

Background

The Lake Worth City Commission adopted Resolution 47-89 in 1989, creating the Lake Worth Community Redevelopment Agency. The CRA is a quasi-public agency that operates under Florida State Statute 163, Part III. A Community Redevelopment Plan was produced in 1989 to outline the community's desired public and private improvements along with a funding program, including the use of tax increment funds. In 2001, the boundaries of the CRA were expanded to include all of Dixie Highway and the areas including and surrounding 6th and 10th Avenue, also known as the "Gateways."

The primary source of funding is provided through tax increment financing. Tax increment revenues are deposited into a redevelopment trust fund. The taxable value of all real property in the redevelopment area is determined at a particular year, also known as the "base year." Contributing taxing authorities, such as the City and County, continue to receive ad valorem taxes. Any increase in ad valorem revenue above the base year value is deposited into the redevelopment trust fund and used to carry out redevelopment activities.

The Lake Worth CRA is governed by a seven member volunteer Board appointed by the City Commission. The Board serves the area by implementing Redevelopment Plan objectives and promoting redevelopment activities. The CRA has undertaken substantial projects over the past several years. The Neighborhood Stabilization Program provided the Agency with over \$23M to rehabilitate and build new affordable/workforce housing in the area. The CRA began the LULA, Lake Worth Arts Program in 2008 with the goal of revitalizing the downtown area of the CRA district by infusing arts with other economic development efforts. The goal of the program includes the establishment of a cultural district to support local talent while promoting the City as a destination for the art-related businesses, art and cultural centers and educational arts-related institutions. Recently the CRA has initiated a small business loan program and has a land bank with several properties held for future development.

The Agency's TIF financing has been impacted by both policy decisions and the market over the past few years. Still, the Agency strives to leverage funds and attract private investment into the area by working closely with the City, County, and our community partners.

Dixie Highway, once a bustling retail and commercial center, continues to suffer from a myriad of old and new challenges that include older buildings, underutilized sites and land constraints. Once the "spine" or "Main Street" of the area, this area suffers from a lack of identity and character and in many areas, a lack of attractions or amenities. These challenges impact community livability as more and more business is conducted outside of the City. Goods and services and local jobs are no longer provided close to home and residents leave the area to shop and work. Although demand has been predicted by previous studies, the City continues to lack retail nodes or newer office space for workers. Understanding the City's market potential gives the City leverage with retailers and service providers. Without this understanding and a philosophy of continuous process improvement, the quality of life in a City or area will decline. Dixie Highway may move traffic in a quick fashion but the current form is not sustainable, nor can it be expected to thrive without change and direct intervention.

The City has recently gone through an overhaul of the land-use development regulations. The new ULDR's and the Future Land Use Map (FLUM) should be looked at in context to the developing market. These documents are available on the City's web site at www.lakeworth.org and www.municode.com.

Submittal of Proposals

The documents included or incorporated in this RFP constitute the complete set of instructions, scope of work, specification requirements and forms. It is the responsibility of the Proposer to insure that all pages are included. Therefore, all Proposers are advised to closely examine this RFP.

All proposals must be typed or written in ink, and must be signed in ink by an officer having authority to bind the company. Signatures are required where indicated; failure to do so shall be cause for rejection of proposal.

Changes and Interpretations

Changes to this RFP will be made by written addenda. A written addendum is the only official method whereby interpretation, clarification or additional information can be given. All addenda will be posted on the CRA's website - www.lakeworthcra.org. It is the sole responsibility of each Proposer to check the CRA's website for posted addenda. The CRA will not mail or fax any addenda to a Proposer.

All questions regarding this RFP should be submitted in writing via mail or e-mail and must be received by the CRA no later than ten (10) calendar days prior to the due date for proposals:

CRA Office
29 South "J" Street
Lake Worth, FL 33460
cdabros@lakeworth.org

All questions will be answered via addenda. If a question is not answered, the Proposer should assume all relevant information is contained within this RFP. The CRA will strive to issue all addenda at least three (3) business days before the proposal due date; however, the CRA reserves the right to issue any addenda at any time.

Property of the CRA

All materials submitted in response to this RFP become the property of the CRA. The CRA has the right to use any or all ideas presented in any response to this RFP, whether amended or not, and selection or rejection of a proposal(s) does not affect this right. No variances to this provision shall be accepted.

RFP Timetable

The anticipated schedule for this RFP and contract approval is as follows:

- | | |
|--|-----------------------------|
| ▪ Questions from Potential Proposers Due | (March 17, 2015) |
| ▪ Proposal Response Due | (March 17, 2015 at 12pm) |
| ▪ Short List Announcement (if needed) | Approximately 2 weeks later |
| ▪ Proposal Selection | Approximately 3 weeks later |

The CRA reserves the right to amend the anticipated schedule as it deems necessary.

Ethics Requirement

This RFP is subject to the State of Florida Code of Ethics and the Palm Beach County Code of Ethics. Accordingly, there are prohibitions and limitations on the employment of City officials and employees and contractual relationships providing a benefit to the same. Proposers are highly encouraged to review both the Florida Code of Ethics and the Palm Beach County Code of Ethics in order to insure compliance with the same.

Disclosure and Disclaimer

The information contained herein is provided solely for the convenience of Proposers. It is the responsibility of a Proposer to assure itself that information contained herein is accurate and complete. Neither the CRA, nor its advisors provide any assurances as to the accuracy of any information in this RFP. Any reliance on the contents of this RFP, or on any communications with CRA representatives or advisors, shall be at each Proposer's own risk. Proposers should rely exclusively on their own investigations, interpretations and analyses in connection with this matter. The RFP is being provided by the CRA without any warranty or representation, express or implied, as to its content; accuracy or completeness and no Proposer or other party shall have recourse to the CRA if any information herein contained shall be inaccurate or incomplete. No warranty or representation is made by the CRA that any proposal conforming to these requirements will be selected for consideration, negotiation or approval.

In its sole discretion, the CRA may withdraw this RFP either before or after receiving proposals, may accept or reject proposals, and may accept proposals which deviate from the non-material provisions of this RFP. In its sole discretion, the CRA may determine the qualifications and acceptability of any firm or firms submitting proposals in response to this RFP. Following submission of a proposal, the Proposer agrees to promptly deliver such further details, information and assurances, including, but not limited to, financial and disclosure data, relating to the proposal and/or the Proposer, including the Proposer's affiliates, officers, directors, shareholders, partners and employees, as requested by the CRA. Any action taken by the CRA in response to proposals made pursuant to this RFP or in making any award or failure or refusal to make any award pursuant to such proposals, or in any cancellation of award, or in any withdrawal or cancellation of this RFP, either before or after issuance of an award, shall be without any liability or obligation on the part of the CRA, or their advisors.

Any recipient of this RFP who responds hereto fully acknowledges all the provisions of this Discloser and Disclaimer and agrees to be bound by the terms hereof. Any proposal submitted pursuant to this RFP is at the sole risk and responsibility of the party submitting such proposal.

Contract Agreement

The terms and conditions of the resulting contract for the services to be rendered will be negotiated with successful Proposer. If the CRA and the successful Proposer cannot agree on the terms and conditions of the resulting contract, the CRA reserves the right to terminate negotiations with the successful Proposers and move to the next ranked Proposer to commence negotiations. Negotiations may continue in this process until the CRA is able to enter into a contract with a Proposer that best meets the needs of the CRA.

Insurance Requirements

Prior to execution of the resulting contract derived from this RFP, the awarded firm shall obtain and maintain in force at all times during the term of the resulting contract insurance coverage as required herein. All insurance policies shall be issued by companies authorized to do business under the laws of the State of Florida. The Certificates shall clearly indicate that the firm has obtained insurance of the type, amount, and classification as required for strict compliance with this provision and that no material change or cancellation of the insurance shall be effective without thirty (30) days prior written notice to the CRA. Compliance with the foregoing requirements shall not relieve the firm of its liability and obligations under the resulting contract.

- A. The firm shall maintain during the term of the contract, standard Professional Liability Insurance in the minimum amount of \$1,000,000.00 per occurrence.

- B. The firm shall maintain, during the life of the contract, commercial general liability, including public and contractual liability insurance in the amount of \$1,000,000.00 per occurrence (\$2,000,000.00 aggregate) to protect the firm from claims for damages for bodily and personal injury, including wrongful death, as well as from claims of property damages which may arise from any operations under the contract, whether such operations be by the firm or by anyone directly or indirectly employed by or contracting with the firm.
- C. The firm shall carry Workers' Compensation Insurance and Employer's Liability Insurance for all employees as required by Florida Statutes.

All insurance, other than Professional Liability and Workers' Compensation, to be maintained by the firm shall specifically include the Lake Worth CRA as an "Additional Insured".

Evaluation and Award

The CRA will assemble an Evaluation Committee to evaluate the proposals from Proposers. The Evaluation Committee will convene for a public meeting to evaluate and rank the most advantageous proposals and make a recommendation for contract award to the CRA Board. The Procurement Official will notify all submitting Proposers and advertise the Evaluation Committee meeting in the appropriate media as directed by law. The CRA Board is not bound by the recommendation of the Evaluation Committee and the CRA Board may deviate from the recommendation in determining the best overall responsive proposal which is most advantageous and in the best interest of the CRA District.

Each Proposal will be evaluated individually and in the context of all other proposals. Proposals must be fully responsive to the requirements described in this RFP and to any subsequent requests for clarification or additional information made by the City through written addenda to this RFP. Proposals failing to comply with the submission requirements, or those unresponsive to any part of this RFP, may be disqualified. There is no obligation on the part of the CRA to award the proposal to the lowest priced proposer, and the CRA reserves the right to award the contract to the Proposer submitting the best overall responsive proposal which is most advantageous and in the best interest of the CRA District. The CRA shall be the sole judge of the proposals and the resulting contract that is in its best interest and its decision shall be final.

While the CRA allows Proposers to specify any desired variances to the RFP terms, conditions, and specifications, the number and extent of variances taken will be considered in determining the Proposer who is most advantageous to the CRA. **Evaluation Scoring Criteria has been incorporated into the RFP document specifics.**

Representations by Submittal of Proposals

By submitting a proposal, the Proposer warrants, represents and declares that:

- A. Person(s) designated as principal(s) of the Proposer are named and that no other person(s) other than those therein mentioned has (have) any interest in the proposal or in the anticipated contract.
- B. The proposal is made without connection, coordination or cooperation with any other persons, company, firm or party submitting another proposal, and that the proposal submitted is, in all respects, fair and in good faith without collusion or fraud.
- C. The Proposer understands and agrees to all elements of the proposal unless otherwise indicated or negotiated, and that the proposal may become part of any contract entered into between the CRA and the Proposer.

D. By signing and submitting a proposal, Proposer certifies that Proposer and any parent corporations, affiliates, subsidiaries, members, shareholders, partners, officers, directors or executives thereof are not presently debarred, proposed for debarment or declared ineligible to bid or participate in any federal, state or local government agency projects.

E. Pursuant to 287.133, Florida Statutes, a person or affiliate who has been placed on the convicted firm list maintained by the State of Florida may not submit a proposal to the CRA/City of Lake Worth for 36 months following the date of being placed on the convicted firm list. Proposer certifies that submittal of its proposal does not violate this statute.

F. Proposer recognizes and agrees that the CRA will not be responsible or liable in any way for any losses that the Proposer may suffer from the disclosure or submittal of proposal information to third parties.

Protests

Any actual Proposer who is aggrieved in connection with this RFP may protest such procurement. The protest must be filed with the CRA in accordance with the City's procurement code. A complete copy of the City's procurement code is available on-line at municode.com under the City's code of ordinances (sections 2-111 – 2-117). The protest procedures are set forth at section 2-115. There are strict deadlines for filing a protest. Failure to abide by the deadlines will result in a waiver of the protest.

Compliance

All proposals received in accordance with this RFP shall be subject to applicable Florida Statutes governing public records including without limitation Chapter 119, Florida Statutes.

LETTER OF TRANSMITTAL

Lake Worth (FL) CRA

RFP #02-2015

Dear Selection Committee,

On behalf of Retail Strategies, LLC I am pleased to acknowledge our understanding of the statements and conditions within this RFP, and to present our response to the Lake Worth CRA for Retail Feasibility, Strategic Planning, and Business Recruitment. The scope of this RFP is right in line with the work Retail Strategies has provided to nearly 100 communities in 18 states. With roots in commercial real estate, and leveraging a national network of retail contacts and relationships, Retail Strategies is uniquely qualified to fulfill this RFP for the Lake Worth CRA.

In the subsequent pages of this document, we will outline our approach to this project. If awarded this project, we will assemble a team of highly experienced research and recruitment professionals whose sole commitment is to bring new and vibrant retail and restaurant concepts into the market. Cities such as Lake Worth are ripe for this kind of growth because there is a significant amount of pent up demand for retail, the barriers of entry (costs, competition) are less onerous than larger markets and retailers have realized their stores perform well in such environments.

All of our engagements begin with research, the quantitative assessment of the Lake Worth trade areas (using multiple geographic parameters) in order to understand the customer dynamics at the neighborhood, city and regional levels. We leverage best in class data from a myriad sources including demographic, psychographic, retail gap analysis and, consumer expenditure data in order to identify suitable prospects for specific locations in Lake Worth. In addition, we will deploy experienced retail real estate professionals to Lake Worth for the purpose of conducting an exhaustive assessment of the real estate environment in the market. Our experienced professionals will develop a Strategic Retail Recruitment Plan for entire Lake Worth. This plan will also encompass the particular focus areas outlined by the CRA which include but are not limited to Dixie Highway, the Gateways, Federal Highway and Lake and Lucerne Avenue Corridors. Our team of recruitment professionals, all of whom are licensed real estate professionals, will use this information to drive discussions with the retail prospects who belong in Lake Worth. Retail recruitment success requires a relentless pursuit over a period of time and this is our commitment to the Lake Worth CRA.

Thank you for the opportunity to participate in this process.

Regards,

EXECUTIVE SUMMARY

Our model is both strategic and comprehensive. Whereas most firms stop after the research and analysis phase, we go well beyond, adding more expertise and value. The current economic environment has taken its toll on cities throughout the country, many of whom rely on volatile retail sales taxes as a primary source of revenue. Basic community services and quality of life depend heavily on a city's ability to broaden the sources of public revenue. This often requires the city to recruit additional retailers, identify local entrepreneurial opportunities, or assist existing businesses in better understanding their potential through detailed market analysis.

To accomplish this, cities today need a plan to address their retail recruitment initiatives. In many instances, city economic development efforts turn to retail consultants to address these issues, only to be left with research reports, a list of retailers, and limited guidance on the actual process of recruiting prospects to their community.

Retail Strategies was formed to help cities take a comprehensive approach to retail recruitment. We go beyond research, recognizing the need for our clients to have a partner involved in the execution of a specific **Retail Recruitment Strategy**.

COMPANY BACKGROUND & EXPERIENCE

Founded in 2011 with headquarters in Birmingham, Alabama, Retail Strategies, LLC grew out of the need for cities to become more active in the recruitment of retail to their markets. Most cities do not possess the internal resources, relationships, credibility and experience necessary in order to successfully grow their retail base and Retail Strategies becomes an extension of the city team, laser-focused on bringing new retail and restaurant concepts into markets. The firm is currently serving over 100 engaged communities in 18 states. Our business model is highly scalable and the firm is well capitalized which enables us to add staff and resources as the business grows.

Retail Strategies, LLC employs 28 staff members across several disciplines: business development, research, account management, finance, and legal, and administrative support personnel. Our three partners (Robert Jolly, Mead Silsbee and Chuck Branch) have decades of experience in research and all retail estate aspects including project leasing and brokerage, development, property management, and incentives consulting.

In addition to our home office in Birmingham, AL we operate two regional offices in New Orleans and Fort Worth. We also will open a new office in Q2 2015 in New York City.

The principal project manager will be Lauren Turriglio. Lauren will be supported by the firm's partners, research associates, our Executive Vice President in Charge of Client Management and Retail Recruitment, and a team of retail recruitment specialists throughout the life of the Lake Worth CRA engagement.

- c. Project Start Date: March 2014
- d. Project Completion Date: Ongoing
- e. Project Total Cost: Confidential
- f. Project Overview Summary:

Our partnership with the City of Lake City, FL has yielded major public retail results in the first calendar year of our engagement. Harbor Freight Tools, Sear's Hometown Store, Dairy Queen, Panda Express, and Mattress Firm, have either opened or will locate in Lake City in 2015. In addition to those successes, our team is working with multiple property owners, retailers, and developers to further bolster the retail sector by recruiting retailers and restaurants to fill product and service GAPs within Lake City. One of the opportunities we are assisting with is at the heart of Lake City's Retail Corridor. This project will feature two new to market retailers and multiple other desired concepts. Since our engagement began with Lake City in March of 2014 our team has recruited 10+ retailers that have either publicly announced or signed Letters of Intent for sites in Lake City.

METHODOLOGY AND APPROACH

PROJECT APPROACH

The project will be overseen by the Principals of Retail Strategies, the Executive Vice President, Wade Robinette and the Client Manager for the State of Florida, Lauren Turriglio, with support from our research team and retail recruitment staff. This combination of the Retail Strategies' team, utilizing each team member's individual skill set, will create the synergy needed to develop a successful retail recruitment initiative in Lake Worth, FL.

The Lake Worth CRA will be asked to provide the following:

- A project lead to whom Retail Strategies will provide information and updates on our progress. This person should also be the client representative responsible for requesting on-demand research as well as disseminate information to local stakeholders as appropriate.
- A point person to access BaseCamp where all research, analysis, marketing materials, the strategic plan and progress reports are made available to the client.
- Images and information to be used in the materials developed by Retail Strategies to market Lake Worth opportunities for new retail.
- Assist Retail Strategies with contact information of property owners whose property is identified as a "Key Site" for retail/shopping center development or redevelopment
- Provide traffic counts for intersections and streets if available from the local planning or transportation department.
- Completed Questionnaires regarding the past and current retail landscape and communities expectations.

RESEARCH: QUANTITATIVE AND IN-MARKET ANALYSIS

Our research solutions are not a “one size fits all” or pre-formatted by an industry standard radius or drive-time area. Each city, community, or retail trade area requires unique analysis based on numerous factors including natural boundary areas, current retail tenant mix, travel times, radius areas and existing sites/buildings. Our research focuses on identifying the data points that are most likely to influence the site location decisions of retailers. Once these data points are determined – we provide thematic maps, aerial photos, asset maps, and customized research reports by retail concept.

a. Conduct and Deliver Market Research to Include:

- Timeline: Begins Day 1 and initial research is completed within the first ten days of our engagement. Further research and analysis will be complete prior to the Strategic Plan delivery. Research updates, site specific research and on-demand research continue throughout the engagement.
- Identify Lake Worth, FL Retail Trade Areas using political boundaries, drive times and radii and custom boundary geographies
- Perform Market & Retail GAP Analysis for each trade area (Leakage and Surplus)
- Provide Consumer Attitude and Behavior Analysis
- Conduct Retail Peer Market Analysis
- Competition analysis between Lake Worth, FL trade area(s) and surrounding competitive communities
- Cannibalization Analysis (Distance Tolerance) for all recommended retail prospects between nearest existing locations and Lake Worth, FL
- Tapestry Lifestyles – Psychographic Profile of Trade Area / Market Segmentation Analysis
- Thematic Mapping and Aerial Imagery by trade area
- Retail Competitor Mapping/Analysis
- Market Maximization Summary and Strategic Leasing Plan
- Analysis of future retail space requirements in relation to the retail market analysis, the market's growth potential and trends in the retail industry
- Identification of Retail Prospects to be targeted for recruitment
- Retailer Recruitment and Execution of the Retail Strategic Plan
- Updates on Retail Industry Trends
- Custom On-Demand Demographic Research – Historical, Current, and Projected Demographics – to include market trade areas by radius/drive-time, and custom trade areas associated with Lake Worth, FL

b. In-Market Assessment of Real Estate Assets:

- Timeline: Market visit is scheduled on Day 1 of the project and completed no later than 75 days in to the engagement.
- Identify/Evaluate/Catalog Priority Commercial Properties for Development, Re-development and higher and best use opportunities (this includes Dixie Highway, the Gateways, Federal Highway, and Lake and Lucerne Avenue Corridors)
- Identification of Priority Business Categories for Recruitment and/or Local Expansion
- Perform Competitive Analysis of Existing Shopping Centers and retail corridors

c. Community and Stakeholders' Input:

- Timeline: Retail Strategies Questionnaire is delivered on Day 1 of the project and should be completed by our primary contact and other stakeholders within the first 30 days of our engagement.

Our company values the input of Community Leaders and Stakeholders. The Questionnaire identifies and asks for input on subjects ranging from "What Retail is Being Desired in Lake Worth, FL" to "What Projects are on the Drawing Board in Lake Worth, FL." In addition to the Questionnaire our firm will continue to reach out and receive input from Community Leaders and Stakeholders throughout the life of our partnership.

d. Project Management through BaseCamp:

- Timeline: Basecamp account is established on Day 1 of the project and primary contacts receive instructions on setting login credentials and BASIC Training in order to upload information requested by Retail Strategies. Research Reports will be made available through Basecamp as initial research is completed.

Retail Strategies uses BaseCamp as our document and project management solution to provide access to all project deliverables and real time updates to the appropriate community contacts.

Basecamp is a two way project management solution allowing our clients the ability to upload information to the Retail Strategies team, set alerts, create to do lists, and much more. Retail Strategies also provides all pro-active recruiting updates to our clients through their Basecamp account.

The Client Manager for the Lake Worth, FL engagement will also upload any on demand research requests and updates of conversations with local property owners, commercial realtors and developers. All users designated by Lake Worth, FL will receive Basecamp training from Retail Strategies staff through a web meeting.

Development of Strategic Retail Recruitment Plan:

a. Develop Marketing Materials

- Timeline: On or before Day 75 of our partnership Retail Strategies will develop marketing materials on the client's behalf.

The materials are created to market the community to retailers, developers, etc. These marketing materials become one of the "tools" used to position Lake Worth, FL as destination for new retail development.

b. Provide Identification and Recommendation of Retail Prospects

- Timeline: On or before Day 75 Retail Strategies will develop a Retail Prospect List which will include retail prospects targeted for recruitment to Lake Worth, FL.

This list of retailers is based on the initial research and analysis – both quantitative and in-market – done on behalf of Lake Worth, FL. The Retail Prospect List is a dynamic document which is continuously updated based on real time conversations with both retailers and developers. As we represent Lake Worth, FL nationally, present opportunities in Lake Worth, FL to retailers and developers, and learn of newly announced retail expansion plans and concepts, the prospect list will be updated accordingly.

c. Recommendations for Site Locations for Retail/Restaurant Companies

- Timeline: On or before day 80 of our partnership Retail Strategies, LLC will identify and prioritize commercial properties that may be suitable sites to present to prospective new retailers.

This process will include maps, marked aerials, and all pertinent contact and site specific Information relative to each site.

d. Provide a Recruitment Strategy for New Retail and Restaurant Companies

- Timeline: On or before day 80 of our partnership, Retail Strategies will develop a Strategic Retail Recruitment Plan.

The Strategic Retail Recruitment Plan which will be a summary of the primary retail gaps inclusive of the key retail and restaurant concepts to be pursued with an overview of each retailer relative to size, economics, etc. The Strategic Plan will identify both short-term and long-term recruitment objectives and goals.

Delivery of Strategic Retail Recruitment Plan

- Timeline: By Day 90 of our Partnership the Client Manager for the partnership will schedule a convenient time to present the Strategic Retail Recruitment Plan to the client.

The Retail Recruitment Strategic Plan will be presented to the Stakeholders and Primary Contact(s) within Lake Worth, FL. Once the Retail Recruitment Strategic Plan has been presented and approved by the Lake Worth CRA it will be uploaded to client's BaseCamp account.

Execution of Customized Strategic Retail Recruitment Plan:

- Timeline: After the presentation of the Strategic Retail Recruitment Plan and approval by the Lake Worth CRA, Retail Strategies begins executing against Retail, Development, and Redevelopment opportunities within Lake Worth, FL. Pro-Active recruitment continues for the length of the engagement.

Retail Strategies will implement the Strategic Retail Recruitment Plan, after presentation and approval by the Lake Worth CRA, by establishing relationships and facilitating conversations with key leaders/stakeholders in Lake Worth, FL including property owners, developers, investors and real estate professionals along with prospective retail/restaurant companies in order to execute the Strategic Retail Recruitment Plan. In addition to facilitating relationships between key entities Retail Strategies will represent Lake Worth, FL on a National scale at Retail/Real Estate Conferences, including the International Council of Shopping Centers (ICSC) Global Real Estate Convention and regional Deal Making events, leveraging marketing materials, identifying sites for targeted retailers, and setting meetings with targeted retailers/developers to discuss opportunities within Lake Worth, FL.

Retail Strategies will also update the Strategic Retail Recruitment Prospect List as we identify new and expanding/emerging retail/restaurant companies. The Lake Worth CRA will be updated on our progress through their BaseCamp account and communication between Retail Strategies and the designated contact at the Lake Worth CRA.

Portfolio Review

A prime example of the creativity that drives Retail Strategies is our Portfolio Review program. Due to the number of engaged cities we work with, we have identified retailers and developers looking to aggressively expand their market presence regionally and nationally. We understand the parameters set by retailers when reviewing potential new locations. We have a roster of developers who are looking to replicate previous developments in similar communities across appropriate geographic regions. Retail Strategies meets with these retailers and developers in a variety of settings – corporately, regionally, at ICSC functions or in their offices – to position opportunities across our engaged city portfolio down to the specific sites meeting their criteria. Extensive analysis and preparation prior to the Portfolio Review allow meetings to focus on deal making in addition to exchanging information. Retailers and developers have told us that this is the most productive use of their time and their preferred way to discuss opportunities and negotiate deals.

Call List and Recruitment Update

- Timeline: Updated Monthly, this document is an ongoing tracking form to keep the identified contacts updated relative to recruitment efforts and specific interaction with prospective retailers and developers interested in the Lake Worth, FL retail trade area. Updates are posted to Basecamp and the appropriate contacts receive an email notification that an update has been added for their review.

Representation at Retail Industry Events

- Timeline: Will begin May 17th at ICSC RECON in Las Vegas, NV and continue at each regional and National retail real estate conference throughout the life of our partnership with Lake Worth, FL

Upon completion of the research assessment, our team then focuses on the primary benefit of our approach, implementation. Without a robust retail recruitment strategic plan, and the associated outreach to retailers and developers, even the best research is wasted. City Staff and Elected Officials have many demands on their time and talents creating obstacles to truly dedicating themselves to retail recruitment, while Retail Strategies will become an extension to your staff providing the focus, expertise, and relationships necessary to develop and execute a successful recruitment process.

Once the retail recruitment strategic plan has been adopted, Retail Strategies puts its years of retail real estate experience – and a national network of retail, restaurant and developer contacts – to work on your behalf. Retail recruitment is a commercial real estate activity and, as such, requires all of the aforementioned elements in order to yield results. Retail Strategies will embark upon a sustained, aggressive recruitment campaign on behalf of Lake Worth, FL. We become an extension of the staff that you don't have and are laser-focused on growing your retail base.

In 2013 Retail Strategies attended twenty-two (22) retail industry conferences and trade shows (including the International Council of Shopping Centers, Retail Live, Retailer One on One) each of which is an opportunity for us to position our client communities and the opportunities within each market respectively for retail growth. In 2014 Retail Strategies increased that number to more than thirty (30) to further represent and position our clients to expanding retailers and developers executing against each markets Strategic Recruitment Plan. In 2015 our team will attend more than thirty (30) conferences to further represent and position our clients to expanding retailers and developers executing against each markets Strategic retail Recruitment Plan.

OPTIONAL SERVICES

Incentives Consulting

Retail development in today's market, while improving from the downturn which occurred largely between 2008 and 2011, requires cooperation from all parties involved. Many recent retail projects illustrate how mutual partnerships between the retailers, developers and municipalities can result in WIN-WIN scenarios for all involved. Economic development partnerships between cities seeking new goods and services and increased tax revenues, developers looking for new investment opportunities and retailers looking to grow in new markets which were not economically feasible in the past, are now happening thru collaborative efforts.

In the past, when development economics didn't work, developers and retailers chose to move on to the next opportunity. However, success is now being realized in communities previously overlooked due to the creative and economically feasible alternatives municipalities can bring to the table.

Today, we believe the municipality needs to have a "seat" at the table initially in all new or re-development projects in their community. By making the municipality a "partner" in the development discussion, opportunities for creative assistance to bridge economic gaps can become "deal makers" versus "deal breakers".

Each municipality in each state differs in the capability and methodology for providing assistance. Many development agreement alternatives exist to "bridge the gap" and address the funding shortfalls to create successful developments. Some of these include Development Agreements in which the municipality uses funds from reserves or bond issues to assist with site infrastructure or similar improvements (from which sales or property tax increases are used as repayment along with alternatives for developer guaranty obligations), sales tax incentives (typically thru revenue sharing in some fashion with the developer or retailer) or joint developments in which the City contributes city-owned property such as parking facilities or other public infrastructure to help mitigate shortfalls in development funds.

Municipalities realize a positive return on investment by providing methods to create development in their communities – plus job growth, higher property taxes, a broader tenant mix and ultimately, and additional tax revenues to fund quality of life projects throughout the community. Developers now have a better understanding of what options are available to turn what were previously considered economically prohibitive deals into viable new development projects. By creating a partnership with the municipality from the inception of a deal, more opportunities exist for new and exciting retail developments to occur.

Pricing for Incentives is based on when Retail Strategies becomes engaged in the process.

If Retail Strategies is engaged prior to an incentives request from a developer, retailer or third party and the city request assistance from Retail Strategies to research, analyze and/or negotiate the requested incentives package, the cost to the city is \$15,000 plus 4% of the negotiated incentives value per project. The percentage fee is paid over the length of the incentives payback period.

If Retail Strategies is engaged after a project has made an incentives request, the cost to the city is 8% of the cost savings recognized by the city per project paid over the length of the incentives payback period.
