

DEP AGREEMENT NO. A6110

**STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
FLORIDA RECREATION DEVELOPMENT ASSISTANCE PROGRAM (FRDAP)
AGREEMENT FOR FISCAL YEAR 2015-2016
DEVELOPMENT OF LAND FOR PUBLIC RECREATION PURPOSES**

THIS AGREEMENT is entered into between the **STATE OF FLORIDA DEPARTMENT OF ENVIRONMENTAL PROTECTION**, whose address is 3900 Commonwealth Boulevard, Tallahassee, Florida 32399-3000 (hereinafter referred to as the "Department") and the **CITY OF FORT LAUDERDALE**, whose address is **1350 West Broward Blvd., Fort Lauderdale, FL 33312** (hereinafter referred to as "Grantee"), a local government, in furtherance of an approved public outdoor recreation project known as **Snyder Park Boardwalk, Project Number A16110**. Collectively, the Department and the Grantee shall be referred to as "Parties" or individually as a "Party". For purposes of this Agreement, the terms "Grantee" and "Recipient" are used interchangeably.

In consideration of the mutual covenants contained herein and pursuant to Florida Statute, section 375.075, OUTDOOR RECREATION; FINANCIAL ASSISTANCE TO LOCAL GOVERNMENTS, and Florida Administrative Code, chapter 62D-5, the parties hereto agree as follows:

1. TERMS OF AGREEMENT:

The Grantee does hereby agree to perform in accordance with the terms and conditions set forth in this Agreement, more fully described in "**Attachment A, Grant Work Plan**", including all attachments and exhibits named herein, which are attached hereto and incorporated by reference.

Administrative Forms and Reimbursement Forms referenced in this Agreement may be found at www.dep.state.fl.us/parks/oirs/ or by contacting the Department's Grant Manager.

Prior to commencement of project, the Grantee shall submit to Department for approval all documentation and completion of responsibilities listed on "**Attachment B, Commencement Documentation Checklist**" attached hereto and incorporated by reference. Upon satisfactory approval by the Department, the Department will issue written notice to Grantee to commence the project. Unless and until the Department issues written notice of approval authorizing Grantee to commence the project, Grantee shall not incur nor charge, and the Department shall not be obligated to pay or reimburse Grantee for fees, cost, or general expenses of any kind, which incurred during the commencement approval period.

Land owned by the Grantee, which is developed or acquired with grant funds shall be dedicated in perpetuity as an outdoor recreation site by the Grantee for the use and benefit of the public as stated in Florida Administrative Code, section 62D-5.059(1). Land under control other than by ownership of the Grantee, such as by lease, shall be dedicated as an outdoor recreation area for the use and benefit of the public for a minimum period of twenty-five (25) years from the completion date set forth in the project completion certificate. The project site(s) shall be open at reasonable times and shall be managed in a safe and attractive manner. This Agreement is not transferable.

2. PERIOD OF AGREEMENT:

This Agreement shall become effective upon execution by both parties and the Grantee shall complete development of the project site by **April 30, 2018** and shall remain in effect until, inclusive.

3. **FUNDING/CONSIDERATION/INVOICING:**

The Grantee shall be eligible for authorized reimbursement, in whole or in part, for cost pursuant to FRDAP guidelines regarding approved pre-agreement costs, through the expiration date of this Agreement, provided that the cost(s) meet all requirements and financial reporting of the FRDAP program and, rules and regulations applicable to expenditures of State funds, hereby adopted and incorporated by reference.

- A. As consideration for satisfactory performance rendered by the Grantee under FRDAP guidelines and the terms of this Agreement, the Department shall pay the Grantee on a reimbursement basis up to a maximum of **\$50,000.00**. It is understood that any additional funds necessary for the completion of this project are the responsibility of the Grantee. It is further understood that grant funds may be revised by the Department due to the availability of program funds. Grant awards are contingent upon appropriation by the Legislature. The parties hereto understand and agree that this Agreement does not require a match on the part of the Grantee.
- B. Prior written approval from the Department's Grant Manager shall be required for changes to this Agreement. Changes to approved budget categories within a single deliverable that are less than 10% of the total approved deliverable budget amount will require a formal Change Order to the Agreement. Changes that are 10% or greater of the total approved deliverable budget amount, or changes that transfer funds from one deliverable to another deliverable, or changes that increase or decrease the project's total funding amount will require a formal Amendment to the Agreement.
- C. The Grantee shall be reimbursed on a cost reimbursement basis for all eligible project costs upon the completion, submittal and approval of each deliverable identified in **Attachment A**, in accordance with the schedule therein. Reimbursement shall be requested utilizing **Attachment C, "Payment Request Summary Form"**. To be eligible for reimbursement, costs must be in compliance with laws, rules and regulations applicable to expenditures of State funds, including, but not limited to, the Reference Guide for State Expenditures, which can be accessed at the following web address: http://www.myfloridacfo.com/aadir/reference_guide/. All invoices for amounts due under this Agreement shall be submitted in detail sufficient for a proper pre-audit and post-audit thereof. A final payment request should be submitted to the Department no later than sixty (60) calendar days following the completion date of the Agreement, to assure the availability of funds for payment. All work performed pursuant to **Attachment A** must be performed on or before the completion date of the Agreement, and/or pursuant to the FRDAP guidelines.
- D. The State Chief Financial Officer requires detailed supporting documentation of all costs under a cost reimbursement agreement. The Grantee shall comply with the minimum requirements set forth in **Attachment D, Contract Payment Requirements**. The Payment Request Summary Form shall be accompanied by supporting documentation and other requirements as follows for each deliverable:
 - i. Salaries/Wages – List personnel involved, salary rates and hours spent on the project in accordance with **Attachment A, Grant Work Plan**. The Grantee shall not be reimbursed for direct salaries or multipliers (i.e., fringe benefits, overhead, indirect, and/or general and administrative rates) for Grantee's employees.
 - ii. Overhead/Indirect/General and Administrative Costs – All multipliers used (i.e., fringe benefits, overhead, indirect, and/or general and administrative rates) shall be supported by audit. If the Department determines that multipliers charged by the Grantee exceeded the rates supported by audit, the Grantee shall be required to reimburse such funds to the Department within thirty (30) calendar days of written notification. Interest on the excessive charges shall be calculated based on the prevailing rate used by the State Board of Administration.
 - a. Fringe Benefits – Shall be calculated at the rate up to **40%** of direct salaries. Actual costs not to exceed the budget amount identified in **Attachment A**. Shall not be reimbursed under this Agreement.

- b. Indirect Cost – Shall be calculated at the rate of **15%** of direct cost. Shall not be reimbursed under this Agreement.
 - iii. Contractual (Subcontractors) – Reimbursement requests for payments to subcontractors must be substantiated by copies of invoices with backup documentation identical to that required from the Grantee. Subcontracts which involve payments for direct salaries shall clearly identify the personnel involved, salary rate per hour, and hours spent on the project. All multipliers used (i.e., fringe benefits, overhead, indirect, and/or general and administrative rates) shall be supported by audit. If the Department determines that multipliers charged by any subcontractor exceeded the rates supported by audit, the Grantee shall be required to reimburse such funds to the Department within thirty (30) calendar days of written notification. Interest on the excessive charges shall be calculated based on the prevailing rate used by the State Board of Administration. For fixed-price (vendor) subcontracts, the following provisions shall apply:
 - a. The Grantee may award, on a competitive basis, fixed-price subcontracts to consultants/contractors in performing the work described in **Attachment A**. Invoices submitted to the Department for fixed-price subcontracted activities shall be supported with a copy of the subcontractor's invoice and a copy of the tabulation form for the competitive procurement process (i.e., Invitation to Bid or Request for Proposals) resulting in the fixed-price subcontract.
 - b. The Grantee may request approval from the Department to award a fixed-price subcontract resulting from procurement methods other than those identified herein. In this instance, the Grantee shall request the advance written approval from the Department's Grant Manager of the fixed price negotiated by the Grantee. The letter of request shall be supported by a detailed budget and Scope of Services to be performed by the subcontractor. Upon receipt of the Department Grant Manager's approval of the fixed-price amount, the Grantee may proceed in finalizing the fixed-price subcontract.
 - c. All subcontracts are subject to the provisions of paragraph 12 and any other appropriate provisions of this Agreement which affect subcontracting activities.
 - iv. Rental/Lease of Equipment – Include copies of invoices or receipts to document charges.
- E. In addition to the invoicing requirements contained herein, the Department will periodically request proof of a transaction (invoice, payroll register, etc.) to evaluate the appropriateness of costs to the Agreement pursuant to State and Federal guidelines (including cost allocation guidelines), as appropriate. This information, when requested, must be provided within thirty (30) calendar days of such request. The Grantee may also be required to submit a cost allocation plan to the Department in support of its multipliers (overhead, indirect, general administrative costs, and fringe benefits). State guidelines for allowable costs can be found in the Department of Financial Services' Reference Guide for State Expenditures at http://www.myfloridacfo.com/aadir/reference_guide/.
- F.
 - i. The accounting systems for all Grantees must ensure that these funds are not commingled with funds from other agencies. Funds from each agency must be accounted for separately. Grantees are prohibited from commingling funds on either a program-by-program or a project-by-project basis. Funds specifically budgeted and/or received for one project may not be used to support another project. Where a Grantee's, or subrecipient's, accounting system cannot comply with this requirement, the Grantee, or subrecipient, shall establish a system to provide adequate fund accountability for each project it has been awarded.
 - ii. If the Department finds that these funds have been commingled, the Department shall have the right to demand a refund, either in whole or in part, of the funds provided to the Grantee under this Agreement for non-compliance with the material terms of this Agreement. The

Grantee, upon such written notification from the Department shall refund, and shall forthwith pay to the Department, the amount of money demanded by the Department. Interest on any refund shall be calculated based on the prevailing rate used by the State Board of Administration. Interest shall be calculated from the date(s) the original payment(s) are received from the Department by the Grantee to the date repayment is made by the Grantee to the Department.

- iii. In the event that the Grantee recovers costs, incurred under this Agreement and reimbursed by the Department, from another source(s), the Grantee shall reimburse the Department for all recovered funds originally provided under this Agreement. Interest on any refund shall be calculated based on the prevailing rate used by the State Board of Administration. Interest shall be calculated from the date(s) the payment(s) are recovered by the Grantee to the date repayment is made to the Department by the Grantee.

- G. If the total cost of the project exceeds the grant amount, and/or the required match, as applicable, the Grantee must pay the excess cost.

4. ANNUAL APPROPRIATION:

The State of Florida's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature. The parties hereto understand that this Agreement is not a commitment of future appropriations. Authorization for continuation and completion of work and payment associated therewith may be rescinded with proper notice at the discretion of the Department if Legislative appropriations are reduced or eliminated.

5. REPORTS:

- A. The Grantee shall utilize **Attachment E, "Project Status Report"**, to describe the work performed during the reporting period, problems encountered, problem resolution, schedule updates and proposed work for the next reporting period. The Project Status Reports shall be submitted to the Department's Grant Manager no later than twenty (20) calendar days following the completion of the reporting period. It is hereby understood and agreed by the parties that the term "reporting period" shall reflect the reporting period ending May 5, September 5 and January 5. The Department's Grant Manager shall have thirty (30) calendar days to review the required reports and deliverables submitted by the Grantee.

6. RETAINAGE:

The Department shall retain ten percent of the grant until the Grantee completes the project and the Department approves the completion documentation, pursuant to FRDAP requirements and additionally set forth in paragraphs 62D-5.058(6)(g) and (7)(d), Florida Administrative Code.

7. INDEMNIFICATION:

Each party hereto agrees that it shall be solely responsible for the negligent or wrongful acts of its employees and agents. However, nothing contained herein shall constitute a waiver by either party of its sovereign immunity or the provisions of Section 768.28, Florida Statutes. Further, nothing herein shall be construed as consent by a state agency or subdivision of the State of Florida to be sued by third parties in any matter arising out of any contract or this Agreement.

8. DEFAULT/TERMINATION/FORCE MAJEURE:

- A. The Department may terminate this Agreement at any time if any warranty or representation made by Grantee in this Agreement or in its application for funding shall at any time be false or misleading in any respect, or in the event of the failure of the Grantee to fulfill any of its obligations under this Agreement. Prior to termination, the Department shall provide thirty (30) calendar days written notice of its intent to terminate and shall provide the Grantee an opportunity to consult with the Department regarding the reason(s) for termination.

- B. The Department may terminate this Agreement for convenience by providing the Grantee with thirty (30) calendar day's written notice. If the Department terminates the Agreement for convenience, the Department shall notify the Grantee of such termination, with instructions as to the effective date of termination or specify the stage of work at which the Agreement is to be terminated. If the Agreement is terminated before performance is completed, the Grantee shall be paid only for that work satisfactorily performed for which costs can be substantiated.
- C. Records made or received in conjunction with this Agreement are public records. This Agreement may be unilaterally canceled by the Department for unlawful refusal by the Grantee to allow public access to all documents, papers, letters, or other material made or received by the Grantee in conjunction with this Agreement and subject to disclosure under Chapter 119, Florida Statutes (F.S.), and Section 24(a), Article I, Florida Constitution.
- D. If a force majeure occurs that causes delays or the reasonable likelihood of delay in the fulfillment of the requirements of this Agreement, the Grantee shall promptly notify the Department orally. Within seven (7) calendar days, the Grantee shall notify the Department in writing of the anticipated length and cause of the delay, the measures taken or to be taken to minimize the delay and the Grantee's intended timetable for implementation of such measures. If the parties agree that the delay or anticipated delay was caused, or will be caused by a force majeure, the Department may, at its discretion, extend the time for performance under this Agreement for a period of time equal to the delay resulting from the force majeure upon execution of an amendment to this Agreement. Such agreement shall be confirmed by letter from the Department accepting, or if necessary, modifying the extension. A force majeure shall be an act of God, strike, lockout, or other industrial disturbance, act of the public enemy, war, blockade, public riot, lightning, fire, flood, explosion, failure to receive timely necessary third party approvals through no fault of the Grantee, and any other cause, whether of the kind specifically enumerated herein or otherwise, that is not reasonably within the control of the Grantee and/or the Department. The Grantee is responsible for the performance of all services issued under this Agreement. Failure to perform by the Grantee's consultant(s) or subcontractor(s) shall not constitute a force majeure event.

9. REMEDIES/FINANCIAL CONSEQUENCES:

No payment will be made for deliverables deemed unsatisfactory by the Department. In the event that a deliverable is deemed unsatisfactory by the Department, the Grantee shall re-perform the services needed for submittal of a satisfactory deliverable, at no additional cost to the Department, within ten (10) calendar days of being notified of the unsatisfactory deliverable. If a satisfactory deliverable is not submitted within the specified timeframe, the Department may, in its sole discretion, either: 1) terminate this Agreement for failure to perform, or 2) the Department Grant Manager may, by letter specifying the failure of performance under this Agreement, request that a proposed Corrective Action Plan (CAP) be submitted by the Grantee to the Department. All CAPs must be able to be implemented and performed in no more than sixty (60) calendar days.

- A. A CAP shall be submitted within ten (10) calendar days of the date of the letter request from the Department. The CAP shall be sent to the Department Grant Manager for review and approval. Within ten (10) calendar days of receipt of a CAP, the Department shall notify the Grantee in writing whether the CAP proposed has been accepted. If the CAP is not accepted, the Grantee shall have ten (10) calendar days from receipt of the Department letter rejecting the proposal to submit a revised proposed CAP. Failure to obtain the Department approval of a CAP as specified above shall result in the Department's termination of this Agreement for cause as authorized in this Agreement.
- A. Upon the Department's notice of acceptance of a proposed CAP, the Grantee shall have ten (10) calendar days to commence implementation of the accepted plan. Acceptance of the proposed CAP by the Department does not relieve the Grantee of any of its obligations under the Agreement. In the event the CAP fails to correct or eliminate performance deficiencies by Grantee, the Department shall retain the right to require additional or further remedial steps, or to terminate this Agreement for failure to perform. No actions approved by the Department or steps taken by the Grantee shall preclude the Department from subsequently asserting any deficiencies in performance. The Grantee

shall continue to implement the CAP until all deficiencies are corrected. Reports on the progress of the CAP will be made to the Department as requested by the Department Grant Manager.

- B. Failure to respond to a Department request for a CAP or failure to correct a deficiency in the performance of the Agreement as specified by the Department may result in termination of the Agreement.

The remedies set forth above are not exclusive and the Department reserves the right to exercise other remedies in addition to or in lieu of those set forth above, as permitted by the Agreement.

10. RECORD KEEPING/AUDIT:

- A. The Grantee shall maintain books, records and documents directly pertinent to performance under this Agreement in accordance with generally accepted accounting principles consistently applied. The Department, the State, or their authorized representatives shall have access to such records for audit purposes during the term of this Agreement and for five (5) years following the completion date of the Agreement. In the event any work is subcontracted, the Grantee shall similarly require each subcontractor to maintain and allow access to such records for audit purposes.
- B. The Grantee understands its duty, pursuant to Section 20.055(5), F.S., to cooperate with the Department's Inspector General in any investigation, audit, inspection, review, or hearing. The Grantee will comply with this duty and ensure that its subcontracts issued under this Grant, if any, impose this requirement, in writing, on its subcontractors.

11. SPECIAL AUDIT REQUIREMENTS:

- A. In addition to the requirements contained herein, the Grantee shall comply with the applicable provisions contained in **Attachment F, "Special Audit Requirements"**, attached hereto and made a part hereof. **Exhibit 1 to Attachment F** summarizes the funding sources supporting the Agreement for purposes of assisting the Grantee in complying with the requirements of **Attachment F**. A revised copy of **Exhibit 1** must be provided to the Grantee for each amendment which authorizes a funding increase or decrease. If the Grantee fails to receive a revised copy of **Exhibit 1**, the Grantee shall notify the Department's Grants Development and Review Manager at 850/245-2361 to request a copy of the updated information.
- B. The Grantee is hereby advised that the Federal and/or Florida Single Audit Act Requirements may further apply to lower tier transactions that may be a result of this Agreement. The Grantee shall consider the type of financial assistance (federal and/or state) identified in **Attachment F, Exhibit 1** when making its determination. For federal financial assistance, the Grantee shall utilize the guidance provided under OMB Circular A-133, Subpart B, Section ____210 for determining whether the relationship represents that of a subrecipient or vendor. For state financial assistance, the Grantee shall utilize the form entitled "Checklist for Nonstate Organizations Recipient/Subrecipient vs. Vendor Determination" (form number DFS-A2-NS) that can be found under the "Links/Forms" section appearing at the following website:

<https://apps.fldfs.com/fsaa>

The Grantee should confer with its chief financial officer, audit director or contact the Department for assistance with questions pertaining to the applicability of these requirements.

12. SUBCONTRACTS:

- A. The Grantee may subcontract work under this Agreement without the prior written consent of the Department's Grant Manager, except for certain fixed-price subcontracts pursuant to paragraph 3D. of this Agreement, which require prior approval. The Grantee shall submit a copy of the executed

subcontract to the Department within ten (10) calendar days after execution of the subcontract. Regardless of any subcontract, the Grantee is ultimately responsible for all work to be performed under this Agreement. The Grantee agrees to be responsible for the fulfillment of all work elements included in any subcontract and agrees to be responsible for the payment of all monies due under any subcontract. It is understood and agreed by the Grantee that the Department shall not be liable to any subcontractor for any expenses or liabilities incurred under the subcontract and that the Grantee shall be solely liable to the subcontractor for all expenses and liabilities incurred under the subcontract.

- B. The Department of Environmental Protection supports diversity in its procurement program and requests that all subcontracting opportunities afforded by this Agreement embrace diversity enthusiastically. The award of subcontracts should reflect the full diversity of the citizens of the State of Florida. A list of minority owned firms that could be offered subcontracting opportunities may be obtained by contacting the Office of Supplier Diversity at (850) 487-0915.

13. PROHIBITED LOCAL GOVERNMENT CONSTRUCTION PREFERENCES:

- A. Pursuant to Section 255.0991, F.S., for a competitive solicitation for construction services in which 50 percent or more of the cost will be paid from state-appropriated funds which have been appropriated at the time of the competitive solicitation, a state, college, county, municipality, school district, or other political subdivision of the state may not use a local ordinance or regulation that provides a preference based upon:
- i. The contractor's maintaining an office or place of business within a particular local jurisdiction;
 - ii. The contractor's hiring employees or subcontractors from within a particular local jurisdiction; or
 - iii. The contractor's prior payment of local taxes, assessments, or duties within a particular local jurisdiction.
- B. For any competitive solicitation that meets the criteria in Paragraph A., a state college, county, municipality, school district, or other political subdivision of the state *shall disclose in the solicitation document* that any applicable local ordinance or regulation does not include any preference that is prohibited by Paragraph A.

14. SIGNAGE:

Grantee must erect a permanent information sign on the project site which credits funding or a portion thereof, to the Florida Department of Environmental Protection and the Florida Recreation Development Assistance Program. The sign must be made of appropriate materials, which will be durable for a minimum of twenty-five (25) years after the project is complete. The sign must be installed on the project site and approved by the Department before the final project reimbursement request is processed.

15. LOBBYING PROHIBITION:

In accordance with Section 216.347, Florida Statutes, the Grantee is hereby prohibited from using funds provided by this Agreement for the purpose of lobbying the Legislature, the judicial branch or a state agency. Further, in accordance with Section 11.062, F.S., no state funds, exclusive of salaries, travel expenses, and per diem, appropriated to, or otherwise available for use by, any executive, judicial, or quasi-judicial department shall be used by any state employee or other person for lobbying purposes.

16. COMPLIANCE WITH LAW:

The Grantee shall comply with all applicable federal and state laws, and local rules and regulations in providing services to the Department under this Agreement. The Grantee acknowledges that this requirement includes, but is not limited to, compliance with all applicable federal and state laws, and local health and safety rules and regulations. The Grantee further agrees to include this provision in all

subcontracts issued as a result of this Agreement.

Such self-insurance program or insurance coverage shall comply fully with the Florida Workers' Compensation law. The Grantee warrants and represents that it is self-funded for liability insurance, appropriate and allowable under Florida law, and that such self-insurance offers protection applicable to the Grantee's officers, employees, servants and agents while acting within the scope of their employment with the Grantee.

20. CONFLICT OF INTEREST:

The Grantee covenants that it presently has no interest and shall not acquire any interest which would conflict in any manner or degree with the performance of services required.

21. UNAUTHORIZED EMPLOYMENT:

The employment of unauthorized aliens by any Grantee/subcontractor is considered a violation of Section 274A(e) of the Immigration and Nationality Act. If the Grantee/subcontractor knowingly employs unauthorized aliens, such violation shall be cause for unilateral cancellation of this Agreement. The Grantee shall be responsible for including this provision in all subcontracts with private organizations issued as a result of this Agreement.

Reimbursement for equipment purchases is not authorized under the terms and conditions of this Agreement.

23. CHANGE ORDERS:

The Department may at any time, by written Change Order, make any change in the Grant Manager information, task timelines within the current authorized Agreement period, or make changes that are less than 10% of the total approved deliverable budget. All Change Orders are subject to the mutual agreement of both parties as evidenced in writing. Any change which causes an increase or decrease in the Agreement amount, expiration date of the Agreement, or deliverable costs that are equal to or greater than 10% of the total approved deliverable budget, shall require formal Amendment to this Agreement.

24. QUALITY ASSURANCE:

FRDAP funds will not be used for environmentally-related measurements or data generation on land under control of Grantee, which is being developed pursuant to this Agreement. The Grantee and subcontractors are exclusively responsible for quality assurance practices consisting of policies, procedures, specifications, standards, and documentation sufficient to produce data of quality adequate to meet project objectives. All sampling and analyses performed under the direction of Grantee or subcontractor must conform to the requirements set forth in Chapter 62-160, Florida Administrative Code (F.A.C.).

26. LAND ACQUISITION: {The following provisions shall be included in all Agreements for Development when Grantee has an interest and/or right to real property where development will occur using FRDAP grant funds.}

Grantee has acquired an interest and/or right to real property, described in **Attachment A**. Such interest and/or right is subject to use in perpetuity for the purposes described in this Agreement. The following language shall be included in a Lease and/or other legal instrument regarding the Grantee's interest and/or right to real property. Any applicable recording fees are the sole responsibility of the Grantee:

"Grantee hereby agrees that the use of the property described herein (the "Property") shall be subject to the terms and conditions contained in a certain Grant Award Agreement (DEP Agreement No. **A6110**), which is attached hereto as Exhibit ____ and by reference made a part hereof (hereinafter referred to as the "Restrictive Covenants"). These Restrictive Covenants shall run with the interests and/or rights to the Property in perpetuity and be binding upon Grantee and all successive owners

(and all parties claiming by, through and under the owners) of the Property. The Florida Department of Environmental Protection ("DEP") shall be deemed a third-party beneficiary of these Restrictive Covenants in a court of competent jurisdiction.
