Land Purchase for Park at 2201 NE 19th Street

July 10, 2024

Dear Sir/Madam,

The Bal Harbour Homeowner's Association Board of Directors would like to express our support for the purchase of land at 2201 NE 19th Street for the use of a neighborhood greenspace/park. This plan has been discussed at recent City of Fort Lauderdale Commissioners' Meetings as well as the June 26th Parks and Recreation Advisory Board Meeting where it received a "supermajority" approval. In addition, this meeting was attended by over seventy residents (all dressed in green) in support of the park.

We are very excited at the potential for the purchase of a greenspace for a park and look forward to working together with Parks and Recreation to design the space/amenities to fit the uniqueness and needs of the Bal Harbour neighborhood.

Sincerely,

Craig Batzel

President, Bal Harbour Homeowner's Association
