Re: Republic Services of Florida, Limited Partnership d/b/a All Service Refuse  
Public Spaces Contract

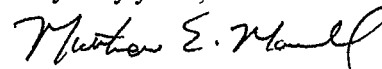

Dear Ms. Doyle:

My client, Republic Services of Florida, Limited Partnership d/b/a All Service Refuse ("Republic"), has provided Trash and Recycling Collection Services for Public Spaces and Special Events pursuant to ITB 542-11342 for the initial term. Pursuant to the language in the ITB Section 1.16 entitled Contract Period, Republic chose not to pursue the extension renewal under current pricing and terms. The City recently requested bids for the service and due to irregularities of two out of three of the bidders' submittal, all bids were rejected and the bid was terminated without an award.

Republic is advising the City that after October 31, 2015, Republic will no longer service the Contract for the City. Republic has a long and excellent working relationship with the City and is willing to work with the City (as Republic has already done with the limited extension) to continue to provide service based upon the pricing submitted in the latest bid submittal by Republic that resulted in all bids being rejected.

The Bid proposal of \$162,659.00 a month was proposed by Republic to continue the service in the bid submittal where all bids were rejected and Republic in good faith is proposing \$149,602.00 a month to continue the current service for that price on a month to month basis provided Republic is given a Thirty (30) Day Cancellation Notice to terminate the service by the City. This pricing is for a one (1) year period and subject to City approval. Please advise of your willingness to extend the Contract or if the City will be planning another Bid or collect the materials itself. Thank you for your consideration.

Very truly yours,

Matthew E. Morrall
