Fort Lauderdale City Commission

**FROM:** Greg Chavarria, City Manager

**DATE:** June 6, 2023

**TITLE:** Motion Approving a Limited Motor Vehicle Parking License Agreement with the Florida Department of Management Services for the Use of Parking at 1400 West Commercial Boulevard for Potential Future Events held at DRV PNK Stadium - **(Commission District 1)**

---

**Recommendation**

Staff recommends the City Commission approve a motion approving a Limited Motor Vehicle Parking Agreement with the Florida Department of Management Services, in substantially the form attached, for the use of parking at 1400 West Commercial Boulevard for potential future events held at DRV PNK Stadium.

**Background**

The State of Florida owns the property at 1400 West Commercial Boulevard and is managed by the Florida Department of Management Services (DMS). The parcel includes a surface parking lot with approximately 500 parking spaces that is within walking distance to DRV PNK stadium.

The proposed agreement would allow the City, at its discretion, to operate the parking lot during DRV PNK stadium events. The City would be required to pay DMS an annual fee of \$100. Should the City charge parking fees to the end-user, the City may be required to pay DMS a percentage of the net parking revenues at the end of the year.

**Resource Impact**

There is a direct fiscal impact of \$100 per year associated with this action.
