WHEREAS, the applicant, City of Fort Lauderdale, applied for the rezoning of certain property as more particularly described in Exhibit "A" attached hereto and incorporated herein; and

WHEREAS, on November 16, 2022, the Planning and Zoning Board (PZ Case No. UDP-Z22017) recommended that the City Commission of the City of Fort Lauderdale ("City Commission") approve the rezoning of the lands described in Exhibit "A" attached hereto and also recommended an amendment to the Official Zoning Map of the City of Fort Lauderdale and Schedule "A" referenced in Section 47-1.6.B. of the Unified Land Development Regulations to include such lands; and

WHEREAS, the City Clerk provided notice to the public of a public hearing on Tuesday, May 16, 2023 at 6:00 P.M. at Mary N Porter Riverview Ballroom at the Broward Center for the Performing Arts located at 201 S.W. 5th Avenue, Fort Lauderdale, Florida, for the purpose of hearing any public comment on the rezoning; and

WHEREAS, the City Clerk provided notice to the public of a public hearing on Tuesday, June 6, 2023 at 6:00 P.M. at Parker Playhouse located at 707 N.E. 8th Street, Fort Lauderdale, Florida, for the purpose of hearing any public comment on the rezoning; and

WHEREAS, the public hearings were duly held at the time and place designated after notice was given by publication as required by law, and the City Commission determined that the requested rezoning met the criteria for rezoning.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF FORT LAUDERDALE, FLORIDA:

<u>SECTION 1</u>. The foregoing "WHEREAS" clauses are hereby ratified and confirmed as being true and correct and are hereby made a specific part of this Ordinance.

<u>SECTION 2</u>. The City Commission finds that the application for rezoning meets the criteria of Section 47-24.4. of the Unified Land Development Regulations ("ULDR") as enunciated and memorialized in the minutes of its meetings of May 16, 2023 and June 6, 2023, a portion of those findings are expressly listed as follows:

1. The zoning district proposed is consistent with the City's Comprehensive Plan. Rezoning the property to RD-15 and RM-15 is consistent with the Medium Residential land use and applicable goals, objectives, and policies of the City's Comprehensive Plan.

2. The changes anticipated by the proposed rezoning will not adversely impact the character of development in or near the area under consideration. The proposed rezoning of the subject area to RD-15 and RM-15 will not adversely impact the character of development in or near the area under consideration. The property is surrounded by single family residential uses and parcels zoned Residential Single Family/Low Medium Density (RS-8) District, as well as Parks, Recreation and Open Space (P) District across Powerline Road to the west. There are single family and multifamily properties zoned RDs-15 to the north and east and properties zoned Residential Single Family/Duplex/Low Medium Density (RD-15) District to the south. The Thurgood Marshall Elementary School zoned Community Facility (CF) District is located to the south of the subject area. The Central City Redevelopment Plan recommended changes in the existing zoning to attract private developers and incentivize redevelopment. The current RDs-15 zoning does not permit duplex, townhouse, or multifamily housing and the change in zoning to RD-15 and RM-15 will expand opportunities for property owners to redevelop residential properties.

3. The character of the area proposed is suitable for the uses permitted in the proposed zoning district and is compatible with surrounding districts and uses. The intent of the RD-15 zoning district is to permit various types of single-family development that is designed in a manner that is compatible and complementary to the surrounding area. The intent of the RM-15 zoning district is to provide a transition from medium-high and high-density multifamily housing to single family neighborhoods, and shall be limited to locations on or within reasonable proximity to arterial or collector streets or generally near community facilities, office or commercial development. With the arterial Powerline Road to the west, collector NW 13th Street to the south, the area to be rezoned will provide a transition from these roadways as well as Thurgood Marshall Elementary School to the residential development to the north, south, and east. The Central City Redevelopment Plan identified that the residential areas within the CRA need more flexible zoning for additional redevelopment options and that some deteriorated, multifamily housing in the community should be targeted for redevelopment.

<u>SECTION 3</u>. That the City of Fort Lauderdale ULDR together with the Official Zoning Map of the City of Fort Lauderdale and revised Schedule "A", describing the lands lying within each zoning district, as approved on June 18, 1997, and described in Section 47-1.6. of the ULDR, are hereby amended by rezoning from "RDs-15 - Residential Single Family Duplex/Medium Density" District

<u>SECTION 4</u>. That the appropriate City officials of the City of Fort Lauderdale shall indicate such zoning upon a copy of the Official Zoning Map, and shall indicate an amendment of Schedule "A" accordingly, upon the records with proper reference to this ordinance and date of passage.

<u>SECTION 5.</u> Issuance of a development permit by a municipality does not in any way create any right on the part of an applicant to obtain a permit from a state or federal agency and does not create any liability on the part of the municipality for issuance of the permit if the applicant fails to obtain requisite approvals or fulfill the obligations imposed by a state or federal agency or undertakes actions that result in a violation of state or federal law. All other applicable state or federal permits must be obtained before commencement of the development.

<u>SECTION 6</u>. That if any clause, section or other part of this Ordinance shall be held invalid or unconstitutional by any court of competent jurisdiction, the remainder of this Ordinance shall not be affected thereby, but shall remain in full force and effect.

<u>SECTION 7</u>. That all ordinances or parts of ordinances in conflict herewith, be and the same are hereby repealed, to the extent of such conflict.
