**TITLE:** Motion Approving a Retroactive Agreement for the Galt Ocean Mile

**(Commission District 1)**

**Recommendation**

Staff recommends the City Commission approve a Retroactive Agreement with Chen Moore and Associates, Inc. (Chen Moore) for the Galt Ocean Mile Beautification Improvements Project to June 24, 2024.

**Background**

On May 23, 2023, the City approved an agreement with Chen Moore for the Galt Ocean Mile Beautification Improvements Project (CAM #23-0031). The project scope was for design and construction administration services during the design, solicitation, and construction phases for Galt Ocean Mile Streetscape Improvement RFQ No.12709-126.

A Notice to Proceed (NTP) was issued on June 29, 2023, to start the project design and designating June 24, 2024, as the final completion date. During the process, additional coordination and reviews were requested by the neighborhood, delaying completion of the final design. The 114-day extension, ending on October 16, 2024, is requested to allow for finalization of the 100% design as required by Task 5 of the agreement. The agreement will remain in force for Chen Moore to perform Bidding Services and Limited Post Design Services; however, the performance period for those tasks will be determined based on bid dates and the construction award period.
