The information I have provided on this application is true and complete to the best of my knowledge.

If I have not submitted my application with the necessary plans, within the deadline and according to the rules outlined in the Special Events Manual it may be denied.

Before receiving final approval from the City Commission, I understand that I (and the production company, if applicable) must furnish an original certificate of General Liability insurance naming the City of Fort Lauderdale as additionally insured in the amount of at least one million dollars (\$1,000,000) or greater or two million dollars (\$2,000,000) if bounce houses are part of the event, or as deemed satisfactory by the City Risk Manager, and an original certificate of liquor liability insurance in the amount of five hundred thousand dollars (\$500,000) if alcohol is being served. Other liability insurance and fees may also be required up to thirty (30) days in advance of the event.

I understand that any cancelations for City scheduled services must be made by phone to each department representative at least 24 hours before the scheduled event time or the organizer will be liable for any associated fees.

I understand that I may be required to provide a deposit based on historical performance or lack thereof.

I understand that the City has a noise ordinance that my event must follow. I agree to abide by all provisions of the noise control ordinance and understand that my failure to do so may result in a civil citation, a physical arrest, or the shutting down of the event. If at any time during the event it is determined by law enforcement personnel, code enforcement personnel, parks and recreation personnel, or any other city representative that the entertainment or music is causing a noise disturbance, I will be directed to lower the volume to an acceptable level as determined by City staff. If a second noise disturbance arises during the event, I may be directed to shut down the music or entertainment for the remainder of the event.
