#22-0518

TO: Honorable Mayor & Members of the

Fort Lauderdale City Commission

FROM: Chris Lagerbloom, ICMA-CM, City Manager

DATE: June 21, 2022

TITLE: Public Hearing Approving the Fiscal Year 2022-2023 Housing and

Community Development Annual Action Plan - (Commission Districts 1,

2, 3 and 4)

Recommendation

Staff recommends the City Commission approve the 2022-2023 Annual Action Plan and funding allocation as proposed by the Community Services Board (CSB) and authorize the City Manager to execute the necessary documents and agreements associated with each entitlement funding source for submittal to the U.S. Department of Housing and Urban Development (HUD).

Background

Annually, the City is required to submit an action plan associated with the five-year consolidated plan for 2020-2024. The consolidated plan provides a comprehensive strategy of how the City will utilize entitlement funding to address housing, economic, social and community development needs. The attached annual action plan identifies specific activities with associated funding amounts that are designed to achieve the goals identified in the consolidated plan.

The annual action planning process serves as the framework that has been established based on community-wide dialogues. These dialogues identify commission top priorities that align with the consolidated plan and support the HUD national objective for: Community Development Block Grant (CDBG), Housing Opportunities for Persons with AIDS (HOPWA), and HOME Investment Partnerships (HOME) Program.

Exhibit 1 provides a comprehensive outline of the community organizations to be funded, the proposed funding amount and a brief description of the program and services to be provided:

Resource Impact

There is no fiscal impact to the General Fund. The federal grant will reimburse the City for the funding expended on eligible activities.

Strategic Connections

This item is a 2022 Top Commission Priority, advancing the Homelessness and Housing Opportunities Initiative.

This item supports the *Press Play Fort Lauderdale 2024* Strategic Plan, specifically advancing:

- The Neighborhood Enhancement Focus Area
- Goal 4: Build a thriving and inclusive community of neighborhoods.
- Objective: Ensure a range of affordable housing options

This item advances the Fast Forward Fort Lauderdale 2035 Vision Plan; We Are Community.

CITY OF FORT LAUDERDALE HOUSING OPPORTUNITIES for PERSON with AIDS (HOPWA) PROGRAM

FIRST ADDENDUM TO THE FY2022-2023 PROGRAM PROVIDER AGREEMENT

WITH

BROWARD REGIONAL HEALTH PLANNING COUNCIL, INC.

THIS ADDENDUM, with an effective date of October 1, 2022, is entered into by and between the City of Fort Lauderdale, a Florida municipal corporation, with its principal address located at 100 N. Andrews Avenue, Fort Lauderdale, FL 33301 (City), and BROWARD REGIONAL HEALTH PLANNING COUNCIL, INC., a Florida non-profit corporation with its principal address located at 200 Oakwood Lane, Suite 100, Hollywood, Florida 33020 (Participant) (collectively, Parties).

WHEREAS, the City receives Housing for Persons with AIDS (HOPWA) funding from the U.S. Department of Housing and Urban Development (HUD) to undertake program activities, including housing and other supportive services to eligible individuals; and

WHEREAS, the City issued Request for Information (RFI) No. 12487-108 and the HOPWA grant application process through the submittable portal, seeking qualified non-profit organizations to provide housing and certain supportive services to eligible persons under the HOPWA grant program; and

WHEREAS, Participant submitted a responsive proposal to the City to provide Short Term Rent, Mortgage and Utility (STRMU), Permanent Housing Placement (PHP), Tenant Based Rental Vouchers (TBRV), and Temporary Emergency Hotel Voucher (TEHV) Programs; and

WHEREAS, Participant is a non-profit organization with significant activities related to providing services or housing to persons with Acquired Immunodeficiency Syndrome (AIDS) or related diseases; and

WHEREAS, on June 21, 2022, the City approved CAM 22-0518 awarding HOPWA funding to Participant; and

WHEREAS, the City entered into a Program Provider Agreement with the Participant dated October 1, 2022, to provide funds for Fiscal Year 2022-2023 in a total amount not to exceed Two Million Seventy-Eight Thousand Seven Hundred Thirty-Seven Dollars and Zero Cents (\$2,078,737.00) for the administration of the Participant's HOPWA programs (Provider Agreement); and

WHEREAS, on December 8, 2022, HUD published notice CPD-22-15 requiring Carbon Monoxide (CO) Alarms or Detectors in all assisted housing HOPWA program activities, including housing supportive services to eligible individuals, and additional regulations related to HOPWA Consolidated APR/CAPER Performance Report Workbooks; and

WHEREAS, the City and Participant wish to enter into an addendum to the Provider Agreement to incorporate the new regulations mandated by HUD's published notice CPD-22-15 and HUD's revised HOPWA Consolidated APR/CAPER Performance Report Workbooks; and

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

- I. <u>RECITALS:</u> The foregoing recitals are true and correct in all respects and are incorporated herein by reference.
- II. <u>ADDENDUM:</u> The purpose of this Addendum is to incorporate into the Provider Agreement the terms and conditions required by the new regulations mandated HUD's published notice CPD-22-15 requiring Carbon Monoxide (CO) Alarms or Detectors in assisted housing HOPWA program activities, including housing supportive services to eligible individuals, and HUD's additional regulations related to HOPWA Consolidated APR/CAPER Performance Report Workbooks.
 - A. Participant shall comply with all the following terms and conditions outlined in HUD Notice CPD-22-15, published on December 8, 2022:

Carbon Monoxide (CO) Alarms or Detectors in Housing Opportunities for Person With AIDS (HOPWA) Assisted Housing.

Under the new statutory requirement, which takes effect on December 27, 2022, grantees will be responsible for ensuring each dwelling unit assisted under the HOPWA program contains installed carbon monoxide alarms or detectors that meet or exceed the standards described in chapters 9 and 11 of the 2018 publication of the International Fire Code, as published by the International Code Council

Requirement of CO Alarms or Detectors in Dwelling Units Assisted under HOPWA

Section 101 of Title I of Division Q of the Consolidated Appropriations Act, 2021, Pub. L. 116–260, div. Q, title I, §101 (2020) ("the Act") amended the program legislation for various HUD programs, including the Section 8 and HOPWA

programs, to require CO alarms or detectors in certain Federally assisted dwelling units as of December 27, 2022.1

Section 101(e) of the Act amends section 856 of the AIDS Housing Opportunity Act (42 U.S.C. 12905) to add the following new requirements for HOPWA assisted housing units:

- (i) Carbon monoxide alarms

 Each dwelling unit assisted under [the HOPWA program] shall contain installed carbon monoxide alarms or detectors that meet or exceed—
 - (1) the standards described in chapters 9 and 11 of the 2018 publication of the International Fire Code, as published by the International Code Council; or
 - (2) any other standards as may be adopted by the Secretary, including any relevant updates to the International Fire Code, through a notice published in the Federal Register.

This amendment takes effect on December 27, 2022, and consistent with the Act's specific inclusion of the tenant-based assistance in section 101(b), the new requirement encompasses even those units where housing assistance payments are made to or on behalf of eligible HOPWA households.

Until such time as HUD adopts other standards, the applicable standards are those provided by chapters 9 and 11 of the 2018 International Fire Code, which are available at:

- https://codes.iccsafe.org/content/IFC2018/chapter-9-fire-protection-and-life-safety-systems; and
- https://codes.iccsafe.org/content/IFC2018/chapter-11-construction-requirements-for-existing-buildings.

However, neither the new statutory requirement nor this notice preempts or limits the applicability of any State or local law that imposes more stringent standards relating to the installation and maintenance of carbon monoxide alarms or detectors in housing.

Parties to this addendum must read the 12-08-2022 CPD-22-15 HQS update to get a full understanding of the new requirements. A copy of the CPD 22-15 notice can be found on hudexchange website, link below:

B. HOPWA Consolidated APR/CAPER Performance Report Workbooks

The Provider Performance Report Workbook, should be completed by any organization that delivers/conducts any HOPWA activities (e.g., Supportive Services, Tenant-Based Rental Assistance, Permanent Housing Placement, etc.) in addition to administrative activities will complete the Provider Workbook. This includes HOPWA Formula or Competitive grantees that deliver HOPWA activities directly, such as TBRA, STRMU, Supportive Services, etc., in addition to administrative activities, and the project sponsor (as defined in 24 CFR 574.3) organizations that grantees contract to carry out eligible HOPWA activities. For this reason, HUD is calling this the "Provider" Workbook, rather than the "Project Sponsor" Workbook. Some Formula and Competitive HOPWA Grantees provide direct HOPWA activities and will need to complete the Provider Performance Report Workbook, in addition to the Grantee Performance Report Workbook.

The Provider Workbook collects annual performance data for HOPWA activities. This includes household outputs (e.g., households served and demographic information), outcomes (e.g., access to care and support outcomes) and expenditures (for HOPWA-eligible costs).

The Provider Workbook includes the following sections (or tabs):

- Performance Report Cover
- Instructions
- Identification
- HOPWA Provider Summary
- Provider Contact
- Demographics & Prior Living
- Leveraging
- TBRA (Tenant-Based Rental Assistance)
- P-FBH (Permanent Facility-Based Housing)
- ST-TFBH (Short-Term or Transitional Facility-Based Housing)
- STRMU (Short-Term Rent, Mortgage and Utilities Assistance)
- PHP (Permanent Housing Placement Assistance)
- Housing Info (Housing Information Services)
- Supp. Svcs. (HOPWA Supportive Services)
- Other Competitive Activity
- Access to Care & Totals
- CAP DEV (Capital Development)
- VAWA (Housing Transfers for Households Covered by the Violence Against Women Act)

The HOPWA Consolidated APR/CAPER performance Report workbooks also include some changes related to general grantee and project sponsor information, and the required data elements that must be reported.

The HOPWA Consolidated APR/CAPER performance Report workbooks should be completed and submitted to City within thirty days of the completion of the grant contractual year. Which ends on September 30th of each year.

Parties to this addendum shall read HOPWA-Consolidated-APR-CAPER-User-Manual and participate in any and all HUD published trainings to ensure full understanding of the new requirements. HOPWA-Consolidated-APR-CAPER updates can be found on hudexhange website, link below:

https://www.hudexchange.info/resource/6796/hopwa-consolidated-apr-caper-user-manual/ and

https://www.hudexchange.info/programs/hopwa/hopwa-consolidated-apr-caper-e-tutorial-series/#new-annual-reporting-overview

III. NO OTHER CHANGES: Except as otherwise provided in this First Addendum, all terms, covenants, obligations and provisions of the Provider Agreement shall remain unaltered, shall continue in full force and effect, and are hereby ratified, approved and confirmed by the parties in every respect. If the terms and conditions set forth in this First Addendum directly conflict with any provision contained in the Provider Agreement, then this First Addendum shall control.
