FROM: Greg Chavarria, City Manager

TITLE: Motion Approving Agreement Extension Pursuant to Piggyback Utilizing
City of Hollywood Agreement No. 4579-18-PB to Purchase Transportation
Circulator Services from Circuit Transit, Inc - (**Commission Districts 1, 2,
3 and 4**)

Recommendation

Staff recommends the City Commission approve extending the Agreement Term by 120 days, pursuant to the piggyback agreement with Circuit Transit, Inc. for the purchase of transportation circulator services via the City of Hollywood Solicitation No. 4579-18-PB - Transportation Circulator Services, in substantially the form attached.

Background

On July 5, 2022 (CAM No. 22-0470), the City Commission passed a motion approving a piggyback agreement with Circuit Transit, Inc. and appropriated \$350,000 for the pilot program. On August 16, 2022, the City Commission passed a motion to correct Exhibits "C" and "D" of the agreement to include the map, designated stops, and pricing cost for the fixed-route service on the Barrier Island. On January 10, the City Commission approved budget amendment 22-1148, which provided funding to extend the pilot program through the end of Fiscal Year 2023.

The proposed action will extend the current piggyback agreement, with the same or better terms, conditions, and prices by 120 calendar days to allow staff additional time to develop a permanent micro transit program. The extension will make the City of Fort Lauderdale Agreement effective through July 3, 2023

Resource Impact

There is a fiscal impact related to this action that will utilize the allocated pilot program funding, in the amount of \$260,000, that was appropriated on January 10, 2023 in the account below.
