Re: Lauderdale Air Show, LLC Contracts

Mr. Thornburg:

At the request of my client Lauderdale Air Show, LLC, I have examined numerous contracts relating to the 2013 event and have determined the total monetary amount of sponsorships was \$483,874. These contracts were not reviewed for legality nor have any third parties been contacted to verify the validity.

If you have any further questions, please feel free to contact me.

Very truly yours,
