Good afternoon Heather. We have reviewed our pricing for the northeast and southeast and are interested in expanding our current partnership with Fort Lauderdale. We are willing to service these sites at the pricing we previously submitted and terms in the contract. I know there's a process to this, but the sooner you can let us know the better so that we can properly prepare to provide these areas with top quality service. Looking forward to expanding our partnership. Have a great weekend!

Good afternoon Heather,

We are very pleased to receive this notification with regards to the possibility of VisualScape being awarded the SE & NE Quadrants. I will coordinate a meeting with the Team to review the contract and provide you with a response before January 21, 2026.

Thank you

Subject: Turf Grass Maintenance, SE and NE Quadrants

Good morning,

Previously, your company responded to the City's solicitations for turf grass maintenance of our Southeast (SE) and Northeast (NE) quadrants (ITB Event No. 383 and ITB Event No. 385). There may be an opportunity for your company to be evaluated for the award of the remaining three years of both contracts, with full service, effective February 2026. Are you still interested in being

awarded the City of Fort Lauderdale Turf Grass Maintenance NE and SE contracts under the same terms, conditions, and prices as submitted back in November 2024? Please reply to confirm no later than 12 noon on January 21, 2026.
