CITY OF FORT LAUDERDALE

REHABILITATION HOUSING PROGRAM LOAN AGREEMENT

THIS IS AN AGREEMENT, made and entered into this 30 day of June 1998, by and between:

CITY OF FORT LAUDERDALE, FLORIDA, a municipal corporation organized and existing under the laws of Florida, referred to as "City",

and

Louise Barnes, a single woman
referred to as "Property Owner(s)"

In consideration of the mutual promises, covenants and agreements, and other good and valuable considerations, the receipt of which is acknowledged, the parties agree to and are bound as follows:

1. CONSTRUCTION LOAN FINANCING.

The City's construction loan financing and this agreement are subject to compliance with the existing City of Fort Lauderdale Housing Program and Guidelines, included and made a part hereof by reference, and the following terms:

(a) Purpose. The loan proceeds shall be used solely in connection with the construction of and related soft costs for the Project as described in the Work Items Specifications and Drawings (attached hereto and incorporated as a part of this agreement as Attachment A), located at 831 N.W. 16th Terr, Fort Lauderdale, Florida, and legally described as:

Lots 39,40, and 41, less S 17 feet Block 1, of LINCOLN PARK SIXTH ADITION, according to the AMENDED Plat thereof as recorded in Plat Book 7, Page 2, Broward County, Florida; said lands situate, lying and being in Broward County, Florida.

(b) Loan Amount. The principal amount of the loan shall not exceed \$ 21,145.00; provided, however, that this Agreement may be modified by the parties during construction to increase the principal amount by a maximum of an additional ten percent (10%), to reflect additional costs for contingencies to conform the Project work to building code requirements; and further, provided, that the principal amount shall not exceed the Program maximum.

(c) Interest Rate. The interest rate on the principal amount on the loan shall be zero percent (0%) per annum, except in the event of default.

(d) Term of Repayment. Payment on the principal amount of the loan shall be:

(1) Due on Sale of said property, or transfer of title to said property.

(2) Leasing of said property, without notifying and having the City agree to lease., other than as a result of the transfer to heirs of the estate of the Property Owner(s); or (b) should the property be used for non-residential purposes; or (c) should the property not be maintained in standard condition; or (d) in the event of a material default of this Agreement by Property Owner(s). The Property Owner(s) shall provide annual certifications to this effect and allow periodic inspections at the discretion of the City during this period. The Property Owner(s) reserve the right to prepay, at any time, all or any part of the principal amount of the loan without the payment of penalties, premiums or interest, except in the event of default.

In the case of contract cancellation or any other event of default, the entire unpaid principal amount remaining on the loan shall become immediately due and payable, without notice or demand, and interest as determined by the City shall begin to accrue thereon after thirty (30) calendar days from the date of cancellation or default, as established by the City.

(e) Security. The loan shall be secured by a Mortgage on the Property Owner's interest in the property described above and upon all residential dwellings and improvements located on said property.

(f) Closing. The Closing on the loan shall occur on or before the fifth working day after the date of this Agreement. The Closing shall be conducted at the principal office of the City Attorney, City of Fort Lauderdale, City Hall, 100 North Andrews Avenue, Fort Lauderdale, Florida, or such other place as may be selected and designated by the City.

(g) Anti-Collusion. The Property Owner(s) acknowledges and understands that in obtaining bids for the construction work to be awarded in connection with the loan and in accordance with this Agreement, that the Property Owner(s) shall not divulge, discuss, nor collude with any prospective contractor who shall be a party to the solicitation for bids to be provided in connection with this Agreement, by discussing the terms and amount of financing being made available to the Property Owner(s) or otherwise offer information to bidders that may create a collusionary relationship between bidder(s) and the Property Owner(s).

(h) Escrowing. As a ministerial function, the City shall serve solely in the capacity of an escrow agent

for the Property Owner(s), only in the event that the Property Owner(s) selects a contractor whose costs otherwise exceed the policies and guidelines on determining maximum reasonable costs for the Construction Program, or for contract items for additional work which are at the sole cost of Property Owner(s). In such case the deposit from the Property Owner(s) shall be provided to the City at the Closing on the loan for the additional funds or the cost differential plus contingency reserve necessary to fully fund the work being undertaken in connection with this Agreement. Any escrowed funds shall be promptly deposited by the City and the Property Owner(s) shall not be entitled to receipt of any interest on any such required sum deposited and held in escrow. The City shall return to the Property Owner(s) any unused portion of the contingency reserve within ten (10) working days from the date of completion and acceptance of the work which shall be the date of the Certificate of Completion for the Project.

(i) Disbursements. As a ministerial function, the City shall serve in the capacity of a disbursing agent for the Property Owner(s). The loan proceeds made available to the Property Owner(s) shall be disbursed by the City for all hard and soft costs related to the construction improvements and the financing charges and fees related to the Project. Payments for financing charges and fees incurred by the City shall be disbursed directly by the City to the payee, and the Property Owner(s) shall receive a written record of these charges on the disclosure statement provided at the Closing, as may be amended from time to time.

Disbursements for hard costs to the General Contractor shall be made payable to both the Property Owner(s) and the General Contractor, requiring the Property Owner(s) signature in countersigning and releasing the check for payment(s) to the General Contractor. The Property Owner(s) shall not unreasonably withhold approval of any partial and final payments to the General Contractor, subject to the requirements set forth or referred to in the program guidelines.

(j) Conditions Precedent. The City's ministerial obligations under this Agreement to disburse funds shall be conditioned upon, and no portion of any of the loan proceeds shall be disbursed until the Property Owner(s) deliver to the City the following:

- (1) Copies of insurance policies or certificates of insurance evidencing Standard Fire and Extended Coverage Insurance and Flood Insurance with coverage in the previously mentioned maximum loan amount for the number of units in the structure plus the remaining principal balance of any existing mortgages, unless a lesser amount is

otherwise determined acceptable at the sole discretion of the City. Such policies shall be issued by a company or companies of such financial responsibility acceptable to the City, and the policies shall be endorsed to reflect the City's legal interest in the property. In the event any sum of money becomes payable under such policy or policies, the City shall have the option to receive and apply the same on account of the indebtedness hereby secured, after satisfaction of the Property Owner's similar obligation to superior mortgages, if any, or else the City may permit the Property Owner(s) to receive and use the same or any part thereof for other purposes, without thereby waiving or impairing any equity, lien or right under or by virtue of this Agreement and the Mortgage.

Policies issued pursuant to this paragraph of the Agreement shall initially be for at least a one (1) year term for Standard Fire and Extended Coverage Insurance and for Flood Insurance, which shall be prepaid in full upon the Closing of this loan as a condition precedent to any disbursements of the loan proceeds; said insurance coverage to be maintained by the Property Owner(s) in full force and effect during the term of this Agreement.

(2) A fully paid mortgage title insurance policy in an American Land Title Association (ALTA) form acceptable to the City in the amount of the loan appearing on the Note and the Mortgage, used to secure the loan (either of which adjust the loan amount), unless a lesser amount is otherwise determined acceptable at the sole discretion of the City. Such policy shall insure the Mortgage to be a valid lien on the premises, free and clear of all defects and encumbrances not approved by the City, and shall contain no survey exceptions unless waived at the discretion of the City.

(3) Owner approval for the City to have performed a termite inspection, and, if required, any termite treatment work arising in connection with said inspection.

(4) Evidence that this Agreement, the Mortgage and Note, as well as, the Property Owner(s) and General contractor Agreement have been duly executed and delivered to the City, and that said documents are enforceable against the Property Owner(s) in accordance with their respective terms.

(5) Determination that no default as defined in this Agreement, the Mortgage and Note, or any other document executed or delivered in connection with the loan made in accordance with this Agreement has occurred up to the time of disbursements, whether

they be partial of final disbursements.

(k) Assumption. The remaining principal amount of this loan may be assigned to or assumed only by heirs to the estate of the Property Owner(s) or other income eligible persons, under the same conditions of the original agreement. Assumption is only valid after written notice is given to the City and only after execution of such assumption documents as deemed necessary by the City.

(l) Future Subordination. This Agreement and the Mortgage securing the loan made to the Property Owner(s) may be subordinated in favor of a lending institution for the purpose of refinancing the existing mortgage debt or obtaining new mortgage debt on the Property. The Property Owner(s) shall submit to City a written request to subordinate, with supporting documents, including, but not limited to, the identity of the lending institution and its proposed subordination agreement, the amount and interest rate of the new or refinanced mortgage, and an explanation describing the reasons the Property Owner(s) is refinancing or obtaining a new mortgage. The City's Director of Economic Development shall recommend to the City Manager whether to approve the City's subordinating its Mortgage. The recommendation shall be based on whether such subordination is in the best interest of the Property Owner(s) and the City. Unless other circumstances warrant it, subordination will generally be disapproved if:

(1) At least one (1) year has not elapsed from the date of closing.

(2) At least two (2) years have not elapsed from the date of the last subordination, if applicable.

(3) If a refinance of existing mortgage debt is involved, the new mortgage note is at an interest rate less than two percentage points lower than on the existing mortgage debt and if less than a majority of the cash received by the Property Owner(s), if any, will be utilized to improve the Property.

In no event will a subordination be approved if the ratio of the total mortgage debt to the value of the Property (after future construction) exceeds ninety-five percent (95%). The City Manager shall have the authority to enter into a subordination agreement on behalf of the City.

(m) Events of Default. The Property Owner(s) acknowledge and understand that the provisions as specified below in this paragraph constitute the definition of and lists the events of default as shall

be specified in the Mortgage and referred to in the Note used to secure the loan being made under this Agreement.

- (1) Failure to pay the installment payments or remaining balance on principal and interest, if any, or other charges payable on the Note, which have become due under the terms of this Agreement, the Mortgage and the Note.
- (2) Nonperformance by the Property Owner(s) of any other covenant, agreement, term or condition of this Agreement or the Mortgage or Note; or of any other agreement heretofore, herewith or hereafter made by the Property Owner(s) with the City in connection with such indebtedness, after the Property Owner(s) have been given due notice by the City of such nonperformance.
- (3) Failure of the Property Owner(s) to perform any covenant, agreement, term or condition in any instrument creating a lien upon the property, or any part thereof, which shall have priority over the lien of the City's mortgage.
- (4) The City's discovery of the Property Owner(s) failure in the Application to the City from the Property Owner(s) to disclose any fact deemed by the City to be material for the making of this loan, or in any of the agreements entered into by the City with the Property Owner(s) [including, but not limited to, the Mortgage and Note or any other agreements arising in connection with this loan and entered into by the Property Owner(s)] of any misrepresentation by, or on behalf of, or for the benefit of the owner.
- (5) The transfer of the property to other than the heirs of the estate of the deceased Property Owner(s) or other income eligible persons, non-residential reuse, or disposition of any kind of the property, or part thereof, without the prior written consent of the City.

Notwithstanding the above and at the sole discretion of the City, upon providing notice to the Property Owner(s) of its determination that the Property Owner(s) are in default of this Agreement, the Mortgage or the Note, the City may, from time to time, cure each default by making any payment owed or by any other means needed to cure a default, under any covenant or agreement in any instrument creating a lien upon the property, or any part thereof, which shall have priority over the lien of the Mortgage, to such extent as the City may exclusively determine, and each amount paid, by the City to cure any default shall be paid by the Property Owner(s) to the City, and the City shall also become subrogated to whatever rights the holder of the prior lien might have

under such instrument.

(n) Rescission of Agreement. This Agreement may be terminated by the Property Owner(s) by providing written notice to the City within three (3) business days from the date of which the last of the following four (4) events shall have occurred:

- (1) The date of this Agreement;
- (2) The date of receipt of the Notice of Right to Cancellation;
- (3) The date of receipt of the Truth in Lending Disclosure Statement; or
- (4) The date of Closing and signing of the original Mortgage and Note.

However, in the event a future advance is deemed by the City to be necessary or required, the City shall provide the Property Owner(s) with such additional notice as may be required in accordance with this Agreement. A future advance shall not be grounds for rescission of the original Note and Mortgage to which this Agreement is appended.

2. INDEMNIFICATION.

It is agreed by and between the City and the Property Owner(s) that, to the fullest extent permitted by law, the Property Owner(s) shall protect, defend, indemnify and hold harmless the City of Fort Lauderdale, its officers, employees and agents, from and against any and all claims, lawsuits, penalties, claims, damages, settlements, judgments, decrees, costs, charges and other expenses or liabilities of every kind, sort or description including, but not limited to, attorneys' fees at both the trial and appellate levels, in connection with or arising, directly or indirectly out of or resulting in connection this Agreement. Without limiting the foregoing, any and all such claims, lawsuits, etc., relating to personal injury, death, damage to property, defects in material or workmanship, actual or alleged infringement of any patent, trademark, copyright or of any other tangible or intangible personal or property right, or any actual or alleged violation of any applicable statute, ordinance, administrative order, rule or regulation or decree of any court, is included in the indemnity. The Property Owner(s) further agrees to investigate, handle, respond to, provide defense for, and defend any such claims, etc., at its sole expense and agrees to bear all costs and expenses related thereto, even if the claim(s) is groundless, false or fraudulent.

3. COMMUNICATIONS.

Any and all communications arising under this Agreement shall be transmitted as follows:

(a) All notices, demands, requests, instructions, approvals, proposals, and claims shall be in writing.

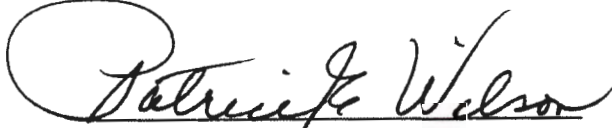

(b) Any Notice to or demand upon the Property Owner(s) shall be sufficiently given if delivered at the residence of the Property Owner(s) located at and previously described in this Agreement, (or such other location as the Property Owner(s) may from time to time designate in writing to the City), or if posted through the United States mail by registered mail in a sealed, postage-prepaid envelope, addressed to the Property Owner(s) at the address previously stated herein, or such other address as the Property Owner(s) may from time to time designate in writing to the City.

(c) All papers required to be delivered to the City shall, unless otherwise specified in writing to the Property Owner(s), be delivered to: City of Fort Lauderdale, Community Development Division, P.O. Box 14250, Fort Lauderdale, Florida 33302, and any notice to or demand upon the City shall be sufficiently given if so delivered, or if deposited in the United States mail in a sealed, postage-prepaid envelope, addressed to said address.

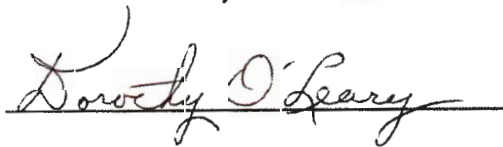

(d) Any such notices shall be deemed to have been given as of the time of actual delivery or, in the case of mailing, when the same has been deposited in the mail.

IN WITNESS OF THE FOREGOING, the parties have set their hands and seals the day and year first written above.

2. The Mortgagor shall pay when due, as hereinafter provided, all ground rents, if any, and all taxes, assessments, water rates and other governmental charges, fines and impositions, of every kind and nature whatsoever, now or hereafter imposed on the mortgaged property, or any part thereof, and shall pay when due every amount of indebtedness secured by any lien to which the lien of this Mortgage

is expressly subject.

3. This Mortgage and Note were executed and delivered to secure monies credited in full to the Mortgagor by the Mortgagee as or on account of a Residential Rehabilitation Loan evidenced by the Note, for the purpose of making the improvements described or referred to in the Housing Improvement Loan Agreement (Residential Rehabilitation) made and entered into between the Mortgagor and Mortgagee on June 30, 1998, hereinafter referred to as "Agreement", the same being incorporated herein verbatim and made a specific part of this Mortgage by reference, to or on the mortgaged property, and for such other purpose, if any, described or referred therein, which improvements are hereinafter collectively referred to as the "Improvements". The Mortgagor shall make or cause to be made all Improvements. If the construction or installation of the Improvements shall not be carried out with reasonable diligence, in the sole opinion of the Mortgagee, or shall be discontinued at any time for any reason, other than strikes, lock-outs, acts of God, fires, floods, or other similar catastrophes, riots, war or insurrection, the Mortgagee, after due notice to the Mortgagor, is hereby authorized to: (a) enter upon the mortgaged property and employ any watchmen, protect the Improvements from depredation or injury and to preserve and protect such property; (b) carry out any or all then existing contracts between the Mortgagor and other parties for the purpose of making any of the Improvements; (c) make and enter into additional contracts and incur obligations for the purposes of completing the Improvements pursuant to the obligations of the Mortgagor hereunder, either in the name of the Mortgagee or the Mortgagor; and, (d) pay and discharge all debts, obligations and liabilities incurred by reason of any action taken by the Mortgagee as provided in this Paragraph, all of which amounts so paid by the Mortgagee, with interest, if any, thereon from the date of each such payment, at the rate, if any, provided in the Note, shall be payable by the Mortgagor to the Mortgagee on demand and shall be additionally secured by this Mortgage.

4. The Improvements and all plans and specifications therefor shall comply with all applicable municipal ordinances, regulations and rules made or promulgated by lawful governmental authorities, and upon their completion, shall comply therewith and with such ordinances, rules and regulations having jurisdiction over the Mortgaged property.

5. No building or other structure or improvement, fixture or personal property mortgaged hereby shall be removed or demolished without the prior written consent of the Mortgagee. The Mortgagor shall not make, permit or suffer any alteration of or addition to any building or other structure or improvement now or which may hereafter be erected or installed upon the mortgaged property, or any part thereof, except the improvements now or which may hereafter be erected or installed upon the mortgaged property, or any part thereof, except the improvements required to be made pursuant to

Paragraph 3 hereof, nor shall the Mortgagor use, or permit or suffer the use of, any of the mortgaged property for any purpose other than the purpose or purposes for which the same is now intended to be used, without the prior written consent of the Mortgagee. The Mortgagor shall maintain the mortgaged property in good condition and state of repair and shall not suffer or permit any waste to any part thereof, and shall promptly comply with all the requirements of Federal, State and local governments, or of any departments, divisions or bureaus thereof, pertaining to such property or any part thereof.

6. The Mortgagor shall not voluntarily create, or permit or suffer to be created or to exist, on or against the mortgaged property, or any part thereof, any lien superior to the lien of this Mortgage, exclusive of the lien or liens, if any, to which this Mortgage is expressly subject, as set forth in the granting clause above, and shall keep and maintain the same free from the claims of all parties supplying labor or materials which shall enter into the construction or installation of the Improvements.

7. (a) The Mortgagor shall keep all buildings, other structures and improvements, including equipment, now existing or which may hereafter be erected or installed on the land mortgaged hereby, insured against loss by fire and other hazards, casualties and contingencies, including flood insurance, in such amounts and manner, and for such periods all as may be required from time to time by the Mortgagee pursuant to this Mortgage and the Agreement. Unless otherwise required by the Mortgagee, in the Agreement, all such insurances shall be effected by Standard Fire and Extended Coverage Insurance Policies, in amounts not less than necessary to comply with the coinsurance clause percentage of the value applicable to the location and character of the property to be covered. All such insurance shall be carried in companies approved by the Mortgagee and all policies therefore shall be in such form and shall have attached thereto loss payable clauses in favor of the Mortgagee and any other parties as shall be satisfactory to the Mortgagee including the holder of a lien of a mortgage or similar instrument to which this Mortgage is expressly subject. Certificates satisfactory to the Mortgagee of all such policies, and attachments thereto, shall be delivered promptly to the Mortgagee. The Mortgagor shall pay promptly when due, as provided in the Agreement, any and all premiums on such insurance, and in every case in which payment thereof is not made from the deposits therefor required (if required) by this Mortgage, promptly submit to the Mortgagee for examination receipts or other evidence of such payment as shall be satisfactory to the Mortgagee. The Mortgagee at its option may obtain and pay the premium for every kind of insurance required in the Agreement upon the renewal date and in the amount of such premium required by the Agreement.

(b) In the event of loss or damage to the mortgaged property, the Mortgagor shall give to the Mortgagee immediate notice

thereof by mail, and the Mortgagee may make and file proof of loss if not made otherwise promptly by or on behalf of the Mortgagor. Each insurance company issuing any such policy is hereby authorized and directed to make payment thereunder for such loss to the Mortgagor and the Mortgagee jointly, unless the amount of loss is payable first to the holder of a lien under a mortgage or similar instrument to which this Mortgage is expressly subject; and the insurance proceeds, or any part thereof, if received by the Mortgagee, may be applied by the Mortgagee, at its option, either in reduction of the indebtedness hereby secured, or to the restoration or repair of the mortgaged property damaged. In the event of foreclosure of this Mortgage, or of any transfer of title to the mortgaged property in extinguishment of such indebtedness, all right, title and interest of the Mortgagor in and to every such insurance policy then in force, subject to the rights and interest of the holder of any such prior lien, shall pass to the grantee acquiring title to the mortgaged property together with such policy and appropriate assignment of such right, title and interest which shall be made by the Mortgagor.

8. The Mortgagor reserves the right to prepay at any time all or any part of the principal and interest, if any, provided in the Note, without the payment of penalties or premiums.

9. Upon any failure by the Mortgagor to comply with or perform any of the terms, covenants or conditions of the Agreement and this Mortgage requiring the payment of any amount of money by the Mortgagor, other than the principal amount of the loan evidenced by the Note, interest, if any, and other charges, as provided in the Note, the Mortgagee may, at its option, make such payment. Every payment so made by the Mortgagee (including reasonable attorney's fees incurred thereby), with interest, if any, thereon from the date of such payment, at the rate provided in the Note, except any payment for which a different rate of interest is specified in the Agreement, shall be payable by the Mortgagor to the Mortgagee on demand and shall be secured by this Mortgage. This Mortgage with respect to any such amount and the interest, if any, thereon shall constitute a lien on the mortgaged property prior to any other lien attaching or accruing subsequent to the lien of this Mortgage.

10. The Mortgagee, by any of its agents or representatives, shall have the right to inspect the mortgaged property from time to time at any reasonable hour of the day. Should the mortgaged property, or any part thereof, at any time require inspection, repair, care or attention of any kind or nature not provided by this Mortgage as determined by the Mortgagee in its sole discretion, the Mortgagee may, after notice to the Mortgagor, enter or cause entry to be made upon the mortgaged property and inspect, repair, protect, care for or maintain such property, as the Mortgagee may in its sole discretion deem necessary, and may pay all amounts of money therefor, as the Mortgagee may in its sole discretion deem necessary.

11. The principal amount owing on the Note together with

interest, if any, thereon and all other charges, as therein provided, and all other amounts of money owing by the Mortgagor to the Mortgagee pursuant to and secured by this Mortgage or provided in the Agreement, shall immediately become due and payable without notice or demand upon the appointment of a receiver or liquidator, whether voluntary or involuntary, for the Mortgagor or any of the property of the Mortgagor, or upon the filing of a petition by or against the Mortgagor under the provisions of any State insolvency law, or under the provisions of the Federal Bankruptcy Act, as the same now exists or as it may later be amended, or upon the making by the Mortgagor of an assignment for the benefit of the Mortgagor's creditors. The Mortgagee is authorized to declare, at its option, all or any part of such indebtedness immediately due and payable upon the happening of any of the following events:

(a) Failure to pay the remaining balance or deferred principal and interest, if any, or other charges payable on the Note, which have become due under the terms of the Agreement, this Mortgage, and the Note.

(b) Nonperformance by the Mortgagor of any covenant, understanding, term or condition of the Agreement, this Mortgage, or of the Note (except as otherwise provided in subdivision (a) hereof) or of any other agreement heretofore, herewith or hereafter made by the Mortgagor with the Mortgagee in connection with such indebtedness, after the Mortgagor has been given due notice by the Mortgagee of such nonperformance.

(c) Failure of the Mortgagor to perform any covenant, agreement, term or condition in any instrument creating a lien upon the mortgaged property, or any part thereof, which shall have priority over the lien of this Mortgage.

(d) The Mortgagee's discovery of the Mortgagor's failure in any application of the Mortgagor to the Mortgagee to disclose any fact deemed by the Mortgagee to be material, or for the making therein, or in the Agreement entered into by the Mortgagor with the Mortgagee (including, but not limited to, the Note and this Mortgage) of any misrepresentation by, or on behalf of, or for the benefit of the Mortgagor.

(e) The sale, lease, transfer, or disposition of the mortgaged property, or any part thereof, without the prior written consent of the Mortgagee, in the manner provided in the Agreement.

The Mortgagee's failure to exercise any of its rights hereunder shall not constitute a waiver thereof. All the events in this Paragraph enumerated upon the happening of any of which the Note shall become, or may be declared to be, immediately due and payable

are in the Agreement and this Mortgage called "events of default".

12. The Mortgagee may from time to time cure each default under any covenant or agreement in any instrument creating a lien upon the mortgaged property, or any part thereof, which shall have priority over the lien of this Mortgage, to such extent as the Mortgagee may exclusively determine, and each amount paid, if any, by the Mortgagee to cure any such default shall be paid by the Mortgagor to the Mortgagee, and the Mortgagee shall also become subrogated to whatever rights the holder of the prior lien might have under such instrument.

13. (a) After the happening of any default hereunder, the Mortgagor shall, upon demand of the Mortgagee, surrender possession of the mortgaged property to the Mortgagee, and the Mortgagee may enter such property, and let the same and collect all rents therefrom which are due or to become due, and apply the same, after payment of all charges and expenses, on account of the indebtedness hereby secured, and all such rents and all leases existing at the time of such default are hereby assigned to the Mortgagee as further security for the payment of the indebtedness secured hereby; and the Mortgagee may also dispossess, by the usual summary proceedings, any tenant defaulting in the payment of any rent to the Mortgagee.

(b) In the event that the Mortgagor occupies the mortgaged property or any part thereof, the Mortgagor agrees to surrender possession of such property to the Mortgagee immediately after any such default hereunder, and if the Mortgagor remains in possession after such default, such possession shall be as a tenant of the Mortgagee, and the Mortgagor shall pay in advance, upon demand by the Mortgagee, as a reasonable monthly rental for the premises occupied by the Mortgagor, the greater of: an amount at least equivalent to one-twelfth of the aggregate of the twelve monthly installments payable in the current calendar year, if any, plus the actual amount of the annual ground rent, if any, taxes, assessments, water rates, other governmental charges, and insurance premiums payable in connection with the mortgaged property during such year, or an amount to be determined by the Mortgagee based on rents of comparable properties; and upon the failure of the Mortgagor to pay such monthly rental, the Mortgagor may also be dispossessed by the usual summary proceedings applicable to tenants. This covenant shall become effective immediately upon the happening of any such default, as determined in the sole discretion of the Mortgagee, who shall give notice of such determination to the Mortgagor, and in the case of foreclosure and the appointment of a receiver of the rents, the within covenant shall inure to the benefit of such receiver.

14. The Mortgagee in any action to foreclose this Mortgage shall be entitled to the appointment of a receiver without notice, as a matter of right and without regard to the value of the mortgaged property, or the solvency or insolvency of the Mortgagor or other party liable for the payment of the Note and other indebtedness secured by this Mortgage.

15. The Mortgagor, within ten (10) days upon request in person or within twenty (20) days upon request by mail, shall furnish promptly a written statement in form satisfactory to the Mortgagee, signed by the Mortgagor and duly acknowledged, a statement of the amount then owing on the Note and other indebtedness secured by this Mortgage, and whether any offsets or defenses exist against such indebtedness or any part thereof.

16. The Mortgagor shall give immediate notice by registered or certified mail to the Mortgagee of any fire, damage or other casualty affecting the mortgaged property, or of any conveyance, transfer or change in ownership of such property, or any part thereof, occurs.

17. Notice and demand or request may be made in writing and may be served in person or by mail.

18. In case of a foreclosure sale of the mortgaged property, it may be sold in one parcel.

19. The Mortgagor shall not assign the rents, if any, in whole or in part, from the mortgaged property, or any part thereof, without the prior written consent of the Mortgagee.

20. The Mortgagor is lawfully seized, in fee simple title, of the mortgaged property and has good right, full power and lawful authority to sell and convey the same in the manner above provided, and shall warrant and defend the same to the Mortgagee forever against the lawful claims and demands of any and all parties whatsoever.

21. The Mortgagor hereby waives the benefit of all homestead exemptions as to the debt secured by this Mortgage and as to any expenditure for insurances, taxes, levies, assessments, dues or charges incurred by the Mortgagee pursuant to any provision of this Mortgage.

22. It is further covenanted and agreed by the parties hereto that this Mortgage also secures the payment of and includes all future, or further advances as shall be made by the Mortgagee herein or its successors or assigns, to or for the benefit of the Mortgagors, or their heirs, personal representatives, or assigns, for the term of indebtedness under the Agreement, Promissory Note and Mortgage, to the same extent as if such future advances were made on the date of the execution of this Mortgage. The total amount of indebtedness that may be secured by this Mortgage may decrease or increase from time to time, but the total unpaid balance so secured at any one time shall not exceed the maximum allowable amount under the existing City of Fort lauderdale Housing Rehabilitation Program, together with interest thereon, if any, and any and all disbursements made by the Mortgagee for the payment of taxes, levies or insurance on the property covered by the lien of this Mortgage with interest on

such disbursements at the rate specified in the Note referred to in this Mortgage, and for reasonable attorneys' fees and court costs incurred in the collection of any and all of such sums of money. Such further or future advances shall be wholly optional with the Mortgagee, and the same shall bear interest at the rate as specified in the Note referred to herein, unless said interest rate shall be modified by subsequent agreement.

23. This Mortgage and all the covenants, agreements, terms and conditions herein contained shall be binding upon and inure to the benefit of the Mortgagor and the heirs, legal representatives and assigns of the Mortgagor, and, to the extent permitted by law, every subsequent owner of the mortgaged property, and shall be binding upon and inure to the benefit to the Mortgagee and its assigns. If the Mortgagor, as defined herein, consists of two or more parties, this Mortgage shall constitute a grant and mortgage by all of them jointly and severally, and they shall be obligated jointly and severally under all the provisions hereof and under the Note. The word "Mortgagee" shall include any person, corporation or other party who may from time to time be the holder of this Mortgage. Wherever used herein, the singular number shall include the plural, the plural number shall include the singular, and the use of any gender shall be applicable to all genders wherever the sense requires.

IN WITNESS WHEREOF, this Mortgage has been duly signed and sealed by the Mortgagor on or as of the day and year first above written.

REGULAR MEETING

#17-1054

TO: Honorable Mayor & Members of the
Fort Lauderdale City Commission

FROM: Lee R. Feldman, ICMA-CM, City Manager

DATE: October 17, 2017

TITLE: Motion Authorizing the Release of Housing Property Liens

Recommendation

It is recommended that the City Commission approve allowing the satisfaction or settlement of all "forever loans" secured by mortgages in favor of the City of Fort Lauderdale provided the neighbor has resided on the subject property a minimum of fifteen (15) years and can provide satisfactory evidence of residency.

Background

The Housing and Community Development Division administers the Housing Rehabilitation and Purchase Assistance Program for repair of owner-occupied homes and first time homebuyers. Funds are awarded as a deferred loan secured by a soft second mortgage and note for a specific affordability period. The affordability period is the time which the property must be kept affordable to households of a designated income and the neighbor is required to maintain the property as their primary residency. Some projects prior to 2013 did not specify a term thereby leaving the lien on the properties for an indefinite period including those that state that it is a non-forgivable deferred payment loan for as long as the property owners hold title. Many of the projects have liens that are 20 years old or more which are not enforceable but nonetheless prohibit the neighbors from selling, transferring or mortgaging their properties. Many others that have not reached 20 years yet are affixed to properties that are either worth less than the mortgage lien or have so little equity in them that it prevents the neighbor from selling the property.

City staff recommends that all requests for satisfaction or settlement of liens by the neighbor or legal representative on behalf of that neighbor for properties with liens of fifteen years old or older be granted by the City Manager without further authority from the City Commission if the neighbor has resided on the property for fifteen years with supportive documents. This requirement would be consistent with the current policy where the property is secured by a mortgage or note and must be occupied as the primary residency for fifteen years. The neighbor will be required to pay any applicable administrative fee to the City for recording of the mortgage satisfaction in a money order or cashier check.

Resource Impact

There is no fiscal impact.
