WHEREAS, the public hearings were held at the time and place designated after notice was given by publication as required by law, and the City Commission determined that the application met the criteria for rezoning.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF FORT LAUDERDALE, FLORIDA:

SECTION 1. The foregoing “WHEREAS” clauses are hereby ratified and confirmed as being true and correct and are hereby made a specific part of this Ordinance.

SECTION 2. The City Commission finds that the application for rezoning meets the criteria in Section 47-24.4. of the Unified Land Development Regulations (“ULDR”) as enunciated and memorialized in the minutes of its meetings on May 16, 2023 and June 6, 2023, a portion of those findings are expressly listed as follows:

1. The zoning district proposed is consistent with the City’s Comprehensive Plan. The property is currently zoned ABA and has an underlying land use designation of Central Beach Regional Activity Center which is intended to encourage a mix of uses, promote a strong local economy, integrated with residential, hotel, commercial and recreational uses, a strong waterfront, and marina experience, complemented by a world-class pedestrian environment and open space. The proposed Parks, Recreation and Open Space zoning district is consistent with this land use designation.
2. The changes anticipated by the proposed rezoning will not adversely impact the character of development in or near the area under consideration. The property where the proposed rezoning is to take place is an existing park. Moving forward with the proposed rezoning will make the current park use consistent with its zoning designation. The character of development of the parcel supports the proposed rezoning. The rezoning will be consistent with the character of development in the area under consideration.

3. The character of the area proposed is suitable for the uses permitted in the proposed zoning district and is compatible with surrounding districts and uses. Since the current use of the site is a park, the proposed rezoning will ensure the zoning district is compatible with the existing use. The proposed rezoning will enhance the existing surrounding residential and hotel uses by providing park and open space for residents and visitors to enjoy. The character of the surrounding area supports the proposed park use.

SECTION 3. That the City of Fort Lauderdale ULDR together with the Official Zoning Map of the City of Fort Lauderdale and revised Schedule "A", describing the lands lying within each zoning district, as approved on June 18, 1997, and described in Section 47-1.6. of the ULDR, are hereby amended by rezoning from "ABA – A-1-A Beachfront Area" District to "P – Parks, Recreation and Open Space" District, the following lands, situated in the City of Fort Lauderdale, Broward County, Florida, to wit:

SECTION 4. That the appropriate City officials of the City of Fort Lauderdale shall indicate such zoning upon a copy of the Official Zoning Map, and shall indicate an amendment of Schedule "A" accordingly, upon the records with proper reference to this ordinance and date of passage.

SECTION 5. Issuance of a development permit by a municipality does not in any way create any right on the part of an applicant to obtain a permit from a state or federal agency and does not create any liability on the part of the municipality for issuance of the permit if the applicant fails to obtain requisite approvals or fulfill the obligations imposed by a state or federal agency or

undertakes actions that result in a violation of state or federal law. All other applicable state or federal permits must be obtained before commencement of the development.
