5.2 **CPI Rental Adjustments.**

(a) **CPI Adjustments.** Commencing on May 1, 2025, and each Lease Year thereafter, the Base Rent, Adjusted Base Rent, Improvement Rent, Adjusted Improvement Rent, Paved Improvement Rent, and Adjusted Paved Improvement Rent, due under Article 5 of this Lease shall be adjusted to reflect cost of living increases based on the Consumer Price Index-Urban ("Index"). For purposes of calculating the Base Rent, the year 2025 shall be referred to as the "Base Year". At such time as the calculation is being made the monthly index figure for the third (3rd) calendar month immediately preceding the end of the applicable adjustment date ("Adjusted Index") shall be used. The monthly Index figure for the calendar month immediately preceding the date of the Lease shall be referred to as the "Base Index". For each annual period, the adjusted fixed rent shall be computed by multiplying Base Year fixed rent by a fraction, the numerator of which shall be the Adjusted Index, and the denominator of which shall be the Base Index. Stated as a mathematical formula, the adjusted rent shall be computed as follows:

$$\text{Adjusted rent} = \frac{\text{Adjusted Index} \times \text{Rent for Base Year}}{\text{Base Index}}$$

In no event shall the Base Rent in effect be decreased as a result of such adjustment. The Rent rates following the adjustment shall remain in effect until the next adjustment. For clarification purposes, the adjustments will commence on May 1, 2025, and occur on the first day of each year during the term of this Lease Agreement. Written notice sent to the Lessee of calculations of CPI Adjustments are subject to the City's internal audit procedures and maybe revised accordingly. Notwithstanding anything contained herein, CPI Adjustments shall not exceed three percent (3%) for each annual lease period.

5.3 Rent Adjustments. The Base Rent, Improvement Rent, and Paved Improvement Rent will be adjusted by the Airport Director. The Airport Director shall establish the Adjusted Base Rent, Adjusted Improvement Rent, and Adjusted Paved Improvement Rent. The Airport Director shall provide the LESSEE with written notice of the rates established for the Adjusted Base Rent, Adjusted Improvement Rent, and Adjusted Paved Improvement Rent, one-hundred and eighty (180) days prior to the effective date of the adjusted rent. The Airport Director will establish the Adjusted Base Rent, Adjusted Improvement Rent, and Adjusted Paved Improvement Rent in accordance with the following procedure:

City will appoint one independent appraiser to assist the Airport Director in establishing the Adjusted Base Rent, Adjusted Improvement Rent, and Adjusted Paved Improvement Rent. The Appraiser shall be a professional M.A.I. appraiser with at least ten years' experience appraising aviation and industrial properties in the Southeast Florida market, and the appraiser will provide an appraiser's opinion of the Adjusted Base Rent, Adjusted Improvement Rent, and Adjusted Paved Improvement Rent and will report such opinion to the Airport Director within thirty (30) days of the date of such appraiser's appointment. Thereafter, the Airport Director shall establish the Adjusted Base Rent, Adjusted Improvement Rent, and Adjusted Paved Improvement Rent. The Adjusted Base Rent, Adjusted Improvement Rent, and Adjusted Paved Improvement Rent will be based on the appraisal or will be the minimum rental rate established by the most recent Resolution adopted by the City Commission, whichever is greater.

(a) **Fuel Flowage Fees.**

(i) The LESSEE has the right to dispense aviation fuels and lubricating oils within the Premises, provided such aviation fuels and lubricating oils shall be the product of a supplier or suppliers holding all necessary permits, licenses, certifications or approvals required by the appropriate government agencies to conduct such operations and to deliver aviation fuels and lubricating oils to the Airport. Lessor shall in no way be prevented from granting exclusive rights for dispensing of aviation fuels and lubricating oils on premises other than those covered by this Lease under such terms and conditions as it may deem advisable. In connection with dispensing of such products upon the Premises or otherwise, Lessor assumes no responsibility for acts of any supplier regarding delivery, quality of product, or maintenance of supplier-owned or Lessee-owned equipment. Aviation fuels and lubricating oils shall be stored and dispensed by Lessee in accordance with all City, county, local, state, and federal laws, regulations, rules, and other requirements pertaining to the sale and storage of such fuels and oils, including but not limited to the Minimum Standards, as amended by the City from time to time.

(ii) Aviation Fuel Fees - Lessee shall pay Lessor the following fees for all aviation fuel delivered to the Premises each month: Five and one-half percent (5.5%) of the total price per gallon of the first five hundred thousand (500,000) gallons of aviation fuel delivered to the Premises and three and one-half percent (3.5%) of the total price per gallon of aviation fuel delivered to the Premises exceeding five hundred thousand (500,000) gallons of aviation fuel during the period of January 1st through and including December 31st of each calendar year. The first 500,000 gallons of aviation fuel will reset annually beginning January 1st of each calendar year. Aviation fuel is subject to applicable taxes under Florida Law.

(iii) Lessee shall pay Lessor Aviation fuel fees monthly by no later than the 15th day of each month for the previous month without any additional grace period and accompanied by a monthly report prepared by Lessee, which report shall detail the gallon amounts of any and all fuel delivered to the Premises. Such

monthly reports shall pertain only to the Lessee's operations conducted at the Airport and exclude any other operations of the Lessee conducted at other locations. Payment shall be delinquent upon the 16th day of the month, and upon such delinquency, the Lessee is subject to the default provisions in this Lease Agreement.

(iv) The Lessee shall further retain upon the Premises all delivery bills, invoices, and related records pertaining to the delivery to the Premises of aviation fuels and lubricating oils and shall produce and make available such books and records upon request by the Lessor for the purposes of auditing payments to the Lessor as provided in this Lease. Such books, records and other documents shall be made available for inspection to representatives of Lessor within fifteen (15) days of written notice to Lessee. Lessor shall have the right, upon reasonable notice to Lessee, to audit the Lessee's books and records relating to Lessee's operations in order to determine the correctness and accuracy of the fuel fees paid to Lessor during a Lease year. In the event that any such audit reflects that the total fuel fees actually paid to Lessor during a particular Lease year shall be less than the fuel fees due and owing for such Lease year, then the Lessee shall immediately pay the difference to the Lessor upon written demand therefore by Lessor. If, as a result of any audit, it is established that the fuel fees paid to Lessor during a Lease year shall be three percent (3%) or more less than the fuel fees owed to the Lessor for such Lease year, the entire expense of said audit shall be borne by the Lessee. Lessor shall provide Lessee with a copy of the audit results obtained by Lessor after such written request by Lessee.

(v) The term delivery to the Premises as used in this subparagraph shall mean delivery of aviation fuel to the Premises; this includes delivery of aviation fuel to Lessee, its employees, agents, sublessees, and independent contractors, but shall not apply when Lessee obtains aviation fuel from Fixed Based Operators at the Airport.

(b) **Audit Rights**. Lessee shall retain upon the Leased Premises all business records for its delivery bills, invoices, and related records pertaining to the delivery to the Leased Premises of aviation fuels and lubricating oils and shall produce and make available such books and records upon request by the City for the purposes of auditing payments to the City as provided in this Agreement. Such books, records and other documents shall be made available for inspection to city staff within fifteen (15) days of written notice to Lessee. The City shall have the right, upon reasonable notice to Lessee, to audit the Lessee's books and records relating to Lessee's operations in order to determine the correctness and accuracy of the Fuel Flowage Fees paid to the City. In the event that any such audit reflects that the total Fuel Flowage Fee actually paid to the City during a particular Lease Year is less than the Fuel Flowage Fees due and owing for such Lease Year, then the Lessee shall immediately pay the difference to the City upon written demand therefore by the City. If, as a result of any audit, it is established that the Fuel Flowage Fees paid to the City during a Lease Year shall be three percent (3%) or more less than the Fuel Flowage Fees owed to the City for such Lease Year, the entire

expense of said audit shall be borne by the Lessee. The City shall provide Lessee with a copy of the audit results obtained by the City upon such written request by Lessee.

(i) The term "delivery to the Leased Premises," as used in this subparagraph, shall mean physical delivery of aviation fuel to the Leased Premises, whether to Lessee, its employees, agents, subleases and independent contractors, but shall not include instances when Lessee obtains aviation fuel from Fixed Based Operators at the Airport.

In the event Lessee fails to make timely payment of any rent, fees, charges, and payments due and payable in accordance with the terms of this Lease, a late fee of Two Hundred Dollars (\$200.00) per day shall accrue, in addition to the amount due, from the date due until the date payment is received by City. Notwithstanding the foregoing, City shall not be prevented from utilizing the remedies in Article 9 of this Lease.

5.5 Service Charge for Dishonored Checks. In the event Lessee delivers a dishonored check or draft to City in payment of any obligation arising under this Lease, Lessee shall incur a service charge of Twenty-five Dollars (\$25.00) or five (5) percent of the face amount of such check, whichever is greater.

5.6 Other Fees and Charges. Nothing contained in this Lease shall preclude City from establishing other reasonable and non-discriminatory fees and charges applicable to aircraft operating at the Airport, including aircraft owned or operated by Lessee, at such time as City deems appropriate. Lessee expressly agrees to pay such fees and charges as if they were specifically included in this Lease. In the event Lessee engages in any activity or provides any service at the Airport for which other companies operating at the Airport pay a fee to City, as consideration for permission to undertake such Additional Services, Lessee shall pay City fees equivalent to those paid by such other companies for engaging in such activities or providing such services.

8.3 Habitual Default. Notwithstanding the foregoing, in the event that the Lessee has frequently, regularly, or repetitively defaulted in the performance of or breached any of the terms, covenants, and conditions required herein to be kept and performed by the Lessee, and regardless of whether the Lessee has cured each individual condition of breach or default, the Lessee may be determined by the Airport Director to be an "habitual violator". The City may also deem Lessee as a "habitual violator" if Lessee is a Limited Liability Company, Corporation, or Partnership and one or more manager(s), partner(s), or CEOs(s) or officers of Lessee are also a manager(s), partner(s), or officer(s) of another Limited Liability Company, Corporation or Partnership that leases another lot(s) or parcel(s) at the Fort Lauderdale Executive Airport from the City and the City deems that the other Lease Agreement pertaining to the other lot(s) or parcel(s) is in breach of a Lease Agreement. At the time that such determination is made, the Airport Director shall issue to the Lessee a written notice advising of such determination and citing the circumstances therefor. Such notice shall also advise Lessee that, notwithstanding any

other provision of this Article 8, there shall be no further notice or grace periods to correct any subsequent breaches or defaults and that any subsequent breaches or defaults of whatever nature, taken with all previous breaches and defaults, shall be considered cumulative, and collectively shall constitute a condition of non-curable default and grounds for immediate termination of this Lease. In the event of any such subsequent breach or default, the City may terminate this Lease upon the giving of written notice of termination to the Lessee, such termination to be effective upon delivery of the notice to the Lessee. Notice shall be deemed delivered at the time delivered by hand, if personally delivered or if sent via certified mail, five Business Days after being deposited in the mail, or on the next Business Day if timely delivered to an air courier guaranteeing overnight delivery.

8.4 Additional Provisions. No re-entry or retaking possession of the Leased Premises by City shall be construed as an election on its part to terminate this Lease unless a written notice of such intention be given to Lessee, nor shall pursuit of any remedy herein provided constitute a forfeiture or waiver of any rent or other monies due to City hereunder or of any damages accruing to City by reason of the violations of any of the terms, provision and covenants herein contained. City's acceptance of rent or other monies following any non-monetary event of default hereunder shall not be construed as City's waiver of such event of default. No forbearance or delay by City or any City Parties of any action upon any violation or breach of any of the terms, provisions and covenants herein contained shall be deemed or construed to constitute a waiver of the terms, provisions and covenants herein contained. Forbearance by City to enforce or waiver of one or more of the remedies herein provided upon an Event of Default shall not be deemed or construed to constitute a waiver of any other violation or default. Legal actions to recover for loss or damage that City may suffer by reason of termination of this Lease or the deficiency from any reletting as provided for above shall include the expense of repossessions or reletting and any repairs or remodeling undertaken by City following repossession. In the event City commences any proceeding to enforce this Lease or the relationship between the Parties or for nonpayment of Rent (of any nature whatsoever, in whole or in part) or additional monies due City from Lessee under this Lease, Lessee will not interpose any counterclaim of whatever nature or description in any such proceedings. In the event Lessee must, because of applicable court rules, interpose any counterclaim or other claim against City in such proceedings ("Counterclaim"), City and Lessee covenant and agree that, in addition to any other lawful remedy of City, upon motion of City, such Counterclaim shall be severed from the proceedings instituted by City and the proceedings instituted by City may proceed to final judgment in the Circuit Court or County Court (if legal proceedings are initiated in County Court) of Broward County, Florida, separately and apart from and without consolidation with or reference to the status of each Counterclaim.

In addition, if any litigation or legal action or other proceeding, including, but not limited to any and all claims, mediation, lawsuits, counterclaims, appeals or bankruptcy proceedings whether at law or in equity, which: (i) arises out of, concerns, or relates to this Lease or (ii) is brought by the City for the enforcement of this Lease, or because of an alleged dispute, breach, default or misrepresentation in connection with any provisions of this agreement, the successful or prevailing party or parties shall be entitled to recover

attorney's fees, paralegal fees, costs, court costs and all expenses even if not taxable as court costs, incurred in that action or proceeding, in addition to any other relief to which such party or parties may be entitled. The City and Lessee agree that if the Lessor brings an eviction proceeding to evict the Lessee for failure to comply with terms of this Lease and the parties settle such suit, the prevailing party shall be the City for purposes of awarding attorney's fees and costs.

8.5 Waiver of Jury Trial. City and Lessee knowingly, voluntarily and intentionally, waive trial by jury in any action, proceeding, or counterclaim brought by either of the Parties hereto against the other on any matters whatsoever arising out of, or in any way related to this Lease, the relationship of City and Lessee, Lessee's use or occupancy of the Leased Premises and/or building, and/or claim(s) or injury(s) or damage(s). The Lessor and Lessee further waive their rights to a jury trial on any documents executed in connection with this Agreement. If the Lessee contests its waiver of a jury trial or seeks a trial by jury, Lessee shall be required to pay the City's attorney's fees.

8.6 Force Majeure. If there shall occur, during the Term, (a) strike(s), lockout(s), or labor dispute(s); (b) the inability to obtain labor or materials or reasonable substitutes therefor; (c) acts of God, weather conditions, enemy or hostile governmental actions, civil commotion, fire, or other casualty, or other conditions beyond the control of the Party required to perform (each, an event of "Force Majeure"), and as a result of such Force Majeure, either City or Lessee is prevented from punctually performing any of its respective obligations under this Lease (except for the obligation to pay money), then such performance shall be temporarily excused for such period of time as the Force Majeure exists, but no longer. The Party seeking to excuse performance due to such event of Force Majeure shall provide written notice to the other Party of the Force Majeure event promptly following its commencement and written notice of the cessation or termination of such event of Force Majeure.

8.7 Time of the Essence. Time is of the essence of this Lease, and in case Lessee shall fail to perform the covenants or conditions on its part to be performed at the time fixed for the performance of such respective covenants or conditions by the provisions of this Lease, City may declare Lessee to be in default of this Lease.

ARTICLE 9 MAINTENANCE AND REPAIR

9.1 Lessee's Responsibilities. Lessee shall throughout the Term of this Lease assume the entire responsibility and shall relieve City from all responsibility for all repair and maintenance whatsoever of the Leased Premises, including without limitation, Improvements owned by the City and Improvements owned by Lessee (owned by Lessee during the term of this Lease Agreement and subject to all other terms herein), whether such repair or maintenance be ordinary or extraordinary, structural or otherwise, and without limiting the generality hereof, shall:

(a) Keep the Leased Premises at all times in a clean and orderly condition and appearance and all Lessee's fixtures, equipment and personal property which are located in any part of the Leased Premises.

Lessee shall keep and maintain the Leased Premises (which includes but not limited to the following) in "First Class Condition": all grounds, landscaping, pavement, buildings, furnishings, fixtures, equipment, windows, glass, interior and exterior walls, stairs, elevators, appliances, roofs, walkways, floors, and personal property. "First Class Condition" is defined herein as extremely good and highest quality condition that is free of rubbish, free of litter, free of broken windows, free of broken doors, free any foul smell, free of decay, and all parts and equipment are replaced and serviced promptly when required. Lessee shall not allow any part of the Leased Premises to become dilapidated.

(e) Keep all areas of the Leased Premises, including the apron areas, if any, in a state of good repair, to include repair of any damage to the pavement or other surface of the Leased Premises caused by weathering and/or aging, Lessee's operations, or by any oil, gasoline, grease, lubricants or other flammable liquids and substances having a corrosive or detrimental effect thereon.

(f) Be responsible for and pay for the maintenance and repair of all utility service lines that service the Leased Premises. Lessee shall pay for all costs, charges, and fees for the maintenance and repair of the Leased Premises including but not limited to: service lines for the supply of water, water charges and fees, gas service lines, gas charges and fees, fire inspection fees, electricity, insurance, internet fees, janitorial expenses, water, wastewater, electricity, phone, gas, sewage, alarm, elevator maintenance, trash, landscaping expenses, signage permitting fees, cable, internet, and telephone conduits and lines, sanitary sewers and storm sewers, and any other fees, charges, and costs required by the City's Code of Ordinances and the Unified Land Development Regulations, for any services or lines which are now or which may be subsequently located upon the Leased Premises and used by Lessee or any subtenants or assigns. Lessee must comply with all the sanitary and safety requirements designed to protect the public in accordance with Federal Law, Florida Law, the City's Code of Ordinances, Broward County's Code of Ordinances and any other applicable law.

9.2 City's Rights. City shall not be liable for, or required to make, any repairs or perform any maintenance upon the Leased Premises. If Lessee fails to perform Lessee's

maintenance responsibilities, City shall have the right, but not the obligation, to perform such maintenance responsibilities, provided City has first, in any situation not involving an emergency, by written notice to Lessee, afforded Lessee a period of ten (10) business days within which to commence corrective action to correct the failure. All costs incurred by City in performing Lessee's maintenance responsibility, plus a twenty-five percent (25%) administrative charge, shall be paid by Lessee within ten (10) business days of receipt of billing therefor.

ARTICLE 10 ALTERATIONS AND IMPROVEMENTS

10.1 Written Consent. Notwithstanding anything contained herein, Lessee may do any or all the following activities on the Leased Premises, without prior written approval from the City Commission or Airport Director, subject to all applicable laws: maintain the Leased Premises, make Improvements that do not require a permit from any governmental entity, replace its underground fuel tank(s), install an above ground fuel tank, and maintain and repair existing improvements. Lessee shall not make any other Improvements without the prior written approval in accordance with Section 4.2 of this Agreement and from the City Commission at a public meeting evidenced by a written amendment to this Agreement executed by the City and Lessee.

10.2 Conditions. If Lessee requests permission to make improvements or alterations and permission is granted, the following conditions shall apply:

(b) Contractor agrees to indemnify and hold the City of Fort Lauderdale, its employees, its agents, volunteers, its elected and appointed officers and officials, and its contractors, harmless, including during any warranty period, against any claims or liability arising out of or in any way connected with the violation of any state, federal, City or local laws, ordinances, statutes, rules or regulations by Contractor, its subcontractors, agents, servants, or employees. Contractor agrees to indemnify and hold the City of Fort Lauderdale harmless from all such claims and fees, and from any and all suits and actions of every nature and description that may be brought against the City on account of any claims, fees, royalties or costs for any invention, trademark, or patent, and from any and all suits and actions that may be brought against City including during any warranty period for infringement of any and all patents or patent rights claim by any person, firm or corporation.

(d) The Contractor shall indemnify and hold harmless the City of Fort Lauderdale, its elected and appointed officers, officials, volunteers, agents, assigns and employees, from and against any and all claims, demands, or causes of action whatsoever, and the resulting losses, costs, court costs, expert fees, appellate fees, expenses, attorneys' fees, including paralegal expenses, liabilities, damages, orders, judgments, or decrees, sustained by the City or any third party arising out of, by reason of, or resulting from any claim for invasion of the right of privacy; for defamation of any person, firm or corporation; for the violation or infringement of any copyright, trademark, trade name, service mark, or patent.

(e) These indemnifications shall survive the term of this Contract. In the event that any action or proceeding is brought against the City by reason of any such claim or demand, Contractor, upon written notice from City shall resist and defend such action or proceeding by legal counsel satisfactory to City.

10.4 Subcontractor Insurance Requirements. Lessee agrees to include the following insurance provisions in any contracts it enters into with contractors in connection with the construction and completion of any Improvements to the Premises, and Lessee further agrees to provide City, prior to commencement of any Improvements, certificates of insurance evidencing the contractor's compliance with this Article:

(a) Without limiting any of the other obligations or liabilities of Contractor, Contractor shall provide, pay for, and maintain in force until all of its work to be performed

10.5 Certification of Improvement Costs; As-Built Drawings. The cost of leasehold improvements, fixtures, and equipment shall be borne by Lessee, unless the City agrees in writing to pay any such costs. Upon completion of any leasehold improvements, Lessee shall furnish City with a certified statement of all approved improvement costs and that said costs have been satisfactorily paid in full, and that there are no liens or unpaid contractors or subcontracts relating to the improvements. Lessee shall deliver to City "as built" plans for all alterations, additions and improvements made by Lessee within thirty (30) days after completion of the same.

ARTICLE 11 TITLE TO IMPROVEMENTS

All improvements of whatever kind or nature, including but not limited to, all buildings, structures, and all equipment installed or erected on the Leased Premises including without limitation heating and air conditioning equipment, interior and exterior light fixtures, fencing, landscaping, paving, tie-down facilities, and all other improvements placed upon or constructed on the Leased Premises, and shall be deemed under the laws of the State of Florida, a part of the Leased Premises. The Lessee must ensure that all improvements are free and clear of all liens. All improvements now existing and any and all improvements that maybe or are constructed shall become the property of City (owned by the City) upon the termination or expiration, of this Lease Agreement, and shall remain on the Leased Premises unless otherwise directed by the Airport Director or his/her designee in his or her sole discretion. The Airport Director or his or her designee in his or her sole discretion may require Lessee to demolish any and all improvements, building(s), or structure(s) on the Leased Premises which are now existing or may be constructed prior to the expiration or termination of the Lease Agreement.

Ownership of all personal property (that are not fixtures, structures, or buildings) shall be and remain with Lessee and may be removed from the Leased Premises upon

the expiration or Termination of the Lease Agreement. The Lessee shall exercise care in the removal of its personal property, subject to any other additional requirements in this Lease Agreement. Lessee shall repair any damage to the Leased Premises caused by removal of its personal property at its own expense within five (5) business days of the date of the damage or if City repairs the damage(s), Lessee shall reimburse the City for any damages to the Leased Premises or the Airport caused or resulting from the Lessee's removal of its personal property within ten (10) business days of a written demand sent by the Airport Director to Lessee.

Any personal property installed (that are not fixtures) on the Leased Premises by any of Lessee's subtenants shall be and remain such subtenant's property and may be removed by the subtenant upon the termination of sublease only if the subtenant is not in default of this Lease Agreement and the Subtenant exercises care in the removal of its personal property, subject to any other additional requirements in this Lease Agreement. As a condition precedent to removing its personal property, the subtenant must hold harmless and indemnify the City and City Parties from all damage to the Leased Premises including buildings, other structures and Improvements, caused by the Subtenant's removal of its personal property.

ARTICLE 12 CONSTRUCTION LIENS

City's interest in the Leased Premises shall not be subjected to any construction, mechanic's, materialman's, tax, laborer's or any other lien, whether City has given its written approval for the improvements or otherwise, and Lessee shall hold harmless City, City Parties, and its interest in the Leased Premises from any such lien or purported lien. No third person shall ever be entitled to any lien, directly or indirectly on the Leased Premises. All persons contracting with the Lessee, or furnishing materials or labor to the Lessee, or its agents or employees shall be bound by this provision of the Lease Agreement. The Lessee is not an agent of Lessor and does not have the authority to confer a mechanic's lien upon the Lessor's property in accordance with Chapter 713, Florida Statutes, as amended. The Lessee shall inform the City within five (5) business days of the filing or recording of a lien on the Leased Premises. Within fifteen (15) business days of filing or recording of any lien on the Leased Premises, Lessee shall pay or satisfy the lien. Lessee shall present written documentation that the lien is satisfied to the Airport Director within five (5) business days of City's request. The Airport Director in his or her sole discretion will determine whether the documentation provided by Lessee is satisfactory and if it is not satisfactory, the Airport Director may request additional documentation which the Lessee must provide within five (5) business days of a written request from the Airport Director.

ARTICLE 13 UTILITIES, FEES, AND CHARGES

Lessee agrees to provide for its own connections with utilities and to make separate agreements with the agencies responsible for these utilities. Lessee shall pay for all utility service supplied to the Leased Premises whether the bills or statements are

in the name of Lessee or another person, entity, government, or third party and, if required by the utility agencies as a condition of continuing said services, Lessee shall install and pay for standard metering devices for the measurement of such services. Lessee shall be solely responsible for and shall pay at its own expense whether the bills or statements are in the name of Lessee or another person, entity, government or third party: all utility charges, operating, maintenance, and servicing charges for the Leased premises including but not limited to: natural gas, fire inspections, fire lines, connections, stormwater, drainage, cable, phone, refuse, internet, electricity, sewer, telecommunications and water used on the Leased Premises during the Term. Lessee understands that it is required to pay for all utilities and services and charges for the Leased Premises regardless of whether Lessee receives a bill for these services or charges and regardless of whether the Lessees' name is printed on the bill(s). Lessee further agrees that City shall have the right, without cost to Lessee, to install and maintain in, on, or across the Leased Premises sewer, water, gas, cable, internet, electric and telephone lines, electric substations, or other installations necessary to the operation of the Airport, or to service other tenants of City; provided, however, that City shall carry out such work and locate above-ground structures in a manner that does not unreasonably interfere with the Lessee's use of the Leased Premises.

ARTICLE 14 INGRESS AND EGRESS

Lessee, the Lessee Parties, and its suppliers of material and furnishers of services, shall have the right of ingress and egress to the Leased Premises via appropriate taxiways, public or private ways to be used in common with others having rights of passage, provided that City may, at its expense, from time to time, substitute other means of ingress and egress so long as an alternate adequate means of ingress and egress is available. The City may at any time temporarily or permanently close any taxiway, roadway or other area used as ingress or egress to the Leased Premises presently or hereafter used as such, so long as an alternative means of ingress and egress is made available to Lessee and so long as such closure does not prevent Lessee from using the Leased Premises as Lessee intends. The City may close any means of access or egress to the Leased Premises without providing an alternative means of ingress or egress due to a force majeure event or for a commercially reasonable period of time necessary to repair or otherwise maintain such areas and facilities (a "Total Closure"). In the event any such Total Closure is necessary, the City will provide Lessee with advance, written notice reasonable under the circumstances and use diligent efforts to coordinate any such closure and maintenance activities with Lessee to minimize any adverse effects upon Lessee' operations. Lessee hereby releases and discharges City, City Parties, its successors and assigns, of and from any and all claims, demands or causes of action which Lessee may now or at any time hereafter have against any of the foregoing arising or alleged to arise out of the closing of any taxiway, apron, runway, street, roadway, or other areas used as such, whether within or outside the Leased Premises.

ARTICLE 15 TAXES, PERMITS, LICENSES

In addition to those obligations set forth in any other section of this Lease Agreement, Lessee shall pay at its own expense, all costs of operating its equipment and business, any and all ad valorem, sales, use or other taxes levied, assessed or charged upon or with respect to the Leased Premises or improvements or property Lessee places thereon and any assessed against the operation of the business and any ad valorem, sales, use or similar taxes levied or assessed with respect to this Lease or the Leased Premises, whether assessed at the Effective Date or thereafter imposed, regardless of whether such taxes are assessed against the Lessee or the City by the due date. Lessee shall obtain and pay all costs and charges by the due date for any business tax receipts, permits, licenses, or other authorizations required by City, Broward County, the State of Florida, Federal Law and any other applicable law in connection with the operation of its business at the Airport, and copies of all such permits, certificates and licenses shall be forwarded to City. Lessee shall keep all licenses, business tax receipts, permits, and any other authorizations required by the City, Broward County, the State of Florida, and Federal Law valid and in good standing during the term of this Agreement.

ARTICLE 16 INSURANCE

As a condition precedent to the effectiveness of this Agreement, during the term of this Agreement and during any renewal or extension term of this Agreement, the Lessee, at the Lessee's sole expense, shall provide insurance of such types and with such terms and limits as noted below. Providing proof of and maintaining adequate insurance coverage are material obligations of the Lessee. The Lessee shall provide the Lessor a certificate of insurance evidencing such coverage. The Lessee's insurance coverage shall be primary insurance for all applicable policies. The limits of coverage under each policy maintained by the Lessee shall not be interpreted as limiting the Lessee's liability and obligations under this Agreement. All insurance policies shall be from insurers authorized to write insurance policies in the State of Florida and that possess an A.M. Best rating of A-, VII or better. All insurance policies are subject to approval by the Lessor's Risk Manager in accordance with the Agreement's requirements.

The coverages, limits, and endorsements required herein protect the interests of the Lessor, and these coverages, limits, and endorsements may not be relied upon by the Lessee for assessing the extent or determining appropriate types and limits of coverage to protect the Lessee against any loss exposure, whether as a result of this Agreement or otherwise. The requirements contained herein, as well as the Lessor's review or acknowledgement, are not intended to and shall not in any manner limit or qualify the liabilities and obligations assumed by the Lessee under this Agreement.

The following insurance policies and coverages are required:

Property Coverage

Coverage must be afforded in an amount not less than 100% of the replacement value of the property. Coverage form shall include, but not be limited to:

- All Risk Coverage including Flood and Windstorm with no coinsurance clause
- Any separate Flood and/or Windstorm deductibles are subject to approval by the Lessor

This policy shall insure the interests of the Lessor and Lessee in the property against all risk of physical loss and damage and name the Lessor as a loss payee.

All rights of subrogation shall be waived against Lessor under the property coverage policy.

The Lessee shall, at the Lessee's own expense, take all reasonable precautions to protect the Premises from damage or destruction.

Collection of Insurance. In the event of destruction of or damage to over fifty percent (50%) of any of the Premises or the buildings or other structures covered by insurance and Lessee's election to rebuild the Premises or the buildings or other structures pursuant to the Lessee's option provided in this Lease, the funds payable pursuant to such insurance policies shall be payable to, and deposited in, a commercial national bank as trustee, located in Fort Lauderdale, Florida, approved by the Lessor, as a trust fund, and the funds shall be used for the purpose of reconstruction or repair, as the case may be, of any of the buildings or other structures so damaged or destroyed. Such reconstruction and repair work shall be done in strict conformity with the ordinances and charter of the Lessor. Should the cost of reconstruction or repair exceed the amount of funds available from the proceeds of such insurance policy, then in such event, such funds shall be used as far as the same will permit in paying the cost of the reconstruction or repair. In the event that the cost of such reconstruction or repair work shall be less than the proceeds derived from such insurance policies, the surplus shall be unencumbered by Lessor and paid to Lessee.

Commercial General Liability

Coverage must be afforded under a Commercial General Liability policy with limits not less than:

- \$5,000,000 each occurrence and \$5,000,000 aggregate for Bodily Injury, Property Damage, and Personal and Advertising Injury
- \$5,000,000 each occurrence and \$5,000,000 aggregate for Products and Completed Operations

If Lessor requires other fixed base operator tenants at Airport to increase their policy limits for the insurance described in this subparagraph, then Lessee agrees to increase its insurance limits accordingly.

Policy must include coverage for Contractual Liability and Independent Contractors.

The Lessor and the Lessor's officers, employees, and volunteers are to be covered as additional insureds with a CG 20 26 04 13 Additional Insured – Designated Person or Organization Endorsement or similar endorsement providing equal or broader Additional Insured Coverage with respect to liability arising out of activities performed by or on behalf of the Lessee. The coverage shall contain no special limitation on the scope of protection afforded to the Lessor or the Lessor's officers, employees, and volunteers.

Pollution and Remediation Legal Liability (Hazardous Materials)

For the purpose of this section, the term "hazardous materials" includes all materials and substances that are designated or defined as hazardous by Florida or federal law or by the rules or regulations of Florida or any federal agency. If work being performed involves hazardous materials, the Lessee shall procure and maintain any or all of the following coverage, which will be specifically addressed upon review of exposure.

Lessee and Lessee's Contractor's Pollution Liability Coverage

For sudden and gradual occurrences and in an amount not less than \$1,000,000 per claim arising out of this Agreement, including but not limited to, all hazardous materials identified under the Agreement.

Aircraft Liability

Coverage must be afforded in an amount not less than \$10,000,000 per occurrence for any aircraft operations.

Business Automobile Liability

Coverage must be afforded for all Owned, Hired, Scheduled, and Non-Owned vehicles for Bodily Injury and Property Damage in an amount not less than \$1,000,000 combined single limit each accident.

If the Lessee does not own vehicles, the Lessee shall maintain coverage for Hired and Non-Owned Auto Liability, which may be satisfied by way of endorsement to the Commercial General Liability policy or separate Business Auto Liability policy.

Workers' Compensation and Employer's Liability

Coverage must be afforded per Chapter 440, Florida Statutes. Any person or entity performing work for or on behalf of the Lessor must provide Workers' Compensation insurance. Exceptions and exemptions will be allowed by the Lessor's Risk Manager, if they are in accordance with Florida Statute.

The Lessee waives, and the Lessee shall ensure that the Lessee's insurance carrier waives, all subrogation rights against the Lessor and the Lessor's officers, employees, and volunteers for all losses or damages. The Lessor requires the policy to be endorsed with WC 00 03 13 Waiver of our Right to Recover from Others or equivalent.

The Lessee must be in compliance with all applicable State and federal workers' compensation laws, including the U.S. Longshore Harbor Workers' Act and the Jones Act, if applicable.

Insurance Certificate Requirements

- a. The Lessee shall provide the Lessor with valid Certificates of Insurance (binders are unacceptable) no later than thirty (30) days prior to the start of work contemplated in this Agreement.
- b. The Lessee shall provide to the Lessor a Certificate of Insurance having a ten (10) business days' notice of cancellation for nonpayment of premium.
- c. In the event that the insurer is unable to accommodate the cancellation notice requirement, it shall be the responsibility of the Lessee to provide the proper notice. Such notification will be in writing by registered mail, return receipt requested, and addressed to the certificate holder.
- d. In the event the Agreement term goes beyond the expiration date of the insurance policy, the Lessee shall provide the Lessor with an updated Certificate of Insurance no later than ten (10) business days prior to the expiration of the insurance currently in effect. The Lessor reserves the right to suspend the Agreement until this requirement is met.

- g. The Lessor shall be included as an Additional Insured on all liability policies, with the exception of Hangarkeeper's Liability and Workers' Compensation.
- h. The Lessor shall be provided a certificate of insurance reflecting waiver of subrogation under Lessee's Workers' Compensation insurance policy.
- i. The title of the Agreement and/or other identifying reference information must be listed on the Certificate of Insurance.

The Certificate Holder should read as follows:

City of Fort Lauderdale
c/o Executive Airport
6000 NW 21st Avenue
Fort Lauderdale, FL 33309

The Lessee has the sole responsibility for the payment of all insurance premiums and shall be fully and solely responsible for any costs or expenses as a result of a coverage deductible, co-insurance penalty, or self-insured retention; including any loss not covered because of the operation of such deductible, co-insurance penalty, self-insured retention, or coverage exclusion or limitation. Any costs for adding the Lessor as an Additional Insured shall be at the Lessee's expense.

If the Lessee's primary insurance policy/policies do not meet the minimum requirements, as set forth in this Agreement, the Lessee may provide evidence of an Umbrella/Excess insurance policy to comply with this requirement.

The Lessee's insurance coverage shall be primary insurance as applied to the Lessor and the Lessor's officers, employees, and volunteers. Any insurance or self-insurance maintained by the Lessor covering the Lessor, the Lessor's officers, employees, or volunteers shall be non-contributory.

Any exclusion or provision in the insurance maintained by the Lessee that excludes coverage for work contemplated in this Agreement shall be unacceptable and shall be considered breach of contract.

All required insurance policies must be maintained until this Agreement is terminated. Any lapse in coverage may be considered breach of contract. In addition, Lessee must provide to the Lessor confirmation of coverage renewal via an updated certificate of insurance should any policies expire prior to the expiration of this Agreement. The Lessor reserves the right to review, at any time, coverage forms and limits of Lessee's insurance policies.

The Lessee shall provide notice of any and all claims, accidents, and any other occurrences associated with this Agreement to the Lessee's insurance company or companies and the Lessor's Risk Management office, as soon as practical.

It is the Lessee's responsibility to ensure that any and all of the Lessee's independent contractors and subcontractors comply with these insurance requirements. All coverages for independent contractors and subcontractors shall be subject to all of the applicable requirements stated herein. Any and all deficiencies are the responsibility of the Lessee. The Lessor reserves the right to adjust insurance limits from time to time at its discretion with notice to Lessee.

- A.** (1) Lessee agrees to indemnify, hold harmless, and defend the City, and the City Parties and their respective successors and assigns, individually from and against any and all claims, liabilities, losses, demands, proceeds, charges, advances, disbursements, payments, expenses, losses, costs, fines, damages, court costs, settlements, judgments, orders, decrees, mandates, attorney fees and costs, appellate court costs court costs, expert fees, and paralegal fees and costs incurred prior to trial, at trial, on any appeal, and in any bankruptcy proceeding, mediation fees, consultant fees, expert fees, and causes of action ("Claims") of every kind and character, known or unknown, against any City and City Parties by reason of any damage to property or bodily injury (including death) incurred or sustained by any Party hereto, any agent or employee of any Party hereto, and any third or other party whomsoever, or any Governmental Authority, to the extent arising out of or incident to or resulting from or in connection with this Lease Agreement, Lessee's performance under this Lease, Lessee's use or occupancy

of the Leased Premises, Lessee's acts, omissions or negligence or that of any of the Lessee Parties in, on or about the Leased Premises or upon the Airport or in conjunction with its use and occupancy or use of the Airport. This clause shall survive the expiration or termination of this Lease. Compliance with the insurance requirements as attached hereto shall not relieve Lessee of its liability or obligation to indemnify City as set forth in this Article.

(2) If the above indemnity or defense provisions or any part of the above indemnity or defense provisions are found by a judge in a court order to be limited by Section 725.06(2)-(3), Florida Statutes or Section 725.08, Florida Statutes, as amended, then with respect to the part so limited, Lessee agrees to the following: To the maximum extent permitted by Florida law, Lessee will indemnify, defend and hold harmless City and each City Party from any and all liabilities, damages, losses, and costs, including, but not limited to, reasonable attorneys' fees, to the extent caused by the negligence, recklessness, or intentional wrongful conduct of Lessee or any Lessee Party and except to the extent they are caused by the negligence, recklessness, or intentional wrongful conduct on the part of the City or any of the City Indemnitee; provided, however, (1) Lessee shall assume the responsibility to defend all Claims arising under this Lease. City is not hereby waiving any defense or limitation of its liability, and all Claims against the City or any City Party shall be subject to the provisions of Section 768.28 of the Florida Statutes, as amended from time to time (which defense and/or limitation of liability Lessee may argue in its defense of any Claim).

(3) If the above indemnity or defense provisions or any part of the above indemnity or defense provisions are found by a judge in a court order to be limited by Florida Statute §725.06 (1) or any other Applicable Law, then with respect to the part so limited the monetary limitation on the extent of the indemnification shall be the greater of the (i) coverage amount of Commercial General Liability Insurance required under this Lease or (ii) \$1,000,000.00. - C.** Lessee shall indemnify, hold harmless and defend the City and any and all City Parties from and against any liability for any claims and actions and all expenses incidental to the investigation and defense thereof, to the extent that such liability

- D. The City shall give Lessee reasonable notice of any suit or claim for which indemnification will be sought under this Section. The City will allow Lessee or its insurer to compromise and defend the same to the extent of the interests of both Lessee and City, and reasonably cooperate with the defense or reasonable settlement of any such suit or claim.
- E. This indemnification provision shall survive the expiration or termination of this Agreement for actions which occur during the term of this Agreement, whether such term expires naturally by passage of time or is terminated earlier.

ARTICLE 18

ENVIRONMENTAL REGULATIONS

18.1 Environmental Representations. Notwithstanding any other provisions of this Lease, and in addition to any and all other Lease requirements, and any other covenants and warranties of Lessee, Lessee hereby expressly warrants, guarantees, and represents to City, upon which City expressly relies that:

(a) Lessee is knowledgeable regarding any and all Environmental Laws, without limitation, which govern or which in any way apply to the direct or indirect results and impacts to the environmental and natural resources due to, or in any way resulting from, the conduct by Lessee of its operations pursuant to or upon the Leased Premises. Lessee agrees to keep informed of future changes in Environmental Laws relating to its operations on the Leased Premises.

(b) Lessee agrees to comply with all Environmental Laws applicable to its operations on the Leased Premises, and accepts full responsibility and liability for such compliance.

(c) Lessee shall, prior to commencement of any of Lessee's operations pursuant to this Lease, secure any and all permits, and properly make all necessary notifications, relating to its operations on the Leased Premises, and properly make all necessary notifications as may be required by any and all Governmental Authorities having jurisdiction over parties or the subject matter hereof.

(d) Lessee, and all Lessee Parties, have been fully and properly trained in the handling and storage of all such Hazardous Materials and other pollutants and contaminants applicable to its operations and responsibilities on the Leased Premises; and such training complies with any and all Applicable Laws.

(e) Lessee agrees that it will neither handle nor store any Hazardous Materials on the Leased Premises in excess of those required to carry out its permitted uses at the Leased Premises and that all such Hazardous Materials will be stored, used and disposed of in accordance with Applicable Law.

(f) Lessee shall provide City satisfactory documentary evidence of all such requisite legal permits and notifications as hereinabove required.

(g) Lessee agrees to cooperate with any investigation, audit or inquiry by City or any Governmental Authority regarding possible violation of any Environmental Law relating to its operations on the Leased Premises or at the Airport.

18.2 Generator of Hazardous Waste. If Lessee is deemed to be a generator of hazardous waste, as defined by Applicable Law, Lessee shall obtain an EPA identification number and the appropriate generator permit and shall comply with all Environmental Laws applicable to a generator of hazardous waste including, but not limited to, ensuring that the appropriate transportation and disposal of such materials are conducted in full compliance with Environmental Law.

18.3 Inventory List. Lessee shall maintain an accurate inventory list (including quantities) of all such Hazardous Materials, whether stored, disposed of or recycled, available at all times for inspection at any time on the Leased Premises by City officials and also by Fire Department Officials or regulatory personnel having jurisdiction over the Leased Premises, for implementation of proper storage, handling and disposal procedures.

18.4 Notification and Copies. Notification of all activities relating to Hazardous Materials by Lessee shall be provided on a timely basis to City or such other agencies as required by Applicable Law. Lessee agrees that a twenty-four (24) hour emergency coordinator and phone number shall be furnished to City and to such applicable Governmental Authorities in case of any spill, leak or other emergency situation involving Hazardous Materials. Designation of this emergency coordination may be required by Environmental Laws. Lessee agrees to provide City copies of all permit application materials, permits, monitoring reports, environmental response plans, and regulated materials storage and disposal plans related to the Leased Premises.

18.5 Violation.

(a) If City receives a notice from any Governmental Authority asserting a violation by Lessee of Lessee's covenants and agreements contained herein, or if City otherwise has reasonable grounds upon which to believe that such a violation has occurred, City shall have the right, but not the obligation, to contract, at Lessee's sole cost and expense, for the services of persons ("**Site Reviewers**") to enter the Leased Premises and perform environmental site assessments for the purpose of determining whether there exists any environmental condition that could result in any liability, cost or expense to City. The Site Reviewers shall perform such tests on the Leased Premises as may be necessary, in the opinion of the Site Reviewers, to conduct a prudent environmental site assessment. Lessee shall supply such information as is requested by the Site Reviewers. In the event City conducts testing due to information other than a notice of violation from a Governmental Authority, and the testing does not reveal any contamination in excess of permissible EPA tolerances, other than the contamination

referenced in Article 21 of this Lease, City agrees to bear all costs association with the testing.

(b) If Lessee receives a Notice of Violation or similar enforcement action or notice of noncompliance, Lessee shall provide a copy of same to City within twenty-four (24) hours of receipt by Lessee or Lessee's agent.

ARTICLE 19 FEDERAL STORM WATER REGULATIONS

Lessee acknowledges that certain properties and uses of properties within the Airport or on City owned land are subject to Federal storm water regulations as set forth in 40 CFR Part 122. Lessee agrees to observe and abide by said regulations as applicable to the Leased Premises and its operations at the Airport. Lessee agrees to participate in any City-organized task force or other work group established to coordinate storm water activities at the Airport. In addition, Lessee agrees to participate in City's Environmental Compliance Program and is subject to and agrees to periodic inspections conducted by Airport staff to monitor the management, handling, storage, and disposal practices associated with any Hazardous Materials. Lessee shall be strictly liable for, and hereby expressly assumes all responsibility for all citations, fines, environmental controls and monitoring, clean-up and disposal, restoration and corrective measures resulting from or in any way connected with the improper use, handling, storage or disposal of all pollutants or contaminated materials, as same are defined by Applicable Law, by Lessee or any Lessee Parties, suppliers of service or providers of materials, regardless of whether or not a default notice has been issued and notwithstanding any other obligations imposed upon Lessee pursuant to the terms of this Lease.

ARTICLE 20 ENVIRONMENTAL INSPECTION

20.1 Environmental Inspection at End of Lease Term. Within the last sixty (60) days of the Term or within sixty (60) days after earlier Lease termination, City shall have the right to have an environmental inspection performed to determine the status of any Hazardous Materials, including, but not limited to asbestos, PCBs, PFAS, and urea formaldehyde, and radon gas existing on the Leased Premises or whether any said substances have been generated, released, stored or deposited over, or then exist beneath or on the Leased Premises from Lessee or any other source.

Lessee hereby expressly agrees to indemnify and hold City and each City Party harmless from and against any and all liability for fines and physical damage to property or injury or death to persons, and this indemnity includes all costs, charges, expenses, judgments, demands, claims, court costs, appellate fees, expenses and attorney's fees, to the extent arising from or resulting out of, or in any way caused by, Lessee's failure to comply with any and all applicable Environmental Laws, and in any way resulting from pollution or exposure of Lessee or any third party to asbestos, PCBs, PFAS, PFOA, urea formaldehyde, and radon gas. Lessee understands that this indemnification is in addition to and is a supplement of Lessee's indemnification set forth in other provisions of this

Lease and Lessee is in full understanding to the extent of this indemnification and hereby expressly acknowledges that it has received full and adequate consideration and that City would not execute this Lease without this indemnity. This provision of the lease shall survive termination of the Lease.

With regard to any contamination caused by Lessee, or arising by reason of Lessee's use or occupancy of the Leased Premises, Lessee shall immediately take such action as is necessary to clean up and remediate the Leased Premises at its own expense in accordance with applicable Environmental Laws. The remediation must continue until the Governmental Authorities with jurisdiction have determined that no further action is necessary; it being understood and agreed that Lessee shall be obligated to clean-up and remediate the Leased Premises to achieve such standards or clean-up levels as are reasonably required by the City for properties at the Airport. If the City is unable to lease the Leased Premises during the period of cleanup and remediation due to the environmental condition or cleanup work being performed, in addition to any other damages, Lessee shall be responsible for payment of lost rent or lost use to the City.

The firm(s) conducting the site inspection or the site cleanup work must be qualified and approved by the Airport Director or his or her Designee, and the methodology used by such firm shall be consistent with the then current engineering practices and methods required by the State of Florida or the United States government and be acceptable to City.

Lessee understands and agrees that it is strictly liable for any environmental violation or harm, or any contamination to the soil or the water table under the Leased Premises to the extent caused by Lessee or occurring by reason of Lessee's use or occupancy of the Leased Premises. Said liability shall extend beyond the term of the Lease until the Premises are retested and determined to be free of contamination.

ARTICLE 21 STORAGE TANKS

Lessee agrees that it will not have any underground or above ground storage tanks ("Tanks") on the Leased Premises other than those currently existing, unless specifically authorized in writing by City. If any tank is authorized by City, Lessee covenants and agrees that it will comply with all Applicable Laws concerning the installation, operation, maintenance and inspection of Tanks including financial responsibility and corrective action requirements. Notwithstanding anything contained herein, Lessee may replace and maintain its existing underground fuel tank(s) subject to the requirements in the City's Code of Ordinances and Unified Land Development Regulations and any other applicable laws. The replacement of the underground fuel tanks shall be deemed an improvement required under Article 45 hereunder.

ARTICLE 22 AMERICANS WITH DISABILITIES ACT

Lessee shall comply with the requirements of "The Americans with Disabilities Act" (ADA) as published in Title 28, Code of Federal Regulations ("CFR"), Parts 35 and 36, and the State of Florida Accessibility Requirements Manual ("ARM"). Additionally, the Lessee shall comply with the requirements of the ADA in any design and construction on the Leased Premises.

ARTICLE 23 NONDISCRIMINATION

Lessee acknowledges that the City is required by the FAA under the terms of certain agreements between the City and the United States of America relative to the operation or maintenance of the Airport, the execution of which has been required as a condition precedent to the grant or receipt of federal funds for the development of the Airport, to include in this Lease certain required contract provisions, attached as "**Exhibit B**" hereto (the "Federal Nondiscrimination Clauses"). Lessee agrees to comply with the Federal Nondiscrimination Clauses and, where applicable, include the Federal Nondiscrimination Clauses in each of its subcontracts without limitation or alteration. Lessee further agrees to comply with any modification to or interpretation of the Federal Nondiscrimination Clauses that may from time to time be required by the FAA or other agency with jurisdiction, within thirty (30) days of receiving notice from the City of such required modifications.

ARTICLE 24 RIGHTS RESERVED TO CITY

Rights not specifically granted to Lessee by this Lease are expressly and independently reserved to City. City expressly reserves the right to prevent any use of the Leased Premises which would interfere with or adversely affect the operation or maintenance of the Airport, the authorized operations of other Airport tenants or users, or otherwise constitute an Airport hazard.

ARTICLE 25 RIGHT OF ENTRY

City shall have the right to enter the Leased Premises during normal business hours with no less than twenty-four (24) hours' notice to Lessee (which may be oral), except in an emergency, to inspect the Leased Premises for the purpose of determining whether Lessee is in compliance with the requirements of this Lease. If, upon inspecting the Leased Premises, the City reasonably determines that the Lessee is not in compliance with this Lease, the City shall provide the Lessee with a written notice of noncompliance listing the items that are not in compliance with this Lease. If the Lessee does not initiate corrective action to cure the items in noncompliance within thirty (30) days after notice of default is sent by the Airport Director to the Lessee, the Airport Director may terminate the Lease Agreement if the Lessee fails to cure the default. City reserves the right to enter the Leased Premises at any time with or without notice in case of emergency.

ARTICLE 26 RIGHT OF FLIGHT

It shall be a condition of this Lease that City reserves unto itself, its successors and assigns, for the use and benefit of the public, a right of flight for the passage of aircraft in the airspace above the surface of the real property owned by City, including without limitation the Leased Premises, together with the right to cause in said airspace such noise as may be inherent in the operation of aircraft, now known or hereafter used, for navigation of or flight in the said airspace, and for use of said airspace for landing on, taking off from or operating on the Airport. Lessee further expressly agrees for itself, its successors and assigns to restrict the height of structures, objects of natural growth and other obstruction on Leased Premises to such a height so as to comply with Title 14 CFR, Part 77.

ARTICLE 27 SUBORDINATION TO DEEDS AND GRANT AGREEMENTS

This Lease shall be subject and subordinate to all the terms, and conditions of any instruments and documents under which City acquired the land or improvements thereon constituting the Airport or any portion thereof, of which said Leased Premises are a part, including the deed to the City from the Department of Defense, and shall be given only such effect as will not conflict with nor be inconsistent with such terms and conditions. Lessee understands and agrees that this Lease shall be subordinate to the provisions of any existing or future agreement between City and the United States of America, the State of Florida, or any of its or their agencies, relative to the operation or maintenance of the Airport, the execution of which has been or may be required as a condition precedent to the grant or receipt of federal or State funds for the development of the Airport, and to any terms or conditions imposed upon the Airport by any other Governmental Authority. In the event that this Lease, either on its own terms or by any other reason, conflicts with or violates the terms of any such deeds or agreements, City may unilaterally amend, alter, or otherwise modify the terms of this Lease in order to resolve such conflict or violation without compromising or destroying any remaining portions of this Lease, and such remaining provisions shall remain binding and in full effect upon the parties as if no such amendment or alteration had occurred.

ARTICLE 28 SIGNS

28.1 Written Approval. Lessee shall obtain approval the City and the Airport Director and obtain all required permits in accordance the City's Code of Ordinances and the ULDR, prior to erecting or displaying any signs on the Leased Premises or any advertising at or on the exterior parts of the Leased Premises.

28.2 Removal. Upon the expiration or termination of the Lease, Lessee shall remove, obliterate or paint out, as City may direct, at its sole discretion, any and all signs and advertising on the Leased Premises and shall restore the portion of the Leased Premises affected by such signs or advertising to the same conditions as existed prior to the

placement of such signs or advertising. The Airport Director may waive the aforementioned requirement in writing. In the event of failure on the part of Lessee to remove, obliterate or paint out each and every sign or advertising and to so restore the Premises, City may perform the necessary work and Lessee shall pay these costs plus a 25% administrative fee to City.

ARTICLE 29 QUIET ENJOYMENT

Subject to Lessee's compliance with each and every requirement and obligation on its part to be met under this Lease, City covenants that Lessee shall and may peaceably and quietly have, hold and enjoy the Leased Premises and all parts thereof for the Term hereby granted, subject to the terms and provisions hereof.

ARTICLE 30 NO MORTGAGE RIGHTS OF LESSEE

30.1 Lessee shall not mortgage, pledge, or hypothecate its leasehold interest under this Lease without the prior written consent of the Airport Director. As a condition precedent to obtaining the consent of the Airport Director, Lessee and its lender shall provide to City written evidence that the priority rights of City under this Lease will not be adversely affected by such action. In addition, any leasehold mortgage, leasehold deed of trust or other security financing arrangement shall specifically acknowledge that such financing shall never be construed to pledge, mortgage, encumber, hypothecate, alienate or otherwise grant or convey all or any part of the fee simple title to the real property underlying the leasehold estate herein given, or leasehold improvements which are the property of the City, as the same is publicly-owned property not subject to encumbrance or involuntary sale or divestiture. In the event that the Lessee mortgages its leasehold interest, the Mortgagee shall send via certified mail return receipt requested to the City (in accordance with the notice requirements in this Lease Agreement, with a copy to all the persons listed in the Notice Provision of this Lease Agreement) the following two documents within five (5) business days after the date that the mortgage is recorded in the Official Records of Broward County or any other County: 1) Written notice of the name and address of the leasehold Mortgagee; and 2) A certified copy of the mortgage recorded in the Official Records of Broward County or any other County. The City shall not provide any notice to the Leasehold Mortgagee (including any notice of default) if the City does not receive both written notice of the mortgagee's name and address and a certified copy of the mortgage within five (5) business days after the date that the mortgage is recorded.

30.2 *If City the Authorizes the Tenant to obtain a Leasehold Mortgage.* Notwithstanding the prohibition upon the placement or creation of liens set forth in this Lease, including any leasehold interests created hereunder in the Leased Premises, the Lessee may, upon prior written permission of the Airport Director, pledge the Lessee's leasehold interest created hereunder pursuant to a mortgage, deed of trust, security deed, or other security instrument encumbering the leasehold estate created by this Lease (a "Leasehold Mortgage"), provided that such pledge is made in connection with the financing or refinancing (a "Loan") of amounts to be used solely for the construction of any

improvements on the Leased Premises referenced herein or other improvements to the Leased Premises and shall be subject, subordinate, and inferior at all times to the rights of the City under this Lease. Approval of a Leasehold Mortgage may be given by the City only if, at a minimum, the following conditions are satisfied:

- (a) The documents which are to be used to finance and secure the proposed transaction (i.e., the obtaining of funds and placing of a leasehold mortgage) are submitted to the City for review and approval prior to their execution by the putative lender (the "Lender") and the Lessee (the "Proposed Financing Documents");
- (b) The funds obtained via the transaction contemplated under the Proposed Financing Documents are to be used solely for the construction of any improvements on the Leased Premises approved by the City, or refinancing any Loan for such purposes;
- (c) The entity providing the Loan shall be a financial institution regularly engaged in the business of making mortgage loans secured by commercial properties, with a net worth of not less than twenty million dollars (\$20,000,000) which is not an affiliate of Lessee (a "Lender");
- (d) The Lender must certify to the City that it has reviewed this Lease and accepted provisions that may affect the Leasehold Mortgagee and that no loan requirements conflict with or materially diminish any provisions of this Lease;
- (e) The Proposed Financing Documents include the following terms:
 - (i) The encumbrances under the Proposed Financing Documents shall be subordinate to the City's interests under this Lease; and
 - (ii) The term of any such Loan shall not exceed the Term of this Lease (excluding any extensions); and
 - (iii) Upon any default by the Lessee under the note, mortgage, or any of the other Proposed Financing Documents (a "Financing Default"), the City shall have a lien with first priority on all Lessee-owned property at the Leased Premises; and
 - (iv) The Lender agrees to provide and maintain current contact information with the City and provide the City with concurrent copies of any notices or communications regarding a Financing Default; and
 - (v) The City shall be notified at least seven (7) business days prior to the Lender exercising its rights under the Leasehold Mortgage to take possession or control of the Lessee's business or the Leased Premises or any portion thereof; and

- (vi) The Lender explicitly agrees that the Leased Premises and any improvements made thereupon must be used solely for the permitted uses set forth in this Lease and no others, and any change in use may occur only upon prior written permission of the City, which the City may grant or deny in its sole discretion; and
- (vii) The Leasehold Mortgage may secure only Lessee's obligations with respect to a Loan that will be applied to finance or refinance improvements to the Leased Premises and may not cross collateralize or secure any other loans or obligations of Lessee; and
- (viii) In the event that the Lender exercises its security interest in the Leasehold Mortgage to take possession or control of the Lessee's business, the Leased Premises, or any part thereof, the Lender is limited to a total period of twelve (12) months to locate a replacement tenant that is acceptable to the City, in its reasonable discretion. In the event that a tenant acceptable to the City is not obtained within the above-referenced twelve (12) month period, then the Leasehold Mortgage shall terminate and all of the Lender's rights in this Lease, the Improvements constructed upon the Leased Premises, or any part thereof shall be extinguished; and
- (ix) The Lender agrees to hold the City and City Parties harmless for any damages the Lender may incur as a result of any action or inaction in connection with the exercise of the City's rights under this provision of the Lease or the related Proposed Financing Documents, including, without limitation the Leasehold Mortgage; and
- (x) Any Financing Default relating to the encumbrances under the Proposed Financing Documents shall be a default of this Lease.

30.3 Failure to Comply. If the Lender or other lienholder fails to comply with any of the foregoing requirements, such failure shall be an Event of Default under this Lease and the City may at any time (but is not required to) terminate this Lease and exercise any rights the City may have under this Lease for an Event of Default.

30.4 No Additional Leasehold Mortgages. Lessee may enter into and encumber the Leased Premises with only one Leasehold Mortgage in accordance with this Article at any time.

30.5 Lender's Right to Cure. If Lessee enters into a Leasehold Mortgage in accordance with this Article, and if the Lender/Mortgagee has provided the City with notice of the name and address of the Leasehold mortgagee and a certified copy of the mortgage within five (5) business days of the date that the mortgage is recorded in accordance with the requirements written in Paragraph 30.1 above, then all notices of default given under this Lease to the Lessee shall also be sent to the Lender/Mortgagee at the address provided by the Mortgagee/Lender to the City. Any notice properly mailed

to Mortgagee/Lender by registered mail, postage and fees prepaid, shall be deemed delivered when mailed, whether received or not. The Lender shall have the right to remedy any default under this Lease or cause the same to be remedied and the City shall accept such performance by or at the direction of such Lender/Mortgagee as if the same had been made by the Lessee. **The Lender/Mortgagee shall not be entitled to a Right to Cure if the Lender/Mortgagee or Lessee fail to comply with any terms in Article 30.** In case of a default, the City shall not be permitted to terminate this Lease by reason of the occurrence of such default only if the following requirements are met:

- i) If the Lender, within thirty (30) days after the giving of notice of such default, commences foreclosure or similar proceedings under the Leasehold Mortgage for the purpose of acquiring the Lessee's interest in this Lease and thereafter the foreclosure proceedings are concluded within 240 days after the City sends notice of Default to the Mortgagee. This subsection shall not apply if the Lender/Mortgagee or Lessee fail to comply with any terms in Article 30.
- ii) The Mortgagee must bring current all payments of Rent payable by the Lessee hereunder and cure any other breach or default of the Lease Agreement within thirty days after the notice of default is sent to Mortgagee.
- iii) The Lender/Mortgagee may become the legal owner and holder of the leasehold estate under this Lease by foreclosure of its Leasehold Mortgage or as a result of the assignment of this Lease in lieu of foreclosure.

30.6 Notwithstanding any term or provision of any Leasehold Mortgage or this Lease to the contrary, under no circumstances shall any such Leasehold Mortgage or Loan constitute an indebtedness or obligation of the City nor shall the City be liable in any way for the payment of any portion of the indebtedness evidenced by such Leasehold Mortgage or for the payment or performance of any obligation thereunder or secured thereby. Nothing in this Lease shall operate as a pledge of the City's credit within the meaning of any constitutional or statutory debt limitation.

ARTICLE 31 RENT A SEPARATE COVENANT

Lessee shall not for any reason withhold or reduce Lessee's required payments of Rent and other charges provided in this Lease, it being expressly understood and agreed by the Parties that the payment of Rent and any other rents, fees or charges provided hereunder is a covenant by Lessee that is independent of the other covenants of the Parties hereunder.

ARTICLE 32 ASSIGNMENT

Lessee shall not sublease, sublet, transfer, convey, pledge or assign, directly or indirectly, this Lease, either in whole or in part, without prior written consent of City. Written consent to an assignment or sublease must be obtained by approval of the City

Commission at a public meeting. The Written Consent must be done with the approval and full execution of a Consent to Assignment of Lease Agreement by the City, Assignor, and Assignee or approval and full execution of a Consent to Sublease of Lease Agreement. The Airport Director in his or her sole discretion may require that any assignee or subtenant meet certain objective financial worth and operational standards. Any assignment or sublease without the written consent of the City shall be void *ab initio* and of no force or effect. No request for, or consent to, such assignment shall be considered unless Lessee has paid all rent, fees, costs, and charges required by this Lease Agreement and Lessee has complied with all provisions in this Lease Agreement, including but not limited to construction or improvement deadlines, if applicable. The City Commission and the Airport Director or his or her designee reserves the right to investigate the financial capacity of the proposed assignee or sublessee prior to making its decision, and **LESSEE SHALL REMAIN LIABLE FOR ALL OBLIGATIONS UNDER THIS LEASE AFTER SUCH ASSIGNMENT OR SUBLEASE.** All subleases shall be limited to a term of one (1) year unless otherwise agreed to in writing by City Commission. All sublessees and assignees must comply with all the terms of this Lease Agreement and are liable for all obligations, costs, charges, fees, and requirements provided by this Lease Agreement regardless of whether the obligations, liabilities, charges, fees, or costs, occurred prior to the approval of the assignment or sublease or prior to the full execution of the Consent to Assignment of Lease Agreement or Consent to Assignment of Sublease.

If there shall occur any change in the ownership of and/or power to vote the majority of the outstanding capital stock or membership interest of Lessee, whether such change or ownership is by sale, assignment, bequest, inheritance, operation of law or otherwise, Lessee shall have an affirmative obligation to notify the Airport Director in writing within five (5) business days of any such change. The City reserves the right to require a written amendment to this Lease to effectuate any such change in ownership or corporate structure. Notwithstanding anything contained herein, a change in the direct ownership of Lessee shall not be considered a "change in control" or a "change in ownership" hereunder so long as the ultimate ownership of Lessee remains the same as the current ownership and such change is the result of a Reorganization.

If the Lessee changes its name, the Lessor shall notify the Airport Director within five (5) business days of the name change and Lessee shall enter into an Amendment to this Lease Agreement to reflect the name change, which is subject to the approval of the City Commission as a consent item on the agenda of a public meeting.

ARTICLE 33 CORPORATE TENANCY

If Lessee is a corporation or limited liability company, the undersigned officer of Lessee hereby warrants and certifies to City that Lessee is a corporation or limited liability company in good standing and is authorized to do business in the State of Florida and shall provide proof of good standing to City. The undersigned officer of Lessee hereby further warrants and certifies to City that he or she, as such officer, is authorized and empowered to bind the entity to the terms of this Lease by his or her signature thereto and that the Lessee and its officers, directors, shareholders, members and affiliates are

not in violation of Sections 287.133 and 287.134, Florida Statutes, as amended. Upon execution hereof, Lessee shall provide to the City a letter, advising City of all persons or entities owning 5% or more of the voting interest of the corporation or limited liability corporation. Failure of Lessee to maintain an active status with the Florida Division of Corporations, shall constitute a breach of this Lease Agreement.

ARTICLE 34

EMINENT DOMAIN AND DAMAGE TO LEASED PREMISES

34.1 Damage to, Destruction or Condemnation of Airport.

In the event any Governmental Authority shall, by exercise of the right of eminent domain or any other power, acquire title in whole or in part of the Airport, including any portion assigned to Lessee, Lessee shall have no right of recovery whatsoever against City but shall make its claim for compensation solely against such Governmental Authority.

Damage or Destruction of Leased Premises. If the Leased Premises shall be partially damaged by fire or other casualty, but not rendered untenable, as determined by the Airport Director, the Lessee shall commence repairs of the Leased Premises within thirty (30) days and conclude repairs at its own cost and expense within ninety (90) days, and the Rent payable hereunder with respect to the Leased Premises shall continue to be paid.

Untenable Leased Premises. Lessor reserves the right to take any action whatsoever that it considers necessary to protect the aerial approaches of the Airport against obstruction, including but not limited to, the demolition or removal of structures upon the Premises, together with the right to prevent Lessee from erecting or permitting to be erected any building or other structure at the Airport which, in the opinion of the Lessor, would limit the usefulness of or interfere with the operations at the Airport, or constitute a hazard to aircraft.

ARTICLE 64 AMENDMENTS

(a) All proposed Amendments to this Agreement shall be presented to the City's Aviation Advisory Board for a recommendation to the City Commission in accordance with Section 7-9. of the City's Code of Ordinances, as amended. No modification or amendment of any terms and conditions contained herein shall be effective unless approved by the City Commission at a public meeting and contained in a written amendment executed by the City and Lessor with the same formality herewith.

(b) Should the United States government, or its agencies require changes to this Agreement, including without limitation, any nondiscrimination provisions, as a condition precedent to the granting of funds for the improvement of the Airport, or otherwise, the Lessee agrees to consent to such amendments, modifications, revisions, supplements or deletions of any terms, conditions, or requirements of this Agreement (collectively, an "amendment") as may reasonably be required. Notwithstanding the foregoing, in the event any such amendment would in Lessee's good faith judgment unreasonably interfere with the business operations of Lessee or its sublessees, then Lessee may refuse to consent to such amendment, provided that Lessee must give immediate notice to the City of any such refusal to consent and such notice must state with specificity the reasons for any such refusal. City shall have the right to immediately terminate this Agreement upon the failure of Lessee to consent to any such amendment.

ARTICLE 65
NON-EXCLUSIVE RIGHTS

Notwithstanding anything herein contained that may be, or appear to be, to the contrary, it is expressly understood and agreed that the rights granted under this Lease Agreement are non-exclusive and the Lessor reserves the right to grant similar privileges to other Lessees on other parts of the Airport.

ARTICLE 66
EXPIRATION OR TERMINATION OF LEASE AGREEMENT

Upon expiration or earlier termination of this Agreement, Lessee shall remain liable for all obligations and liabilities that have accrued after the date of this Lease and prior to the date of expiration or termination.

ARTICLE 67
RE-ENTRY AND REPOSSESSION

(a) If the Lessee fails to keep and perform any of the covenants, conditions and agreements provided in this Lease and such default shall not be remedied within the grace period provided elsewhere in this Lease, the Lessor shall have the right to treat such default as intentional, inexcusable and material, and the Lessor, by notice in writing transmitted to the Lessee, entitled "NOTICES", may at its option declare the Lessee's interest under this Lease ended and without further force and effect. Thereupon the Lessor is authorized to re-enter and repossess the Premises and the buildings, Improvements and personal property on them, either with or without legal process, and the Lessee does in such event waive any demand for possession of the Premises, and agrees to surrender and deliver up the Premises peaceably to Lessor. In the event of such action, the Lessee shall have no claim whatsoever against the Lessor by reason of Improvements made upon the Premises, rents paid, or from any other cause whatsoever.

(b) The provisions of this Paragraph shall not be construed so as to divest the Lessor, in the event of such default, of any legal right or remedy which it may have by statutory or common law, enforceable at law or in equity. It is intended that the provisions of this Paragraph shall afford to the Lessor a cumulative remedy, in addition to such other remedy or remedies as the law affords a Lessor when the terms of a lease have been breached by a Lessee.

ARTICLE 68
NONWAIVER

Failure of the Lessor to insist upon the strict performance of any of the covenants, conditions and agreements of this Lease in any one or more instances, shall not be construed as a waiver or relinquishment of any rights under this Lease Agreement including but not limited to rights to terminate the Lease, rights to damages, or any other relief in accordance with this Lease Agreement and Florida law.

**ARTICLE 69
SUCCESSORS IN INTEREST**

The covenants and agreements contained in this Lease Agreement shall be binding on and inure to the benefit of the respective successors and assigns of the parties. Wherever used, the singular shall include the plural, and the use of any gender shall be applicable to all genders.

**ARTICLE 70
ALL PRIOR AGREEMENTS SUPERSEDED**

This document incorporates and includes all prior negotiations, correspondence, conversations, agreements or understandings applicable to the matters contained herein and the parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, it is agreed that no deviation from the terms hereof shall be predicated upon any prior representations or agreement whether oral or written.

**ARTICLE 71
DERELICT AIRCRAFT**

Lessee and all sublessees shall not permit the temporary or permanent storage at the Premises of any Derelict Aircraft. A Derelict Aircraft is (1) an aircraft that does not hold a current and valid airworthiness certificate issued by the FAA or other appropriate certificating authority, together with the necessary aircraft registration and maintenance records with a current endorsement by an appropriately rated certificate holder that the aircraft is in an airworthy condition; or (2) an aircraft that has been issued a condition notice by the FAA specifying that the aircraft has one or more conditions rendering it unairworthy; or (3) an aircraft which has had major components, accessories, flight controls, portions of the airframe or engines removed so as to render the aircraft unflyable. With respect to Derelict Aircraft, the Airport Director of City may make a written request to the Lessee to demonstrate that an open work order for repair or restoration is being actively pursued by Lessee or the sublessee. If the Lessee fails to provide the Airport Director with satisfactory evidence that an open work order is being actively pursued within fourteen (14) business days of the request from the Airport Director, then such Derelict Aircraft shall be removed from the Premises by the Lessee within ninety (90) days following the date of the Airport Director's request. Any Derelict Aircraft that is not removed from the Premises as provided in this subparagraph shall constitute a breach of this Lease Agreement.

**ARTICLE 72
DERELICT VEHICLES**

Lessee and all sublessees shall not permit the temporary or permanent storage at the Premises of any other derelict vehicle whatsoever. A derelict vehicle is a vehicle that does not display a current and valid state license tag. Any derelict vehicle that is not

removed from the Premises within thirty (30) days after notice from the City will constitute a material breach of this Agreement.

ARTICLE 73 EMERGENCY EVACUATION AND HURRICANE PLAN

Within thirty (30) days of the date of this Agreement, Lessee shall prepare an emergency evacuation and hurricane plans consistent with any existing plans for the Airport. These plans shall constitute detailed procedures of actions to be taken by Lessee and its sublessees, in the event the need for evacuation or a hurricane alert warning arises. Notwithstanding the forgoing, the Premises will remain operational by Lessee, to the extent possible and in coordination with City's Airport Manager's emergency operational procedures, during emergency events (man-made or natural disasters) and during recovery efforts.

ARTICLE 74 REGULATORY APPROVALS

Lessee agrees to cooperate with City in connection with City's efforts to obtain Regulatory Approvals, including but not limited to Airport FAR Part 150 Program and any updates thereto, Airport Master Plan Updates, and any approvals required pursuant to Chapter 380 and Chapter 333, Florida Statutes. From and after the date of execution of this Lease, Lessee covenants and agrees (i) to support the City's efforts to obtain the Regulatory Approvals; and (ii) to execute any document(s) or instrument(s) reasonably required by the City in order to assist City in obtaining the Regulatory Approvals, provided that Lessee shall not be required to bear any expense in connection therewith and that Lessee shall not be deemed an agent of the City.

ARTICLE 75 OPERATIONAL REPORTS

Lessee agrees to submit to Lessor upon reasonable request by Lessor any report or reports or information regarding Lessee's operations at the Airport, including, but not limited to, passenger counts, flight operations, number of aircraft serviced, and matters of a similar nature. The Lessor agrees to receive from Lessee, upon request by Lessee, any reports the Lessee deems appropriate for the purpose of keeping the Lessor informed of any operational problems and of any suggested improvements at the Airport.

ARTICLE 76 CONDUCT OF OPERATIONS

Lessee and all sublessees shall conduct their operations under this Lease in an orderly and commercially reasonable manner, based on the nature of the operations, so as not to annoy, disturb, endanger or be offensive to others at the Airport.

ARTICLE 77 ADHERENCE TO NOISE REGULATIONS

Lessee and all sublessees shall take all reasonable care to reduce to a minimum vibrations tending to damage any equipment, structure, building or portion of a building which is on the Premises or is a part thereof, or is located elsewhere on the Airport, and to keep the sound level of their operations as low as possible. The parties agree that aircraft operating within federal noise requirements shall not be deemed in violation of this provision.

ARTICLE 78 KEYS AND LOCKS

The Lessee shall at its own expense provide copies of all keys for the Leased Premises to all Assignee(s) or Sub-tenant(s) that are approved and authorized in accordance with the terms of this Lease Agreement. In the event that keys are not provided to the Assignee or Sub-tenant, the Assignee or Sub-Tenant shall pay for and obtain keys at their own expense.

ARTICLE 79 ZONING

The Lessee accepts the zoning of the Premises, which Lessor represents and warrants is General Aviation Airport ("GAA") as of the commencement of the term of this Lease Agreement, which zoning is compatible and consistent with the usages and purposes contemplated in this Agreement. Lessee further accepts the existing zoning ordinances of the Unified Land Development Regulations of the City of Fort Lauderdale insofar as they are applicable to the Premises.

ARTICLE 80 RESTRAINTS UPON LESSEE

Lessee understands and agrees that it is expressly subject to all applicable zoning restrictions and all rules, regulations and City ordinances pertaining to the Airport.

IN WITNESS WHEREOF, the City and Lessee have hereunto set their hands and seals the day and year first above written.

until the LESSEE complies, and/or cancelling, terminating, or suspending the Agreement, in whole or in part.

6. **Incorporation of Provisions:** LESSEE will include the provisions of paragraphs one through six of this Exhibit B, Section (A) in every contract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations and directives issued pursuant thereto. Provided, that if LESSEE becomes involved in, or is threatened with litigation by a contractor, or supplier because of such direction, LESSEE may request LESSOR to enter into any litigation to protect the interests of LESSOR. In addition, LESSEE may request the United States to enter into the litigation to protect the interests of the United States.
- B. Real Property Acquired or Improved Under the Airport Improvement Program. LESSEE for itself, its heirs, personal representatives, successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree as a covenant running with the land that in the event facilities are constructed, maintained, or otherwise operated on the property described in this Agreement for a purpose for which a Federal Aviation Administration activity, facility, or program is extended or for another purpose involving the provision of similar services or benefits, LESSEE will maintain and operate such facilities and services in compliance with all requirements imposed by the Nondiscrimination Acts and Regulations listed in the Pertinent List of Nondiscrimination Authorities (as may be amended) such that no person on the grounds of race, color, or national origin, will be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities.

- viii. Titles II and III of the Americans with Disabilities Act of 1990, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 U.S.C. §§ 12131 – 12189) as implemented by Department of Transportation regulations at 49 CFR Parts 37 and 38;
