At the September 3, 2013 meeting, the Commission approved a request to submit an application to FDOT for the Florida Highway Beautification Council Grant. The total cost of the Project is estimated at \$239,096.00. FDOT requires the City to fund the remaining amount of the project's cost in the estimated amount of \$139,096 and to maintain the additional landscape improvements in accordance with their Maintenance Plan.

Improvements consist of the removal of wounded and clustered plant material, the installation of improved irrigation, over 30 new palms, Silver buttonwood hedges, Bromeliads, native grasses, and ground cover.

**Resource Impact**

There is positive impact to the City in the amount of \$100,000. Matching funds in the amount of \$139,096 have been identified in Median Maintenance – Lawn & Tree Services and is contingent upon approval of the Budget Amendment (CAM # 15-0010).
