NOW, THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF FORT LAUDERDALE, FLORIDA:

SECTION 1. That the authority to settle and execute a release of any code enforcement liens having a face value of \$25,000.00 or less is delegated to the City Manager, provided that he not release any such lien for less than the cost of the City's expenditure in the underlying enforcement.

SECTION 2. That for code enforcement liens having a face value of more than \$25,000.00, the City Manager shall present a report of the proposed settlements to the City Attorney each month for review. If the City Attorney concurs with the City Manager's proposed settlement, the City Manager shall present the report to the City Commission at a regular City Commission conference meeting. Each Commissioner or the Mayor may call up a proposed settlement for review either by advising the City Manager at the meeting or by filing a statement of intent with the City Clerk within 15 days of the date the Manager presented the report; a copy of the statement of intent shall also be provided to the City Manager. Upon receiving the request for Commission review, the City Manager shall place the request for review on the next available regular meeting agenda as a Motion for Discussion. If the City Commission approves the proposed settlement by Motion, or if a proposed settlement is not called for review within the 15-day period, the City Manager shall accept payment and shall execute a release of lien and cause the release of lien to be recorded in the Public Records of Broward County.

SECTION 3. That the authority to execute a partial release of any unenforceable code enforcement lien is delegated to the City Manager, who shall execute such release in exchange for the administrative fee of \$500 per release, or for the value of the lien, whichever amount is less, plus the County's fee for recording the release, if not already included in the face value of the lien.

SECTION 4. That the authority to settle code enforcement liens, which the City Attorney has proceeded to commence foreclosure action on outstanding liens, for 75% of the face value thereof of each is delegated to the City Manager, provided that (1) he not consider for settlement any lien that has been turned over to special counsel for foreclosure; (2) he consider the advice regarding settlement provided by the City Attorney and/or Special Counsel; and (3) that he not settle any lien eligible for settlement for less than the cost of the City's expenditure in the underlying enforcement.

SECTION 5. That the authority to settle code enforcement liens, which the City Attorney has commenced foreclosure on outstanding liens, for 85% of the face value thereof of each is delegated to the City Manager, provided that (1) he consider for settlement only those liens that have been turned over to Special Counsel for foreclosure; and (2) he consider the advice regarding settlement provided by the City Attorney and/or Special Counsel; and (3) that he not settle any lien eligible for settlement for less than the cost of the City's expenditure in the underlying enforcement and the litigation.

SECTION 6. That the office of the City Attorney shall review and approve as to form all documents prior to their execution by City officials.
