2.02 Findings.

(a) The recitals set forth above in the “Whereas” clauses are hereby approved by the parties and incorporated herein.

(b) Owner intends to develop the Project on the Property.

(c) The Project will enhance the quality of life for low, moderate and middle income residents.

(d) The Project will improve the aesthetic and useful enjoyment of the Property through the eradication of conditions of blight.

(e) The City finds that there is a need for Tax Incentives in order to make the Project economically feasible.

2.03 Intent; Cooperation.

(a) It is the intent of the parties hereto to efficiently, effectively and economically cause the successful development of the Project.

(b) The parties mutually recognize and acknowledge that the Owner will require Tax Incentives from the City in order to offer affordable workforce housing in the Project.

(c) The parties hereto recognize and acknowledge that the successful development of the Project is dependent upon continued cooperation of the parties hereto, and each agrees that it shall: (i) act in a reasonable manner hereunder, (ii) provide the other party with complete and updated information from time to time, (iii) make its good faith reasonable efforts to ensure that such cooperation is continuous and (iv) carry out the purposes of this Agreement to the full extent contemplated hereby.

**ARTICLE 3
CONDITIONS PRECEDENT**

3.01 Conditions for payment of Tax Incentives. The following conditions (the “Conditions Precedent”) shall be satisfied in order for the City Tax Reimbursement to be paid:

(a) The Project Completion Date has occurred; and

(b) The Owner has paid all ad valorem taxes on the Property as more particularly set forth in Section 5.01 hereof, and as evidenced by the Project appearing on the Broward County Property Appraiser’s ad valorem tax roll.

**ARTICLE 4
WORKFORCE HOUSING REQUIREMENTS**

4.01 Incorporation of Workforce Units in the Project. Owner shall designate and set-aside at least thirty-five percent (35%) of all dwelling units in the final Project as Workforce Units (as defined herein).

4.02 Criteria for Location, Integration, Character of Workforce Housing Units. The Project shall comply with the following criteria:

(a) The Workforce Units shall be mixed with, and not clustered together or segregated or separated in any way from market-rate units.

(b) The Workforce Units shall be developed concurrently with the market-rate units. No phasing plan shall provide that the workforce housing units built are the last units in a workforce housing development.

(c) The exterior appearance of the Workforce Units in the Project shall be similar to market-rate units in the Project by the provision of exterior building materials and finishes substantially the same in type and quality.

4.03 Restrictive Covenant. On or prior to Project Commencement Date, the Owner shall record a Restrictive Covenant with the Property in the Public Records of Broward County, in the form attached hereto as Exhibit “E”, which shall remain in effect for a period of 30 years following the Project Completion Date (the “Restrictive Period”) and contain the following requirements:

(a) 5% of the Total Dwelling Units shall be rented to one or more natural persons or a family whose total annual adjusted gross household income does not exceed 80% of AMI, adjusted for family size (“Tier 1 Workforce Units”).

(b) 10% of the Total Dwelling Units shall be rented to one or more natural persons or a family whose total annual adjusted gross household income does not exceed 100% of AMI, adjusted for family size (“Tier 2 Workforce Units”).

(c) 20% of the Total Dwelling Units shall be rented to one or more natural persons or a family whose total annual adjusted gross household income does not exceed 120% of AMI, adjusted for family size (“Tier 3 Workforce Units”).

(d) The remaining Total Dwelling Units may be unrestricted.

(e) Tier 1 Workforce Units, Tier 2 Workforce Units and Tier 3 Workforce Units shall collectively be referred to as the “Workforce Units”. Notwithstanding anything in the foregoing to the contrary, in no event shall the Project have less than 35% of the total dwelling units in the Project restricted as rental for Workforce Housing Units during the Restrictive Period. The City Manager may adjust the percentage of the Workforce Units as may be reasonably required in order to maintain Project feasibility and based on the County’s approval of similar incentives, provided that in no event shall the total Workforce Units for the Project be less than one hundred and forty (140).

(f) Owner shall ensure that the Workforce Units are occupied by eligible households at the time of initial occupancy by each new tenant during the Restricted Period. The maximum rent the Owner may charge for any one of the Workforce Units shall be governed by the rent limit amounts established annually by the Florida Housing Finance Corporation for the type and size of unit, for Broward County, Fort Lauderdale HUD Metro Fair Market Rent Area (“HMFA”).

(g) While the City is the beneficiary of the Restrictive Covenant, it is acknowledged that the Workforce Units may be cross-utilized in a separate covenant recorded by any third party of this Agreement.

4.04 Compliance. By March 1st following the one-year anniversary of the Project Completion Date, and by March 1st of each proceeding year during the Restricted Period, Owner shall provide the City Manager with an annual report accompanied with the Affidavit certifying compliance of the Workforce Housing Requirements found in this section. The annual report to the City shall identify the following: (i) which units are Workforce Units; (ii) the monthly rent for each Workforce Unit; (iii) vacancy information for each year for the prior year; (iv) monthly income for tenants of each Workforce Unit; and (v) such other information as may be reasonably required by the City, while ensuring the privacy of the applicable tenants.

ARTICLE 5
CITY TAX REIMBURSEMENT

5.01 Percentage of City Tax Reimbursement. After satisfaction of the Conditions Precedent set forth in Article 3, the City shall transfer to Owner, on an annual basis, an amount equal to 100% of the tax increment revenue (based off of the increase in the assessed value of the Property over the assessed value of the Property as of the Effective Date of this Agreement) received by the City that is generated by the Project for a term of 15 years.

The City Tax Reimbursement is estimated to be as shown in **Exhibit “D”** and the parties agree to calculate the City Tax Reimbursement as shown in **Exhibit “D”**.

Year 1 shall be the first full year following the Project Completion Date and the Project has been reflected in the ad valorem tax rolls of the Broward County Property Appraiser. The City Tax Reimbursement shall be paid to the Owner as soon as available but in no event later than June 15th of each year provided that such taxes have previously been paid by Owner. By way of example only, if the Project Completion Date occurs in 2024, the improvements associated with the Project will appear on the tax roll in 2025, with the first City Tax Reimbursement to occur on or before June 15, 2026. Pursuant to the schedule above, the total term of the City Tax Reimbursement shall be 15 years with the first reimbursement beginning on June 15, 2026 and the last reimbursement occurring on June 15, 2055 (the “Tax Reimbursement Term”). After the Tax Reimbursement Term, neither party shall have any obligation towards each other.

5.02 Covenant to Budget. The City shall be obligated to make City Tax Reimbursement payments only from revenues generated specifically by the Property resulting from the completion of the Project. The City in no way guarantees the amount of the Tax Increment or resulting City Tax Reimbursement payment. The City in no way agrees to encumber its taxing authority as a result of this Agreement. The City covenants and agrees not to budget, appropriate or obligate tax revenues generated on the Property during the Tax Reimbursement Term for any other purpose than as provided herein, subject in all respects to the restrictions of Florida law.

5.03 Subordination. All of the terms and provisions of the Agreement (other than the provisions set forth in Section 5.02 above) shall be subordinate to the Project’s First Mortgage Lender and the rights granted under the loan documents. The City Manager is hereby, authorized, without requiring the approval of the City Commission, and subject to any statutory provisions related to the use of public funds, to revise any provisions necessary in any of its documents entered into pursuant to this Agreement, if any, by amendment if necessary, in order to meet the reasonable requirements of the First Mortgage Lender or any other funding party.

ARTICLE 6
UNAVOIDABLE DELAY.

6.01 Unavoidable Delay.

(a) “Unavoidable Delay” means any of the following events or conditions or any combination thereof, acts of God, acts of the public enemy, riot, insurrection, war, act of terrorism, pestilence, epidemic or pandemic, archaeological excavations required by law, unavailability of materials after timely ordering of same, epidemics, quarantine restrictions, freight

embargoes, fire, lightning, hurricanes, earthquakes, tornadoes, floods, extremely abnormal and excessively inclement weather (as indicated by the records of the local weather bureau for a five-year period preceding the Effective Date), strikes or labor disturbances, delays due to proceedings under Chapters 73 and 74, Florida Statutes, restoration in connection with any of the foregoing or any other cause beyond the reasonable control of the party performing the obligation in question, including, without limitation, such causes as may arise from the act of the other party to this Agreement.

(b) The Owner shall be entitled to an extension of time for an Unavoidable Delay only for the number of days of delay due solely to the occurrence of the event or condition causing such Unavoidable Delay and only to the extent that any such occurrence actually delays that party from proceeding with its rights, duties and obligations under this Agreement affected by such occurrence.

ARTICLE 7 MAINTENANCE; FIRE OR OTHER CASUALTY.

7.01 Loss or Damage to Project. In the event of any partial or total loss or damage by fire or other casualty or exercise of eminent domain to the Project, or any portion thereof, whereby the tenants of the Project are unable to occupy the Workforce Units and the Workforce Housing Requirements are not being met, the City shall have no further obligation to make the City Tax Reimbursement until such time as the Workforce Units are tenantable and the Workforce Housing Requirements are being met, at which time the City shall continue to make the City Tax Reimbursement payments. In furtherance of the foregoing, in the event of a partial loss or damage by fire or other casualty or exercise of eminent domain to a portion of the Project, whereby the tenants are unable to occupy a portion of the Workforce Units and the Workforce Housing Requirements are not being met, the City may proportionately reduce the amount of the City Tax Reimbursement with respect to the affected Workforce Units until such time as the Workforce Units are tenantable and the Workforce Housing Requirements are being met, at which time the City shall continue to make the full City Tax Reimbursement payments. Notwithstanding anything in the foregoing to the contrary, it is expressly acknowledged and agreed that Owner shall have no obligation to restore or rebuild the Project in the event of any partial or total loss or damage by fire or other casualty or exercise of eminent domain to the Project, or any portion thereof.

7.02 Maintenance.

(a) During construction of the Project, the Owner shall, at its sole cost and expense, keep the Project and the Property in good and clean order and condition, and in compliance with all applicable statutes, codes, regulations and ordinances. PUBLIC BENEFIT NARRATIVE

The Era will be a mixed-use mixed-income workforce housing project containing approximately 400 rental units, ground level commercial and amenity space, a parking garage and other public infrastructure improvements (the "Project").

There exists within the City of Fort Lauderdale (the "City") a severe shortage of housing affordable to residents of low, moderate and middle income, and this condition is impacting the health, safety, and welfare of the residents of the City, and retarding the growth and economic/social development of residents of the City. The purpose of the tax incentives is to facilitate development of the Project for purposes of economic development, the elimination of slum and blight and the creation of affordable workforce housing to improve the health, safety and welfare of individual residents and the City at large, all in accordance with and in furtherance of this public purpose as outlined in Section 163.335, Florida Statutes.

The project completed by Affiliated Development in the City of Fort Lauderdale was nothing short of a game changer. Sistrunk Boulevard carried historical significance, but had seen better days. DECLARATION OF COVENANTS AND RESTRICTIONS
(The Era Apartments)

This Declaration of Covenants and Restrictions ("Declaration") is made this ____ day of _____, 2024, by Andrews Apartments, LLC, a Florida limited liability company, and its successors and assigns ("Owner").

W I T N E S S E T H:

- A. Owner is the fee simple owner of the parcel of real property located in Fort Lauderdale, Florida, as more particularly described on Exhibit A attached hereto and made a part hereof ("Property").
- B. Owner entered into that certain Workforce Housing Incentive Agreement dated as of the ____ day of _____, 2024 ("Incentive Agreement") under which the City of Fort Lauderdale, a Florida municipal corporation ("City") has agreed to provide an ad valorem tax reimbursement ("TIF Reimbursement") to Owner to be utilized in connection with the construction and development of approximately four hundred (400) rental units on the Property.
- C. Owner and the City desire to ensure that the Property is and shall be held, transferred, sold, conveyed, leased, mortgaged, used, and improved subject to certain covenants, restrictions, and other requirements, as set forth in this Declaration.

NOW, THEREFORE, Owner declares that the Property and any portion thereof shall be held, transferred, sold, conveyed, leased, mortgaged, used, and improved only subject to these covenants and restrictions, which run in favor of City, and other requirements, all as set forth in this Declaration.

1. The foregoing recitations are true and correct and are hereby incorporated herein by this reference.
2. Restrictive Covenants. The Property shall only be used for the purpose of constructing and operating approximately four hundred (400) multi-family rental units (each, a Unit”), to be rented subject to the following restrictions:
 - a. 5% of the Units shall be rented to one or more natural persons or a family whose total annual adjusted gross household income does not exceed 80% of the median annual adjusted gross income of Broward County, adjusted for family size (“Tier 1 Workforce Units”).
 - b. 10% of the Units shall be rented to one or more natural persons or a family whose total annual adjusted gross household income does not exceed 100% of the median annual adjusted gross income of Broward County, adjusted for family size (“Tier 2 Workforce Units”).
 - c. 20% of the Units shall be rented to one or more natural persons or a family whose total annual adjusted gross household income does not exceed 120% of the median annual adjusted gross income of Broward County, adjusted for family size (“Tier 3 Workforce Units”).
 - d. The remaining Units shall be unrestricted.
 - e. Tier 1 Workforce Units, Tier 2 Workforce Units and Tier 3 Workforce Units shall collectively be referred to as the “Workforce Units”. Notwithstanding anything in the foregoing to the contrary, in no event shall the Project have less than 35% of the total Units in the Project restricted as rental for Workforce Units during the Land Use Restriction Period (as hereinafter defined). The City Manager may adjust the percentage of the Workforce Units as may be reasonably required in order to maintain Project feasibility and based on the County’s approval of similar incentives, provided that in no event shall the total Workforce Units for the Project be less than one hundred and forty (140).
 - f. Owner shall ensure that the Workforce Units are occupied by eligible households at the time of initial occupancy by each new tenant during the Land Use Restriction Period. The maximum rent the Owner may charge for any one of the Workforce Units shall be governed by the rent limit amounts established annually by the Florida Housing Finance Corporation for the type and size of unit, for Broward County, Fort Lauderdale HUD Metro Fair Market Rent Area.
3. At all times during the Land Use Restriction Period, Owner shall ensure that all Units comply with the rental restrictions in Section 2 of this Declaration and Article 4 of the Incentive Agreement.
4. This Declaration shall begin upon recordation as required in this Declaration. This Declaration shall be effective for a period of thirty (30) years after the Project Completion Date (as defined in the Incentive Agreement) (“Land Use Restriction Period”). This Declaration shall be extinguished and released by City in

accordance with the terms contained herein at the expiration of the Land Use Restriction Period.

5. City is the beneficiary of these covenants and restrictions and, as such, City may enforce these covenants and restrictions by action at law or in equity, including without limitation, a decree of specific performance or mandatory or prohibitory injunction, against any person or persons, entity or entities, violating or attempting to violate the terms of these covenants and restrictions. In any enforcement action in which City prevails, City shall be entitled to recover reasonable attorneys' fees and costs in the trial and appellate courts. Any forbearance on behalf of City to exercise its rights in the event of the failure of Owner to comply with the provisions of this Declaration shall not be deemed or construed to be a waiver of City's rights hereunder in the event of any subsequent failure of the Owner to comply. Notwithstanding anything contained herein to the contrary, the setting aside and renting by the Owner of the Workforce Units as herein described may also be utilized and count toward satisfying the requirements set forth in any third party agreements with Broward County, the State of Florida and/or the Owner's first mortgage lender.
6. No waiver, modification, or termination of this Declaration shall be effective unless contained in a written document executed in the manner required by Section 7. Any waiver shall be applicable only to the specific instance to which it relates and shall not be deemed to be a continuing or future waiver. If any covenant, restriction, condition, or provision contained in this document is held to be invalid by any court of competent jurisdiction, such invalidity shall not affect the validity of any other covenant, restriction, condition, or provision herein contained, all of which shall remain in full force and effect. This document shall be construed in accordance with the laws of Florida and venue for any dispute over its terms shall be Broward County, Florida.
7. If Owner desires to use the Property, or any portion thereof, for any use other than those permitted hereby, or desires to modify or terminate any of these covenants and restrictions, Owner may apply to City for an amendment or termination of these covenants and restrictions as to the particular affected portion of the Property. Because Owner accepted these covenants and restrictions as a condition of the TIF Reimbursement or any portion thereof as an inducement to City to make the TIF Reimbursement payment, it shall be the sole discretion of the City Commission whether to modify or terminate these covenants and restrictions as to any portion of the Property. Any such amendment or termination shall be approved by the City Commission, and apply only to such portion of the Property that is specifically referenced in the amendment or termination.

This Declaration is effective upon recordation in the Public Records of Broward County, Florida. Owner shall record this Declaration in the Public Records of Broward County, Florida.
