RE: Extension of 2005 Agreement between Broward County and City of Fort
Lauderdale – Annexation of Twin Lakes North into the City

Dear Ms. Henry:

The City is requesting a two-year extension to September 30, 2017 to the subject agreement. As required to draw down on the capital funds, the City has met the obligation of installing sewer in the neighborhood. In an effort to comprehensively address the traffic, circulation, and mobility infrastructure needs, a neighborhood mobility master plan has been started and will result in recommended capital improvements. The \$310,560 in capital funds from the grant will be used to design and construct these improvements over the next 18 months and therefore, an extension is needed. A time line for this project is also attached.

Please contact Diana Alarcon at 954-828-3793 if you have any questions or require additional information.

Thank you for your consideration.

Sincerely,

Lee R. Feldman, ICMA-CM
City Manager
