

**CITY OF FORT LAUDERDALE
City Commission Agenda Memo
REGULAR MEETING**

#24-0383

TO: Honorable Mayor & Members of the
Fort Lauderdale City Commission

FROM: Greg Chavarria, City Manager

DATE: April 16, 2024

TITLE: Second Reading – Ordinance Amending the City of Fort Lauderdale Unified
Land Development Regulations (ULDR) Section 47-5.60.D.a, Residential
Office (RO) District – UDP-T23003 - **(Commission Districts 1, 2, 3 and 4)**

Recommendation

Staff recommends the City Commission consider an amendment to the City of Fort Lauderdale Unified Land Development Regulations (ULDR), Section 47-5.60.D.a, Residential Office (RO) District.

Background

This is a proposed amendment to ULDR Section 47-5.60.D.1.a, Residential Office (RO) District. The amendment is to replace the reference to “R-4” in the “Uses permitted” subsection of the Residential Office (RO) District with “RMH-60”. The purpose for this change is to ensure consistency throughout the ULDR as the R-4 zoning district is no longer codified in the ULDR. Properties previously zoned R-4 were rezoned to RMH-60 zoning district on the Official Zoning Map; therefore, this reference is the only instance in which the old zoning code is used. For a comparison of the permitted uses of the R-4 and RMH-60 districts please see Exhibit 3 and Exhibit 4 respectively.

On August 16, 2023, the Planning and Zoning Board (PZB), acting as the Local Planning Agency, reviewed the application and recommended approval (by a vote of 5-0), finding the proposed amendment to the land development regulations consistent with the City of Fort Lauderdale Comprehensive Plan. The August 16, 2023, PZB Staff Report and Meeting Minutes are attached as Exhibit 1 and Exhibit 2, respectively.

The Local Planning Agency (“LPA”) approved language is attached as Exhibit 5. The City Attorney’s Office requires additional review of the proposed changes to the Planned Residential Office (ROC) District and has, therefore, omitted Section 47-5.60.F from the proposed ordinance, attached as Exhibit 6.

Business Impact Estimate

This ordinance will be enacted to implement Part II of Chapter 163, relating to growth policy, county and municipal planning, and land development regulation and is, therefore, not subject to the requirements of Section 166.041(4), Florida Statutes.

Resource Impact

There is no fiscal impact associated with this action.
