The Indemnified Party shall have the right at any time to settle, compromise or pay any claim with or without the consent of the Indemnifying Party, but (a) taking such action without the Indemnifying Party's consent shall be deemed a waiver and nullification by the Indemnified Party of all indemnification obligations that the Indemnifying Party would otherwise have with respect to the claim under this Section, and (b) such settlement or compromise shall not cause the Indemnifying Party to incur any present or future cost, expense, obligation or liability of any kind or nature, or otherwise adversely affect the rights of the Indemnifying Party.

(e) Settlement of Claims by Indemnifying Party. Any claim may be settled or compromised by the Indemnifying Party without the Indemnified Party's consent, so long as: (i) the Indemnifying Party gives the Indemnified Party reasonable prior written notice of its intention to settle or compromise the claim; and (ii) such settlement or compromise does not cause the Indemnified Party to incur any present or future cost, expense, obligation or liability of any kind or nature, or otherwise adversely affect the rights of the Indemnified Party.

(f) Claims Involving Matters Not Subject to Indemnification. If a claim involves matters partly within and partly outside the scope of the Indemnifying Party's obligation to indemnify as provided in this Section, the attorneys' fees, costs, and expenses of contesting or defending such a claim shall be allocated equitably between the Indemnified Party and the Indemnifying Party, in a manner agreed upon in writing by the parties, and subject to the limitations of Section 768.28, Florida Statutes.

Section 13.05. Time of the Essence. As described herein, time is of the essence as to the Qualified Project and the terms and conditions of this Comprehensive Agreement.

Section 13.06. Further Assurances. HOFPP and CITY shall each execute, acknowledge and deliver, after the execution of this Comprehensive Agreement, without additional consideration, such further assurances and shall take such further actions as HOFPP and CITY shall reasonably request of the other in order to fulfill the intent of and the transactions contemplated by this Comprehensive Agreement, including without limitation, as may be reasonably required by MACQ in connection with the Project financing.

Section 13.07. Consents. No consent or approval by CITY or HOFPP required under the terms of this Comprehensive Agreement shall be valid unless it is signed by an authorized officer

of the party giving such consent or approval. In all instances where the consent or approval of CITY or HOFPP is required with respect to any decision or action of the other party, such consent, approval or concurrence shall not be withheld unreasonably. Notwithstanding the foregoing, either party shall be entitled to withhold its consent or approval on a matter that is left to that party's sole discretion as provided elsewhere in this Comprehensive Agreement. If either party withholds its consent or approval in response to a request from the other party for such consent or approval, the party disapproving the matter in question shall, simultaneously with their response, state in writing its reasons for such disapproval, unless the matter in question is one of the matters expressly left to that party's sole discretion as provided elsewhere in this Comprehensive Agreement.

Section 13.08. Legal Review; Construction. The Parties hereby acknowledge that this Comprehensive Agreement is the product of negotiation between the Parties and their respective legal counsel and that no provision of this Comprehensive Agreement shall be construed against a party solely because that party or that party's counsel drafted such provision.

Section 13.09. Calculation of Time. Whenever any provision of this Comprehensive Agreement requires or permits any act or decision to be performed or made within a specified period of time, the day of the act or event from which the designated time period begins to run shall not be included in computing such time period. The last day of such period shall be included, unless it is a Saturday, Sunday, or a legal holiday in the State of Florida, in which case the period shall run until the end of the next day which is not a Saturday, Sunday, or legal holiday in the State of Florida. All notice and other time periods shall expire as of 5:00 p.m. Eastern Standard Time on the last day of the notice or other period.

Section 13.10. No Waiver of Sovereign Immunity. Nothing contained in this Comprehensive Agreement is intended to serve as a waiver of sovereign immunity by CITY. Notwithstanding the foregoing, this Section 13.10 relates to tort matters only, and shall not be construed to limit, curtail or condition the rights, remedies or liabilities of any party hereto in any contract action based upon express written terms of any contract or agreement.

Section 13.11. Non-Discrimination. HOFPP, Design-BUILDER and Facilities Manager shall not discriminate against any person in the performance of duties, responsibilities and obligations under this Comprehensive Agreement because of race, age, religion, color, gender, national origin, marital status, disability or sexual orientation.

Section 13.12. Severability. If any provision of this Comprehensive Agreement, or its application to any person or situation, is deemed invalid or unenforceable for any reason and to any extent, the remainder of this Comprehensive Agreement, or the application of the remainder of the provisions, shall not be affected. Rather, this Comprehensive Agreement is to be enforced to the extent permitted by law. The captions, headings and title of this Comprehensive Agreement are solely for convenience of reference and are not to affect its interpretation. Each covenant, term, condition, obligation or other provision of the Comprehensive Agreement is to be construed as a separate and independent covenant of the party who is bound by or who undertakes it, and each is independent of any other provision of this Comprehensive Agreement, unless otherwise expressly provided. All terms and words used in this Comprehensive Agreement, regardless of the number

or gender in which they are used, are deemed to include any other number and other gender, as the context requires.

Section 13.13. Entire Agreement. This document incorporates and includes all prior negotiations, correspondence, conversations, agreements and understandings applicable to the matters contained herein and the parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Comprehensive Agreement that are not contained in this document. Accordingly, the Parties agree that no deviation from the terms hereof shall be predicated upon any prior representations or agreements, whether oral or written.

Section 13.14. Governing Law. This Comprehensive Agreement shall be interpreted and construed in accordance with and governed by the laws of the State of Florida. Any controversies or legal problems arising out of this Comprehensive Agreement, and any action involving the enforcement or interpretation of any rights hereunder, shall be brought exclusively in the state courts of the Seventeenth Judicial Circuit in Broward County, Florida, and venue for litigation arising out of this Comprehensive Agreement shall be exclusively in such state courts, forsaking any other jurisdiction which either party may claim by virtue of its residency or other jurisdictional device. **By entering into this Comprehensive Agreement, CITY and HOFP hereby expressly waive any rights either party may have to a trial by jury of any civil litigation related to this Comprehensive Agreement or any acts or omissions in relation thereto.**

Section 13.15. Scrutinized Companies. Subject to *Odebrecht Construction, Inc., v. Prasad*, 876 F.Supp.2d 1305 (S.D. Fla. 2012), affirmed, *Odebrecht Construction, Inc., v. Secretary, Florida Department of Transportation*, 715 F.3d 1268 (11th Cir. 2013), with regard to the “Cuba Amendment,” HOFP, Design-Builder and Facilities Manager certify that they are not on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List or the Scrutinized Companies that Boycott Israel List created pursuant to Section 215.4725, Florida Statutes (2020), as may be amended or revised, and that it is not engaged in a boycott of Israel, and that it does not have business operations in Cuba or Syria, as provided in Section 287.135, Florida Statutes (2020), as may be amended or revised. The CITY may terminate this Comprehensive Agreement at the CITY’s option if HOFP, Design-Builder and Facilities Manager are found to have submitted a false certification as provided under subsection (5) of Section 287.135, Florida Statutes (2020), as may be amended or revised, or been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List or the Scrutinized Companies that Boycott Israel List created pursuant to Section 215.4725, Florida Statutes (2020), as may be amended or revised, or is engaged in a boycott of Israel or has been engaged in business operations in Cuba or Syria, as defined in Section 287.135, Florida Statutes (2020), as may be amended or revised.

Section 13.18. E-VERIFY. Florida Statute 448.095 directs all public employers, including municipal governments, to verify the employment eligibility of all new public employees through the U.S. Department of Homeland Security's E-Verify System, and further provides that a public employer may not enter into a contract unless each party to the contract registers with and uses the E-Verify System. Florida Statute 448.095 further provides that if HOFPP enters into a contract with a subcontractor, the subcontractor must provide HOFPP with an affidavit stating that the subcontractor does not employ, contract with, or subcontract with an unauthorized alien. In accordance with Florida Statute 448.905, HOFPP is required to verify employee eligibility using the E-Verify System for all existing and new employees hired by HOFPP during the Term of this Agreement. Further, HOFPP must also require and maintain the statutorily required affidavit of its subcontractors. It is the responsibility of HOFPP to ensure compliance with E-Verify requirements, as applicable. To enroll in E-Verify, employers should visit the E-Verify website (<https://www.e-verify.gov/employers/enrolling-in-e-verify>) and follow the instructions. HOFPP must retain the I-9 Forms for inspection, and provide the attached E-Verify Affidavit, attached hereto as Exhibit 18.
