of Broward County. A copy of the recorded certificate is to be provided to the City upon recordation. The City Engineer's certificate shall also state that all existing facilities located within the vacated easement have been relocated or abandoned to the satisfaction of the respective utility owners.

RESPONSE: Informational.

4. Please be advised that additional Easements may need to be dedicated to the City resulting from the Vacation of Easement approval process, including Utility Easement(s) and Access Easement(s) that mitigate an otherwise dead-end Alley condition.

RESPONSE: Understood and informational

In addition:

Criteria. An application for a vacation of an right-of-way shall also be reviewed in accordance with the following criteria:

- a. The right-of-way or other public place is no longer needed for public purposes;

RESPONSE: True, the City is creating a water treatment plant that will only need a driveway. The public will not be utilizing the road.

- b. Alternate routes if needed are available which do not cause adverse impacts to surrounding areas; and

RESPONSE: No alternative routes needed as the driveway will be only for the City as it physically is now.

- c. The closure of a right-of-way provides safe areas for vehicles to turn around and exit the area; and

RESPONSE: Although the road closure goes to Prospect Road, the gated entrance will be approximately 180' for Prospect Road. Which will allow vehicles to turn around and exit the area safely.

- d. The closure of a right-of-way shall not adversely impact pedestrian traffic; and

RESPONSE: No, it will not.

- e. All utilities located within the right-of-way or other public place have been or will be relocated pursuant to a relocation plan; and the owner of the utility facilities has consented to the vacation; or a utilities easement has been retained over the right-of-way area or portion thereof; or an easement in a different location has been provided for the utility facilities by the owner to the satisfaction of the city; or any combination of same and utilities maintenance shall not be disrupted.

RESPONSE: All utilities located within the right-of-way will be relocated if needed. We've obtained letters of no objection from each utility facility. The City is giving to itself a ingress/egress/drainage/utility easement to cover all of the bases.

Sincerely,

Re: No Objection to Right-of-way vacation of a portion of Hawkins Road

Dear Ms. Parker,

This letter is in response to your request for the City of Fort Lauderdale intending to vacate the right-of-way on Hawkins Road created by two old OR Books and Pages (OR Book 6411, Page 294) (OR Book 1743, Page 577) and Palm Beach Farms Plat as recorded in the public records of Broward County.

AT&T has No Objection to the vacation. If the petitioner wishes future service, a suitable utility easement would be required.

Please contact me at 954-849-9462 with any questions.

Re: Vacation of Hawkins Road for the Prospect Lake Clean Water Center

Dear Ms. Redding:

This letter is in response to your request for a letter of No Objection in connection with the pending applications to vacate a portion of the 70' right-of-way known as Hawkins Road ("Abandonment"). The Abandonment is located within the boundaries of the proposed Prospect Lake Clean Water Center plat ("Plat") attached hereto as Exhibit A. Florida Power & Light Company ("FPL") has no objection to the Abandonment provided that a public utility easement shall be dedicated and shown on the Plat covering the area legally and graphically depicted on the sketch and legal description ("PUE") attached hereto as Exhibit B. It is our understanding that any Ordinance approving the vacation application(s) will condition the Abandonment upon the approval and recordation of the Plat to assure continuous access by FPL to its existing facilities.

Please contact me at 561-904-3320 should you have any questions.
