Background

The City of Fort Lauderdale, via solicitation 2021-007 *Parking Garage Market and Financial Analysis*, utilized the consulting services of Walker Consulting to provide a report so the City could better understand considerations of constructing, operating, and maintaining a parking garage at the new Fort Lauderdale Federal Courthouse site. Walker provided research on other Federal Courthouses and their parking, generated financial projections, and drafted various models on potential revenue generation.

On June 1st, 2023, the Procurement Services Division issued Request for Qualifications (RFQ) Event No. 122. The City received Proposals from the following eight (8) firms in response to the solicitation, which were opened on July 6, 2023.
