the execution and

progress of the work after receiving a recommendation from CONSULTANT. CONSULTANT may also assist in approving progress payments to the Contractor based on each Project Schedule of Values and the percentage of work completed.

10.9 The CITY shall maintain a record of all Change Orders which shall be categorized according to the various types, causes, etc. that it may be determined are useful or necessary for its purpose. Among those shall be Change Orders identified as architectural/engineering Errors or Omissions.

10.9.1 Unless otherwise agreed by both Parties in writing, it is specifically agreed that any change to the work identified as an Error on the part of CONSULTANT shall be considered for purposes of this Agreement to be an additional cost to the CITY which would not be incurred without the Error. Errors on the part of the CONSULTANT shall be rectified by the CONSULTANT with no additional cost to the CITY.

10.9.2 Unless otherwise agreed by both Parties in writing, it is further specifically agreed for purposes of this Agreement that fifteen percent (15%) of the cost of Change Orders for any item categorized as an Omission shall be considered an additional cost to the CITY which would not be incurred without the Omission. So long as the total of those two numbers (Change Order costs of Errors plus fifteen percent (15%) of Omissions) remains less than two percent (2%) of the total Construction Cost of the Project, the CITY shall not look to CONSULTANT for reimbursement for Errors and Omissions.

10.9.3 Should the sum of the two as defined above (cost of Errors plus fifteen percent (15%) of the cost of Omissions) exceed two percent (2%) of the Construction Cost, the CITY shall recover the full and total additional cost to the CITY as a result of CONSULTANT's Errors and Omissions from CONSULTANT, that being defined as the cost of Errors plus fifteen percent (15%) of the cost of Omissions above two percent (2%) of the Construction Cost.

10.9.4 To obtain such recovery, the CITY shall deduct from CONSULTANT's fee a sufficient amount to recover all such additional cost to the CITY.

10.9.5 In executing this Agreement, CONSULTANT acknowledges acceptance of these calculations and to the CITY's right to recover same as stated above. The recovery of additional costs to the CITY under this paragraph shall not limit or preclude recovery for other separate and/or additional damages which the CITY may otherwise incur.

10.9.6 The Contract Administrator's decision as to whether a Change Order is caused by an Error or caused by an Omission, taking into consideration industry standards, shall be final and binding on both Parties for amounts

in the aggregate under \$100,000 per project, subject to Section 9.3. In the event of a dispute in an amount over \$100,000, the Parties agree to use their best efforts to settle such dispute. To this effect, they shall consult and negotiate with each other, in good faith and, recognizing their mutual interests, attempt to reach a just and equitable solution satisfactory to both Parties. If they do not reach such solution within a period of sixty (60) days, then upon notice to the other, either Party may commence litigation to resolve the dispute in Broward County, Florida.

They are not intended or represented to be suitable for reuse by the CITY or others on extensions of this Project or on any other project without appropriate verification or adaptation. Any reuse, except for the specific purpose intended hereunder, will be at the CITY's sole risk and without liability or legal exposure to CONSULTANT or its subcontractors. This does not, however, relieve CONSULTANT of liability or legal exposure for errors, omissions,

or negligent acts made on the part of CONSULTANT in connection with the proper use of documents prepared under this Agreement. Any such verification or adaptation may entitle CONSULTANT to further compensation at rates to be agreed upon by the CITY and CONSULTANT. This shall not limit the CITY's reuse of preliminary or developmental plans or ideas incorporated therein, should the Project be suspended or terminated prior to completion.

12.2 TERMINATION

12.2.2 Termination for Cause. It is expressly understood and agreed that the CITY may terminate this Agreement at any time for cause in the event that the CONSULTANT (1) violates any provisions of this Agreement or performs same in bad faith or (2) unreasonably delays the performance of the services or does not perform the services in a timely and satisfactory manner upon written notice to the CONSULTANT. Notice of termination shall be provided in accordance with Section 12.27. In the case of termination by the CITY for cause, the CONSULTANT shall be first granted a 10-working day cure period after receipt of written notice from the CITY. For those portions of services rendered to which the applicable fee cannot be applied, payment shall be based upon the appropriate rates for the actual time spent on the Project. In the event that the CONSULTANT abandons this Agreement or through violation of any of the terms and conditions of this Agreement, causes it to be terminated, CONSULTANT shall indemnify the CITY against any and all loss pertaining to this termination.

All finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs and reports prepared by CONSULTANT shall become the property of CITY and shall be delivered by CONSULTANT to the CITY within five (5) days of CITY's request. Upon payment of such sum by CITY to CONSULTANT, CITY shall have no further duties or obligations pursuant to or arising from this Agreement.

12.2.2 This Agreement may also be terminated by CITY upon such notice as CITY deems appropriate in the event CITY or Contract Administrator determines that termination is necessary to protect the public health, safety, or welfare.

12.2.2 Termination for Convenience. In the event this Agreement is terminated for convenience, CONSULTANT shall be paid for any services performed and accepted by the CITY to the date the Agreement is terminated. Compensation shall be withheld until all documents specified in Section 11.3 of this Agreement are provided to the CITY. Upon being notified of CITY's election to terminate, CONSULTANT shall refrain from performing further services or incurring additional expenses under the terms of this Agreement. Under no circumstances shall CITY make payment for services which have not been performed.

12.2.2 Termination by CONSULTANT. CONSULTANT shall have the right to terminate this Agreement upon substantial breach by the CITY of its obligation under this Agreement as to unreasonable delay in payment or non-payment of undisputed amounts. CONSULTANT shall have no right to terminate this Agreement for convenience of the CONSULTANT.

12.3 AUDIT RIGHT AND RETENTION OF RECORDS

CITY shall have the right to audit the books, records, and accounts of CONSULTANT that are related to this Project. CONSULTANT shall keep such books, records, and accounts as may be necessary in order to record complete and correct entries related to the Project.

CONSULTANT shall preserve and make available, at reasonable times and upon prior written notice for examination and audit by CITY all financial records, supporting documents, statistical records, and any other documents pertinent to this Agreement for the required retention period of the Florida Public Records Act (Chapter 119, Florida Statutes), if applicable, or, if the Florida Public Records Act is not applicable, for a minimum of three (3) years after termination of this Agreement. If any audit has been initiated and audit findings have not been resolved at the end of the retention period or three (3) years, whichever is longer, the books, records, and accounts shall be retained until resolution of the audit findings. If the Florida Public Records Act is determined by CITY to be applicable to CONSULTANT's records, CONSULTANT shall comply with all requirements thereof; however, no confidentiality or non-disclosure requirement of either federal or state law shall be violated by CONSULTANT. Any incomplete or incorrect entry in such books, records, and accounts shall be a basis for CITY's disallowance and recovery of any payment upon such entry.

12.4 NON-DISCRIMINATION, EQUAL EMPLOYMENT OPPORTUNITY, AND AMERICANS WITH DISABILITIES ACT

CONSULTANT shall not unlawfully discriminate against any person in its operations and activities in its use or expenditure of the funds or any portion of the funds provided by this Agreement and shall affirmatively comply with all applicable provisions of the Americans with Disabilities Act (ADA) in the course of providing any services funded in whole or in part by CITY, including Titles I and II of the ADA

(regarding nondiscrimination or the basis of disability), and all applicable regulations, guidelines, and standards.

CONSULTANT's decisions regarding the delivery of services under this Agreement shall be made without regard to or consideration of race, age, religion, color, gender, sexual orientation, national origin, marital status, physical or mental disability, political affiliation, or any other factor which cannot be lawfully or appropriately used as a basis for service delivery.

CONSULTANT shall comply with Title I of the Americans with Disabilities Act regarding nondiscrimination on the basis of disability in employment and further shall not discriminate against any employee or applicant for employment because of race, age, religion, color, gender, sexual orientation, national origin, marital status, political affiliation, or physical or mental disability. In addition, CONSULTANT shall take affirmative steps to ensure nondiscrimination in employment against disabled persons. Such actions shall include, but not be limited to, the following: employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff, termination, rates of pay, other forms of compensation, terms and conditions of employment, training (including apprenticeship), and accessibility.

12.5 MINORITY PARTICIPATION

Historically, the CITY has been able to achieve participation levels of approximately twelve percent (12%) by MBE/WBE firms in CITY projects, and in the purchase of goods and services. The CONSULTANT shall make a good faith effort to help the CITY maintain and encourage MBE/WBE participation levels consistent with such historical levels and market conditions. The CONSULTANT will be required to document all such efforts and supply the CITY with this documentation at the end of the Project, or in cases where projects are longer than one year, each CITY fiscal year.

12.6 PUBLIC ENTITY CRIMES ACT

In accordance with the Public Crimes Act, Section 287.133, Florida Statutes, a person or affiliate who is a contractor, consultant or other provider, who has been placed on the convicted vendor list following a conviction for a public entity crime

Violation of this section by Contractor shall result in cancellation of the City purchase and may result in Contractor debarment.

12.7 SUBCONSULTANTS

12.7.2 CONSULTANT may subcontract certain items of work to sub-consultant. The parties expressly agree that the CONSULTANT shall submit pertinent information regarding the proposed sub-consultant, including sub-consultant's scope of work and fees, for review and approval by the CITY prior to sub-consultants proceeding with any work.

12.7.2 CONSULTANT shall utilize the subconsultants identified in the proposal that were a material part of the selection of CONSULTANT to provide the services for this Project. CONSULTANT shall obtain written approval of the Contract Administrator prior to changing or modifying the list of sub-consultants submitted by CONSULTANT.

The list of subconsultants submitted is as follows:

(NAME ALL SUB-CONSULTANTS HERE)

12.8 ASSIGNMENT AND PERFORMANCE

Neither this Agreement nor any interest herein shall be assigned, transferred, or encumbered without the written consent of the other Party, and CONSULTANT shall not subcontract any portion of the work required by this Agreement except as authorized pursuant to Section 12.7.

CONSULTANT represents that all persons delivering the services required by this Agreement have the knowledge and skills, either by training, experience, education, or a combination thereof, to adequately and competently perform the duties, obligations, and services set forth in the Scope of Services and to provide and perform such services to CITY's satisfaction for the agreed compensation.

CONSULTANT shall perform its duties, obligations, and services under this Agreement in a skillful and respectable manner. The quality of CONSULTANT's performance and all interim and final product(s) provided to or on behalf of CITY shall meet or exceed all professional standards of the State of Florida.

12.9 INDEMNIFICATION OF CITY

12.9.1 CONSULTANT shall indemnify and hold harmless CITY, its officers and employees, from liabilities, damages, losses, and costs, including but not limited to reasonable attorneys' fees, to the extent caused by the negligence, recklessness or intentional misconduct of CONSULTANT and persons employed or utilized by CONSULTANT in the performance of this Agreement. These indemnifications shall survive the term of this Agreement. In the event that any action or proceeding is brought against CITY by reason of any such claim or demand, CONSULTANT, shall, upon written notice from CITY, resist and defend such action or proceeding by counsel approved by the CITY.

12.9.2 To the extent considered necessary by Contract Administrator and CITY, any sums due the CONSULTANT under this Agreement may be retained by CITY until all of the CITY's claims for indemnification pursuant to this Agreement have been settled or otherwise resolved, and any amount withheld shall not be subject to payment of interest by CITY.

12.9.3 The Indemnification provided above shall obligate CONSULTANT to defend at its own expense to and through appellate, supplemental or bankruptcy proceeding, or to provide for such defense, at CITY's option, any and all claims of liability and all suits and actions of every name and description covered by Section 11.9.1 above that may be brought against CITY whether performed by CONSULTANT, or persons employed or utilized by CONSULTANT.

12.10 LIMITATION OF CITY'S LIABILITY

The CITY desires to enter into this Agreement only if in so doing the CITY can place a limit on the CITY's liability for any cause of action arising out of this Agreement, so that the CITY's liability for any breach never exceeds the sum of \$1,000.00. For other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the CONSULTANT expresses its willingness to enter into this Agreement with the knowledge that the CONSULTANT's recovery from the CITY to any action or claim arising from the Agreement is limited to a maximum amount of \$1,000.00 less the amount of all funds actually paid by the CITY to the CONSULTANT pursuant to this Agreement. Accordingly, and notwithstanding any other term or condition of this Agreement that may suggest otherwise, the CONSULTANT agrees that the CITY shall not be liable to the CONSULTANT for damages in an amount in excess of \$1,000.00, which amount

shall be reduced by the amount actually paid by the CITY to the CONSULTANT pursuant to this Agreement, for any action or claim arising out of this Agreement. Nothing contained in this paragraph or elsewhere in this Agreement is in any manner intended either to be a waiver of the limitation placed upon the CITY's liability as set forth in Section 768.28, Florida Statutes, or to extend the CITY's liability beyond the limits established in said Section 768.28; and no claim or award against the CITY shall include attorney's fees, investigative costs, extended damages, expert fees, suit costs or pre-judgment interest. Therefore, the parties agree that there are no third-party beneficiaries to this Agreement and that no third party shall be entitled to assert a claim against either of them based upon this Agreement.

12.17 CONFLICTS

Neither CONSULTANT nor its employees shall have or hold any continuing or frequently recurring employment or contractual relationship that is substantially antagonistic or incompatible with CONSULTANT's loyal and conscientious exercise of judgment related to its performance under this Agreement.

CONSULTANT agrees that none of its officers or employees shall, during the term of this Agreement, serve as expert witness against CITY in any legal or administrative proceeding in which he or she is not a party, unless compelled by court process, nor shall such persons give sworn testimony or issue a report or writing, as an expression of his or her expert opinion, which is adverse or prejudicial to the interests of CITY or in connection with any such pending or threatened legal or administrative proceeding. The limitations of this Section shall not preclude such persons from representing themselves in any action or in any administrative or legal proceeding.

In the event CONSULTANT is permitted to utilize subconsultants to perform any services required by this Agreement, CONSULTANT agrees to prohibit such subconsultants, by written contract, from having any conflicts as within the meaning of this Section.

12.18 CONTINGENCY FEE

CONSULTANT warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for CONSULTANT, to solicit or secure this Agreement and that it has not paid or agreed to pay any person, company, corporation, individual or firm, other than a bona fide employee working solely for CONSULTANT, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Agreement. 12.19 WAIVER OF BREACH AND MATERIALITY

Failure by CITY to enforce any provision of this Agreement shall not be deemed a waiver of such provision or modification of this Agreement.

CITY and CONSULTANT agree that each requirement, duty, and obligation set forth herein is substantial and important to the formation of this Agreement and, therefore, is a material term hereof.

12.20 COMPLIANCE WITH LAWS

CONSULTANT shall comply with all applicable federal, state, and local laws, codes, ordinances, rules, and regulations in performing its duties, responsibilities, and obligations related to this Agreement.

12.21 SEVERANCE

In the event this Agreement or a portion of this Agreement is found by a court of competent jurisdiction to be invalid, the remaining provisions shall continue to be effective unless CITY or CONSULTANT elects to terminate this Agreement. The election to terminate this Agreement based upon this provision shall be made within seven (7) days after the findings by the court become final.

12.22 JOINT PREPARATION

Preparation of this Agreement has been a joint effort of CITY and CONSULTANT and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than any other.

ARCHITECT-ENGINEER QUALIFICATIONS

OMB No.: 9000-0157
Expires: 12/31/2006

Public reporting burden for this collection of information is estimated to average a total of 29 hours per response (25 hours for Part 1 and 4 hours for Part 2), including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the FAR Secretariat (MVA), Regulatory and Federal Assistance Publications Division, GSA, Washington, DC 20405.

PURPOSE

Federal agencies use this form to obtain information from architect-engineer (A-E) firms about their professional qualifications. Federal agencies select firms for A-E contracts on the basis of professional qualifications as required by the Brooks A-E Act (40 U.S.C. 1101 - 1104) and Part 36 of the Federal Acquisition Regulation (FAR).

The Brooks A-E Act requires the public announcement of requirements for A-E services (with some exceptions provided by other statutes), and the selection of at least three of the most highly qualified firms based on demonstrated competence and professional qualifications according to specific criteria published in the announcement. The Act then requires the negotiation of a contract at a fair and reasonable price starting first with the most highly qualified firm.

The information used to evaluate firms is from this form and other sources, including performance evaluations, any additional data requested by the agency, and interviews with the most highly qualified firms and their references.

GENERAL INSTRUCTIONS

Part I presents the qualifications for a specific contract.

Part II presents the general qualifications of a firm or a specific branch office of a firm. Part II has two uses:

1. An A-E firm may submit Part II to the appropriate central, regional or local office of each Federal agency to be kept on file. A public announcement is not required for certain contracts, and agencies may use Part II as a basis for selecting at least three of the most highly qualified firms for discussions prior to requesting submission of Part I. Firms are encouraged to update Part II on file with agency offices, as appropriate, according to FAR Part 36. If a firm has branch offices, submit a separate Part II for each branch office seeking work.

2. Prepare a separate Part II for each firm that will be part of the team proposed for a specific contract and submitted with Part I. If a firm has branch offices, submit a separate Part II for each branch office that has a key role on the team.

INDIVIDUAL AGENCY INSTRUCTIONS

Individual agencies may supplement these instructions. For example, they may limit the number of projects or number of

pages submitted in Part I in response to a public announcement for a particular project. Carefully comply with any agency instructions when preparing and submitting this form. Be as concise as possible and provide only the information requested by the agency.

Question and Answers for Bid #12637-421 - Civil Engineering services

Overall Bid Questions

Question 1

Are the CCNA limits for the work orders under this contract updated to reflect the new legislation? The bill increased the maximum limit for continuing contracts covered by the CCNA from an estimated per- project construction cost of \$2 million to \$4 million. The bill also increases the maximum limit for procuring a study using a continuing contract from \$200,000 per study to \$500,000. (Submitted: Feb 28, 2022 9:54:37 AM EST)

Answer

- The contract will be following the newest legislation with the increased amounts. (Answered: Mar 1, 2022 6:40:02 AM EST)

Question 2

Question 9

Answer

- Consultant submittals, can be 1 firm demonstrating proficiency in all the functional areas listed in the RFQ, or can be a team consisting of a prime and subs covering theses areas. Regardless, the submittal package must show proficiency in all the functional areas listed. (Answered: Mar 4, 2022 5:15:40 PM EST)

Question 10

Please confirm that the Required Form referenced in Section 4.2.9 Bid/Proposal Certification is the same as the Disadvantaged Business Enterprise (DBE) Preference Form Certification form provided. (Submitted: Mar 2, 2022 4:45:18 PM EST)

Answer

- This form does not apply to RFQs. This form is only for ITBs. The form is not required. (Answered: Mar 4, 2022 5:15:40 PM EST)

Question 11

RFQ Section 3.13 states Functional Areas of Interest. Even within a specific area there are broad definitions. Can you provide a more detailed description for each area? (Submitted: Mar 3, 2022 12:31:46 PM EST)

Answer

- We feel that the Functional Areas of Interest as listed in the RFQ are self-explanatory and do not require any further detailing. (Answered: Mar 4, 2022 5:15:40 PM EST)

Question 12

In regards to the 100 page limit. Please advise if anything is not included in that count ie covers, tabs. (Submitted: Mar 4, 2022 1:37:02 PM EST)

Answer

- The forms required are not included. All else is included in the 100 pages. (Answered: Mar 4, 2022 5:15:40 PM EST)

Question 13

Section 3.3 lists a number of Tasks that could be subjectively applicable to one or more of the Functional Areas of Interest in Section 3.13. In order to provide a complete response that is acceptable to the City, can the City provide its interpretation of specifically which Tasks (Section 3.3) should be addressed under each Functional Area of Interest? For example if a firm wishes to be considered for Transportation Engineering only, then please identify which Tasks in Section 3.3 needs to be addressed in the response. The same is being requested for the other Functional Areas. (Submitted: Mar 4, 2022 2:57:17 PM EST)

Answer

- This is a general civil services contract, with the majority of the projects focusing on the design and permitting of water, sewer, stormwater and roadway improvements throughout the City. The selected firms must demonstrate proficiency in general civil design. However should the need arise for geotechnical, environmental, structural, mechanical etc, as sometimes it has in the past, the selected firm(s) must have the ability, either in-house, or using subs to address these "functional areas" as needed. This should be showcased in the submittals, but we are not necessary looking for large teams with members specializing in each of the functional areas listed, nor are we looking for sperate submittals for each of the "functional areas", as it was done in the previous "library of consultants" RFQ. (Answered: Mar 8, 2022 6:41:13 PM EST)

Question 14

Given that a firm would like to be considered for multiple Functional Areas (Section 3.13), is the City looking for one proposal from each firm, that identifies all the Functional Areas for consideration? or is a separate submission package required for each Functional Area? (Submitted: Mar 4, 2022 2:58:10 PM EST)

Answer

- Please see response to #13 above (Answered: Mar 8, 2022 6:41:13 PM EST)

Question 15

Does the City want us to split up the SF-330 forms into sections 4.2.3 and 4.2.4, as opposed to submitting a complete 330 set? (Submitted: Mar 4, 2022 5:14:05 PM EST)

Answer

- This is up to proposer. (Answered: Mar 28, 2022 1:16:29 PM EDT)

Question 16

Please clarify on what exactly the City is looking for, as sections 3.2 and 3.13 conflict one another:

3.2 states: The selected consultants must be able to provide all the services required of any civil engineering project and associated planning services through its own staff or sub-consultants.

Then, 3.13 states: The consultant shall identify in their response to this RFQ the functional areas for which it particularly wishes to specialize. Multiple firms will be selected, and multiple firms may be selected for more than one (1) functional area.

Thank you! (Submitted: Mar 7, 2022 6:42:59 AM EST)

Answer

- Please see response to question #13 above. We are looking for one submittal specializing in the general civil and with the option to address smaller the disciplines should in the need arise. Not specialized submittals for each functional areas as it was done in the library of consultant RFQ. (Answered: Mar 11, 2022 10:42:46 AM EST)

Question 17

Under Section 4.2.3 - Firm Qualifications and Experience, it states a Standard Form 330 may be used to provide this information. It also says on 4.2.4 Qualifications of the Project Team in bold (on a Standard Form 330 if you choose), but under the Weighted Criteria, it states respondents should submit a complete Standard Form 330. This language is a bit confusing and we would like to know what the City itself prefers for consultants to provide. (Submitted: Mar 7, 2022 9:08:18 AM EST)

Answer

- Please see response to #13 above (Answered: Mar 8, 2022 6:41:13 PM EST)

Question 18

Please provide the Local Business Preference Certification form (Submitted: Mar 7, 2022 2:12:24 PM EST)

Answer

- See addendum 1 (Answered: Mar 11, 2022 10:42:46 AM EST)

Question 19

If a firm has already been selected for RFQ 12464-416 –CCNA – Professional Services Library, Continuing Services Contract, should they also submit to be on the pool for this solicitation? (Submitted: Mar 7, 2022 3:42:32 PM EST)

Answer

- Please see response to question 2. (Answered: Mar 8, 2022 6:41:13 PM EST)

Question 20

Under Section 4.2.3 - Firm Qualifications and Experience, it states a Standard Form 330 MAY BE used to provide this information. It also says on 4.2.4 Qualifications of the Project Team in bold (on a Standard Form 330 if you choose), but under the Weighted Criteria, it states respondents SHOULD submit a complete Standard Form 330. Is the SF 330 form required. Also, is the SF 330 part of the 100 page limit? (Submitted: Mar 7, 2022 4:20:02 PM EST)

Answer

- See addendum 1 no required forms are part of the 100 pages. (Answered: Mar 9, 2022 11:40:27 AM EST)

Question 21

Please indicate which Functional Area does Water Treatment and/or Wastewater Treatment scope tasks belong? (Submitted: Mar 9, 2022 9:07:34 AM EST)

Answer

- This RFQ does not require any category of functional area. The solicitation document is for civil engineering. Unlike the professional library, teams are encouraged. Functional areas that may be required are listed in the solicitation. See answer to question 13. (Answered: Mar 9, 2022 11:45:53 AM EST)

Question 22

Does the City have their own MBE requirements or will FDOT certificate suffice? (Submitted: Mar 9, 2022 10:39:52 AM EST)

Answer

- City has a DBE program and local business program. Please refer to the solicitation and attached forms. (Answered: Mar 11, 2022 10:42:46 AM EST)

Question 23

Question 20's Answer - Mar 09, 2022 11:40:27 AM EST - states "See addendum 1"
When will this addendum be issued? (Submitted: Mar 9, 2022 5:40:05 PM EST)

Answer

- Addendum 1 will be issued by COB March 11, 2022 (Answered: Mar 11, 2022 10:42:46 AM EST)

Question 24

To respond thoroughly to the proposal requirements for this important contract, would the City consider an extension to its due date? (Submitted: Mar 10, 2022 11:53:45 AM EST)

Answer

- I don't think an extension is warranted, there is still 17 days left on the advertisement, plenty of time (Answered: Mar 11, 2022 10:42:46 AM EST)

Question 25

Please answer question 15. Also, page count was not addressed in Addendum #1 as referenced in answer 20. Do the SF 330s count as part of the page count? I apologize but it is a little confusing. (Submitted: Mar 11, 2022 3:17:58 PM EST)

Answer

- As mentioned above in question 12. (Answered: Mar 15, 2022 3:03:03 PM EDT)

Question 26

Please provide the Bid/Proposal Certification Form requested in Section 4.2.9 f. (Submitted: Mar 14, 2022 10:11:28 AM EDT)

Answer

- This form is not required at this time. (Answered: Mar 15, 2022 2:59:04 PM EDT)

Question 27

Good morning. I was going over the Q&A and it seems that the rules have changed regarding the Function Areas of Interest. The RFQ clearly states that "The consultant shall identify in their response to this RFQ the

functional areas for which it particularly wishes to specialize". However, now the City wants that each team covers all of the Function Areas of Interest? When and why did that change from the original RFQ? Please clarify

(Submitted: Mar 16, 2022 10:35:51 AM EDT)

Answer

- Please see response to question #13 above, we feel that adequate clarification has been provided on this matter.

(Answered: Mar 17, 2022 2:23:50 PM EDT)

Question 28

Page 10 of 27 of the RFQ (this refers to the page numbering at the bottom of RFQ, lower right hand corner) states: "A Sample Insurance Certificate shall be included with the proposal to demonstrate the firm's ability to comply with insurance requirements. Provide a previous certificate or other evidence listing the insurance companies' names for all required coverage, and the dollar amounts of the coverage."

Please confirm that a sample insurance certificate only needs to be included in the proposal for the prime firm.

(Submitted: Mar 16, 2022 11:43:07 AM EDT)

Answer

- Yes Only for the prime. (Answered: Mar 17, 2022 2:23:50 PM EDT)

Question 29

Page 10 of 27 of the RFQ, section 2.16, Insurance - Subconsultants, state: "Consultant shall require all of its sub-consultants to provide the aforementioned coverage as well as any other coverage that the consultant may consider necessary, and any deficiency in the coverage or policy limits of said sub-consultants will be the sole responsibility of the consultant."

Please confirm that the above insurance language is applicable upon contract award and that we do not need to include sample insurance certificates for our subconsultants in the proposal. (Submitted: Mar 16, 2022 11:46:02 AM EDT)

Answer

- correct and confirmed. (Answered: Mar 17, 2022 2:23:50 PM EDT)

Question 30

Do firms need to provide comments and exceptions to the sample contract with their submittal or will that happen when contract is awarded? If so, would this be a separate attachment? (Submitted: Mar 18, 2022 9:42:12 AM EDT)

Answer

- All comments / exceptions, etc. must be submitted with your proposal. It may be a separate Doc, however these is a space provided on the Proposal Signature Page as well (Answered: Mar 23, 2022 7:52:33 AM EDT)

Question 31

Can further clarification be given to the scope of services required for water resources engineering and hydrology and hydraulic engineering? (Submitted: Mar 21, 2022 2:39:19 PM EDT)

Answer

- : We believe the terms are self-explanatory any firm that has performed stormwater design and permitting

should be very familiar with the terminology. (Answered: Mar 28, 2022 3:33:09 PM EDT)

Question 32

Statement of Local Business Preference – Per the ordinance, local businesses will receive a scoring advantage, but this isn't outlined in the scoring criteria for the RFQ. Will this be implemented on RFQ scoring or taken into consideration for the individual task orders? (Submitted: Mar 21, 2022 2:39:38 PM EDT)

Answer

- It will be taken in account at time of scoring RFQ. (Answered: Mar 24, 2022 3:06:20 PM EDT)
