

CITY OF FORT LAUDERDALE
City Commission Agenda Memo
CONFERENCE MEETING

#15-1292

TO: Honorable Mayor & Members of the
Fort Lauderdale City Commission

FROM: Jeffrey A. Modarelli, City Clerk

DATE: October 6, 2015

TITLE: Nominee for Neighbor to be recognized at The United Way of Broward
County's 2015 Mayors' Gala

In 2014, the United Way of Broward County successfully raised more than \$150,000 at the Mayors' Gala for crucial community programs. The Mayors' Gala included a "celebration of firsts" and aligned with Broward County's centennial celebration.

This year, the Mayors' Gala will focus on the organization's MISSION UNITED initiative, helping Broward veterans re-adapt to civilian life. To honor local service men and women, the Mayors' Gala will include a "Celebration of Service." Although the guidelines for nominations are open to interpretation and up to your discretion, Mayor Ryan has asked that we nominate a military veteran who served in any branch of the armed forces, in any war, and who has exhibited bravery and allegiance through his or her service to our country. The nominee will attend the Mayors' Gala as a representative of the City of Fort Lauderdale.

There is no resource impact associated with this CAM.
